Explanatory Note

- The Ordinary Resolution 8 in item 8 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next Annual General Meeting ("AGM") of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such Instruments, up to a number not exceeding the aggregated of (i) 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to shareholders of the Company (the General Limit) and (ii) additional 50% of Renounceable Rights Issues, of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (the Additional Limit), provided that the total number of shares which may be issued pursuant to (i) and (ii) shall not exceed 100% of the issued shares (excluding treasury shares and subsidiary holdings) at the time Ordinary Resolution 8 is passed, after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution 8 is passed and any subsequent bonus issue, consolidation or subdivision of shares. The authority for the Additional Limit is proposed pursuant to SGX-ST Practice Note 8.3 which became effective on 13 March 2017 until 31 December 2018 by which date no further shares shall be issued pursuant to this Resolution, if on that date the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) exceeds 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company ("the Enhanced Rights Issue Limit"). The Enhanced Rights Issue Limit is aimed at helping companies raise funds expeditiously for expansion activities or working capital. It is subject to the condition that the Company complies with applicable legal requirements including but not limited to provisions in the Companies Act requiring the Company to seek shareholders' approval and disclosure requirements under the Listing Manual on the use of the proceeds as and when the funds are materially disbursed and a status report on the use of proceeds in the annual report; and limitations in any existing mandate from shareholders. The Board is of the view that the Enhanced Rights Issue Limit is in the interests of the Company and its shareholders as:
 - Given the challenges being arising from the prolonged low and volatile oil prices, having the Enhanced Rights Issue Limit will provide the Company with more fund raising options;
 - The Company will be able to secure more projects and its shareholders will stand to benefit from the returns from these projects when the Company is able to raise funds expeditiously;
 - The Enhanced Rights Issue Limit will allow the Company the flexibility to raise more funds as may be required to finance new projects as well as for general working capital purposes;
 - The Enhanced Rights Issue Limit will also provide investors and shareholders with a wider range of options to participate in the Company's fund raising exercises; and
 - The Enhanced Rights Issue Limit may also serve to expand the base of shareholders.
 The Enhanced Rights Issue Limit will be exercised only if the Directors believe that to do so would be likely to promote the success of the Company for the benefit of shareholders as a whole.
