**RECEIPT OF PURCHASE ORDER WORTH APPROXIMATELY S\$3.0 MILLION FOR
OVERSEAS DEPLOYMENT OF PROPRIETARY EMS SOLUTION**

1. Receipt of Purchase Order

The Board of Directors (the “**Board**”) of iWOW Technology Limited (the “**Company**”, and together with its subsidiaries, the “**Group**” or “**iWOW**”) is pleased to announce that the Company has received a purchase order from a Middle Eastern government organisation for the supply, deployment and maintenance of the Group’s proprietary Electronic Monitoring System (“**EMS**”) solution, with an aggregate value of approximately S\$3.0 million (the “**PO**”).

The EMS solution is an integrated electronic monitoring and tagging system designed to support the remote monitoring and management of individuals subject to electronic monitoring requirements.

The current PO covers the initial scope of the deployment, including one (1) year of maintenance services. The initial deployment is expected to be completed within FY2027 and the Company will continue to engage with the customer in relation to its broader EMS requirements.

2. Overseas Deployment of EMS Solution

The PO marks an important milestone in the Group’s efforts to expand its business internationally and was secured following a competitive procurement process involving numerous international participants. The award provides an important validation of the Group’s proprietary EMS solution, developed in Singapore, and its ability to compete and deliver in overseas markets.

The Group has invested in developing and adapting its EMS solutions for overseas markets over the past years, and believes that the deployment will provide an important reference and platform for further international expansion.

The Group intends to leverage the experience and capabilities developed through this project in pursuing further opportunities in the region and other international markets.

3. As a result of the PO, the Group’s current order book stands at S\$126 million, as compared to S\$127 million as of 1 July 2026.

The PO received is not expected to have any material impact on the performance of the Group for the financial year ending 31 March 2027.

4. None of the directors or substantial shareholders of the Company and their respective associates has any interest, direct or indirect, in the orders, other than through their respective shareholdings in the Company.

5. Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company and should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers if they are in doubt about the actions that they should take.
