RIZAL COMMERCIAL BANKING CORPORATION AND SUBSIDIARIES
NOTES TO INTERIM CONDENSED FINANCIAL STATEMENTS
JUNE 30, 2020 AND DECEMBER 31, 2019
(Amounts in Millions of Philippine Pesos)

1. CORPORATE MATTERS

1.1 Incorporation and Operations

Rizal Commercial Banking Corporation (the Parent Company, the Bank or RCBC), a universal bank engaged in all aspects of banking, was originally incorporated on September 23, 1960. The Bank renewed its corporate existence on December 10, 2009. It provides products and services related to traditional loans and deposits, trade finance, domestic and foreign fund transfers or remittance, cash management, treasury, and trust and custodianship services. It also enters into forward currency contracts as an accommodation to its clients and as a means of managing its foreign exchange exposures. The Parent Company and its subsidiaries (together hereinafter referred to as the Group) are engaged in all aspects of traditional banking, investment banking, retail financing (credit cards, auto loans, mortgage/housing and microfinance loans), remittance, leasing and stock brokering.

As a banking institution, the Group's operations are regulated and supervised by the Bangko Sentral ng Pilipinas (BSP). As such, the Group is required to comply with banking rules and regulations such as those relating to maintenance of reserve requirements on deposit liabilities and deposit substitutes and those relating to the adoption and use of safe and sound banking practices, among others, as promulgated by the BSP. The Group's activities are subject to the provisions of Republic Act (RA) No. 8791, the *General Banking Law of 2000*, and other related banking laws.

The Parent Company's common shares are listed in the Philippine Stock Exchange (PSE).

The Parent Company is a 41.72% owned subsidiary of Pan Malayan Management and Investment Corporation (PMMIC), a company incorporated and domiciled in the Philippines. PMMIC is the holding company of the flagship institutions of the Yuchengco Group of Companies.

The registered address of the Parent Company is Yuchengco Tower, RCBC Plaza, 6819 Ayala Avenue cor. Sen. Gil Puyat Avenue, Makati City. PMMIC's registered business address is 48th Floor, Yuchengco Tower, RCBC Plaza, 6819 Ayala Avenue, Makati City.

The condensed consolidated interim financial statements of the Group as of and for the six months ended June 30, 2020 (including the comparatives for the six months ended June 30, 2019) and the year ended December 31, 2019 were approved and authorized for issue by the Bank's Audit Committee on August 11, 2020.

1.2 Merger with RCBC Savings Bank, Inc. (RSB)

The Bank, together with RSB, a wholly-owned subsidiary, executed a Plan of Merger on November 27, 2018, which was previously approved by all members of the Bank's Board of Directors (BOD) and by all the stockholders of the Bank on February 26, 2019. The same was filed with the SEC and was subsequently approved on July 22, 2019.

Upon issuance by the SEC of the Certificate of Filing of the Articles and Plan of Merger, RSB was merged into the Bank, which is the surviving corporation of the merger. As such, the financial information in the Parent Company's financial statements are restated for the periods prior to the combination of the Parent Company and RSB to reflect the combination as if it had occurred at the beginning of the earliest period presented in the financial statements, regardless of the actual date of the combination.

Upon the effective merger date, RCBC, as the surviving corporation, continues its existence as a corporation and conducts its business under its existing name. Issued and outstanding common shares of RSB was cancelled and exchanged with RCBC's shares. The Bank issued a total of 315,287,248 shares to the shareholders of RSB, in exchange for their respective shares, based on a share exchange ratio agreed by both parties.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies that have been used in the preparation of these financial statements are summarized in the succeeding pages. The policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation of Financial Statements

(a) Statement of Compliance with Philippine Financial Reporting Standards

The interim financial statements of the Bank have been prepared in accordance with Philippine Financial Reporting Standards (PFRS).

There were no changes in the accounting policies and methods of computation followed in the interim financial statements as compared with the most recent annual financial statements.

(b) Presentation of Financial Statements

The financial statements are presented in accordance with Philippine Accounting Standards (PAS) 1, *Presentation of Financial Statements*. The Group presents all items of income and expenses in two statements: a “statement of profit or loss” and a “statement of comprehensive income.”

(c) Functional and Presentation Currency

These financial statements are presented in Philippine pesos, the Group’s functional and presentation currency. All amounts are in millions, except per share data or when otherwise indicated.

2.2 Basis of Consolidation and Accounting for Investments in Subsidiaries and Associates in the Separate Financial Statements

The Group’s consolidated financial statements comprise the accounts of the Parent Company and its subsidiaries, after the elimination of material intercompany transactions. All intercompany resources and liabilities, equity, income, expenses and cash flows relating to transactions with subsidiaries are eliminated in full. Unrealized profits and losses from intercompany transactions that are recognized in assets are also eliminated in full. Intercompany losses that indicate impairment are recognized in the consolidated financial statements.

2.3 Financial Assets

Financial assets are recognized when the Group becomes a party to the contractual terms of the financial instrument. For purposes of classifying financial assets, an instrument is considered as an equity instrument if it is non-derivative and meets the definition of equity for the issuer in accordance with the criteria under PAS 32, *Financial Instruments: Presentation*. All other non-derivative financial instruments are treated as debt instruments.

(a) *Classification, Measurement and Reclassification of Financial Assets*

Under PFRS 9, *Financial Instruments*, the classification and measurement of financial assets is driven by the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets. The classification and measurement of financial assets are described in the succeeding pages.

(i) *Financial Assets at Amortized Cost*

Financial assets are measured at amortized cost if both of the following conditions are met:

- the asset is held within the Group's business model whose objective is to hold financial assets in order to collect contractual cash flows; and,
- the contractual terms of the instrument give rise, on specified dates, to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at amortized cost using the effective interest method, less any impairment in value.

(ii) *Financial Assets at Fair Value Through Profit or Loss (FVPL)*

The Group classifies financial assets as FVPL when they have been purchased or issued primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there is evidence of a recent pattern of short-term profit taking.

Debt instruments that do not meet the amortized cost criteria, or that meet the criteria but the Group has chosen to designate as at FVPL at initial recognition, are measured at FVPL. Equity investments are classified as financial assets at FVPL, unless the Group designates an equity investment that is not held for trading as at *Financial Assets at Fair Value Through Other Comprehensive Income* (FVOCI) at initial recognition. The Group's financial assets at FVPL include government securities, corporate bonds, equity securities, which are held for trading purposes or designated as at FVPL.

Financial assets at FVPL are measured at fair value. Related transaction costs are recognized directly as expense in profit or loss. Unrealized gains and losses arising from changes (mark-to-market) in the fair value of the financial assets at FVPL category and realized gains or losses arising from disposals of these instruments are included in Trading and Securities Gains under Other Operating Income account in the statement of profit or loss.

(iii) *Financial Assets at Fair Value Through Other Comprehensive Income (FVOCI)*

Debt Instruments at FVOCI

The Group classifies debt instruments under FVOCI when both of the following conditions are met:

- the asset is held within the Group's business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and,

- the contractual terms of the instrument give rise, on specified dates, to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

FVOCI debt securities are subsequently measured at fair value with gains and losses arising from changes in fair value recognized in Other Comprehensive Income (OCI). Interest Income and foreign exchange gains and losses are recognized in profit or loss in the same manner as for financial assets measured at amortized cost. On derecognition, cumulative gains or losses previously recognized in OCI are reclassified to profit or loss.

Equity Instruments at FVOCI

At initial recognition, the Group can make an irrevocable election (on an instrument-by-instrument basis) to designate equity investments as at FVOCI; however, such designation is not permitted if the equity investment is held by the Group for trading. The Group has designated certain equity instruments as at FVOCI on initial application of PFRS 9.

Financial assets at FVOCI are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value, with no deduction for any disposal costs. Gains and losses arising from changes in fair value, including the foreign exchange component, are recognized in other comprehensive income, net of any effects arising from income taxes, and are reported as part of Revaluation Reserves account in equity. When the asset is disposed of, the cumulative gain or loss previously recognized in the Revaluation Reserves account is not reclassified to profit or loss, but is reclassified directly to Surplus account.

(b) Impairment of Financial Assets

PFRS 9 requires the Bank to record an allowance for Expected Credit Losses (ECL) for all loans and other debt financial assets not held at FVPL, together with loan commitments and financial guarantee contracts. The allowance is based on the ECLs associated with the probability of default in the next twelve months unless there has been a significant increase in credit risk since origination. If the financial asset meets the definition of purchased or originated credit impaired, the allowance is based on the change in the ECLs over the life of the asset.

The Group has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Group classifies its loans into the following stages:

- Stage 1 : When loans are first recognized, the Group recognizes an allowance based on the twelve-month ECLs. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.
- Stage 2 : When a loan has shown a significant increase in credit risk since origination, the Group records an allowance for the lifetime ECLs. Stage 2 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 3.
- Stage 3 : When a loan is considered as credit impaired, the Group records an allowance for the lifetime ECL.

The key elements used in the calculation of ECL are as follows:

Probability of Default – is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognized and is still in the portfolio.

Loss Given Default – is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the Bank would expect to receive, including the realization of any collateral.

Exposure At Default – represents the gross carrying amount of the financial instruments subject to the impairment calculation.

(c) *Derecognition of Financial Assets*

A financial asset (or where applicable, a part of a financial asset or part of a group of financial assets) is derecognized when the contractual rights to receive cash flows from the financial instruments expire, or when the financial assets and all substantial risks and rewards of ownership have been transferred to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

2.4 Financial Liabilities

Financial liabilities which include deposit liabilities, bills payable, bonds payable, subordinated debt, accrued interest and other expenses, and other liabilities (except tax-related payables, post-employment defined benefit obligation and deferred income) are recognized when the Group becomes a party to the contractual terms of the instrument.

Financial liabilities are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method, for those with maturities beyond one year, less settlement payments. All interest-related charges incurred on financial liabilities are recognized as an expense in the statement of profit or loss under the caption Interest Expense.

2.5 Provisions and Contingencies

Provisions are recognized when present obligations will probably lead to an outflow of economic resources and they can be estimated reliably even if the timing or amount of the outflow may still be uncertain. A present obligation arises from the presence of a legal or constructive obligation that has resulted from past events (e.g., legal dispute or onerous contracts).

2.6 Revenue and Expense Recognition

Revenue is recognized to the extent that the revenue can be reliably measured; it is probable that the economic benefits will flow to the Group; and the costs incurred or to be incurred can be measured reliably.

2.7 *Impairment of Non-financial Assets*

For purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows [cash-generating units (CGU)]. As a result, some assets are tested for impairment either individually or at the CGU level.

Impairment loss is recognized in profit or loss for the amount by which the asset's or CGU's carrying amount exceeds its recoverable amount which is the higher of its fair value less costs to sell and its value in use. In determining value in use, management estimates the expected future cash flows from each CGU and determines the suitable interest rate in order to calculate the present value of those cash flows. The data used for impairment testing procedures are directly linked to the Group's latest approved budget, adjusted as necessary to exclude the effects of asset enhancements. Discount factors are determined individually for each CGU and reflect management's assessment of respective risk profiles, such as market and asset-specific risk factors.

All assets, except for intangible assets with indefinite useful life and goodwill, are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist. An impairment loss is reversed if the asset's or CGU's recoverable amount exceeds its carrying amount.

2.8 *Income Taxes*

Tax expense recognized in profit or loss comprises the sum of current tax and deferred tax not recognized in other comprehensive income or directly in equity, if any.

Current tax assets or liabilities comprise those claims from, or obligations to, tax authorities relating to the current or prior reporting period, that are unpaid at the end of the reporting period. They are calculated according to the tax rates and tax laws applicable to the periods to which they relate, based on the taxable profit for the year. All changes to current tax assets or liabilities are recognized as a component of tax expense in the statement of profit or loss.

Deferred tax is provided using the liability method, on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Under the liability method, with certain exceptions, deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences and the carry-forward of unused tax losses and unused tax credits to the extent that it is probable that taxable profit will be available against which the deferred tax assets can be utilized. Deferred tax assets are reassessed at the end of each reporting period. Previously unrecognized deferred tax assets are recognized to the extent that it has become probable that future taxable profit will be available to allow such deferred tax assets to be recovered.

2.9 *Related Party Relationships and Transactions*

Related party transactions are transfers of resources, services or obligations between the Group and its related parties, regardless of whether a price is charged.

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions. These parties include: (a) individuals owning, directly or indirectly through one or more intermediaries, control or are controlled by, or under common control with the Group; (b) associates; (c) individuals owning, directly or indirectly, an interest in the voting power of the Group that gives them significant influence over the Group and close members of the family

of any such individual; and, (d) the funded retirement plan of each of the entities under the Group.

2.10 Events After the End of the Reporting Period

Any event that provides additional information about the Group's financial position at the end of the reporting period (adjusting event) is reflected in the financial statements. Post-reporting events that are not adjusting events, if any, are disclosed when material to the financial statements.

10. SUBORDINATED DEBT

On June 27, 2014, the Parent Company issued P7 billion Basel III-compliant Tier 2 Capital Notes (the “Tier 2 Notes”) which shall be part of the Group’s regulatory capital compliance in accordance with Basel III capital guidelines of the BSP. The Parent Company re-opened the Tier 2 Notes and issued an additional P3 billion of the Notes on September 5, 2014, which constituted a further issuance of, and formed a single series with the existing P7 billion Tier 2 Notes.

On May 27, 2019, the RCBC Board approved the Bank’s request to exercise its call option and redeem its P10,000 5.375% Tier 2 Notes. The request was subsequently approved by the Monetary Board on July 25, 2019, subject to compliance with BSP conditions. On September 26, 2019, the Bank exercised the call option and fully redeemed the notes.

13. COMMITMENTS AND CONTINGENCIES

In the normal course of operations of the Group, there are various outstanding commitments and contingent liabilities such as guarantees, commitments to extend credit, tax assessments, etc., with amounts not reflected in the financial statements. Management does not anticipate losses from these transactions that will adversely affect the Group's operations.

In the opinion of management, the suits and claims arising from the normal course of operations of the Group that remain unsettled, if decided adversely, will not involve sums that would have material effect on the Group's financial position or operating results.

13.1 Contingent Accounts, Guarantees and Other Commitments

The following is a summary of contingencies and commitments arising from off-statement of financial position items at their equivalent peso contractual amounts as of June 30, 2020 and December 31, 2019:

13.2 Sale of National Steel Corporation (NSC) Plant Asset

In October 2008, Global Steel Philippines (SPV-AMC), Inc. and Global Ispat Holdings (SPVAMC), Inc. (collectively, "Global Steel"), which purchased the Iligan Plant assets ("NSC Plant Assets") of the National Steel Corporation ("NSC") from the Liquidator (as defined in the Asset Purchase Agreement ("APA") dated September 1, 2004) in 2004, initiated arbitration proceedings with the Singapore International Arbitration Center ("SIAC") seeking damages on account of the failure of the Liquidator and the Secured Creditors (as also defined in the APA), including the Bank and RCBC Capital, to deliver the NSC Plant Assets free and clear from liens and encumbrance, purportedly depriving Global Steel of the opportunity to use the NSC Plant Assets to secure additional loans to fund the operations of the NSC Steel Mill Plant and upgrade the same.

On May 9, 2012, the SIAC Arbitral Tribunal rendered a partial award in favor of Global Steel in the amounts of (a) US\$80, as and by way of lost opportunity to make profits, and (b) P1,403, representing the value of the undelivered billet shop land measuring 3.41 hectares. On appeal, and on July 31, 2014, the Singapore High Court set aside the partial award. On March 31, 2015, the Singapore Court of Appeals rendered a decision which affirmed the earlier decision of the Singapore High Court but held that the Liquidator and Secured Creditors are still required to deliver to Global Steel clean title to the NSC Plant Assets.

The Bank's total exposure in connection with the obligation to transfer clean title to the NSC Plant Assets to Global Steel is approximately P217 in terms of estimated property taxes and transfer costs due on the NSC Plant Assets, as a result of the Philippine Supreme Court's affirmation of the ruling that all pre-closing taxes on the NSC Plant Assets are deemed paid. On the other hand, the Bank has a receivable from Global Steel in the amount of P485.5. The Bank has fully provisioned the receivable, which is classified in the books of the Bank as Unquoted Debt Securities Classified as Loans ("UDSCL") with zero net book value. The Bank's exposure, however, may be varied depending on whether the Iligan City's assessment of the post-closing taxes will be sustained as valid (including those imposed on non-operational machineries).

Notwithstanding the finality of the Philippine Supreme Court's ruling on the pre-closing taxes, on October 19, 2016, the City of Iligan foreclosed on NSC's properties after issuing a Notice of

Delinquency against the NSC, seeking to collect the taxes covering the period 1999 to 2016. In an Order dated April 4, 2017, the Makati City Regional Trial Court (“Makati Trial Court”) (a) nullified the public auction of the NSC Plant Assets, among others, (b) enjoined any and all real property tax collection actions against the NSC until the decision dated October 7, 2011, which held that the NSC pre-closing taxes have been paid, is fully executed and NSC’s remaining tax liabilities are correctly computed. Likewise, in an Omnibus Order dated May 21, 2018, the Makati Trial Court denied the Motion for Reconsideration and the Urgent Motion to recall the Orders dated October 18, 2016 and April 4, 2017 filed by the Iligan City LGU and Iligan City Treasurer, among others.

The City of Iligan, represented by its purported Acting City Mayor Jemar L. Vera Cruz, filed with the Court of Appeals a Petition for Certiorari dated July 6, 2018, essentially (a) asserting the said LGU’s right to sell at public auction the NSC Plant and other assets due to non-payment both pre-closing and post-closing taxes; and (b) praying that the writ of execution issued by the Makati Trial Court be declared null and void, especially due to the non-payment of docket fees and non-deposit of the contested tax amount of P4,610. In a Resolution dated December 18, 2018, the Court of Appeals dismissed the Petition filed by the City of Iligan on account of the LGU’s failure to submit the documents/pleadings identified in an earlier Resolution dated July 31, 2018. The Court of Appeals likewise denied the City of Iligan’s Motion for Reconsideration in its Resolution dated June 20, 2019, prompting the LGU to file a Petition for Review with the Supreme Court on September 6, 2019. In a Resolution dated October 16, 2019, the Supreme Court *motu proprio* granted the City of Iligan’s Petition, and ordered the remand of the case to the Court of Appeals for the determination of the propriety of consolidating the same with CA-G.R. SP No. 1249852, or for resolution of the merits of the case.

13.3 Verotel Merchant Services B.V. Case

In 2011, Verotel Merchant Services B.V. (“VMS”), a Dutch corporation, and Verotel International Industries, Inc. (“VII”), a Philippine corporation, civilly sued the Bank, Bankard, Inc. (“Bankard”) Grupo Mercarse Corp., CNP. Worldwide, Inc. and several individuals before the Los Angeles Superior Court for various causes of action including fraud, breach of contract and accounting, claiming that VII and its alleged parent company, VMS, failed to receive the total amount of US\$1.5, which the defendants allegedly misappropriated. VMS is an internet merchant providing online adult entertainment and online gambling, in addition to the sale of pharmaceuticals over the internet. Following an initial jury verdict in favor of VMS, and a series of subsequent motions and a reduction of monetary damages awarded to VMS, the Bank/Bankard filed their Notice of Appeal with the California Court of Appeals on July 11, 2016. On October 2, 2017, the Bank/Bankard filed their Revised Opening Brief on their appeal of the verdict with the California Court of Appeals. On March 28, 2018, the Bank/Bankard was advised of the filing of VMS’s Combined Respondents’ Brief and Cross-Appellants’ Opening Brief. On August 14, 2018, the Bank/Bankard filed their combined Reply and Cross-Respondent’s Brief. In accordance with prior stipulations, VMS timely filed its Final Reply Brief dated October 31, 2018.

In a letter dated May 30, 2019, VMS requested the California Court of Appeals to take cognizance of the ruling in *Mazik vs. Geico General Insurance Company*, claiming that it is relevant in resolving its punitive damages appeal. In a letter dated June 3, 2019, the Bank/Bankard objected to the letter filed by VMS as it violates Rule 8.254 of the California Rules of Court, which prohibits the inclusion of “argument or other discussion of authority” and description of issues raised by a party in its brief. The parties are still awaiting the advice of the California Court of Appeals on the schedule date of the oral arguments.

13.4 RCBC Securities Case

In December 2011, RCBC Securities (“RSEC”) initiated a criminal case for falsification against its former agent, Mary Grace V. Valbuena (“Valbuena”), arising from questionable transactions with her own personal clients. Since then, RSEC has filed additional criminal and civil cases, including charges of violation of Batas Pambansa Blg. 22 (“BP 22”), against Valbuena. On November 17, 2016, the Metropolitan Trial Court of Makati City, Branch 66, convicted Valbuena of the crime of violation of BP 22. Valbuena’s conviction has been sustained by the Regional Trial Court of Makati, Branch 141, and the Court of Appeals in its Decision dated September 6, 2019, which denied Valbuena’s Petition for Review for lack of merit, and directed Valbuena to pay RSEC the amount of P7.2, except that interest on the said amount shall be at the rate of (a) twelve percent (12%) per annum from January 18, 2012 to June 30, 2013, and (b) six percent (6%) per annum from July 1, 2013 until full satisfaction of the amount due. Valbuena has filed a Motion for Reconsideration dated October 7, 2019 on the Decision of the Court of Appeals. On January 2, 2020, in compliance with the Resolution dated November 11, 2019, the Office of the Solicitor General (“OSG”) filed its Comment on the aforesaid Motion for Reconsideration. In a Resolution dated 10 June 2020, the Court of Appeals denied Valbuena’s Motion for Reconsideration.

In May 2012, the Capital Markets Integrity Corporation (“CMIC”) conducted an investigation on the complaint filed by Francisco Ken Cortes against RSEC. After due proceedings, the CMIC issued Resolutions dated July 3, 2015 and July 21, 2015, dismissing the complaint filed by Mr. Cortes and denying his Motion for Reconsideration, respectively. The aforesaid Resolutions have since become final and executory.

In a Complaint dated December 30, 2013, Cognatio Holdings, Inc. (“Cognatio”) complained against RSEC, its former Vice President for Operations/Chief Finance Officer, its former Compliance Officer and Valbuena with the Enforcement and Investor Protection Department of the Securities and Exchange Commission (“EIPD-SEC”). In an Order dated April 3, 2019, the SEC-EIPD (a) ruled that RSEC violated the Securities Regulations Code, imposing thereon a monetary fine of P5, and (b) directed its submission of amended internal control procedures to (i) strengthen its Chinese Wall Policy, and (ii) validate transactions executed by its salesmen. On April 25, 2019, RSEC manifested that notwithstanding its disagreement with such factual findings, it will comply with the latter’s directives. RSEC likewise proposed to immediately pay a reduced amount in full and complete settlement of the monetary fine. In an Order dated July 16, 2019, the SEC-EIPD accepted RSEC’s settlement offer of P2.5, sans any finding of fault or guilt on the latter’s part. Further, on August 5, 2019, RSEC submitted its Board-approved Amended Internal Protocols to the Markets and Securities and Regulation Department, in compliance with the directive of the SEC-EIPD.

In September 2014, Carlos S. Palanca IV (“Palanca”) and Cognatio filed a complaint against RSEC with the CMIC, even as Cognatio’s foregoing complaint was still pending with the EIPD-SEC. In its decision letter dated December 4, 2014, the CMIC dismissed Palanca/Cognatio’s complaint on the ground of prescription and res judicata. However, this was reversed by the SEC en banc on appeal. Aggrieved, RSEC elevated the matter to the Court of Appeals, which held that Palanca/ Cognatio committed willful and deliberate forum-shopping. In a Resolution dated September 5, 2018, the Court of Appeals denied Palanca/Cognatio’s Motion for Reconsideration, which prompted their filing of a Petition for Review dated October 8, 2018 with the Supreme Court. On February 11, 2019, RSEC filed its Comment to the Petition for Review, and Palanca/Cognatio responded by filing, on March 25, 2019, a Motion for Leave to file Reply and their attached Reply. The case remains pending to date.

On February 22, 2013, Stephen Y. Ku (“Ku”) filed a complaint against RSEC with the Regional Trial Court of Makati, Branch 149 (the “Makati Trial Court”), essentially praying for the return of his shares of stock and cash payments approximately valued at P103, which he claims to have turned over to Valbuena. On May 20, 2013, RSEC sought the dismissal of the complaint citing

the non-payment of the correct filing fees and failure to state a case of action. After the Makati Trial Court denied the same, RSEC elevated the matter to the Court of Appeals, which sustained RSEC's position and ordered the dismissal of the complaint in its Decision dated October 9, 2014. However, acting on Ku's Petition for Review, the Supreme Court – in its Decision dated October 17, 2018 - reversed the Court of Appeals and held that Ku's immediate payment of the deficiency docket fees shows that he did not intentionally attempt to evade the payment of the correct filing fees, so as to merit the dismissal of his complaint. In a Resolution dated January 23, 2019, the Philippine Supreme Court denied RSEC's Motion for Reconsideration, and ordered the Makati Trial Court to proceed with the hearing of the case until its termination.

The proceedings before the Makati Trial Court were suspended to give way to mediation on July 16, 2019. Upon the filing of the Pre-Trial Briefs on August 13-14, 2019, the parties underwent Judicial Dispute Resolution, which was terminated on October 29, 2019 after settlement failed. In an Order dated November 12, 2019, the Makati Trial Court Branch to where the case was re-raffled, set the same for pre-trial conference on December 13, 2019, and directed the filing of the Judicial Affidavit of the parties' respective witnesses. The Makati Trial Court, however, cancelled the pre-trial conference on the said date and reset the same to January 15, 2020, after Ku and his counsel failed to appear/submit the required Judicial Affidavits of his witnesses. After receiving the Judicial Affidavit of RSEC's additional witness and that of Ku/his witness shortly before the January 15, 2020 hearing, the Makati Trial Court cancelled the pre-trial conference anew and reset the same to February 13, 2020.

The pre-trial conference commenced on the aforesaid date and terminated on February 27, 2020, after the completion of the pre-marking of documentary exhibits on February 20, 2020. The Makati Trial Court then set the presentation of Ku's evidence on March 12, 19, 23, and 24, 2020, all at 1:30 p.m., but cancelled the first setting to give way to the scheduled inventory of court records. However, due to the COVID-19 infection in the country and the need to implement community quarantines and lockdowns, all the scheduled hearings in the case beginning March 19, 2020 were cancelled in compliance with the Supreme Court Administrative Circular No. 31-2020 dated March 16, 2020, which directed the cancellation of all hearings not related to urgent matters affecting the personal liberty of individuals.

13.5 HHIC-Philippines, Inc. Rehabilitation Proceedings

On January 9, 2019, HHIC-Phil, Inc. ("HHIC-Phil") filed a petition for corporate rehabilitation ("Petition") under Republic Act No. 10142, the Financial Rehabilitation and Insolvency Act of 2010 ("FRIA"), with the Regional Trial Court, Branch 72, Olongapo City (the "Rehabilitation Court"). On January 14, 2019, the Rehabilitation Court gave due course to the Petition and appointed a Rehabilitation Receiver, who was soon replaced by Atty. Rosario S. Bernaldo.

To the extent allowable under the FRIA, the Bank, together with the four (4) other creditor banks ("co-creditor banks") negotiated with HHIC-Phil and HHIC-Korea for a modified rehabilitation plan ("MRP"), wherein (a) the Bank/co-creditor banks will assume all the costs of maintaining/ operating the Subic Shipyard to essentially preserve the assets thereat; (b) the said assets (except for an identified few) would be dacioned to the Bank/co-creditor banks, thru a trustee, in proportion to their respective loans and in full settlement of such loans; and (c) the Trustee, subject to the Bank/co-creditor banks' instruction, will assign the transferred assets to a new company organized for such purpose, or to any third party buyer/designee or nominee of the Bank/co-creditor banks, which shall then assume all costs necessary to maintain or operate the transferred assets, including employee costs.

On March 8, 2019, the Bank/co-creditor banks, HHIC-Phil and HHIC-Korea filed a Verified Joint Motion for Approval of Modified Rehabilitation Plan as a Pre-Negotiated Rehabilitation Plan Under Chapter III of the FRIA. However, the call for the approval of the MRP was deferred to address the issues raised in the Rehabilitation Court's Order dated April 12, 2019. On May 6, 2019, the Notice of Conference and the Modified Rehabilitation Plan of HHIC-Phil Inc. with Clarifications ("MRP with Clarifications") were electronically served upon all the known

creditors and stakeholders, stating that the same will be submitted for their consideration on May 9, 2019. And during the May 9, 2019 conference, more than fifty percent (50%) of the secured/unsecured creditors and stakeholders approved the MRP with Clarifications, which was reported to the Rehabilitation Court through a Manifestation dated May 14, 2019.

However, on June 14, 2019, the Rehabilitation Receiver filed a Motion dated June 13, 2019 (a) seeking further supporting details on certain items in the MRP with Clarifications from the Bank/co-creditor banks; and (b) praying that (i) all HHIC-Phil creditors agree to a uniform debt reduction/waiver of interest and penalties, (ii) the Bank/co-creditor banks be made to infuse working capital funds to HHIC-Phil in the meantime, and collectively limit their claim to USD350 should HHIC-Phil's assets be instead sold to a white knight, and (iii) the excess of such payment be used to paying all other creditors in proportion to their remaining exposures. The Bank/co-creditor banks opposed the Rehabilitation Receiver's Motion (a) given their assumption of the cost of maintaining the shipyard; (b) requiring the infusion of additional working capital to HHIC-Phil when its account is past due may result in stiff penalties from its various financial regulators; and (c) the viability of the MRP with Clarifications arising from the waiver of the USD1,041 claims of the HHIC-Korea affiliates and HHIC-Phil's adoption of a new payment scheme, lessening its reliance on loans to finance its projects.

In the Order dated August 8, 2019, the Rehabilitation Court found the MRP with Clarifications to be still deficient and remanded the same for revision, and ordered the Bank/co-creditor banks to make a complete and full disclosure of all transactions/submit all contract, agreements, waivers and other pertinent documents entered with foreign banks and other parties to the proceedings. On September 2, 2019, the Bank filed its Manifestation with Motion for Additional Time to Comply, disclosing the existence of a non-binding offer from a potential white knight, and praying that the Rehabilitation Receiver be given time to submit a further revised Rehabilitation Plan. On the other hand, two of the co-creditor banks filed an Omnibus Motion arguing that the MRP with Clarifications would (a) relieve HHIC-Phil of its USD7.2/a year bill for shipyard maintenance cost, (b) condone a huge portion of HHIC-Phil's debt, and (c) leave HHIC-Phil with more than sufficient operational funds during the remaining rehabilitation period, and that the FRIA does not prohibit a change in HHIC-Phil's line of business.

On September 11, 2019, HHIC-Phil filed its own Motion for Reconsideration of the Order dated August 8, 2019, arguing that the non-approval of the MRP with Clarifications will force it into liquidation. On the same date, another co-creditor bank requested for an extension of the date of submission of a further revised Rehabilitation Plan and argued that no unjust enrichment of the Bank/co-creditor banks will actually occur. During the hearing on September 20, 2019, the Rehabilitation Court directed, among others, the setting of a monitoring hearing on November 5, 2019. On September 25, 2019, another co-creditor bank filed its Comment to HHIC-Phil's Motion for Reconsideration, stating that (a) although HHIC-Phil's business is not confined to building ships, it will continue with the completion of the four (4) ships mentioned in the MRP with Clarifications, and (b) the transfer of shipyard to the Bank/co-creditor banks will preserve and maximize the value thereof.

On 5 November 2019, the Rehabilitation Court issued an Order reconsidering the Order dated August 8, 2019/confirming the MRP with Clarifications. Not long after, a number of creditors (principally ship-owners with warranty claims/manufacturers of ship parts/engines) filed various motions for admission/clarification/correction of amount/reclassification of claims, as found in the Final Registry of Claims, praying that the Rehabilitation Court recall/vacate the Order confirming the MRP with Clarifications. The Korean Development Bank ("KDB") likewise filed a Motion to enforce its lien on the HHIC-Phil account in its possession.

The Bank/co-creditor banks filed their oppositions to the motion filed by the ship-owners pointing out that (a) these claims were already considered in the Rehabilitation Receiver's Submission (On Disputed and Challenged Claims and Those with Pending Motions for Correction/Rectification) (the "Submission") filed on September 16, 2019; (b) the movants failed

to appeal within the five (5) day-period from notice thereof ; (c) the Submission has been approved by the Rehabilitation Court via the Order dated November 11, 2019; and (d) under no circumstances can the ship-owners' Omnibus Motion filed in November 2019, be considered as the appeal mentioned in Section 26, Rule 2 of the FRIA. As for the ship engines/parts supplier, respectively, the Bank/co-creditor banks posited, among others, that (a) the ship engines supplier did not classify its claim as an administrative expense when it filed the same on January 18, 2020; and (b) the period to question the Rehabilitation Receiver's decision on the disputed claims, or appeal the same, have lapsed. On the other hand, the Rehabilitation Receiver/a co-creditor bank opposed KDB's claim, arguing that the same is already fully secured by the real properties of HHIC-Korea.

In the Order dated February 7, 2020, the Rehabilitation Court approved KDB's motion, but denied the motions filed by the ship-owners/ship engines supplier in its Orders dated February 10, 2020 and February 11, 2020, respectively, for lack of merit. The Rehabilitation Court pointed out that the Order confirming the MRP with Clarifications can only be questioned via a petition for certiorari, and the ship-owners/ship engines supplier did not avail of this remedy within the time prescribed in A.M. No. 12-12-11 SC, otherwise known as the FRIA Rules. The Rehabilitation Court, however, has yet to rule on the Motion to Lift Order of Approval of Becker Marine System, GMBH, which seeks the admission of its claim in the amount of USD1.

In the Order dated February 18, 2020, the Rehabilitation Court granted the Motion for Approval of Sale dated January 16, 2020 filed by the Rehabilitation Receiver in connection with the sale of various scrap metal and other hazardous substances found in the shipyard.

As of June 30, 2020, the outstanding loan obligation of HHIC-Phil to the Bank remains at USD81.23, inclusive of accrued and compounded interest as well as penalty on interest and principal.

13.6 Applicability of RR 4-2011

In March 2011, the Bureau of Internal Revenue ("BIR") (a) issued RR 4-2011, prescribing a new way of reporting income solely for banks and other financial institutions, and (b) issued assessment notices to banks and other financial institutions for deficiency income tax for alleged non-intra-unit allocation of costs and expenses to exempt income and income subjected to final tax within RBU.

On April 6, 2015, the Bank/other Bankers Association of the Philippines member banks ("BAP-member banks") filed a Petition for Declaratory Relief with application for provisional remedies with the Regional Trial Court of Makati ("Makati Trial Court"), assailing the validity of RR 4-2011 for (a) being violative of their substantive due process rights and the equal protection clause of the Constitution; (b) being a deterrent to banks to invest in capital market transactions to the prejudice of the economy; and (c) setting a dangerous precedent for the disallowance of full deductions, due to its prescribed method of allocation.

Acting on the Petition, the Makati Trial Court issued a Temporary Restraining Order on April 8, 2015 and a Writ of Preliminary Injunction on April 17, 2015, enjoining the enforcement, in any manner, of RR 4-2011 against the Bank/other BAP-member banks, including issuing any Preliminary Assessment Notice ("PAN") or Final Assessment Notice ("FAN") against them during the pendency of the litigation, unless sooner dissolved. On June 10, 2015, Makati Trial Court issued a Confirmatory Order stating that the BIR is also prohibited from ruling or deciding on any administrative matter pending before it in relation to RR 4-2011 and insofar as the Bank/other BAP-member banks are concerned.

After the pre-trial conference terminated on August 3, 2017, the Makati Trial Court directed the parties to file their respective Memorandum on September 15, 2017, in lieu of holding trials. In an Order dated May 25, 2018, the Makati Trial Court granted the Petition for Declaratory Relief

and declared RR 4-2011 null and void for being issued beyond the authority of the Secretary of Finance and Commissioner of Internal Revenue. The Makati Trial Court likewise made permanent the Writ of Preliminary Injunction it issued earlier.

Aggrieved, the Department of Finance (“DOF”) and the BIR elevated the matter to the Supreme Court via a Petition for Review on Certiorari dated August 1, 2018, essentially alleging that (a) the validity of RR 4-2011 should have been brought instead before the Court of Tax Appeal; (b) upon the issuance of RR 4-2011, the Bank and BAP-member banks should have already adjusted their accounting and book keeping methods; and (c) the declaratory relief action was no longer proper in view of the issuance of PANs.

In response/compliance with the Resolution dated March 27, 2019, the Bank/other BAP-member banks pointed out that (a) the filing of the Makati Trial Court case was proper since the issue relates to the exercise of quasi-legislative power; (b) Regional Trial Courts have original jurisdiction over Declaratory Relief actions arising from the issuance of invalid Revenue Regulations; (c) the Bank and BAP-member banks have not breached RR 4-2011; and (d) the Makati Trial Court correctly held that RR 4-2011 is invalid for (i) mandating banks and other financial institutions to adopt a different method of accounting from the other classes of taxpayers, in denigration of the equal protection clause of the Philippine Constitution, and (ii) unlawfully amending the NIRC or Tax Code, and depriving the Bank/other BAP-member banks of their substantive rights to fully deduct legitimate business expenses from their gross income. The case remains pending before the Supreme Court.

13.7 Alleged Unauthorized Transfer of Funds – Bank of Bangladesh

In February 2016, four allegedly unauthorized fund transfers were wired to four accounts with the Bank from the Bangladesh Bank’s account with the Federal Reserve Bank of New York (“FRBNY”), before being further dispersed to other accounts with other banks and casinos. In August 2016, the Monetary Board approved the imposition of a P1,000 fine upon the Bank which it paid in full ahead of the August 2017 deadline. Such fine was fully recognized as part of miscellaneous expenses in the Bank’s 2016 AFS. While the Bank’s payment of the penalty did not affect its ability to perform its existing obligations or unduly hamper its operations, there may still be other regulatory cases arising from these events.

U.S. Litigation relating to the Bangladesh Bank Incident

On January 31, 2019, the Bangladesh Bank filed a complaint with the U.S. District Court Southern District of New York (“SDNY”) against the Bank, some of its current/former officers who were involved in the incident, a money service business and its principals, junket operators, and the casinos where the questioned funds passed through, claiming the existence of a conspiracy with North Korean hackers to steal funds from its FRBNY bank account/laundry the same. The complaint cited nine (9) causes of action, including conversion, fraud and conspiracy, and sought the return of the full amount allegedly stolen, plus interest, attorney’s fees, and other damages, including treble damages under the Federal Racketeer Influence and Corrupt Organizations (“RICO”) Act.

The Bank sought the dismissal of the case on both procedural and substantive grounds, including (a) forum non conveniens; (b) the ineffectual service of summons upon it; (c) the lack of nexus with New York in view of Bank’s minimal contact therewith; and (d) failure of the Complaint to plead a legitimate basis for federal court jurisdiction. Thus, the Bank filed a pre-motion to dismiss letter on April 8, 2019, and the joint motion to dismiss letter on April 30, 2019, to which the Bangladesh Bank filed its response. An initial pre-trial conference was held by the U.S. District Court on May 21, 2019 where the judge decided to stay discovery pending the resolution of the motions to dismiss.

On June 14, 2019 (U.S. Time), the Bank/other co-defendants, filed (a) a joint motion to dismiss based on lack of subject matter jurisdiction, and (b) another joint motion to dismiss based on forum non conveniens. In response, Bangladesh Bank filed its Memoranda of Law essentially claiming that (a) the February 2016 cyber-heist targeted Bangladesh Bank, the US and the FRBNY as part of an overreaching cyber-conspiracy that began in 2014 with the Sony Pictures hacking and continued until 2018; (b) the two-year continuity close-ended requirement does not exist, and it clearly pled the existence of conspiracy between the defendants; (c) proof that Philippine courts can handle complex cases/international discovery requests is lacking, and litigation costs in the Philippines are high; and (d) the availability of key witnesses/evidence are contingent on New York as venue of the litigation.

On August 1, 2019 (U.S. Time), the Bank/co-defendants filed their Reply Memoranda, asserting that Bangladesh Bank's Federal RICO conspiracy claim is fatally deficient given its failure to (a) plead the time-bound existence of a pattern in defendants' racketeering activities, not to mention the lack of any ongoing criminal activity; and (b) prove that the defendants took part in the criminal enterprise's affairs beyond their respective businesses (i.e., the casinos). Also, money outflowed from New York to the Philippines, thus the more relevant witnesses/evidence are in the country, and the Bangladesh Bank's US\$30,000 reserves is more than sufficient for any litigation in the Philippines where the legal fees are less. Moreover, Bangladesh Bank's earlier recovery of the amount of US\$15 proves the adequacy of Philippine courts, and the Philippine Blocking Statute/ non-ratification of the Hague Convention will make it burdensome/impossible for relevant documents/witnesses to be produced or appear in New York.

On August 21, 2019 (U.S. Time), Bangladesh Bank requested for leave to file a Sur-Reply dated August 19, 2019, to address certain new issues allegedly raised by the defendants in their last pleadings, which the Presiding Judge granted with a note that Bangladesh Bank's Sur-Reply may or may not be considered in the resolution of the two (2) joint motions to dismiss.

On November 22, 2019 (U.S. Time), the Bank/co-defendants filed their Notice of Supplemental Authority stating that (a) the U.S. District Court SDNY in the 28 U.S.C. § 1782 Petition denied Bangladesh Bank's Motion to vacate/quash the BNYM subpoena in its Order dated November 20, 2019; and (b) BNYM produced the requested documents on September 19, 2019, which have since been served upon the Bank, thus proving that discovery is readily available under 28 U.S.C. § 1782.

On November 26, 2019 (U.S. Time), Bangladesh Bank filed its Notice of Supplemental Authority and Response to Defendants' Notice of Supplemental Authority, arguing that (a) the discovery process underscores the importance of evidence in the U.S.; (b) the Bank is attempting to obstruct justice/suppress discovery in the Philippines (citing pleadings filed in the money-laundering case filed against five (5) current/former employees); and (c) the intention is to shift the venue away from New York to the Philippines where the Bangladesh Bank has no presence/its claims will die, making the denial of the Bank/co-defendants' forum non conveniens motion imperative.

On December 3, 2019 (U.S. Time), the Bank/co-defendants filed their Defendants' Response to Plaintiff's Notice of Supplemental Authority pointing out that (a) the case cited in the pleadings has nothing to do with the 28 U.S.C. § 1782 proceedings, which is the case in issue; (b) the Bank did not intervene in the money-laundering case as it merely made a special appearance to oppose the production of internal audit reports which mentioned other bank accounts/the identities of their owners, who are not involved in the case/have not consented to any disclosure; (c) Bangladesh Bank did not make known to the U.S. District Court SDNY that redacted forms of such reports were ultimately allowed and that, where Bank Secrecy laws do not apply, the Bank has produced several documents via subpoena; and (d) Bangladesh Bank does not dispute that there has been discovery in the U.S. in aid of a Philippine proceeding, which highlights the adequacy of the Philippines as a proper forum for the dispute in issue.

On March 20, 2020, the U.S. District Court SDNY dismissed the complaint of Bangladesh Bank for failing to plead a true Federal RICO Act conspiracy claim. The U.S. District Court held that the complaint (a) portrayed the existence of racketeering activities for the narrow purpose of stealing from a single victim, conceived in January 2015, and not a “complex, multi-faceted conspiracy”; (b) failed to plead any specific actions by particular defendants after March 2016 to hide/disperse the stolen funds; (c) does not plead any specific allegations of continuing/likely future racketeering activities by any defendant; and (d) failed to plead that the enterprise members were associated as a group apart from their alleged racketeering activity, as required by *First Capital Asset Mgmt., Inc. v. Satinwood, Inc.*, 385 F.3d 159, 174 (2d Cir. 2004). As such, it lacks the statutory/constitutional power to adjudicate the case (even as it denied the Bank/co-defendants’ two (2) Motions to Dismiss based on lack of subject matter jurisdiction/forum non conveniens) and cannot retain any supplemental jurisdiction over the related state-law claims.

On August 1, 2019 (U.S. Time), and in relation to the Injunction and Damages case filed in the Philippines, the Bank’s former National Sales Director (“NSD”) obtained an Order dated August 9, 2019 from another U.S. District Court SDNY Branch compelling the Bank of New York Mellon (“BNYM”) to produce non-privileged communication documents/testimonial evidence on the payment order of US\$30 on February 4, 2016, which the BNYM received from the SWIFT, the Bangladesh Bank, the FRBNY and the Federal Bureau of Investigation, after the former NSD served copies of his application to all counsels of record in the Injunction and Damages case.

On August 23, 2019 (U.S. Time), but without prior leave, the Bangladesh Bank tried to intervene in the case/vacate the aforesaid Order, claiming that (a) the target documents/testimonial evidence contain potentially confidential/personal information; (b) these relate to the Federal RICO Act case, where discovery was stayed; (c) setting aside the propriety of its intervention, it has standing to question the discovery orders due to the BNYM’s failure to quash the subpoena; (d) the target evidence include those not germane to the Philippine Injunction and Damages case; and (e) the former NSD’s Petition violated the Local Rules requiring notification to the U.S. District Court SDNY Branch handling the Federal RICO Act case, and his subpoena application should be consolidated therewith. To cure its procedural misstep, the counsel for Bangladesh Bank formally sought to stay the enforcement of the subpoena on BNYM, claiming that it is the ultimate target of such discovery proceedings.

In response, the counsel for the former NSD underscored (a) the BNYM’s lack of objection to the discovery process; (b) Bangladesh Bank’s own violation of the U.S. District Court SDNY’s Individual Rules and Local Rules; (c) Bangladesh Bank’s lack of standing to assail the application in issue; (d) the former NSD’s compliance with the notification requirement to Bangladesh Bank’s local counsel in the Philippines; and (e) the independent nature of the former NSD’s Petition vis-à-vis the Federal RICO Act case. On August 30, 2019 (U.S. Time), the former NSD formally filed his Memorandum of Law in Opposition to Bangladesh Bank’s Motion to Vacate Order and Take Discovery Under 28 U.S.C. § 1782 and To Quash Subpoena Under FRCP 45, reiterating his arguments on the propriety of the subpoena upon BNYM, and his compliance with the requirements of 28 U.S.C. § 1782.

As indicated above, on September 19, 2019, the BNYM produced the requested documents and served the same on the Bank. As likewise indicated above, on November 20, 2019 (U.S. Time), the U.S. District Court SDNY denied Bangladesh Bank’s Motion to vacate/quash the previous Order dated August 9, 2019, even as it allowed Bangladesh Bank’s intervention in the proceedings, thereby sustaining the former NSD’s claim on (a) his compliance with the notification requirement to the U.S. District Court SDNY Branch handling the Federal RICO Act case vis-à-vis Bangladesh Bank’s Philippine counsel in the Injunction and Damages case; (b) the lack of relation between the cases (grounded on the existence of an alleged conspiracy to steal/laundry the funds of Bangladesh Bank, and the alleged defamatory statements made after

the incident); and (c) Bangladesh Bank's failure to prove how the BNYM's compliance with the subpoena will conflict with the rulings to be issued in the Federal RICO Act case.

Philippine Litigation relating to the Bangladesh Bank Incident

On March 6, 2019, the Bank/the former NSD filed a complaint for Injunction and Damages against the Bangladesh Bank with the Regional Trial Court of Makati City ("Makati Trial Court") to put a stop to the latter's repeated acts of (a) defaming, harassing and threatening the Bank/the former NSD, and (b) making it appear that they were involved in the theft of the US\$81 from its FRBNY bank account, and thus, obligated to pay/return the same. The Bank/former NSD posited that (a) Bangladesh Bank lost the US\$81 the minute the said funds were transferred from its FRBNY's bank account, and they had no participation therein; and (b) Bangladesh Bank has been making very public/outrageous claims that the Bank (and its officers, including the former NSD) allegedly conspired with North Korean hackers to steal the said funds/laundry the same, which repeated negative publicity is apparently designed to force the Bank to settle therewith.

In his Officer's Return dated March 14, 2019, the Sheriff of the Makati Trial Court reported that, on March 12, 2019, he tendered the Summons and a copy of the Complaint upon the Deputy Governor of Bangladesh Bank and Head of its Financial Intelligence Unit ("Deputy Governor"). On the other hand, the Bangladesh Bank, via its Return of Summons and Manifestation by Special Appearance, disputed the propriety of the service of summons in the case. It likewise refused to formally submit to the jurisdiction of the Makati Trial Court and file any Answer, and did not send any representative during any of the mediation conferences held.

At the July 19, 2019 hearing, the Makati Trial Court issued an Order of even date holding that (a) Bangladesh Bank's claim of immunity from suit cannot be sustained as its own Charter expressly states that it has the power to sue and be sued; (b) Bangladesh Bank was properly/validly served with summons through the Deputy Governor and the Head of Bangladesh Bank's Manila delegation; and (c) the filing of the complaint for Injunction and Damages, in relation to the case initiated by Bangladesh Bank in the U.S. District Court SDNY, cannot be considered forum shopping as none of the requirements for *litis pendentia*, save for identity of parties, are present. The Makati Trial Court directed the Bangladesh Bank to file its Answer to the Complaint within fifteen (15) days from notice, and set a status hearing which has been further reset to February 14, 2020.

However, the Bangladesh Bank did not file any Answer, and its counsel of record instead filed three (3) Manifestations claiming that (a) the said counsel is supposedly unable to determine the proper recipient of the Order requiring Bangladesh Bank to appear for Judicial Dispute Resolution; (b) the former NSD supposedly violated Section 1, Rule 27 of the Rules of Court, when he filed his Petition for Judicial Assistance under 28 U.S.C. § 1782 before the U.S. District Court SDNY *sans* any motion/leave of the Makati Trial Court; and (c) the July 19, 2019 Order must be set aside/reconsidered due to (i) the Bangladesh Bank's alleged non-waiver of its sovereign immunity; and (ii) the non-defamatory nature of the statements made by Bangladeshi officials, on the purported involvement of the Bank in money-laundering.

At the February 14, 2020 status hearing, the Makati Trial Court directed the Bank to address the foregoing manifestations of the Bangladesh Bank via an appropriate pleading, and set another status hearing on March 20, 2020. On February 24, 2020, in compliance with the directive of the Makati Trial Court, the Bank filed its Consolidated Counter-Manifestation of even date. However, in line with the implementation of community quarantines and lockdowns due to the COVID-19 infection in the country, the Supreme Court also suspended regular work in all courts, court offices, divisions, sections and units, except those concerned with the resolution of urgent incidents, cases and administrative matters. As such, the resolution of the Bangladesh Bank's Manifestations remains pending, and the Makati Trial Court has yet to reset the March 20, 2020 monitoring hearing.

Specific Litigation involving the Bank's Officers

Anent the criminal complaint for money-laundering filed against former Business Manager Maia S. Deguito ("BM Deguito), the Anti-Money Laundering Council of the Philippines ("AMLC") filed with the Department of Justice ("DOJ") a second criminal complaint against six (6) current/former employees of the Bank for alleged violation of Section 4(f) of R.A. No. 9160, as amended, arising from their alleged performance or failure to perform an act, which purportedly facilitated the crime of money-laundering of US\$81. Acting on the complaint, the DOJ found probable cause against five (5) of such current/former employees and filed the corresponding Information with the Regional Trial Court of Makati City ("Makati Trial Court"), which it subsequently amended.

After arraignment, Pre-Trial/Trial ensued with the Prosecution (a) concluding its prosecutorial action upon the filing of its Formal Offer of Evidence on October 18, 2019, and (b) making a tender of excluded evidence after a number thereof were held to be inadmissible. All the accused requested leave, and filed their Demurrer to Evidence, which were deemed submitted for resolution in the Order dated December 10, 2019. The Makati Trial Court likewise tentatively reset the presentation of Defense evidence to January 23, 2020, at 8:30 am.

In a Resolution dated December 26, 2019, the Makati Trial Court granted the Demurrer to Evidence of three (3) of the current/former employees and dismissed the case against them, taking note of (a) their non-involvement in the opening of the beneficiary accounts/validation of the inward remittances; (b) Philippine jurisprudence (forming part of Philippine law) which prohibit banks from unilaterally freezing accounts *after* the credit of funds suspected to be of shady origins, and Section 10 of R.A. No. 9160 which bars the same *sans* a Court of Appeals-issued freeze order; (c) the account closure/termination of relationship directive of BSP Circular No. 706 upon an adverse Enhanced Due Diligence ("EDD") finding (instead of a freeze on the account); and (d) the former Treasurer's directive on February 5, 2016, to file a Suspicious Transaction Report ("STR") upon the lifting of the hold.

The Makati Trial Court, however, declined to dismiss the case against the former Senior Customer Relationship Office ("SCRO") and the former Customer Relationship Head ("CSH") of the Makati Jupiter Business Center ("Makati Jupiter BC") given proof of (a) the direct involvement of the former SCRO in the opening of the beneficiary accounts/the unauthorized February 5, 2016 fund transfers/withdrawals from the related Centurytex Trading account whose owner was then not present at the Makati Jupiter BC; and (b) the former CSH's act of releasing the withdrawn funds to former BM Deguito/his agreement with the former SCRO to hide this from the Bank's internal auditors. The Makati Trial Court then directed the former SCRO/former CSH to present their evidence on January 23, 2020, as previously scheduled.

The Prosecution/former SCRO filed their respective Motion for Reconsideration on the Resolution dated December 26, 2019. The Prosecution argued that (a) the failure of the current/former employees to conduct EDD facilitated money-laundering; (b) a "hold" is different from a "freeze order", and is permitted in some instances under the doctrine of necessary implication; and (c) the cases cited in the Resolution are not *apropos*. The former SCRO, on the other hand, argued that the evidence against her is hearsay, based merely on what the witnesses gathered from their investigation, and that the rationale for the dismissal of the charge against the other accused is applicable to her.

For their part, the three (3) current/former employees acquitted by the Makati Trial Court filed a Comment/Opposition to the Prosecution's Motion for Reconsideration, maintaining that (a) in addition to the grounds previously discussed in their Demurrer to Evidence, the Prosecution's Motion for Reconsideration is constitutionally-barred for being violative of their right against double jeopardy; (b) the same was filed beyond the five (5) day reglementary period therefor; and (c) the Prosecution's arguments therein are a mere rehash of the arguments previously raised/ passed upon by the Makati Trial Court.

The Prosecution filed a Reply, arguing that jurisprudence has allegedly recognized the propriety of filing a motion for reconsideration to an order of acquittal in criminal cases, and claimed that the pertinent rules of procedure had been grossly misapplied in the case of the three (3) current/former employees – which the latter countered in their Rejoinder. The Makati Trial Court has since denied the Prosecution’s Motion for Reconsideration, together with that of the former SCRO, thereby affirming its earlier ruling granting the Demurrer to Evidence of the three (3) current/former employees. Anent this development, the aforesaid current/former employees have filed a Motion to Lift Hold Departure Orders, which the Makati Trial Court has yet to rule upon.

During the January 23, 2020 hearing, the Makati Trial Court granted the former CSH’s oral motion to (a) present his witness, and (b) have a trial separate from the former SCRO (whose Motion for Reconsideration was then still pending). At the close of the hearing, the Makati Trial Court continued the presentation of defense evidence on February 13, 2020, at 8:30 am. The Prosecution assailed the separate trial ruling in its Motion for Reconsideration, arguing that this is contrary to the prior finding of unity of acts between the former CSH/the former SCRO. Responding to the separate Comments filed by the aforesaid accused, the Prosecution, in its Reply dated February 14, 2020, reiterated the danger posed by a separate trial in that testimony imputing guilt to any of the co-accused will not be admissible against the other who was not able to cross-examine him.

Traversing the Prosecution’s contentions in his Rejoinder, the former CSH argued, among others, that (a) the grant of the separate trial is consistent with his right to a speedy trial; (b) the Prosecution did not comment/object to his motion during the January 23, 2020 hearing despite having the time and opportunity to do so; and (c) the Prosecution is not prejudiced by the granting of the motion. Nonetheless, the former CSH filed a Manifestation and Submission, stating that he will no longer present any further witnesses and will file his Formal Offer of Evidence, which he did on March 9, 2020. The Prosecution’s Motion for Reconsideration on the issue was ultimately denied by the Makati Trial Court.

Acting on the criminal complaints filed by the Bank and Centurytex Trading account owner in connection with a series of unauthorized acts/transactions relating to the money-laundering of US\$81, the Office of the City Prosecutor of Makati City found probable cause to charge former BM Deguito and the former SCRO with several counts of falsification of commercial document and perjury, respectively, before the Metropolitan Trial Court of Makati City (“Makati MTC”).

Due to the death of the Centurytex Trading account owner, on October 15, 2019, the Prosecution in the falsification of commercial document cases signified its intention to present the bank teller who processed the questioned transactions on February 5, 2016. Pending its resolution, the Makati MTC cancelled the October 22, 2019 hearing and set additional hearings on January 28, 2020, March 10 and 31, 2020, and April 21 and 28, 2020, all at 8:30 am.

After cancelling the January 28, 2020 hearing due to the unavailability of the Presiding Judge, the Makati MTC issued a Resolution dated February 28, 2020 denying the Prosecution’s Motion for Leave to present the testimony of the bank teller. The Prosecution has since filed its Motion for Reconsideration dated March 16, 2020. However, due to the ongoing general suspension of regular work in all courts, court offices, divisions, sections and units, the incident remain unresolved by the Makati MTC. Likewise, the hearings scheduled on March 31, 2020, April 21, 2020 and April 28, 2020 have all been cancelled.

The Makati MTC hearing the perjury case against the former SCRO rejected the attempt of the latter to recall/cross-examine a Prosecution witness, holding that the non-appearance of her counsel at the scheduled hearing was inexcusable. At the close of the testimony of the Questioned Document Examiner on October 3, 2019, the Makati MTC set the case for further hearing on March 19, 2020 and April 2, 2020, both at 8:30 am.

On March 13, 2020, the Prosecution filed the Judicial Affidavit of Mr. Jose G. Villapando, the custodian of the official records of the Senate of the Philippines, in connection with the introduction into evidence of the Transcript of Stenographic Notes dated March 15, 17 and 29, 2016 of the Committee on Accountability of Public Officers and Investigation (Blue Ribbon Committee), where the now deceased Centurytex Trading account owner, among others, testified under oath that he was not the Makati Jupiter BC on February 5, 2016, and had no participation in any of the transactions that transpired thereat – contrary to what is stated in the Sworn Statement of the former SCRO. Due to the ongoing general suspension of hearings/work in all the courts, including the Makati MTC, the last setting for the presentation of the Prosecution’s evidence on April 2, 2020 was likewise cancelled.

The Bank has several petitions for review currently pending in relation to actions that it has initiated against former Bank employees in relation to the Bangladesh Bank incident. There are no known trends, demands, and commitments, events, or uncertainties that will have a material impact on the Bank’s operational performance and ability to service obligations.

Except for the above-mentioned proceedings, the Bank is not aware of any suits and claims by or against it or its subsidiaries, which if decided adversely, would have a material effect on its financial position or operating results.

14. EVENTS WITH CONTINUING IMPACT

In December 2019, a novel strain of coronavirus disease 2019 (COVID-19) was reported to have surfaced in China. The World Health Organization has declared the outbreak as a ‘public health emergency of international concern’. COVID-19 started to become widespread in the Philippines in early March 2020 causing the government to declare the country in a state of public health emergency followed by implementation of enhanced community quarantine (ECQ) and social distancing measures and restrictions within the Luzon area with other cities and provinces in the country enacting similar measures thereafter. This resulted in a wide-ranging business suspension – disrupting the supply chains, affecting production and sales across a range of industries, and weakening the stock market.

While the disruption is currently expected to be temporary, management expects the suspension of businesses to negatively impact the Group’s financial condition and results of operations. However, the severity of these consequences will depend on certain developments, including the duration and spread of the outbreak, impact on the Group’s customers and the accessibility and effectiveness of government support programs, all of which are uncertain and cannot be predicted as of the date of the issuance of the Group’s consolidated financial statements.

As the coronavirus pandemic continues to pose challenges, businesses as a whole, are seen to gradually re-open as the lockdown is relaxed. Some clients will be generally stable with some still experiencing cash flow tightness. Sectors that appear to be vulnerable include unsecured consumer and small business loans as well as some accounts in certain industries, like travel and tourism-related. Despite these challenges, net interest income is still seen to be stable or even post a respectable growth. Fee income, on the other hand, is expected to be lower due to business disruption particularly as a result of the slowdown in insurance, decline in volumes and fee waiver pressures for payments and information services, as well as significantly lower capital market levels and activity. Cash flow is also expected to remain stable given the growth in deposits and with some clients still opting to continue their amortization payments despite the loan payment moratorium provided for under the Bayanihan Heal as One Act.

The Group has continued to operate and provide banking services to its customers since the imposition of ECQ in the Philippines commencing in mid-March 2020. To safeguard employee health and well-being, the Group activated its business continuity plan (BCP) and implemented precautionary workplace measures such as work from home arrangements and skeletal work force. The Group's BCP has back-up sites for critical functions such as client servicing, trading and treasury operations and information technology. Key personnel have also been identified to facilitate both critical and non-critical units and senior management have been spread across different sites to ensure banking operations continue even in the event of a severe business interruption such as when one site becomes contaminated. Meanwhile, information campaigns on health preparedness and preventive measures are being applied by the Group to fight the spread of the virus. These measures include travel restrictions, controlled entry designated points equipped with thermal scanners and personal disinfectants and protocols on visitors, meetings and events. Management believes that these measures can mitigate the further negative impact of the outbreak to the Group's business and to its financial condition and performance.

The Group has been able to keep approximately 50-60% of its branches open during the early part of the community quarantine in mid-March 2020, and around 40-50% in April and May, with a skeletal workforce and corresponding adjustments in banking hours and cut-off times similar to adjustments instituted by the BSP and Bankers Association of the Philippines. By end-June 2020, the Group has 90-95% of its branches open. Among the steps taken to address its customers' needs during the COVID-19 outbreak, the Group has (i) ensured cash availability at its ATMs and branches and (ii) extended loan payments for corporate and consumer loans for 60 days and waived fees on electronic and similar forms of payments for its clients. The Group has also encouraged its customers to use its online and mobile banking services to pay bills, send money, as well as use ATMs and cash acceptance machines as an alternative to branch banking. The Group also did not experience massive withdrawals from its depositors as the deposit liabilities still increased during the ECQ period.

During the second quarter of 2020, the Group set aside an additional provisions amounting to P3,602, bringing the year to date total to P5,203. This is in anticipation of the expected disruptive economic impact of the COVID-19 pandemic and the ECQ. The Group is expecting delinquencies to increase this year due to the disruption in business activities, tightness in corporate liquidity, lower consumption levels, and contraction in annual gross domestic product (GDP) by as much as 5.5% based on government estimates after contracting by 0.7% and 16.5% in the first and second quarters, respectively. Despite the additional provisions, the Group's CAR as of end June 2020 was at 13.87% and is expected to remain stable in the second half of the year.

ADDITIONAL DISCLOSURES TO ITEM I – FINANCIAL STATEMENTS

Statement of Compliance with Generally Accepted Accounting Principles. The interim financial statements of the Bank have been prepared in accordance with the Philippine Financial Reporting Standards (PFRS).

See accompanying Notes to Interim Financial Statements for the detailed discussion of compliance with Generally Accepted Accounting Principles.

Accounting Policies and Methods of Computation. See accompanying Notes to Interim Financial Statements for the detailed discussion of the accounting policies and methods of computation (Note 2).

Seasonality or Cyclicity of Interim Operations. Seasonal or cyclical events and/or conditions do not materially affect the year-round operations of the Bank.

STATEMENT OF CONDITION: 30 June 2020 vs. 31 December 2019

RCBC's Total Assets was recorded at P718.752 billion.

Cash and other Cash Items decreased by 13.06% or P2.209 billion from P16.907 billion to P14.698 billion due to the decline in cash on hand and cash in vault as of period-end. The cash level in December was normally higher to service expected increased volume of withdrawals during the long holiday. Due from BSP increased by 39.49% or P34.456 billion from P87.255 billion to P121.711 billion attributable to the increase in level of Overnight Deposit and Special Savings Account with BSP. Due from Other Banks decreased by 27.85% or P5.241 billion from P18.818 billion to P13.577 billion, mainly due to decrease in foreign bank placements.

Loans under reverse repurchase agreement increased by 48.58% or P2.802 billion from P5.768 billion to P8.570 billion due to higher placements with the BSP.

Total Investment Securities, representing 7.28% of Total Resources, decreased by 67.43% or P108.371 billion from P160.719 billion to P52.348 billion mainly due to the sale of Investment Securities at Amortized Cost and Financial Assets at FVOCI. Investment Securities at Amortized Cost decreased by 88.67% or P89.496 billion from P100.926 billion to P11.430 billion; Financial Assets at FVOCI decreased by 33.01% or P17.905 billion from P54.245 billion to P36.340 billion. Financial Assets at FVPL also decreased by 17.50% or P970.915 million from P5.548 billion to P4.577 billion.

Loans and Receivables – net, grew by 6.91% or P31.063 billion from P449.219 billion to P480.282 billion attributable to the increase in level of Interbank Loans by 106.41% or P20.009 billion and recorded moderate increases in Corporate accounts by 2.87% or P6.568 billion and Consumer loans portfolio by 3.48% or P4.575 billion. It represented 66.82% of Total Resources.

Investment in Associates – net, decreased by 23.71% or P105.0 million from P444.0 million to P338.730 million mainly attributable to the decrease in equity investment with Honda Cars Phils. as a result of loss incurred due to the closure of its local manufacturing plant.

Bank Premises, Furniture, Fixtures & Equipment – net, slightly decreased by 1.98% or P220.0 million from P11.059 billion to P10.839 billion.

Deferred Tax Assets declined by 9.22% or P197.0 million from P2.140 billion to P1.943 billion due to loan write-offs vs. allowance for credit losses and utilization of other temporary differences.

Other Resources – net, slightly decreased by 1.44% or P153.0 million from P10.608 billion to P10.455 billion.

Deposit Liabilities were recorded at P499.420 billion and represented 69.48% of Total Resources. Demand deposits grew by 7.73% or P5.450 billion from P70.523 billion to P75.973 billion and accounted for 10.57% of Total Resources. Savings deposits grew by 6.01% or P10.777 billion from P179.247 billion to P190.024 billion and accounted for 26.44% of Total Resources. Time deposits reached P233.423 billion, grew by 12.87% or P26.612 billion from P206.811 billion and accounted for 32.48% of Total Resources.

Bills Payable decreased by 84.29% or P85.642 billion from P101.606 billion to P15.964 billion primarily due to pay-off of foreign and local borrowings. Bonds payable decreased by 6.29% or P6.089 billion from P96.814 billion to P90.725 billion attributable to the maturity of the USD243.0 million or P12.30 billion Senior Notes in January 2020, net of the P7.500 billion Peso Bond issuance in April 2020.

Other Liabilities decreased by 4.04% or P929.0 million from P23.026 billion to P22.097 billion primarily due to the lower outstanding acceptances payables.

Total Liabilities stood at P634.310 billion and represented 88.25% of Total Resources.

Net Unrealized Gains (Losses) on Financial Assets at FVOCI decreased by 52.04% or P465.214 million from P894.0 million to P428.786 million due to lower marked-to-market valuation of investment securities.

Retained Earnings increased by 6.21% or P1.871 billion from P30.143 billion to P32.014 billion mainly on account of the net profit for the period, net of the P1.076 billion cash dividends on Common Shares.

Total Capital Funds were recorded at P84.442 billion and accounted for 11.75% of Total Resources.

INCOME STATEMENT: 30 June 2020 vs. 30 June 2019

Total interest income increased by 1.70% or P318.896 million from P18.736 billion to P19.055 billion and accounted for 91.36% of total operating income. Interest income on loans and receivables went up by 10.57% or P1.662 billion from P15.717 billion to P17.378 billion and accounted 83.32% of total operating income. The increase was mainly due to higher average yield and increase in volume of Loans and Receivables. Interest income on investment securities decreased by 57.65% or P1.652 billion from P2.865 billion to P1.213 billion as a result of decline in ADB volume due to the sale of Hold to Collect and FVOCI securities; it accounted 5.82% of total operating income. Other interest income, on the other hand, increased by 199.97% or P308.891 million from P154.470 million to P463.362 million due to the increase in volume of Overnight and Term Deposits.

Total interest expense went down by 22.77% or P1.846 billion from P8.107 billion to P6.261 billion and accounted for 30.02% of total operating income. Interest expense on deposit liabilities decreased by 33.08% or P1.619 billion from P4.893 billion to P3.274 billion primarily as a result of lower average costs; it represented 15.70% of total operating income. Interest expense on bills payable and other borrowings decreased by 7.08% or P227.421 million from P3.214 billion to P2.987 billion also mainly due to lower average costs year-on-year.

As a result, net interest income increased by 20.37% or P2.165 billion from P10.629 billion to P12.794 billion.

As part of its conservative stance on loan loss provisioning, the Bank booked a significantly higher impairment losses of P5.203 billion, up by 93.88% or P2.519 billion from P2.684 billion in the same period last year to cover the expected increase in non-performing loans due to COVID-19. It represented 24.95% of total operating income.

Other operating income increased by 31.68% or P1.940 billion from last year's P6.124 billion now at P8.063 billion, this accounted for 38.66% of total operating income, and is broken down as follows:

- Trading and securities gain – net, increased by 79.61% or P2.514 billion from P3.158 billion to P5.672 billion, largely attributable to realized trading gains from sale of investment securities, net of lower unrealized marked-to-market gains. It accounted 27.20% of total operating income;
- Service fees and commissions decreased by 18.49% or P361.935 million from P1.952 billion to P1.591 billion due to lower fees on loans and trade commitments, credit cards and securities and brokering fees from the Bank's investment banking subsidiary;
- Trust fees marginally increased by 2.28% or P3.502 million from P154.731 million to P157.233 million ;
- Foreign exchange gains increased by 109.47% or P121.194 million from P110.711 million to P231.905 million. This was primarily due to higher foreign currency position profit;
- Miscellaneous income decreased by 45.11% or P338.038 million from P749.311 million to P411.273 million largely due to lower dividend income and loss from Honda Cars Phils. due to closure of its local manufacturing plant.

Operating expenses, accounted 52.79% of total operating income, increased by 4.79% or P503.379 million from P10.507 billion to P11.011 billion due to the following:

- Total Manpower costs and Occupancy and equipment-related expenses were almost flat at P3.399 billion and P1.346 billion, respectively, and represented 16.30% and 6.45% of total operating income, respectively.
- Taxes and licenses grew by 16.37% or P241.838 million from P1.477 billion to P1.719 billion on account of higher gross receipts tax attributed to the 24% increase in gross revenues and higher documentary stamp tax primarily due to increase in volume of time deposits;

- Depreciation and amortization were recorded at P1.432 billion, up by 12.03% or P153.676 million from P1.278 billion to P1.432 billion largely due to higher depreciation on ROPAs, specifically real estate properties and auto ;
- Miscellaneous expenses went up by 3.85% or P115.521 million to settle at P3.116 billion from P3.000 billion partly attributable to COVID-19 related expenses, higher PDIC insurance and other volume-related expenses.

Tax expense increased by 70.38% or P633.702 million from P900.339 million to P1.534 billion mainly due to higher final tax on investment securities and lower deferred tax during the period.

Net profit attributable to non-controlling interest settled at P11.0 thousand, 97.87% or P505.0 thousand lower than last year's P516.0 thousand.

Overall, net income increased by 16.85% or P448.516 million from P2.661 billion to P3.110 billion.

There were no significant elements of income or loss that did not arise from the Bank's continuing operations.
