SOG Children (Paediatrics) Pte. Ltd. in Singapore on 5 April 2017**

- **SOG establishes new Paediatric pillar.**
- **SOG extends concept of 'Whole-of-Life' healthcare**

Singapore, 5 April 2017 – Singapore O&G Ltd. ("**SOG**" or collectively with its subsidiaries, the "**Group**"), a SGX Catalist listed company specialising in women's healthcare, announced today the incorporation of a wholly-owned subsidiary, SOG Children (Paediatrics) Pte. Ltd. ("**SOG PAED**").

SOG is a leading group of Specialist Medical Practitioners dedicated towards women's life-long health and wellness. Currently, our specialties are: pregnancy care and delivery; the female reproductive system; gynaecological and breast cancer; skin and aesthetic treatments; and other ancillary medical services.

As mentioned in our IPO Offer Document, Page 127, moving into Paediatrics is an integral part of SOG's expansion plans.

The principal activities of SOG PAED is that of the provision of general paediatrics and adolescent medicine services.

In 2016, SOG delivered 1,728 babies and this gives us a sufficient basis to implement a new revenue stream by providing paediatric services to our own patients and third party referrals.

Dr. Ng Koon Keng (Victor), CEO of SOG said, "Following the release of our stellar Financial Year 2016 results, we are pleased to announce the incorporation of SOG Children (Paediatrics) Pte. Ltd. as an integral part of SOG's expansion plans. This new pillar of business paves the way for SOG to engage our patients from the moment they are born, to their teenage years and through their adulthood. It also accentuates SOG's commitment to provide age appropriate healthcare to our patients and their families throughout their lives. The new Paediatric suite of services will cater to a group of new and young patients, creating the opportunity for SOG to

Singapore O&G Ltd.

venture into a previously untapped market. The Paediatric pillar will complement our existing business pillars to create the synergistic effect that is vital to boost our business to greater heights.”
