VIOLATIONS OF HAZARDOUS WASTE CONTROL LAW BY A SUBSIDIARY IN THE UNITED STATES

The Board of Directors (the "**Board**" or the "**Directors**") of Metech International Limited (the "**Company**"), wishes to announce that its subsidiary in the United States, Metech Recycling Inc. ("**MRI**"), had received a letter dated 14 May 2018 from the Department of Justice, State of California, regarding violations of the Hazardous Waste Control Law, Health & Safety Code Section 25100 et seq. and its implementing regulations at its facility at 6200 Engle Way, Gilroy, CA 95020.

The violations include, but are not limited to, (i) the accumulation of universal waste for greater than one year; (ii) storage of hazardous waste in excess of the allowable time; (iii) failure to maintain the facility to minimise the possibility of releases of hazardous waste; (iv) failure to close containers containing hazardous waste; (v) failure to remove mercury-containing components prior to treatment of universal waste; (vi) failure to add value to the closure trust fund within 60 days of the annual change in closure cost estimate; (vii) failure to provide annual refresher training to employees who manage universal waste; and (viii) failure to adequately label hazardous waste and universal waste.

The Department of Toxic Substances Control of California (the "**Department**"), through the California Attorney General's Office, had in the same letter invited MRI to a confidential settlement meeting to resolve this enforcement action. The Company has been informed by MRI that it will be attending the settlement meeting in order to resolve the matter expediently to the satisfaction of the Department.

Company will provide shareholders with an update following the settlement meeting.
