[See Explanatory Note (v)]

(Resolution 11)

By Order of the Board

Shirley Tan Sey Liy
Man Yun Wah
Company Secretaries

Singapore, 27 March 2019

Explanatory Notes:

- (i) Mr. Xu Xiaobing will, upon re-election as a Director of the Company, remain as the Executive Director and Chief Executive Officer and a member of the Executive Committee of the Company.

Mr. Li Zengfu will, upon re-election as a Director of the Company, remain as the Executive Director of the Company.

Mr. Yeo Guat Kwang will, upon re-election as a Director of the Company, remain as the Chairman of the Nominating Committee and a member of the Audit Committee and Remuneration Committee and will be considered independent pursuant to Rule 704(8) of the Listing Manual of the SGX-ST and Rule 3.13 of the Hong Kong Listing Rules.

Please refer to the Company's Annual Report for the detailed information for Mr. Xu Xiaobing, Mr. Li Zengfu and Mr. Yeo Guat Kwang required pursuant to Rule 720(5) of the Listing Manual of the SGX-ST.

- (ii) Ordinary Resolution 8 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant Instruments convertible into shares and to issue shares pursuant to such Instruments, up to a number not exceeding, in total, 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to shareholders.

For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares and subsidiary holdings) will be calculated based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.

Notwithstanding the above, it must be noted that the Hong Kong Listing Rules provide that the general mandate obtained from Shareholders in general meeting shall be subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted under the general mandate must not exceed 20% of the existing issued share capital of the Company. The Company will comply with the requirements under the Hong Kong Listing Rules or the Listing Manual of the SGX-ST for matters relating to the general mandate, whichever is more onerous.

- (iii) Resolution 9 above, if passed, will empower the Directors of the Company from the date of this AGM until the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is the earlier, to repurchase ordinary shares of the Company by way of market purchases or off-market purchases of up to ten per centum (10%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the Maximum Price as defined in the Appendix. The rationale for, the authority and limitation on, the sources of funds to be used for the purchase or acquisition including the amount of financing and the financial effects of the purchase or acquisition of ordinary shares by the Company pursuant to the Share Purchase Mandate on the audited consolidated financial accounts of the Group for the financial year ended 31 December 2018 are set out in greater detail in the Appendix.
- (iv) Resolution 10 above, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares in the Company pursuant to the exercise of share options granted or to be granted under the Share Option Scheme provided that the aggregate additional shares to be issued pursuant to the Share Option Scheme do not exceed in total (for the entire duration of the Share Option Scheme) ten per centum (10%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time, or such applicable limits so long as the Company remains a subsidiary of SIHL or the Shares remain listed on the SEHK.

Where the Company is a subsidiary of SIHL,

- (a) the total number of new shares which may be issued upon exercise of the options granted under the Share Option Scheme and any other share-based incentive scheme (but excluding the Share Award Scheme), must not in aggregate exceed 10% of the total number of issued shares as at the date of adoption of the Share Option Scheme. Options lapsed in accordance with the terms of the Share Option Scheme will not be factored in for the purpose of calculating the 10% limit; however;
- (b) notwithstanding (a) above, but subject to the abovementioned 10% limit, SIHL may seek the approval of the SIHL shareholders in a general meeting to refresh the 10% limit. However, the total number of Shares which may be issued upon exercise of all options, together with the Share issued and to be issued under other share-based incentive schemes (but excluding the Share Awards Scheme), under the limit as refreshed must not exceed 10% of the Shares in issue as at the date of approval of the refreshing of the limit. Options previously granted under the Share Option Scheme (including those outstanding, cancelled, lapsed in accordance with the Share Option Scheme or exercised options) will not be counted for the purpose of calculating the limit as refreshed;
- (c) SIHL may seek separate approval by its shareholders in a general meeting for granting options beyond the 10% limit provided the options in excess of the limit are granted only to participants specifically identified by SIHL before such approval is sought; provided always that; and
- (d) the limit on the number of shares which may be issued upon the exercise of all outstanding options granted, but yet to be exercised under the Share Option Scheme and any other share incentive scheme (excluding the Share Award Scheme), must not exceed 30% of the shares in issue from time to time. No options may be granted under the Share Option Scheme if this will result in the 30% limit being exceeded.
- (v) Resolution 11 above, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares in the Company pursuant to the vesting of share awards under the Share Award Scheme provided that the aggregate additional shares to be issued pursuant to the Share Award Scheme do not exceed in total (for the entire duration of the Scheme) fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time.
