Frasers Hospitality Asset Management Pte. Ltd. ("**FHAM**") and Frasers Hospitality Trust Management Pte. Ltd. ("**FHTM**"), the manager of Frasers Hospitality Real Estate Investment Trust and the trustee-manager of Frasers Hospitality Business Trust respectively (collectively, the "**Managers**"), will be appointing Ms Eu Chin Fen as the Chief Executive Officer of FHAM and FHTM, with effect from 10 April 2021.

The Nominating and Remuneration Committee (the "**NRC**") of each of the Managers has reviewed the qualifications and work experience of Ms Eu Chin Fen. Ms Eu is currently the Chief Investment Officer of Frasers Hospitality International Pte. Ltd., and it is intended that Ms Eu will relinquish this role prior to the effective date of her appointment as the Chief Executive Officer of FHAM and FHTM. In such role, she assists the Chief Executive Officer of the Hospitality Strategic Business Unit of Frasers Property Limited ("**FPL**") in developing and implementing the business and investment strategies of the hospitality business in line with the broad directions of the FPL group ("**Frasers Property Group**"). Ms Eu joined the Frasers Property Group in 2011, and she was also the Chief Executive Officer of the Managers at the time Frasers Hospitality Trust was listed in July 2014 until June 2019. Taking into account her qualifications and work experience, the NRC has recommended to the Board (the "**Board**") of each of the Managers Ms Eu's appointment as the Chief Executive Officer of FHAM and FHTM.

The NRC and the Board of each of the Managers have assessed Ms Eu's previous employment and experience and are of the opinion that she is suitable for the role.
