Secura Group's training academy appointed as Approved Training Organisation by SkillsFuture Singapore

SINGAPORE, 26 April 2017 – Secura Group Limited (新保安集团有限公司) (“**Secura**” or the “**Company**” and together with its subsidiaries, the “**Group**”), one of the leading providers of security products, services and solutions in Singapore, today announced that its wholly-owned subsidiary, Secura Training Academy Pte Ltd (“**STAPL**”), has been appointed as a Public Approved Training Organisation by SkillsFuture Singapore.

This appointment allows STAPL to conduct courses under the Singapore Workforce Skills Qualifications (“**WSQ**”) framework on Employability Skills, Service Excellence Framework and Info-Comm Technology for a period of two years.

With this appointment, STAPL will be expanding its training modules to include WSQ courses for the public, who are able to tap on the Singapore government's funding for these training programmes. The Group has an In-House Approved Training Organisation accreditation which allows it to conduct certain courses for its staff, and it has also started training programmes on cyber security awareness for the public since 2017.

Mr. Paul Lim (林春伟), Chief Executive Officer of Secura said, “This appointment is a strong endorsement of our training capabilities, and the efforts and resources we have put into supporting the skills development of our workforce. It greatly enhances our platform to expand our training programmes, and we are now able to put offer a comprehensive training value proposition to the public. With increased demand for training in different security segments and the Singapore government's initiatives to help workers retrain and deepen their skillsets, we are confident that this will contribute to our financial performance.”

Established in March 2017, STAPL aims to offer a wide range of courses to the public in areas of cyber security, service excellence, robotics, security product training as well as security guarding.
