Important Notice

The information contained in this presentation is for information purposes only and does not constitute or form part of, and should not be construed as, any offer or invitation to sell or issue or any solicitation of any offer or invitation to purchase or subscribe for any units in Keppel Infrastructure Trust ("KIT") and the units in KIT (the "Units") or rights to purchase Units in Singapore, the United States or any other jurisdiction. This presentation is strictly confidential to the recipient, may not be reproduced, retransmitted or further distributed to the press or any other person, may not be reproduced in any form, may not be published, in whole or in part, for any purpose to any other person with the prior written consent of the Trustee-Managers (as defined hereinafter). This presentation should not, nor should anything contained in it, form the basis of, or be relied upon in any connection with any offer, contract, commitment or investment decision whatsoever and it does not constitute a recommendation regarding the Units.

The past performance of KIT is not necessarily indicative of its future performance. Certain statements made in this presentation may not be based on historical information or facts and may be "forward-looking" statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar businesses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business. Such forward-looking statements speak only as of the date on which they are made and KIT does not undertake any obligation to update or revise any of them, whether as a result of new information, future events or otherwise. Accordingly, you should not place undue reliance on any forward-looking statements.

Prospective investors and unitholders of KIT ("Unitholders") are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of Keppel Infrastructure Fund Management Pte. Ltd. (as trustee-manager of KIT) (the "Trustee-Manager") on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation. The information is subject to change without notice, its accuracy is not guaranteed, has not been independently verified and may not contain all material information concerning KIT. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, KIT, the Trustee-Manager or any of its affiliates and/or subsidiaries. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Trustee-Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.

The information contained in this presentation is not for release, publication or distribution outside of Singapore (including to persons in the United States) and should not be distributed, forwarded to or transmitted in or into any jurisdiction where to do so might constitute a violation of applicable securities laws or regulations.

This presentation is not for distribution, directly or indirectly, in or into the United States. No Units are being, or will be, registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any state of the U.S. or other jurisdiction and no such securities may be offered or sold in the U.S. except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any applicable state or local securities laws. No public offering of securities is being or will be made in the U.S. or any other jurisdiction outside of Singapore.

Business Updates

City Gas

- Customer base grew by 4.6% from 748,800 as of end 2015 to 783,300 as of end 2016
- Achieved 100% plant availability for FY 2016

Concessions

- Consist of Senoko WTE, Tuas WTE, SingSpring Desalination and Ulu Pandan NEWater plants in Singapore
- Fulfilled all contractual obligations during FY 2016
- Senoko boiler upgrade was completed on 1 September 2016, bringing total capacity of the plant to 2,310 tonnes per day

KMC

- Achieved 98.5% plant availability in FY 2016

DC One

- Construction completed and lease commenced in April 2016
- Started contributing positive cash flows with effect from 2Q 2016

Basslink

- Returned to service on 13 June 2016
- Repair costs as well as revenue loss during the outage are covered by insurance, subject to the relevant terms of the insurance policy
- On 5 December 2016, Basslink announced the completion of its investigations into the cause of the outage. Cause of fault was unknown
- Based on current circumstances and professional advice, Basslink believes that the outage is a force majeure event
- Hydro Tasmania (HT) disagrees that outage is force majeure event and commercial discussions are ongoing between Basslink and HT to resolve this
- Notwithstanding the above, HT has made good faith payments to Basslink in December 2016
- Usage of insurance proceeds is subject to consent of the banking syndicate
- Basslink is also working with the insurer on the remaining claims under the insurance policy
- CRSM was almost neutral compared to negative 27% in FY 2015

KIT Investment Criteria

KIT Investment Criteria

- KIT aims to provide Unitholders with **long-term, regular and predictable distributions** by pursuing investments that exhibit the characteristics listed below

Portfolio of highly strategic assets

Utilities Infra		Power Infra		Telecoms Infra
City Gas	Singapore Concessions	KMC	Basslink	DataCentre One
				

1	Long-term, regular and/or predictable cash flows	✓	✓	✓	✓	✓
2	Long-term contracts or concessions / customer stability	✓ ⁽¹⁾	✓	✓	✓	✓
3	Creditworthy or reputable off-takers	✓ ⁽²⁾	✓	✓	✓	✓
4	Diversification of asset class risks	✓	✓	✓	✓	✓
5	Jurisdictions with well-developed legal framework	✓	✓	✓	✓	✓

(1) City Gas is the sole producer and retailer of town gas in Singapore and has been in operation for over 100 years.
 (2) City Gas has a large, diversified customer base and is not reliant on any single customer.

Three-pronged Growth Strategy

1 Organic Growth from Existing Portfolio

Solid Stable Base

- Stable cash flows
- Scale and liquidity
- Strong balance sheet

Potential Upsides

- Organic growth of City Gas
 - Higher penetration of gas water heaters
 - Over 100,000 new units expected over 2017 – 2019
- Stable positive contributions from DataCentre One, with option for 2 more floors to be fitted out
- Basslink
 - Use all cash flows to repay debt
- Potential adjustment in KMC tolling fees after initial 15-year period

2 Keppel Synergy

Keppel Capital

- Co-investment, bridge financing and incubation opportunities
- Non-energy and non-environmental space asset management

Keppel Infrastructure

- Keppel Group's energy and environmental infrastructure arm
- O&M development and industry expertise
- ROFRs for 49% of KMC, as well as other assets owned and developed by Sponsor
- Co-investment and incubation opportunities

3 Acquisition Strategy

KIT New Investments

- Assets that generate long term stable cash flows with some growth
- Singapore and other developed markets in Asia or Europe
- Co-invest with likeminded partners to reduce ticket size/risk and gain diversification
- Transaction types:
 - Availability based assets (utilities, transmission, storage and pipelines)
 - Customised sale and leaseback transaction
 - Inflation + assets (transportation and telecoms)
- Selected greenfield investments with experienced operators, limited construction exposures and equity cheque funded entirely by debt
