**Singapore, 20 July 2016** – Mainboard-listed infrastructure and civil engineering company, OKP Holdings Limited (胡金標控股有限公司) (“OKP” or “the Group”), won the prestigious Best Annual Report Award (Gold) in the “less than \$300 million market capitalisation” category at this year’s Singapore Corporate Awards (“SCA”). The award ceremony was held at the Resorts World Convention Centre last evening. OKP has received 13 accolades in eight years out of the 11 years since the SCA’s inception in 2006.

We are committed to maintaining high standards of corporate governance as part of our corporate growth journey and will continue to embrace the principle of timely and fair disclosures to our stakeholders. This is testament and tribute to our Finance and Investor Relations teams’ tireless work to adopt and implement best practices, and in continually improving the quality of disclosure. Such efforts have raised our standard of communication with stakeholders and the investing public.

“By maintaining open communication channels and having clear financial reporting standards that go beyond the minimum regulatory requirements, we seek to build on a culture of transparency and mutual trust with our stakeholders.”

The award is given out under the auspices of the SCA, dubbed the “Oscars” of Singapore’s corporate scene.
