**ACROMETA MOVES INTO INDONESIAN NICKEL TRADING THROUGH STRATEGIC PARTNERSHIP**

---

The Board of Directors (the “**Board**” or the “**Directors**”) of AcroMeta Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that on **22 January 2026**, its wholly owned subsidiary, **AcroMeta Minerals Pte. Ltd.**, has entered into a non-binding indicative term sheet with **PT Esa Jaya Labdagati (“EJL”)** for a proposed strategic partnership focused on nickel trading activities in Indonesia.

EJL is an Indonesian nickel trading company with operations in Sulawesi and Maluku, and owns a nickel concession in South Konawe, Sulawesi.

Pursuant to the term sheet, AcroMeta Minerals may provide funding of up to S\$2.0 million and has been granted a six-month option to acquire a **51% interest** in the South Konawe nickel concession at a minimum exchange price of **S\$0.06 per share** or a **10% premium to the prevailing closing share price** of AcroMeta Group Limited immediately preceding the date of the definitive agreement(s), whichever is higher, subject to valuation, due diligence, and the execution of definitive agreement(s).

The proposed strategic partnership aligns with AcroMeta’s strategy to participate selectively in the global nickel value chain, driven by growing demand from stainless steel production and energy transition applications. The proposed transaction is not expected to have a material impact on the Group’s net tangible assets or earnings per share for the current financial year.

The term sheet is non-binding, and there is no certainty that the proposed transaction will be completed. Shareholders are advised to exercise caution when dealing in the securities of the Company.
