To: The Shareholders of Koda Ltd

Dear Sir/Madam,

#### **THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE**

---

### **1. INTRODUCTION**

#### **1.1 Letter to Shareholders**

- 1.1.1 The Board wishes to refer Shareholders to Ordinary Resolution 7 of the Notice of AGM to be proposed at the AGM to seek Shareholders' approval for the Proposed Renewal of the Share Buy-back Mandate.
- 1.1.2 The purpose of this Letter is to provide Shareholders with relevant information relating to, and to seek Shareholders' approval for, the Proposed Renewal of the Share Buy-back Mandate. Shareholders' approval will be sought at the AGM to be held on Wednesday, October 30, 2024 at 10.00 a.m. (Singapore Time).
- 1.1.3 The SGX-ST assumes no responsibility for the contents of this Letter, including the correctness of any of the statements or opinions made or reports contained in this Letter.

### **2. THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE**

#### **2.1 Introduction**

- 2.1.1 The Share Buy-back Mandate was first approved by Shareholders at an extraordinary general meeting of the Company held on October 30, 2015. The Share Buy-back Mandate was renewed at the extraordinary general meeting of the Company held on October 30, 2023, and will expire on the date on which the next annual general meeting of the Company is to be held (i.e. October 30, 2024).

---

## LETTER TO SHAREHOLDERS

---

2.1.2 Pursuant to the Companies Act:

- (a) a company shall not make a purchase or acquisition of its own shares on a securities exchange unless the purchase or acquisition has been authorised in advance by the company in general meeting; and
- (b) a company may make a purchase or acquisition of its own shares otherwise than on an approved exchange in Singapore if the purchase or acquisition is made in accordance with an equal access scheme authorised in advance by the company in general meeting.

2.1.3 Pursuant to Listing Rule 881, an issuer may purchase its own shares if it has obtained the prior specific approval of shareholders in general meeting.

2.1.4 Accordingly, Shareholders' approval for the Proposed Renewal of the Share Buy-back Mandate is being sought at the AGM to be held. The Proposed Renewal of the Share Buy-back Mandate is set out as Ordinary Resolution 7 of the Notice of AGM.

2.1.5 If the Proposed Renewal of the Share Buy-back Mandate is approved by Shareholders at the AGM, the Company shall be authorised to purchase or otherwise acquire Shares from Shareholders under the Share Buy-back Mandate at any time and from time to time during the Relevant Period.

### 2.2 Rationale for the Share Buy-back Mandate

2.2.1 The Share Buy-back Mandate would give the Company the flexibility to undertake Share Purchases at any time and from time to time during the Relevant Period up to the limit as set out in **Section 2.3.2** of this Letter. The rationale for the Company to have in place the Share Buy-back Mandate to undertake such Share Purchases is as follows:

- (a) The Share Buy-back Mandate gives the Company the flexibility to undertake Share Purchases as and when circumstances permit, with the objective of enhancing Shareholders' value and to improve, *inter alia*, the return on equity of the Group. A Share Purchase made at an appropriate price level is one of the ways through which Shareholders' value may be enhanced and the return on equity of the Group may be improved.
- (b) The Share Buy-back Mandate will provide the Company with a mechanism to facilitate the return of surplus cash over and above the Group's working capital requirements in an expedient and cost-efficient manner. Share Purchases will also allow the Board to exercise control over the Company's share structure with the view to enhance the EPS and/or the NTA per Share of the Company.
- (c) The Company may undertake Share Purchases to mitigate short-term market volatility (by way of stabilising the supply and demand of issued Shares) and offset the effects of price speculation of its Shares.

2.2.2 The Board of Directors may decide to carry out the Share Purchases via On-Market Purchases or Off-Market Purchases, as and when circumstances permit, after taking into consideration relevant factors such as the amount of surplus cash available, working capital requirements, prevailing market conditions, and the most cost-efficient and cost-effective approach.

---

## LETTER TO SHAREHOLDERS

---

2.2.3 The Share Purchases will only be undertaken as and when the Board considers it to be in the best interests of the Company and its Shareholders. The Board does not propose to carry out Share Purchases to such extent that would, or in the circumstances that might, result in a material adverse effect on the financial condition of the Group, or cause illiquidity or affect orderly trading of the Shares.

2.2.4 Shareholders should note that Share Purchases may not be carried out to the full extent mandated under the Share Buy-back Mandate. The Share Purchases will not cause illiquidity or affect orderly trading of the Shares.

### **2.3 Details on the Authority and Limits of the Share Buy-back Mandate**

2.3.1 The details on the authority and limits of the Share Buy-back Mandate are summarised below.

#### 2.3.2 Maximum Number of Shares

Only Shares that are issued and fully paid-up may be purchased or otherwise acquired by the Company under the Share Buy-back Mandate. The maximum number of Shares which may be purchased or otherwise acquired by the Company under the Share Buy-back Mandate during the Relevant Period is limited to that number of issued Shares representing not more than 10% of the total number of issued Shares as at the date of the passing of the Ordinary Resolution relating to the Proposed Renewal of the Share Buy-back Mandate (excluding any treasury shares and subsidiary holdings as at that date). For the purposes of computing the 10% limit, any of the Shares which are held as treasury shares or subsidiary holdings shall be disregarded.

**Purely for illustration purposes only**, based on the total number of issued Shares as at the Latest Practicable Date, comprising 83,178,782 Shares (excluding 59,074 treasury shares and nil subsidiary holdings), and assuming no additional Shares are allotted and issued, no Shares are purchased or otherwise acquired and held as treasury shares or cancelled, and no Shares are held as subsidiary holdings on or prior to the AGM, not more than 8,317,878 Shares, representing not more than 10% of the total number of issued Shares (excluding 59,074 treasury shares and nil subsidiary holdings) as at that date, may be purchased or otherwise acquired by the Company under the Share Buy-back Mandate.

#### 2.3.3 Duration

If the Proposed Renewal of the Share Buy-back Mandate is approved by Shareholders at the AGM, the Company shall be authorised to purchase or otherwise acquire Shares from Shareholders under the Share Buy-back Mandate at any time and from time to time during the Relevant Period (i.e. the period commencing from the date of the passing of the Ordinary Resolution relating to the Proposed Renewal of the Share Buy-back Mandate and expiring on the earlier of:

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held; or
- (b) the day on which purchases or acquisitions of Shares from Shareholders by the Company are carried out to the full extent mandated under the Share Buy-back Mandate,

---

## LETTER TO SHAREHOLDERS

---

unless the Share Buy-back Mandate is revoked or varied by the Company in general meeting).

The Share Buy-back Mandate may be renewed at a general meeting of the Company. Pursuant to Listing Rule 883, the Company is required to provide the following information to Shareholders:

- (a) the information required under the Companies Act;
- (b) the reasons for the Share Buy-back Mandate;
- (c) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code;
- (d) whether Share Purchases, if made, could affect the listing of the Company's equity securities on the SGX-ST;
- (e) details of any Share Purchases made by the Company in the previous twelve (12) months (whether by On-Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased or otherwise acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions, where relevant, and the total consideration paid for the purchases or acquisitions; and
- (f) whether the Shares purchased or otherwise acquired by the Company will be cancelled or kept as treasury shares.

### 2.3.4 Manner of Share Purchases

Share Purchases may be made via:

- (a) On-Market Purchases – The purchase or acquisition of Shares from Shareholders by the Company effected on the SGX-ST; and/or
- (b) Off-Market Purchases – The purchase or acquisition of Shares from Shareholders by the Company effected otherwise than on the SGX-ST in accordance with an equal access scheme which is authorised in advance by the Company in general meeting and which satisfies all the conditions set out in the Companies Act.

The Board may impose such terms and conditions as it deems fit in the interests of the Company in connection with, or in relation to, an equal access scheme provided that such terms and conditions are consistent with the Companies Act, the Mainboard Rules and the Share Buy-back Mandate.

Pursuant to the Companies Act, Off-Market Purchases in accordance with an equal access scheme must satisfy all the following conditions:

- (a) the offers under the equal access scheme are to be made to every person who holds shares to purchase or acquire the same percentage of their shares;
- (b) all of those persons have a reasonable opportunity to accept the offers made to them; and

---

## LETTER TO SHAREHOLDERS

---

- (c) the terms of all the offers are the same except that there shall be disregarded (i) differences in consideration attributable to the fact that the offers relate to shares with different accrued dividend entitlements; (ii) differences in consideration attributable to the fact that the offers relate to shares with different amounts remaining unpaid; and (iii) differences in the offers introduced solely to ensure that each member is left with a whole number of shares.

Pursuant to Listing Rule 885, an issuer making an Off-Market Purchase in accordance with an equal access scheme must issue an offer document to all shareholders containing at least the following information:

- (a) terms and conditions of the offer;
- (b) period and procedures for acceptances;
- (c) the reasons for the Off-Market Purchase in accordance with the equal access scheme;
- (d) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether Share Purchases, if made, could affect the listing of the Company's equity securities on the SGX-ST;
- (f) details of any Share Purchases made by the Company in the previous twelve (12) months (whether by On-Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased or otherwise acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions, where relevant, and the total consideration paid for the purchases or acquisitions; and
- (g) whether the Shares purchased or otherwise acquired by the Company will be cancelled or kept as treasury shares.

### 2.3.5 Maximum Price

The maximum price (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid by the Company for the purchase or acquisition of Shares from Shareholders, as determined by the Board, shall not exceed:

- (a) in the case of On-Market Purchases, 105% of the Average Closing Market Price of the Shares; and
- (b) in the case of Off-Market Purchases, 115% of the Average Closing Market Price of the Shares.

---

## LETTER TO SHAREHOLDERS

---

### 2.4 Status of Purchased Shares

- 2.4.1 Purchased Shares (i.e. Shares purchased or otherwise acquired by the Company from Shareholders under the Share Buy-back Mandate) shall, unless held as treasury shares in accordance with the Companies Act, be deemed to be cancelled immediately on purchase or acquisition (and all rights and privileges attached to those Purchased Shares will expire on such cancellation). The total number of issued Shares will be diminished by the number of Purchased Shares which are not held as treasury shares.

### 2.5 Treasury Shares

- 2.5.1 Certain provisions of the Companies Act relating to treasury shares are summarised below.

2.5.2 Maximum Holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares at that time. Where the aggregate number of Shares held as treasury shares exceeds 10% of the total number of issued Shares, the Company shall dispose of or cancel the excess treasury shares before the end of the period of six (6) months beginning with the day on which the aggregate number of Shares held as treasury shares exceeds 10% of the total number of issued Shares, or such further period as ACRA may allow.

2.5.3 Voting and Other Rights

The Company shall not exercise any right in respect of the treasury shares and any purported exercise of such a right is void. In particular, the Company shall not exercise any right to attend and vote at meetings, and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets may be made, to the Company in respect of treasury shares. However, an allotment and issue of Shares as fully paid bonus Shares in respect of treasury shares is allowed and the subdivision or consolidation of any treasury shares into treasury shares of a smaller or larger number is also allowed if the total value of the treasury shares after the subdivision or consolidation is the same as the total value of the treasury share before the subdivision or consolidation, as the case may be.

2.5.4 Disposal and Cancellation

Where Shares are held by the Company as treasury shares, the Company may at any time:

- (a) sell the treasury shares (or any of them) for cash;
- (b) transfer the treasury shares (or any of them) for the purposes of or pursuant to the Koda Performance Share Plan 2018 and any other share scheme, whether for its employees, Directors or other persons;
- (c) transfer the treasury shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;

---

## LETTER TO SHAREHOLDERS

---

- (d) cancel the treasury shares (or any of them); or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister of Finance may by order prescribe.

### 2.6 Source of Funds

2.6.1 The Company may only apply funds legally available for Share Purchases under the Share Buy-back Mandate in accordance with the Constitution of the Company and the applicable laws in Singapore. The Company may not purchase or otherwise acquire its own Shares for a consideration other than cash or, in the case of On-Market Purchases, for settlement other than in accordance with the SGX-ST's trading rules.

2.6.2 Pursuant to the Companies Act, the Company may purchase or otherwise acquire its own Shares out of the Company's capital or profits so long as the Company is solvent. It is an offence for a Director or chief executive officer of the Company to approve or authorise the purchase or acquisition of the Company's own Shares, knowing that the Company is not solvent. Pursuant to Section 76F(4) of the Companies Act, the Company is solvent if at the date of the payment the following conditions are satisfied:

- (a) there is no ground on which the Company could be found to be unable to pay its debts;
- (b) if:
  - (i) it is intended to commence winding up of the Company within the period of twelve (12) months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of twelve (12) months after the date of commencement of the winding up; or
  - (ii) it is not intended to commence winding up, the Company will be able to pay its debts as they fall due during the period of twelve (12) months immediately after the date of the payment; and
- (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition of its own Shares, become less than the value of its liabilities (including contingent liabilities).

2.6.3 The Company intends to use its internal resources to finance its Share Purchases (including any brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses incurred directly in relation to the Share Purchases). The purchase or acquisition of Shares from Shareholders by the Company will only be undertaken if such purchase or acquisition can benefit the Company and its Shareholders. The Company will only make purchases or acquisitions of Shares from Shareholders in circumstances that the Board believes will not result in any material adverse effect on the financial condition of the Group, or cause illiquidity or affect orderly trading of the Shares.

### 2.7 Financial Effects

2.7.1 The financial effects on the Company and on the Group arising from the purchase or acquisition of Shares from Shareholders by the Company under the Share Buy-back Mandate will depend on, *inter alia*, whether the Shares purchased or acquired is an On-Market Purchase or an Off-Market Purchase, whether the Shares are purchased or acquired out of the Company's capital or profits, the number of Shares purchased or otherwise acquired by the Company under the Share Buy-back Mandate, the consideration paid for such Shares and whether the Shares purchased or otherwise acquired are held as treasury shares or cancelled immediately on purchase or acquisition.

2.7.2 **For illustrative purposes only**, the financial effects on the Company and on the Group arising from the purchase or acquisition of Shares from Shareholders by the Company under the Share Buy-back Mandate have been prepared based on the audited consolidated financial statements of the Group for FY2024 and subject to, *inter alia*, the following assumptions:

- (a) The aggregate number of Shares purchased or otherwise acquired by the Company under the Share Buy-back Mandate comprised 8,317,878 Shares, representing 10% of the total number of issued Shares (excluding 59,074 treasury shares and nil subsidiary holdings) as at the Latest Practicable Date, and assuming no additional Shares are allotted and issued, no Shares are purchased or otherwise acquired and held as treasury shares or cancelled, and no Shares are held as subsidiary holdings on or prior to the AGM;
- (b) in the case of On-Market Purchases, the Maximum Price was S\$0.21 per Share (being 105% of the Average Closing Market Price of the Shares immediately preceding the Latest Practicable Date) and accordingly the maximum amount of funds required for effecting such On-Market Purchases (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses), would amount to approximately S\$1.74 million (equivalent to approximately US\$1.36 million);
- (c) in the case of Off-Market Purchases, the Maximum Price was S\$0.23 per Share (being 115% of the Average Closing Price of the Shares immediately preceding the Latest Practicable Date) and accordingly the maximum amount of funds required for effecting such Off-Market Purchases (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses), would amount to approximately S\$1.91 million (equivalent to approximately US\$1.49 million);
- (d) there were no expenses (including brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) incurred in relation to the Share Purchases;
- (e) the Share Purchases under the Share Buy-back Mandate were completed on July 1, 2023;
- (f) the 59,074 treasury shares as at the Latest Practicable Date are not cancelled and continues to be held by the Company as treasury shares;
- (g) the Share Purchases were made entirely out of the Company's profits and financed entirely by the Company's internal resources; and

- (h) the exchange rate US\$1.00 : S\$1.2806 obtained from the Monetary Authority of Singapore on the Latest Practicable Date.

### 2.7.3 Pursuant to Section 76G of the Companies Act:

- (a) where Shares of the Company are purchased or acquired, and cancelled under Section 76B(5) of the Companies Act, the Company shall:

- (i) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
- (ii) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (iii) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled; and

- (b) the total amount of the purchase price paid by the Company for the Shares cancelled shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of the Shares of the Company which is paid out of the Company's capital or profits under Section 76F(1) of the Companies Act.

2.7.4 Where Shares of the Company are purchased or acquired, and not cancelled under Section 76B(5) of the Companies Act, but held by the Company as treasury shares, there shall be no change in the amount of the Company's share capital.

2.7.5 Where Shares of the Company are purchase or acquired, and cancelled under Section 76B(5) of the Companies Act or held by the Company as treasury shares, the Shareholders' equity is reduced by the total amount of the purchase price paid by the Company for the Shares purchased or acquired.

2.7.6 **Shareholders should note that the financial effects set out below are for illustration purposes only and based on the aforementioned assumptions. In particular, Shareholders should note that the financial effects set out below are based on the audited consolidated financial statements of the Group for FY2024 and are not necessarily representative of the future financial performance of the Company and of the Group. Although the Share Buy-back Mandate authorises the Company to purchase or otherwise acquire not more than 10% of the total number of issued Shares (excluding any treasury shares and subsidiary holdings), the Company may not necessarily purchase or otherwise acquire Shares, or be able to carry out purchases or acquisitions of Shares to the full extent mandated under the Share Buy-back Mandate.**

2.7.7 **The Share Purchases will only be undertaken as and when the Board considers it to be in the best interests of the Company and its Shareholders. The Board does not propose to carry out Share Purchases to such extent that would, or in the circumstances that might, result in a material adverse effect on the financial condition of the Group, or cause illiquidity or affect orderly trading of the Shares. In particular, the Board will only carry out the Share Purchases after taking into consideration relevant factors such as the amount of surplus cash available, working capital requirements and prevailing market conditions.**

### 2.8 Tax Implications

2.8.1 **Shareholders who are in doubt as to their respective tax positions or the tax implications of the Share Purchases by the Company under the Share Buy-back Mandate or who may be subject to tax whether in or outside Singapore should consult their tax advisers or other professional advisers.**

### 2.9 Listing Status

2.9.1 Pursuant to Listing Rule 723, an issuer must ensure that at least 10% of the total number of issued shares excluding treasury shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public.

2.9.2 The percentage of the total number of issued Shares (excluding 59,074 treasury shares and nil subsidiary holdings) held by the public as at the Latest Practicable Date is approximately 37.6%. Assuming the Company carries out purchases or acquisitions of Shares to the full extent mandated under the Share Buy-back Mandate (i.e. not more than 10% of the total number of issued Shares (excluding any treasury shares and subsidiary holdings)), the percentage of the total number of issued Shares (excluding any treasury shares and subsidiary holdings) held by the public would be approximately 30.6%.

2.9.3 The Board shall ensure that at least 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) is at all times held by the public and that Listing Rule 723 is complied with.

### 2.10 Mainboard Rules

2.10.1 Pursuant to Listing Rule 886:

  - (ii) in the case of an Off-Market Purchase in accordance with an equal access scheme, by 9.00 a.m. on the second Market Day after the close of acceptances of the offer; and

2.10.2 The Company will not purchase or otherwise acquire Shares under the Share Buy-back Mandate at any time after any matter or development of a price sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price sensitive information has been publicly announced. In particular, in accordance with Listing Rule 1207(19)(c), the Company shall not purchase or otherwise acquire Shares under the Share Buy-back Mandate or deal in its securities during the period commencing one month before the announcement of the Company's half year and full year financial statements.

### 2.11 TAKE-OVER CODE

2.11.1 Certain take-over implications arising from the purchase or acquisition of Shares by the Company under the Share Buy-back Mandate are summarised below.

#### 2.11.2 Obligation to make a Take-over Offer

Pursuant to paragraph 1 of the Share Buy-back Guidance Note, when a company buys back its shares, any resulting increase in the percentage of voting rights held by a shareholder and persons acting in concert with him will be treated as an acquisition for the purpose of Rule 14 of the Take-over Code. Consequently, a shareholder or group of shareholders acting in concert could obtain or consolidate effective control of the company and become obliged to make an offer under Rule 14 of the Take-over Code. The SIC should be consulted at the earliest opportunity as to whether an obligation to make an offer would arise.

#### 2.11.3 Persons Acting in Concert

Pursuant to the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Without prejudice to the general application of the definition above, the following individuals and companies will be presumed to be persons acting in concert with each other unless the contrary is established:

- (a) the following companies:

  - (ii) the parent company of (i);
  - (iii) the subsidiaries of (i);
  - (iv) the fellow subsidiaries of (i);
  - (v) the associated companies of any of (i), (ii), (iii) or (iv);
  - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v);  
and
  - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights;

  - (i) an individual;
  - (ii) the close relatives of (i);
  - (iii) the related trusts of (i);

For the purposes of **Section 2.11.3** of this Letter:

### 2.11.4 Rule 14 of the Take-over Code and the Share Buy-back Guidance Note

Pursuant to Rule 14.1 of the Take-over Code, except with the SIC's consent, where:

- (a) any person acquires whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of a company; or
- (b) any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights and such person, or any person acting in concert with him, acquires in any period of 6 months additional shares carrying more than 1% of the voting rights,

such person must extend offers immediately, on the basis set out in Rule 14 of the Take-over Code, to the holders of any class of share capital of the company which carries votes and in which such person, or persons acting in concert with him, hold shares. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

Pursuant to the Share Buy-back Guidance Note:

- (a) when a company buys back its shares, any resulting increase in the percentage of voting rights held by a shareholder and persons acting in concert with him will be treated as an acquisition for the purpose of Rule 14 of the Take-over Code. Consequently, a shareholder or group of shareholders acting in concert could obtain or consolidate effective control of the company and become obliged to make an offer under Rule 14 of the Take-over Code. The SIC should be consulted at the earliest opportunity as to whether an obligation to make an offer would arise; and
- (b) a shareholder, who is not acting in concert with the directors, will not be required to make an offer under Rule 14 of the Take-over Code if, as a result of a company buying back its own shares, the voting rights of the shareholder in the company would increase to 30% or more, or, if the shareholder holds between 30% and 50% of the company's voting rights, would increase by more than 1% in any period of 6 months, as a result of the company buying back its shares. Such a shareholder need not abstain from voting on the resolution to authorise the share buy-back, unless so required under the Companies Act.

2.11.5 Mr Koh Teng Kwee, Mr James Koh Jyh Gang, Mr Koh Jyh Eng, Mdm Koh Shwu Lee, Mr Koh Zhu Xian Joshua and Mr Koh Zhu Lian Julian and persons acting in concert with them under the Take-over Code (the "**Koh Concert Group**") collectively hold Shares which carry more than 50% of the voting rights of the Company. Accordingly, when the Company purchases or otherwise acquires Shares under the Share Buy-back Mandate, any resulting increase in the percentage of voting rights of the Company held by the Koh Concert Group will not require an offer to be made under Rule 14 of the Take-over Code.

2.11.6 Save as disclosed above, the Board confirms that it is not aware of any facts or factors which suggest or imply that any particular persons and/or Shareholders are, or may be regarded as, persons acting in concert such that their respective interests in Shares which carry voting rights of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of Share Purchases by the Company under the Share Buy-back Mandate.

2.11.7 **The take-over implications set out in Section 2.11 of this Letter do not purport to be comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders are advised to consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity as to whether an obligation to make an offer under Rule 14 of the Take-over Code would arise as a result of the Share Purchases by the Company under the Share Buy-back Mandate.**
