PACC OFFSHORE SERVICES HOLDINGS LTD.
Registration Number: 200603185Z

UNAUDITED FINANCIAL STATEMENT AND DIVIDEND ANNOUNCEMENT
FOR THE THREE MONTHS ENDED 31 MARCH 2019

Introduction

PACC Offshore Services Holdings Ltd. ("POSH") is one of Asia's largest operators of offshore support vessels, with a diversified fleet servicing the offshore oil and gas and renewables industries.

With four distinct operating segments: Offshore Supply Vessels, Transportation and Installation, Offshore Accommodation as well as Harbour Services and Emergency Response, POSH's offshore support vessels perform anchor handling services, ocean towage and installation, ocean transportation, heavy-lift, offshore accommodation services, Subsea Umbilicals Risers and Flowlines (SURF) and Inspection Maintenance and Repair (IMR) support, harbour towage and emergency response services.

As at 31 March 2019, the POSH Group (including joint ventures) operates a combined fleet of 123 vessels with another vessel on order, comprising Anchor Handling Tug Supply Vessels, Anchor Handling Tugs, Platform Supply Vessels, Maintenance Utility Vessels, Crane and Deck Barges, Semi-submersible Accommodation Vessels, Light Construction Vessels, Accommodation Vessels, Multi-purpose Support Vessels, Dive Support Vessels and Harbour Tugs.

The POSH fleet operates worldwide, serving offshore oilfields in Asia, Australasia, Africa, Middle-East and Latin America, providing vessels and services for projects involving many of the world's major energy companies, as well as many large international offshore contractors.

For more information on POSH, please visit www.posh.com.sg.

1(d)(ii). Details of any changes in the company's share capital arising from rights issue, bonus issue, share buy-backs, exercise of share options or warrants, conversion of other issue of equity securities, issue of shares for cash or consideration for acquisition or for any other purpose since the end of the previous period reported on. State also the number of shares that may be issued on conversion of all the outstanding convertibles, as well as the number of shares held as treasury shares, if any, against the total number of issued shares excluding treasury shares and subsidiary holdings of the issuer, as at end of the current financial period reported on and as at end of the corresponding period of the immediately preceding financial year. State also the number of shares held as treasury shares and the number of subsidiary holdings, if any, and the percentage of the aggregate number of treasury shares and subsidiary holdings held against the total number of shares outstanding in a class that is listed as at the end of the current financial period reported on and as at the end of the corresponding period of the immediately preceding financial year.

There was no change in the Company's share capital since the end of the previous period reported on.

Movement in the Company's treasury shares during the three months ended 31 March 2019 was as follows:

	Number of shares
Balance as at 1 January 2019	7,359,600
Purchase of treasury shares	140,000
Issuance of treasury shares	(1,719,000)
Balance as at 31 March 2019	5,780,600

As at 31 March 2019, 5,780,600 treasury shares were held by the Company (31 March 2018: 6,359,600) representing 0.3% (31 March 2018: 0.4%) of the total number of issued shares (excluding treasury shares).

1(d)(iii). To show the total number of issued shares excluding treasury shares as at the end of the current financial period and as at the end of the immediately preceding year.

Total numbers of issued ordinary shares (excluding treasury shares) as at 31 March 2019 were 1,814,219,400 (31 December 2018: 1,812,640,400).

1(d)(iv). A statement showing all sales, transfers, cancellation and/or use of treasury shares as at the end of the current financial period reported on.

None.

1(d)(v). A statement showing all sales, transfers, cancellation and/or use of subsidiary holdings as at the end of the current financial period reported on.

None.

2. Whether the figures have been audited or reviewed, and in accordance with which auditing standard or practice.

The financial statements for the period under review have not been audited or reviewed by the auditor.

3. Where the figures have been audited or reviewed, the auditors' report (including any qualifications or emphasis of a matter).

Not applicable.

4. Whether the same accounting policies and methods of computation as in the issuer's most recently audited annual financial statements have been applied.

The Group has applied accounting policies and methods of computation in the financial statements for the current reporting period consistent with those of the audited financial statements for the year ended 31 December 2018, except as disclosed in paragraph 5.

5. If there are any changes in the accounting policies and methods of computation, including any required by an accounting standard, what has changed, as well as the reason for, and the effect of, the change.

The Group adopted the new/revised Singapore Financial Reporting Standards (International) ("SFRS(I)") that are effective for annual periods beginning on or after 1 January 2019. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I)s, SFRS(I) Interpretations and amendments to SFRS(I)s.

The following are the new or amended SFRS(I)s, and SFRS(I) Interpretations, that are relevant to the Group:

- SFRS(I) 16 Leases
- SFRS(I) INT 23 Uncertainty Over Income Tax Treatments
- Amendments to SFRS(I) 9 Prepayment Features with Negative Compensation
- Amendments to SFRS(I) 1-28 Long-term Interests in Associates and Joint Ventures
- Amendments to SFRS(I) 3 and 11 Previously held interest in a joint operation
- Amendments to SFRS(I) 1-12 Income tax consequences of payments on financial instruments classified as equity
- Amendments to SFRS(I) 1-23 Borrowing costs eligible for capitalization

The adoption of the above SFRS(I)s, SFRS(I) Interpretations and amendments to SFRS(I)s did not have any significant impact on the financial statements of the Group except for the following:

Adoption of SFRS(I) 16 Leases

The Group has adopted the SFRS(I) 16 using the modified retrospective approach.

On adoption of SFRS(I) 16, the Group and the Company has measured the right-of-use asset at an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease recognised in the statement of financial position immediately before 1 January 2019. The lease liability is initially measured at the present value of the lease payments that are not paid at commencement date, discounted using the interest rate implicit in the lease or, if the rate cannot be readily determined, the Group's incremental borrowing rates. Subsequent to initial recognition, the Group and the Company depreciate the right-of-use assets over the shorter of the useful life of the right-of-use assets and the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.

The right-of-use assets as at 31 March 2019 were mainly related to leases of the premises and vessels. Accordingly, there was a corresponding increase in lease liabilities of approximately US$7.6 million as at 31 March 2019.

6. Earnings per ordinary share of the group for the current financial period reported on and the corresponding period of the immediately preceding year, after deducting any provision for the preference dividends; (a) Based on weighted average number of shares and (b) On a fully diluted basis (detailing any adjustments made to the earnings)

The Group registered revenue of US$61.8 million in Q1 FY19, a 12% decrease from US$70.6 million in Q1 FY18. Higher revenue in the OSV, T&I and HSER segments were offset by lower contributions from OA.

OSV

Revenue increased 12% to US$24.3 million (Q1 FY18: US$21.7 million) on improved vessel utilisation of 70% in 1Q FY2019 (Q1 FY18: 68%). Due to higher operating expenses, the segment recorded a gross loss of US$0.3 million in Q1 FY19, comparable to Q1 FY18.

OA

Revenue decreased 39% to US$23.8 million (Q1 FY18: US$38.9 million), largely due to POSH Arcadia – one of the Group's two Semi-submersible Accommodation Vessels ("SSAV") – being undeployed in the quarter. Correspondingly, gross profit declined 47% to US$5.0 million (Q1 FY2018: US$9.3 million). The segment's performance was mitigated by contribution from SSAV POSH Xanadu, which started a charter with Petrobras in January 2019. In addition, all four Light Construction Vessels ("LCVs") and three Multi-Purpose Support Vessels ("MPSVs") were deployed during the quarter.

T&I

Revenue increased 49% to US$7.5 million (Q1 FY18: US$5.0 million) due to higher vessel utilisation of 58% (Q1 FY18: 53%) which includes deployment for the subsea sector. As a result, the segment registered higher gross profit of US$1.0 million in Q1 FY19 compared to US$0.4 million in the previous corresponding quarter.

HSER

HSER recorded a 26% increase in revenue to US$6.2 million (Q1 FY18: US$4.9 million), mainly due to an increase in the number of overseas charters. Correspondingly, gross profit grew by 164% to US$1.1 million (Q1 FY18: US$0.4 million).

Income Statement (cont'd)
1st Quarter 2019 ("Q1 FY19") vs 1st Quarter 2018 ("Q1 FY18")

General & Administrative expenses and Other Income

General and administrative expenses increased by US$3.0 million or 40% to US$10.7 million (Q1 FY18: US$7.7 million) mainly due to increased legal fees, personnel and other administrative expenses in Q1 FY19.

Finance costs increased by 14% to US$7.7 million (Q1 FY18: US$6.8 million) due to higher interest rates in Q1 FY19.

The Group's share of results from joint ventures ("JVs") was a loss of US$1.6 million in Q1 FY19 as compared to a profit of US$0.6 million in Q1 FY18. This was mainly due to lower vessel utilisation of our JV, POSH Terasea.

The Group recorded a net loss attributable to equity holders of the Company of US$12.7 million in Q1 FY19 as compared to US$7.2 million in Q1 FY18.

Statement of Financial Position

The Group's net asset was US$347.1 million as at 31 March 2019.

. The Group has net current liabilities of US$218.5 million mainly due to bank borrowings due within one year.

Statement of Cash Flows

The Group generated net cash from operations of US$5.7 million in Q1 FY19 as compared to US$12.2 million in Q1 FY18. This was mainly due to higher losses in Q1 FY19.

Net cash used in investing activities of US$6.4 million in Q1 FY19 (Q1 FY18: US$5.7 million) was mainly due to acquisition of equipment in the subsea business.

9. Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.

None

10. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

For the OA division, POSH Xanadu commenced its charter with Petrobras in offshore Brazil in January 2019. The charter will last for eight months, with option for an eight-month extension. The Group is also actively seeking opportunities for POSH Arcadia. Aside from the two SSAVs, all monohull vessels in the OA fleet were deployed in Q1 FY2019, with improved charter rates. We expect sustained improvement for utilisation and charter rates for the OA monohull segment for the rest of FY2019.

The Group saw sustained growth momentum for its new business segments. POSH Subsea clinched its second contract in Q1 FY19 to support a pipeline replacement project off the coast of India. In the renewables sector, POSH Kerry Renewables added to its orderbook several contracts to support offshore survey and preparatory works for windfarm construction in Taiwan.

Moving forward, we expect charter rates and utilization to improve slightly for the OSV segment as offshore projects that were sanctioned in previous years materialize. The 13 vessels under long-term charters to a National Oil Company in the Middle East continue to deliver under the charters. The Group also re-purposed two OSVs for walk-to-work and subsea support operations, as part of its ongoing strategy to re-profile assets to serve growth segments.

11. Dividend

(a) Current Financial Period Reported On

Any dividend declared for the current financial period reported on? No

(b) Corresponding Period of the Immediately Preceding Financial Year

Not Applicable

(c) Date payable

Not Applicable

(d) Book closure date

Not Applicable

12. If no dividend has been declared (recommended), a statement to that effect.

No dividend has been declared or recommended for the current period reported on.

13. If the Group has obtained a general mandate from shareholders for IPTs, the aggregate value of such transactions as required under Rule 920(1)(a)(ii). If no IPT mandate has been obtained, a statement to that effect.

Pursuant to Rule 920(2) of the listing manual of the SGX-ST, a renewal of general mandate has been obtained for the Group to enter into Interested Person Transactions with our Interested Persons as set out in the circular to the shareholders of the Company dated 3 April 2019. During the three months ended 31 March 2019, the following Interested Person Transactions were entered into by the Group.

Name of interested person	Aggregate Value of all interested person transactions during the financial year under review (excluding transactions less than $100,000 and transactions conducted under shareholders' mandate pursuant to Rule 920)	Aggregate Value of all interested person transactions conducted under shareholders' mandate pursuant to Rule 920 (excluding transactions less than $100,000)
	US$'000	US$'000
KSL Corporate Services Pte Ltd	-	192
DP Shipbuilding & Engineering Pte Ltd	-	498
DDW PaxOcean Shipyard Pte Ltd	-	259
PACC Ship Managers Pte Ltd	-	239
TOTAL	-	1,188

14. Negative confirmation pursuant to Rule 705(5).

The Board hereby confirms that to the best of their knowledge, nothing has come to the attention of the Board of Directors of the Company which may render the financial statements for the three months ended 31 March 2019 to be false or misleading in any material respect.

15. Confirmation that the issuer has procured undertakings from all its directors and executive officers (in the format set out in Appendix 7.7) under Rule 720(1).

The Company confirms that the undertakings under Rule 720(1) of the Listing Manual have been obtained from all its directors and executive officers in the format set out in Appendix 7.7.

On behalf of the Board of Directors

Kuok Khoon Ean
Chairman
