We further note that the Company has not announced its 1H2026 financial results, which was past due. Please explain the reasons for the delay and the target date for release.

Company’s Response

The Company refers to its response to SGX RegCo’s queries received on 12 August 2026 and submitted on 18 August 2026. As additional time was required by the Company’s external auditors to complete the audit for the financial year ended 31 December 2025 (“FY2025”) – the closing trial balance for which accounts will impact the opening balance for the financial year ending 31 December 2026 (“FY2026”) – the Company is delayed in releasing its financial results for the six months ended 30 June 2026. The Company is in the final stages of the audit for FY2025 and is finalizing the financial statements for FY2025 with its external auditors. Following the completion of the audit for FY2025, the Company will be able to release its financial results for Q1FY2026 and HY2026 by 15 October 2026.
