## **PROFIT GUIDANCE**

---

The Board of Directors (the “Board”) of Cheung Woh Technologies Ltd (the “Company”, together with its subsidiaries, collectively the “Group”) wishes to issue a profit guidance in respect of the first quarter financial results for the period ended 31 May 2019 (“1QFY2020”).

The Group expects to report a loss for 1QFY2020. The loss was due to unrealised foreign exchange loss arising from revaluation of intercompany balances.

This profit guidance is based on preliminary review of the Group’s unaudited financial results for 1QFY2020. Further details on the Group’s performance will be disclosed when the Company releases the unaudited financial statements for 1QFY2020 on or before 15 July 2019.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the shares of the Company.
