SUSPENSION OF TRADING

The Board of Directors (the “**Board**”) of ECS Holdings Limited (the “**Company**”) refers to the Company’s announcement dated 23 September 2014 in relation to the request for a trading halt as the number of shares which are held in public hands (as defined in the Listing Manual of the Singapore Exchange Securities Trading Limited (the “**Exchange**”)) has fallen below 10% of the total number of issued shares of the Company.

VST Holdings Limited (“**VST**”), the Company’s controlling shareholder holding shares representing approximately 89.5% of the total number of issued shares of the Company as at 22 September 2014, has indicated that it does not currently intend to undertake or support any action to restore the public float of the Company. The Board has informed the Exchange of, *inter alia*, VST’s current intentions.

In view of the above, a suspension of trading in the shares of the Company has been called for. Such suspension will remain until further notice.

The Board will make further announcements on this matter as and when appropriate or required.
