Source: UOB's internal survey, 2014

Group Transaction Banking Strategy in Greater China

CUSTOMERS <i>Supporting clients' regional business needs</i>	GEOGRAPHY <i>Uniquely positioned to capture growth</i>	PRODUCT & PEOPLE <i>Offering advice and solutions</i>
<ul style="list-style-type: none"> ▪ Focus on target segments (MNCs, SOEs, LLCs¹, SMEs) and their regional business needs ▪ Our strong foothold in ASEAN allows us to link our Greater China corporates to their counterparts in Asia ▪ Leverage Group's integrated capabilities to originate opportunities into Greater China by capturing various cross-border flows from targeted large corporates into and within Greater China 	<ul style="list-style-type: none"> ▪ Focus on driving cross-border business within the Greater China region ▪ Conduit for ASEAN clients' expansion into Greater China; large ASEAN footprint to help clients capture various flows ▪ Leverage UOB's 500-office network to capture end-to-end transaction flows (cash, trade and FSCM²) within Greater China and across the rest of UOB franchise ▪ Ride on AEC³ and OBOR⁴ initiatives, where UOB is present in 11 of the OBOR countries 	<ul style="list-style-type: none"> ▪ Build in-country solutions with regional overlay to service domestic and regional clients, for eg. our Global e-banking and Global Liquidity Management Solutions ▪ Transaction Banking teams in China (set up in 2011) and Hong Kong (set up in 2012), have since expanded by around 4 times ▪ Global FSCM² team in place to meet the growing financial supply chain management needs of our customers globally

1. LLC: Limited liability companies

2. FSCM: Financial supply chain management

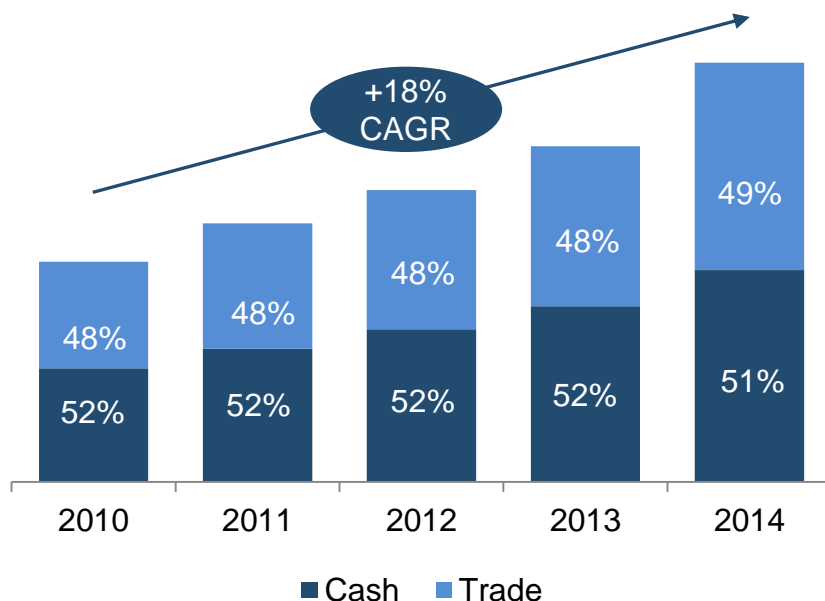

3. AEC: ASEAN Economic Community

4. OBOR: One Belt, One Road

Strong Results over Past 5 Years

UOB Group's Transaction Banking Revenue¹

UOB Greater China's Transaction Banking Revenue¹

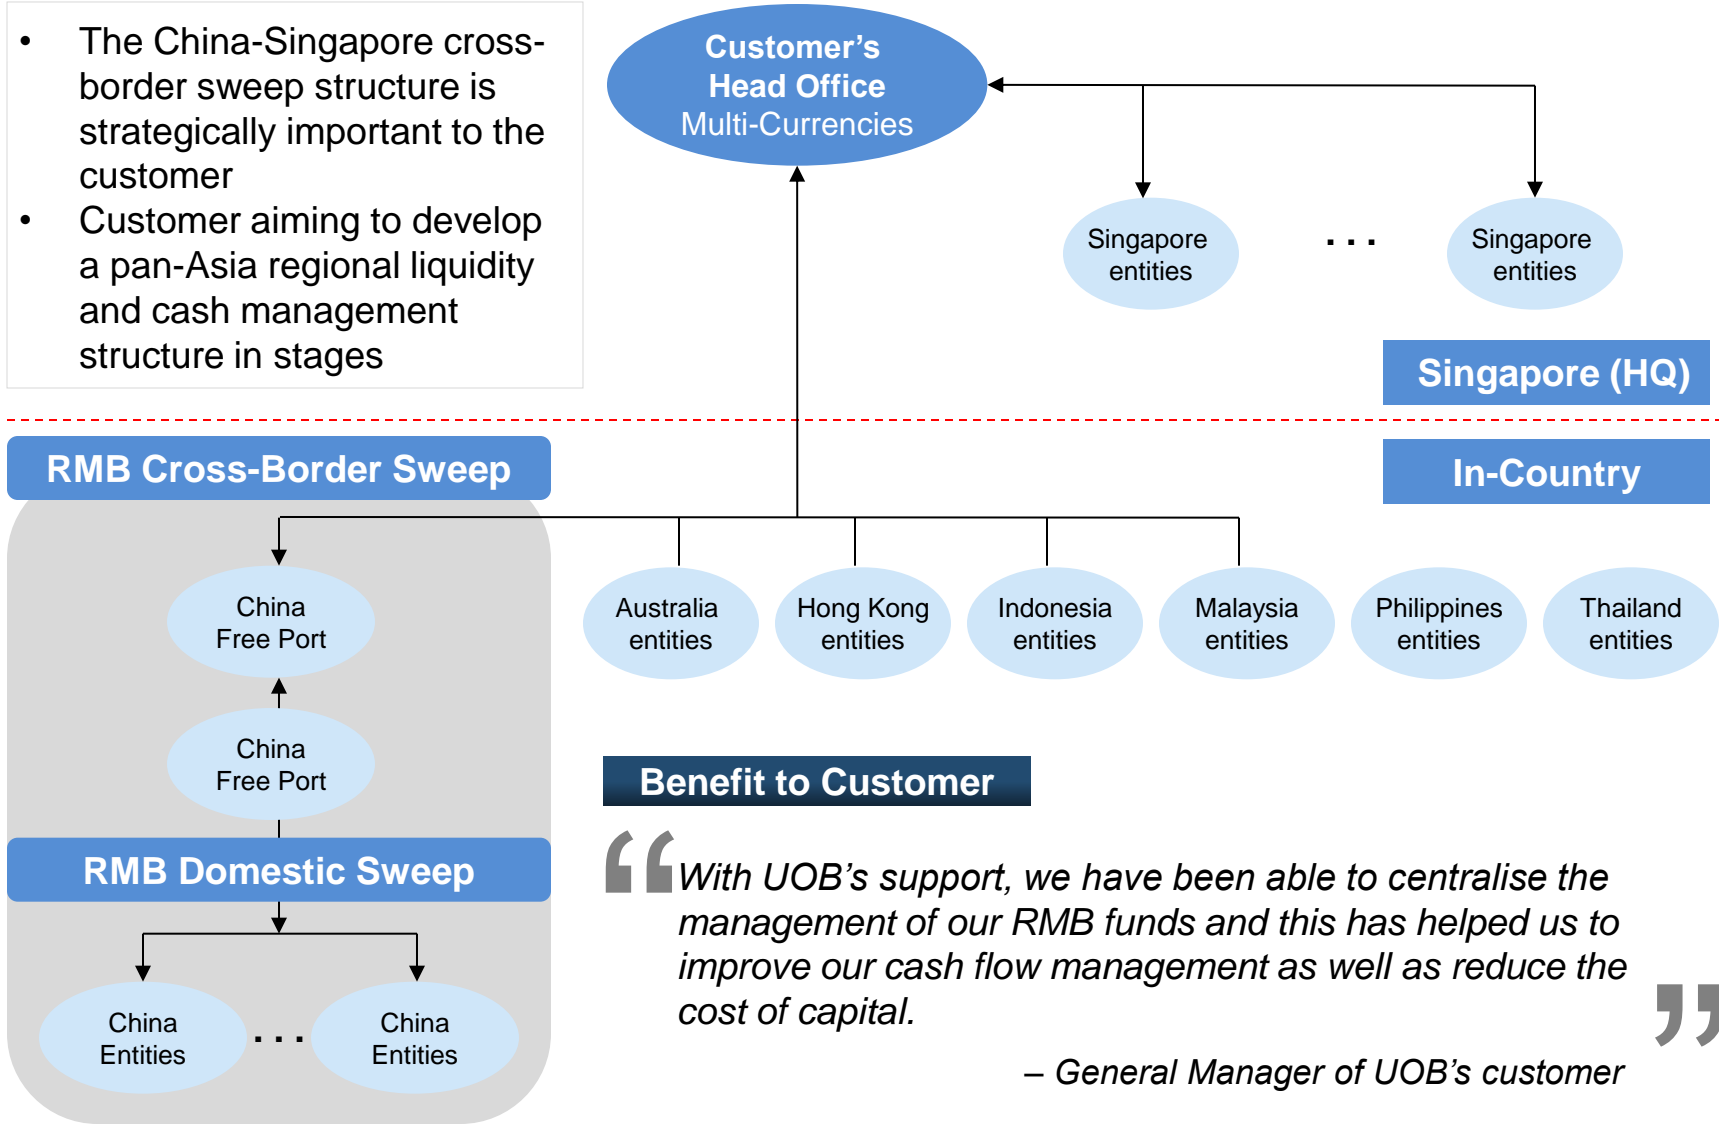

- Group Transaction Banking's revenue recorded good growth momentum over the past 5 years, with Greater China business' growing significantly alongside Group Transaction Banking
- Strategic focus remains on delivering solutions that meet clients' evolving regional business needs

1. The axis of both charts are not on the same scale.

Leveraging UOB's Greater China Franchise and ASEAN Footprint

- The China-Singapore cross-border sweep structure is strategically important to the customer
- Customer aiming to develop a pan-Asia regional liquidity and cash management structure in stages

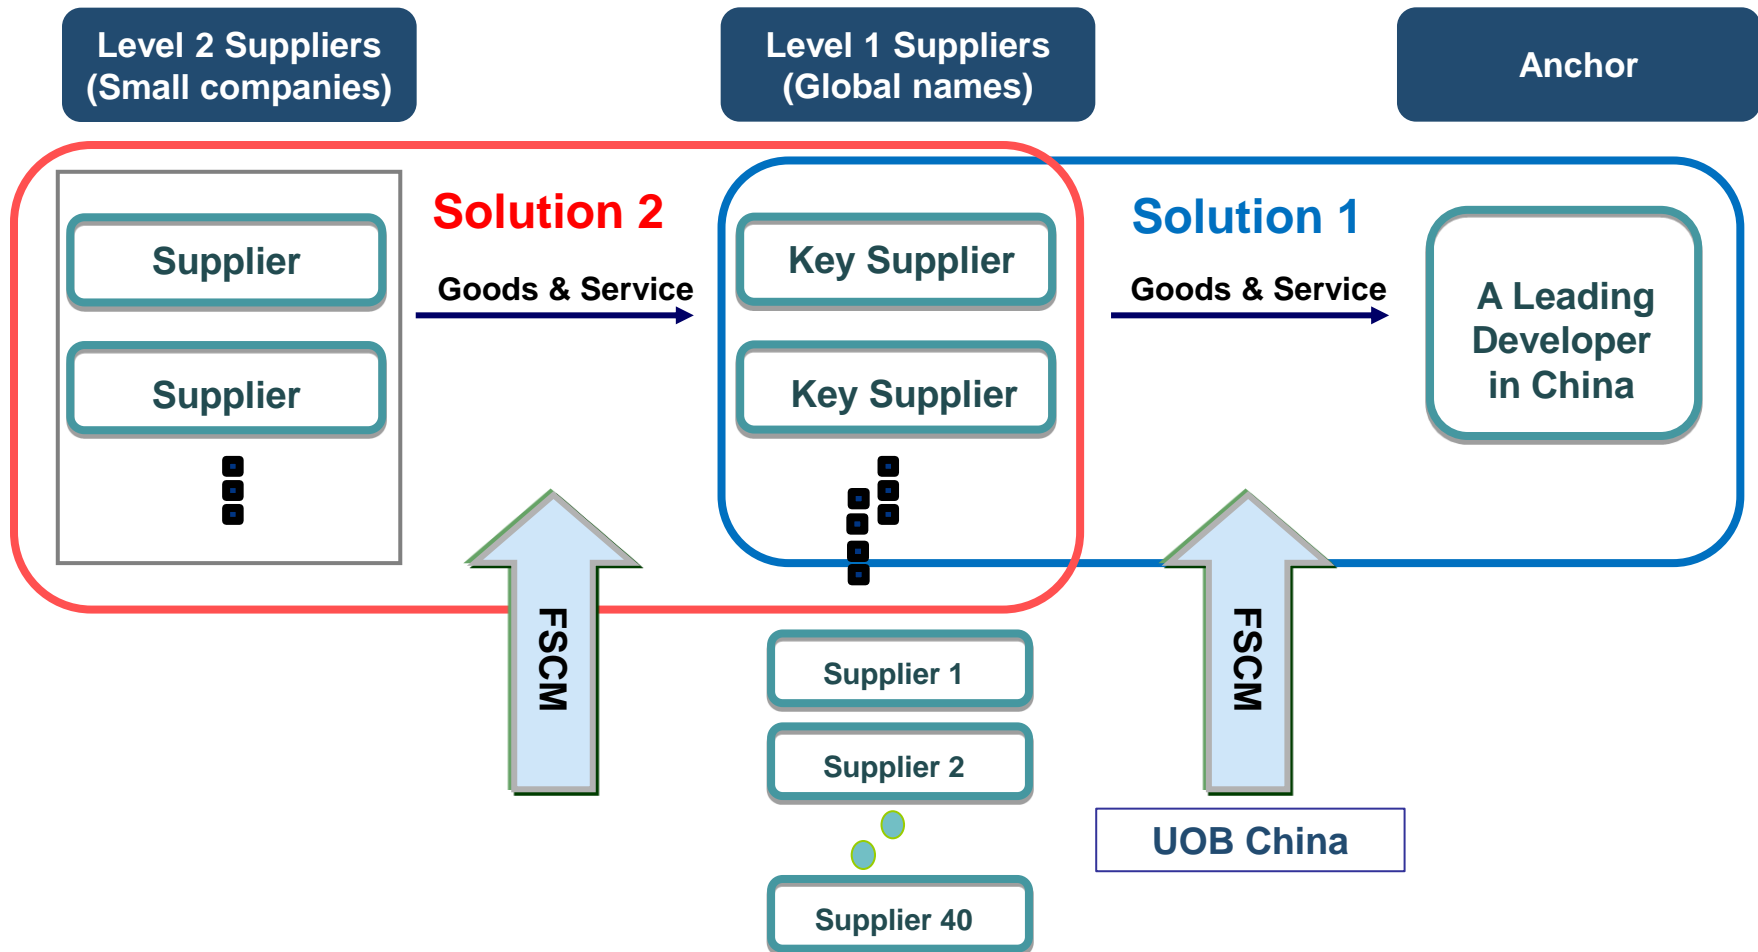

Benefit to Customer

“With UOB's support, we have been able to centralise the management of our RMB funds and this has helped us to improve our cash flow management as well as reduce the cost of capital.”

– General Manager of UOB's customer

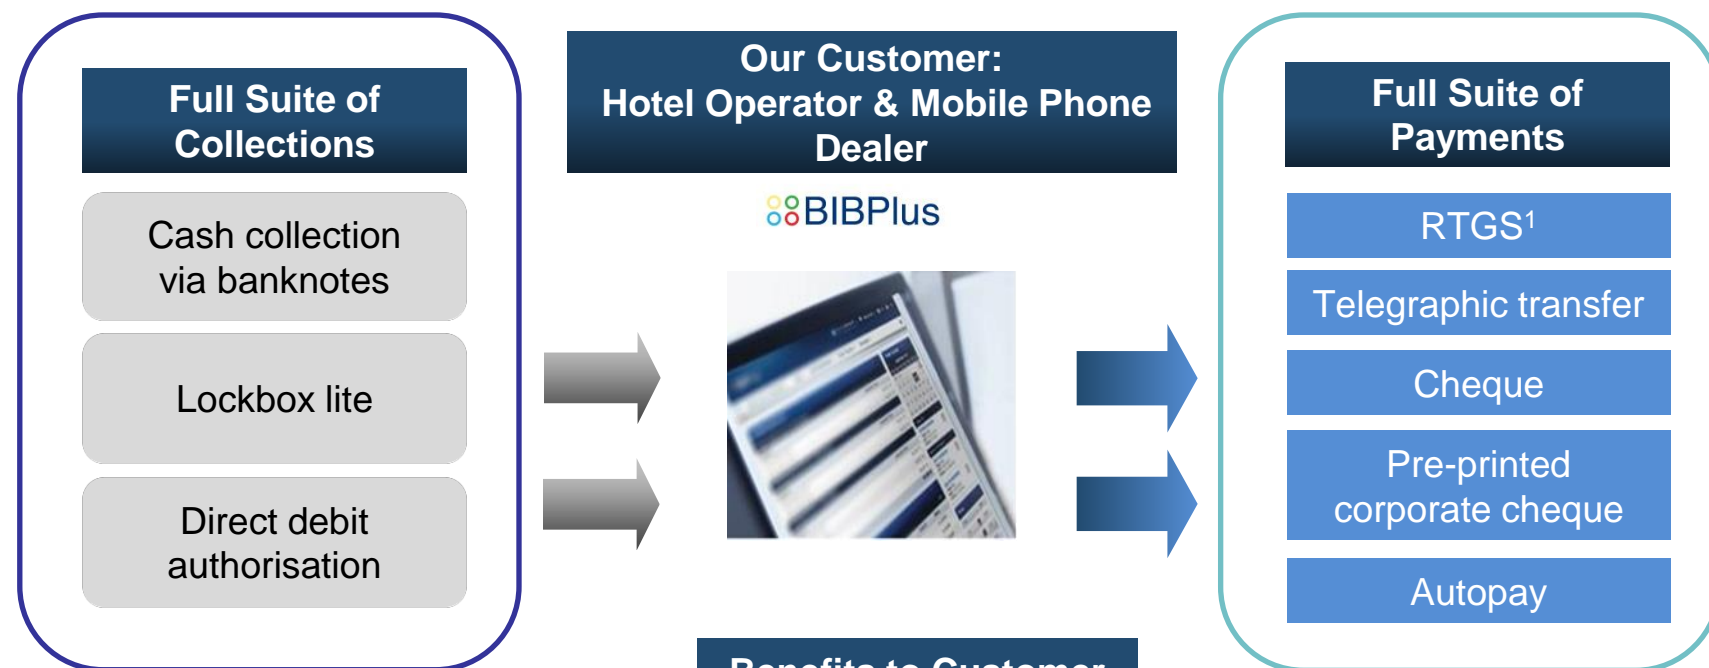

Building Comprehensive FSCM¹ Solutions in Greater China

Our FSCM¹ solution helped to cement our relationship with a leading residential developer, who served as the first anchor for our relationships with its Suppliers (Level 1), and in turn was able to extend the supply chain financing upstream to include their Suppliers (Level 2).

1. FSCM: Financial supply chain management

Innovative Bundling of Strategic Collaboration

Benefits to Customer

Streamline the Process

- Faster turnaround time i.e. same day credit
- One-stop shop service i.e. FX and fixed deposit
- Easy account reconciliation with reference input per cheque
- Faster turnaround time for fee collection

Process & Control (Internet Banking)

- Real-time account information
- Improve cash flow
- Easy reconciliation and reporting
- Outsource labour intensive tasks to bank

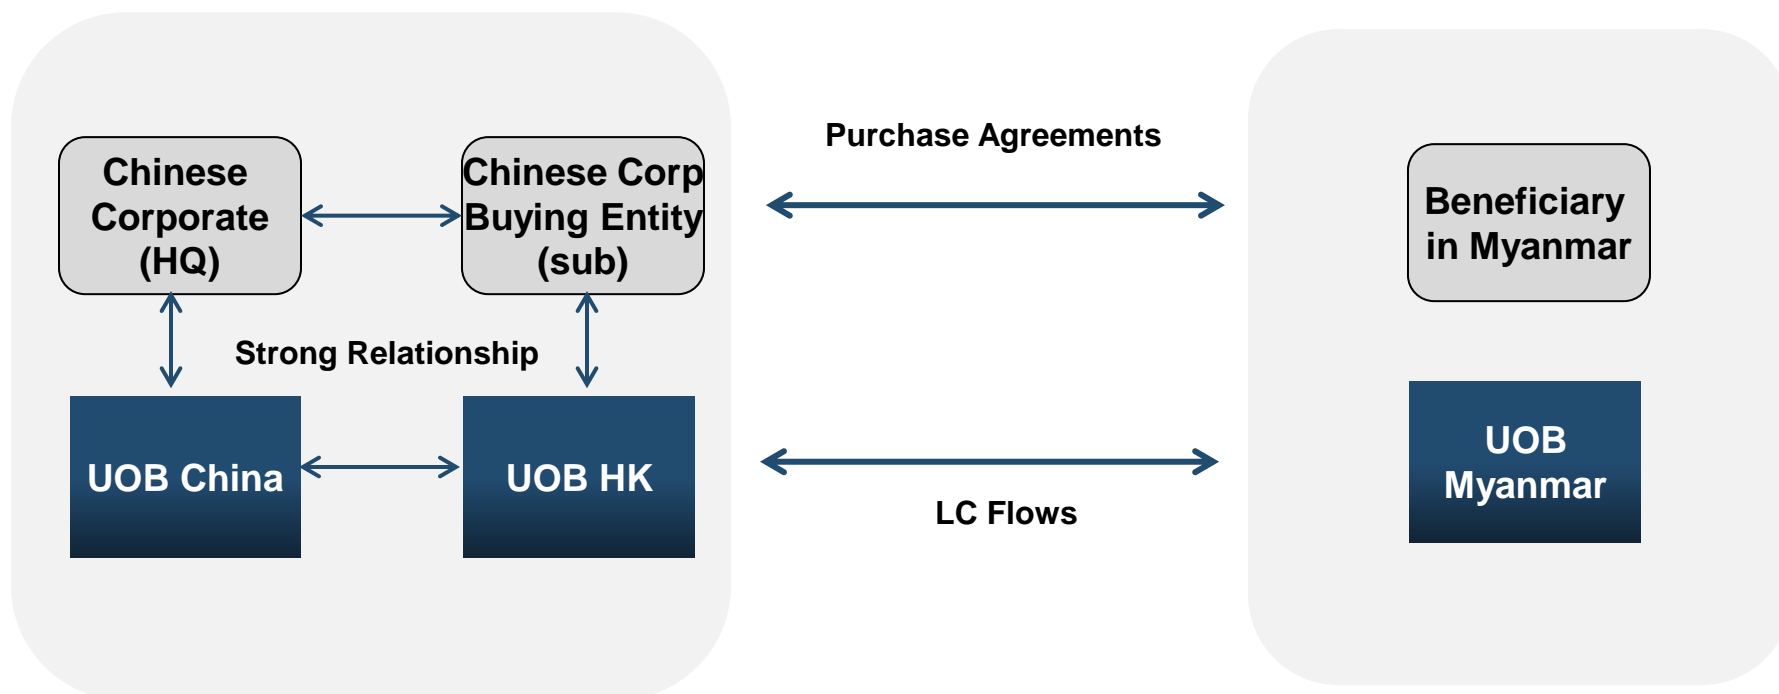

Cost Savings

- Straight-through processing of payables, instead of manual issuance by paper instructions
- Enjoy preferential pricing for online payments
- Convert from expensive RTGS¹ to low-cost electronic payments, ACH²

1. RTGS: Real-time gross settlement
2. ACH: Automated clearing house

Leveraging Our Strong Network & Relationships

- Strong position to connect Chinese corporates with Myanmar corporates
- Able to support the trade corridor between Greater China and Myanmar

Benefits to Customer

- Help to enhance and facilitate our customers' cross-border trade between China and Myanmar
- Provide Chinese corporates an end-to-end trade solution for their trade with Myanmar
- Provide faster turnaround time to collaborate with Myanmar suppliers and end-buyer in China
- Leveraging UOB's network to link up Chinese corporates
