**MIDDLE EAST CONFLICT – SIM LEISURE GROUP LTD GCC OPERATIONS**

---

The board of directors (the “**Board**” or the “**Directors**”) of Sim Leisure Group Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) notes with concern the ongoing war in the Middle East. The Group wishes to highlight that its Theme Attractions Construction segment has operations in the Gulf Cooperation Council (“**GCC**”) region.

The Group confirms that its project sites and facilities have not been damaged, nor have its personnel and crew members been harmed or affected by any incident related to the conflict. While the Group does not have direct exposure to Iran or Israel, heightened geopolitical tensions across the region may pose risks to supply chains, project timelines, and operating conditions.

The Group is closely monitoring developments and engaging with local partners to assess potential impacts. At present, operations in the GCC region remain unaffected. The Group will continue to exercise prudence and will provide timely updates to shareholders via SGXNet should there be any material developments.

By order of the Board,

Dato’ Sim Choo Kheng  
Executive Chairman  
24 March 2026
