

KOH BROTHERS ECO ENGINEERING LIMITED

(Unique Entity Number: 197500111H)

PROFIT GUIDANCE ON THE UNAUDITED FINANCIAL RESULTS FOR THE HALF YEAR ENDED 30 JUNE 2026

The Board of Directors (the “**Board**”) of Koh Brothers Eco Engineering Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) wishes to announce that based on the preliminary review of the draft unaudited consolidated financial results of the Group for the half year ended 30 June 2026 (“**1H2026**”), the Group is expected to report a net loss for 1H2026.

The net loss was mainly attributable to higher material and procurement costs incurred by the Engineering and Construction division, arising from ongoing geopolitical conflicts and supply chain disruptions. These factors resulted in lower gross profit margins for the Group’s construction projects. In addition, the Group incurred higher professional fees during the financial period. As a result, these higher costs contributed to a net loss and impacted the Group’s overall financial performance for 1H2026.

The Company is still in the process of finalising the unaudited financial results of the Group for 1H2026. Further details of the Group’s financial performance will be disclosed when the Company announces its 1H2026 unaudited financial results.

Shareholders and potential investors of the Company are advised to exercise caution when dealing or trading in the shares of the Company. Shareholders and potential investors should consult their stockbrokers, bankers, solicitors, accountants or other professional advisers if they have any doubt about the course of action that they should take.

By Order of the Board

Shin Yong Seub

Executive Director and Chief Executive Officer
