PROFIT GUIDANCE FOR THE 6-MONTHS FINANCIAL PERIOD ENDED 30 SEPTEMBER 2025

The Board of Directors (the "**Board**") of MTQ Corporation Limited (the "**Company**", together with its subsidiaries, the "**Group**") wishes to provide a profit guidance for its unaudited consolidated financial results for the six months ended 30 September 2025 ("1HFY2026").

Based on the preliminary assessment of the latest available information and the latest unaudited consolidated financial results, the Group anticipates to record a net loss for 1HFY2026. This is mainly attributable to weaker performance from the Bahrain segment, reflecting continued market softness and volatility in Saudi Arabia and Bahrain.

In addition, higher pre-operating expenses related to the Group's new UAE operations, in line with the ramp-up of activities, have also weighed on the Group's performance. The facility is progressing well, with initial orders secured and further commercial discussions ongoing. Barring unforeseen circumstances, the UAE segment is expected to commence revenue generation in the second half of this financial year.

The Company is in the process of finalizing its unaudited consolidated financial results. Further details of the Group's financial performance will be disclosed when the Company announces its unaudited consolidated financial results for 1HFY2026.

Shareholders, investors and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
