8 April 2021. The Issuer announced today an extension of the Voting Deadline in the consent solicitation memorandum dated 22 March 2021 prepared by the Issuer (as supplemented by an announcement in relation to the extension of the Consent Fee Deadline and Ineligible Holder Instruction Deadline dated 2 April 2021) (together, the **Consent Solicitation Memorandum**) with respect of its USD 300,000,000 2.25% Guaranteed Senior Unsecured Notes due 2022 (ISIN: XS2078374159) unconditionally and irrevocably guaranteed by the Korea Development Bank and USD 300,000,000 1.000% Guaranteed Senior Unsecured Notes due 2023 (ISIN: XS2201951477) unconditionally and irrevocably guaranteed by the Korea Development Bank (collectively, the **Notes**).

The Voting Deadline has been extended from 4.00 p.m. (London time) 12 April 2021 to 4:00 p.m. (London time) on 14 April 2021.

The Consent Solicitation Memorandum solicits the consent of the Holders to certain proposed amendments to the terms of the Notes as more fully set out in the Consent Solicitation Memorandum. Terms used in this announcement and not otherwise defined herein have the meaning ascribed to them in the Consent Solicitation Memorandum. Subject to the restrictions, Eligible Noteholders may obtain a copy of the Consent Solicitation Memorandum from the Consent Website (<https://bonds.morrowsodali.com/doosan>) or the Information and Tabulation Agent, the contact details for which are set out below.

Each Eligible Noteholder from whom a valid Consent Instruction in favour of the relevant Extraordinary Resolution is received by the Information and Tabulation Agent by the Voting Deadline will, subject to the terms of the Consent Solicitation Memorandum, be eligible to receive payment of an amount equal to 0.15 per cent. of the principal amount of the Notes that are the subject of such Consent Instruction (the **Consent Fee**) on the Payment Date, rounded to the nearest cent with half a cent rounded upwards.

Eligible Noteholders may continue to submit Consent Instructions up to the Voting Deadline.

Any Noteholder who is not eligible to participate in the relevant Consent Solicitation, on the basis that such Noteholder is either (i) a U.S. person and/or located in the United States and/or (ii) a person to whom the relevant Consent Solicitation cannot otherwise be lawfully made (each an Ineligible Noteholder) may be eligible, subject to the terms of the Consent Solicitation Memorandum and to the extent permitted by applicable laws and regulations, to receive an equivalent amount to any applicable Consent Fee (which is an amount equal to 0.15 per cent. of the principal amount of the Notes that are the subject of the relevant Ineligible Holder Instruction) as if it had been eligible to participate in the relevant Consent Solicitation and participated accordingly (the **Ineligible Holder Payment**).

To be eligible for the Ineligible Holder Payment, subject to the terms of the Consent Solicitation Memorandum, an Ineligible Noteholder must deliver, or arrange to have delivered on its behalf, a valid Ineligible Holder Instruction in favour of the relevant Extraordinary Resolution that is received by the Information and Tabulation Agent by the Voting Deadline.

The other terms of the Consent Solicitation Memorandum are deemed to have changed to the extent affected by the changes described herein. Except as set forth herein, all other terms described in the Consent Solicitation Memorandum remain unchanged.

The Issue has the right to extend, waive any condition of, amend and/or terminate any Consent Solicitation (other than the terms of the relevant Extraordinary Resolution) as described in the Consent Solicitation Memorandum.

Noteholders are advised to read carefully the Consent Solicitation Memorandum for full details of, and information on the procedures for participating in, the Consent Solicitation. SOLICITATION AND DISTRIBUTION RESTRICTIONS

United States

The Consent Solicitations are only being made outside the United States, to persons other than "U.S. persons" (as defined in Regulation S under the Securities Act). Any purported participation in any Consent Solicitation resulting directly or indirectly from a violation of these restrictions will be invalid and any participation in any Consent Solicitation by a person that is located in the United States or that is a U.S. person or by any agent, fiduciary or other intermediary acting on a non-discretionary basis for a beneficial owner that is giving instructions from within the United States or that is any U.S. person will not be accepted.

Neither this announcement nor the Consent Solicitation Memorandum is an offer of securities for sale in the United States or to any U.S. person. Securities may not be offered or sold in the United States absent registration or an exemption from registration. The Notes, and the guarantees thereof, have not been, and will not be, registered under the Securities Act, or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons, unless an exemption from the registration requirements of the Securities Act is available.

Each Noteholder participating in any Consent Solicitation will represent that it is not a U.S. person (as defined in Regulation S under the Securities Act), and is not acting for the account or benefit of any U.S. person, and that it is not located in the United States.

For the purpose of the above paragraphs, **United States** means the United States of America, its territories and possessions, any state of the United States of America and the District of Columbia.

General

The distribution of this announcement and the Consent Solicitation Memorandum in certain jurisdictions may be restricted by law, and persons into whose possession this announcement and/or the Consent Solicitation Memorandum comes are required to inform themselves about, and to observe, any such restrictions.

Nothing in this announcement or the Consent Solicitation Memorandum constitutes or contemplates an offer of, an offer to purchase or the solicitation of an offer to sell any security in any jurisdiction and participation in any Consent Solicitation by a Noteholder in any circumstances in which such participation is unlawful will not be accepted.

In addition to the representations referred to above in respect of the United States, each Noteholder participating in any Consent Solicitation will be deemed to represent that it is an Eligible Noteholder. Any Consent Instructions from a Noteholder that is unable to make these representations will not be accepted. Each of the Issuer, the Guarantor, the Solicitation Agents and the Information and Tabulation Agent reserves the right, in its absolute discretion, to investigate, in relation to any submission of Consent Instructions, whether any such representation given by a Noteholder is correct and, if such investigation is undertaken and as a result the Issuer determines (for any reason) that such representation is not correct, such Consent Instruction may be rejected.
