To: The Shareholders of the Company

Dear Sir/Madam,

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE**1. INTRODUCTION**

The purpose of this Appendix is to provide Shareholders with information pertaining to the proposed renewal of the Share Buyback Mandate, and to seek Shareholders' approval in respect of the same at the 2018 AGM.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE**2.1 Rationale**

In managing the business of the Group, the Directors constantly seek to increase Shareholders' value by improving, *inter alia*, the return on equity of the Group. In addition to growth and expansion of the business, Share buybacks may be considered as one of the ways through which the return on equity of the Group may be enhanced.

The Share Buyback Mandate would provide the Company with the flexibility to purchase or acquire the Shares if and when circumstances permit, during the period when the Share Buyback Mandate is in force. It is an expedient, effective and cost-efficient way for the Company to return to its Shareholders surplus cash/funds over and above its ordinary capital requirements, if any, taking into account the Group's growth and expansion plans. In addition, the Share Buyback Mandate will allow the Company to have greater flexibility over, *inter alia*, the Company's share capital structure and its dividend policy.

The Directors further believe that Share buybacks by the Company will help mitigate short-term market volatility, offset the effects of short-term speculation and bolster Shareholders' confidence. If and when circumstances permit, the Directors will decide whether to effect the Share buybacks via market purchases or off-market purchases, after taking into account the amount of surplus cash available, the prevailing market conditions and the most cost-effective and efficient approach. The Directors will only carry out Share buybacks as and when they consider it to be in the best interest of the Company. The Directors do not propose to carry out Share buybacks to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity, the orderly trading of the Shares and/or the financial position of the Group.

LETTER TO SHAREHOLDERS

2.2 Mandate

Approval is being sought from Shareholders at the 2018 AGM for the renewal of the Share Buyback Mandate for the purchase or acquisition by the Company of its issued Shares. The latest renewal of the Share Buyback Mandate was approved by Shareholders at the last annual general meeting of the Company held on 26 April 2017. If approved, the Share Buyback Mandate will take effect from the date of the passing of the resolution to approve its renewal at the 2018 AGM and continue in force until the conclusion of the next AGM of the Company or such date as the next AGM is required by law or by the Articles of the Company to be held, unless prior thereto, Share buybacks were carried out to the full extent mandated or the Share Buyback Mandate was revoked or varied by the Company in a general meeting. The Share Buyback Mandate may be put to Shareholders for renewal at each subsequent AGM of the Company.

3. THE TERMS OF THE MANDATE

The authority and limitations placed on Share buybacks under the proposed Share Buyback Mandate, if renewed at the 2018 AGM, save as set out in paragraph 10.2, are similar in terms to those previously approved by Shareholders and, for the benefit of Shareholders, are summarised below:

3.1 Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares which may be purchased or acquired by the Company during the Relevant Period or within any one (1) financial year of the Company, whichever is earlier, is limited to that number of Shares representing not more than ten per cent (10%) of the issued share capital of the Company, excluding Treasury Shares and Subsidiary Holdings, ascertained as at the date of the AGM at which the Share Buyback Mandate is approved (the “**Approval Date**”), unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Cayman Companies Law, at any time during the Relevant Period, or within any one (1) financial year of the Company, whichever is the earlier, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered.

As at the Latest Practicable Date, there are no Subsidiary Holdings.

For illustrative purposes only, based on the existing issued and paid-up share capital of the Company as at the Latest Practicable Date of S\$ 1.17 million, comprising 146,688,500 Shares, excluding Treasury Shares and Subsidiary Holdings, and assuming that no further Shares are issued at or prior to the 2018 AGM, not more than 14,668,850 Shares (representing ten per cent (10%) of the issued and paid-up share capital of the Company, excluding Treasury Shares and Subsidiary Holdings, as at that date) may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate.

3.2 Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, from the Approval Date up to the earliest of:

- (a) the conclusion of the next AGM or the date by which such AGM is required by law or the Articles to be held;
- (b) the date on which the Share buybacks are carried out to the full extent mandated; or
- (c) the date on which the authority contained in the Share Buyback Mandate is varied or revoked by the Company in general meeting.

LETTER TO SHAREHOLDERS

3.3 Manner of purchase of Shares

Purchases or acquisitions of Shares may be made by way of, *inter alia*:

- (a) on-market purchases (“**Market Purchases**”), transacted on the SGX-ST through Quest-ST, the trading system of the SGX-ST which replaced the Central Limit Order Book (CLOB) trading system as of 7 July 2008 or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one (1) or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (b) off-market purchases (“**Off-Market Purchases**”) (if effected otherwise than on the SGX-ST or any other stock exchange on which the Shares may for the time being be listed and quoted) in accordance with any equal access scheme(s) as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Listing Rules.

An equal access scheme must satisfy all the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares, to purchase or acquire the same percentage of Shares from such person;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (c) the terms of all the offers are the same, except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that the offers may relate to Shares with different accrued dividend entitlements;
 - (ii) (if applicable) differences in consideration attributable to the fact that the offers may relate to Shares with different amounts remaining unpaid; and
 - (iii) in the event that there are offeree Shareholders holding odd numbers of Shares, differences in the offers introduced solely to ensure that each person is left with a whole number of Shares in board lots of 100 Shares after the Share purchases.

In addition, the Listing Rules provide that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed Share buyback;
- (d) the consequences, if any, of Share buybacks by the Company that will arise under the Takeover Code or other applicable take-over rules;
- (e) whether the Share buyback, if made, could affect the listing of the Shares on the SGX-ST;
- (f) details of any Share Buybacks made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

LETTER TO SHAREHOLDERS

3.4 Maximum purchase price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.

However, the purchase price to be paid for a Share as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Highest Last Dealt Price (as defined hereinafter),

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded on the SGX-ST, immediately preceding the day of the Market Purchase, and deemed to be adjusted for any corporate action that occurs after such five-Market Day period;

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

“**Highest Last Dealt Price**” means the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the day of the making of the offer pursuant to the Off-Market Purchase.

4. STATUS OF PURCHASED SHARES UNDER THE SHARE BUYBACK MANDATE

Under Cayman Companies Law, a company limited by shares may, if authorised to do so by its articles of association, purchase its own shares. However, if the articles of association do not authorise the manner and terms of purchase, a company cannot purchase any of its own shares unless the manner and terms of purchase have first been authorised by an ordinary resolution of the company. The Company is authorised to purchase its own shares pursuant to Article 3(2) of the Articles.

At no time may a company purchase its own shares unless they are fully paid. A company may not purchase any of its shares if, as a result of the purchase, there would no longer be any issued shares of the company other than shares held as treasury shares. A payment out of capital by a company for the purchase of its own shares is not lawful unless immediately following the date on which the payment out of capital is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business.

Shares purchased by a company shall be treated as cancelled, unless (subject to the memorandum and articles of association of the company) the directors of the company resolve to hold such shares in the name of the company as treasury shares prior to the purchase, and the amount of the company’s issued share capital shall be diminished by the nominal value of those shares accordingly; but the purchase of shares by a company is not to be taken as reducing the amount of the company’s authorised share capital.

LETTER TO SHAREHOLDERS

Where shares of a company are held as treasury shares, the company shall be entered in the register of members as holding those shares. However, notwithstanding the foregoing, the company shall not be treated as a member for any purpose and shall not exercise any right in respect of the treasury shares, and any purported exercise of such a right shall be void. A treasury share shall not be voted, directly or indirectly, at any meeting of the company and shall not be counted in determining the total number of issued shares at any given time, whether for the purposes of the company's articles of association or the Cayman Companies Law. Further, no dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the company's assets (including any distribution of assets to members on a winding up) may be made to the company, in respect of a treasury share. Shares may be allotted as fully paid bonus shares in respect of a treasury share and shares so allotted as fully paid bonus shares in respect of a treasury share shall be treated as treasury shares.

A company that holds treasury shares may at any time:

- (a) cancel the shares in accordance with the provisions of the company's articles of association or (in the absence of any applicable provisions in the company's articles of association) by a resolution of the directors and, if so cancelled, the amount of the company's issued share capital (but not its authorised share capital) shall be diminished by the nominal value of those shares accordingly; or
- (b) transfer the shares to any person, whether or not for valuable consideration (including at a discount to the nominal or par value of such shares).

Under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "usage"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage and the value of the treasury shares in relation to the usage.

5. SOURCE OF FUNDS FOR SHARE BUYBACK

The Company may only apply funds for the purchase or acquisition of the Shares in accordance with the Articles and applicable laws and regulations in Singapore and the Cayman Islands. The Company may not purchase its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Pursuant to the Cayman Companies Law, any payment made by the Company in consideration of the purchase or acquisition of its own Shares may only be made out of the profits of the Company, the share premium account, the proceeds of a fresh issue of Shares made for the purposes of the purchase or a payment out of capital as the Board may determine in accordance with the provisions of the Cayman Companies Law. A payment out of capital by a Cayman Islands company for the purchase of its own shares is not lawful unless immediately following the date on which the payment out of capital is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business.

The Company may use internal sources of funds and/or external borrowings to finance the Company's purchase or acquisition of the Shares pursuant to the Share Buyback Mandate. The Directors will only carry out Share buybacks as and when they consider it to be in the best interest of the Company. The Directors do not propose to carry out Share buybacks to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity, the orderly trading of the Shares and/or the financial position of the Group.

LETTER TO SHAREHOLDERS

6. FINANCIAL EFFECTS OF THE SHARE BUYBACK MANDATE

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, the number of Shares purchased or acquired, whether such purchase or acquisition is made out of profit or capital and the price paid for such Shares. The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2017, are based on the following principal assumptions:

- (a) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 1 January 2017 for the purpose of computing the financial effects on the LPS of the Group;
- (b) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 31 December 2017 for the purpose of computing the financial effects on the Shareholders' equity, NTA per share and gearing of the Group and the Company;
- (c) the purchase or acquisition of shares pursuant to the Share Buyback Mandate are to be financed by external borrowings; and
- (d) transaction costs incurred for the purchase or acquisition of shares pursuant to the Share Buyback Mandate are insignificant and have been ignored for the purpose of computing the financial effects.

6.1 Purchase or acquisition out of capital

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount of distributable profits available for cash dividends by the Company will not be reduced. However, as the share premium account may be applied by the Company in paying distributions or dividends to Shareholders where immediately following the date on which the distribution or dividend is proposed to be paid, the Company shall be able to pay its debts as they fall due in the ordinary course of business, payment for the purchase or acquisition of Shares out of capital can affect the Company's ability to pay dividends out of the share premium account in that cash available to meet liabilities will be reduced.

6.2 Information as at the Latest Practicable Date

As at the Latest Practicable Date, the issued capital of the Company comprises 146,688,500 Shares, excluding Treasury Shares and Subsidiary Holdings. The Company has no outstanding unexercised Share options as at the Latest Practicable Date.

6.3 Proforma Financial Effects

For illustrative purposes and on the basis of the assumptions set out below, the proforma financial effect of the:

- (a) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made entirely out of capital and cancelled; and
- (b) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made entirely out of capital and held as treasury shares,

on the audited financial statements of the Group for the financial year ended 31 December 2017 are set out below.

- (a) Purchases made entirely out of capital and Shares repurchased are cancelled

LETTER TO SHAREHOLDERS

Market Purchase

For illustrative purposes only, in a market purchase, assuming that the Maximum Price is S\$ 0.31, which is five per cent (5%) above the average of the closing market prices of a Share over the last five (5) Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 14,668,850 Shares (representing 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase under and during the duration of the Share Buyback Mandate), is approximately S\$ 4.47 million (RMB 21.50 million). On these assumptions and further assuming the purchase of Shares was financed by external borrowings, the effect of the purchase of Shares by the Company pursuant to the Share Buyback mandate on the LPS of the Group and the Shareholders' equity, NTA per Share and gearing of the Group and the Company is as follows:

Market Purchase

For illustrative purposes only, in a market purchase, assuming that the Maximum Price is S\$ 0.30, which is five per cent (5%) above the average of the closing market prices of a Share over the last five (5) Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 14,668,850 Shares (representing 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase under and during the duration of the Share Buyback Mandate), is approximately S\$ 4.47 million (RMB 21.50 million). On these assumptions and further assuming the purchase of Shares was financed by external borrowings, the effect of the purchase of Shares by the Company pursuant to the Share Buyback mandate on the LPS of the Group and the Shareholders' equity, NTA per Share and gearing of the Group and the Company is as follows:

Off-Market Purchase

For illustrative purposes only, in an off-market purchase, assuming that the Maximum Price is S\$ 0.35, which is twenty per cent (20%) above the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 14,668,850 Shares (representing 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase under and during the duration of the Share Buyback Mandate), is approximately S\$ 5.10 million (RMB 24.53 million). LETTER TO SHAREHOLDERS

Shareholders should note that the proforma financial effects set out above are for illustrative purposes only. Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to ten per cent (10%) of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire ten per cent (10%) of the issued Shares.

7. TAXATION

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the Share Buyback Mandate should consult their own professional advisers.

8. LISTING RULES

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement currently requires the inclusion of details of the total number of shares purchased, the purchase price per share and the highest and lowest prices paid for such shares, as applicable.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price sensitive development has occurred or if the Company has been the subject of a decision until the price sensitive information has been publicly announced. In particular, the Company would not purchase or acquire any Shares through Market Purchases during the period commencing two (2) weeks immediately preceding the announcement of the Company’s financial statements for each of the first three (3) quarters of its financial year and one (1) month immediately preceding the announcement of the Company’s financial statements for its annual (full-year) results, and ending on the date of the announcement of the relevant results, as the case may be.

The Listing Rules also require a listed company to ensure that at least ten per cent (10%) of its shares is at all times held by the public. The “public”, as defined under the Listing Manual, are persons other than the directors, Substantial Shareholders, chief executive officers or controlling shareholders of a company and its subsidiaries, as well as associates of such persons.

As at the Latest Practicable Date, 58,728,500 Shares representing approximately 40.04% of the issued share capital (excluding Treasury Shares) of the Company are held in the hands of the public. In the event that the Company purchases the maximum of ten per cent (10%) of its issued ordinary share capital from such public Shareholders, the resultant percentage of Shares held by public Shareholders would be decreased to approximately 33.37%. Accordingly, the Company is of the view that there is a sufficient number of the Shares in public hands that would permit the Company to potentially undertake purchases or acquisitions of its Shares up to the full ten per cent (10%) limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

LETTER TO SHAREHOLDERS

9. TAKE-OVER OBLIGATIONS

Appendix 2 of the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, and any company whose associated companies include any of the above companies, and any person who has provided financial assistance (other than a bank in its ordinary course of business) to any of the above companies for the purchase of voting rights;
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser (including stockbroker), with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total ten percent (10%) or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer where they have reason to believe a *bona fide* offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to the instructions of him, companies controlled by any of the above persons and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

For this purpose, ownership or control of at least 20 per cent (20%) but not more than 50 per cent (50%) of the voting rights of a company will be regarded as the test of associated company status.

LETTER TO SHAREHOLDERS

The circumstances under which Shareholders of the Company (including Directors of the Company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and person acting in concert with them, being in aggregate less than thirty per cent (30%) before such purchase or acquisition, would increase to thirty per cent (30%) or more, or if the voting rights of such Directors and persons acting in concert with them are between thirty per cent (30%) and fifty per cent (50%) of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than one per cent (1%) in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to thirty per cent (30%) or more, or, if such Shareholder holds between thirty per cent (30%) and fifty per cent (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

10. APPLICATION OF THE SINGAPORE CODE ON TAKE-OVERS AND MERGERS

As at Latest Practicable Date, Mr Guo Ying Hui, the Chairman and a controlling Shareholder of the Company, and his spouse Mdm Feng Li, own 17,985,000 Shares and 14,560,000 Shares representing approximately 12.26% and 9.93% of the issued share capital (excluding Treasury Shares) of the Company, respectively. Pursuant to section 4 of the Securities and Futures Act (Chapter 289) of Singapore, Mr Guo Ying Hui and Mdm Feng Li are each deemed interested in the 17,680,000 Shares held by China Focus representing approximately 12.05% of the issued share capital (excluding Treasury Shares) of the Company by virtue of their shareholding of the entire issued share capital of China Focus in equal shares.

Mr Guo Ying Hui, Mdm Feng Li and China Focus, constituting the Guo Group, being presumed to be concert parties pursuant to the Take-over Code, in aggregate hold approximately 34.24% of the issued share capital (excluding Treasury Shares) of the Company.

Assuming that the Company purchases and cancels 14,668,850 Shares, (representing ten per cent (10%) of the total issued share capital (excluding Treasury Shares and Subsidiary Holdings) of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is allowed to purchase), the aggregate shareholding of the Guo Group will increase to 38.04%. If such purchase and cancellation takes place with the result that the Guo Group's aggregate shareholding (being between thirty per cent (30%) and fifty per cent (50%)) increases by more than one per cent (1%) in any six-month period, the Guo Group and persons in concert with them will, unless exempted, be obliged to make a general offer under Rule 14 of the Take-over Code.

Save as disclosed above, as at the Latest Practicable Date, the Directors are not aware of:

- (a) any other Substantial Shareholders or Directors (together with persons acting in concert with it or them) who may become obligated to make a mandatory take-over offer for the Company under the Share Purchase Mandate if the Company purchases up to the maximum 10% of the issued Shares under the Share Purchase Mandate. Further details of the interests of Directors and Substantial Shareholders are set out in paragraph 11; and

LETTER TO SHAREHOLDERS

- (b) any fact(s) or factor(s) which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting Shares should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase of Shares by the Company pursuant to the Share Buyback Mandate.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult the SIC and/or their professional advisers at the earliest opportunity.

10.1 Shareholding of the above parties before and after Share purchases under the Share Buyback Mandate (for illustrative purposes only)

Based on the shareholding interest of the parties listed above as at the Latest Practicable Date and assuming that:

- (b) there is no change in the holding of Shares between the Latest Practicable Date and the date of the 2018 AGM;
- (c) no new Shares are issued following approval being received from Shareholders at the 2018 AGM for the Share Buyback Mandate; and
