PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 28 FEBRUARY 2019

The Board of Directors (the "**Board**") of Versalink Holdings Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that, following a preliminary review of the Group's unaudited consolidated financial results for the financial year ended 28 February 2019 ("**FY2019**"), the Group is expected to report a net loss for FY2019.

This was mainly attributable to a lower than expected revenue for both Export and Local segments, coupled with the higher operating expenditure incurred in the current six months under review.

The Company is still in the process of finalizing the financial results of the Group for FY2019. Further details of the Group's financial performance will be disclosed when the Company announces its unaudited financial results for FY2019, no later than 30 April 2019.

Shareholders and potential investors of the Company are advised to exercise caution in dealing in the Company's securities. When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision in the Company's securities.
