-

1. INTRODUCTION

CapitaLand Integrated Commercial Trust Management Limited, as manager of CapitaLand Integrated Commercial Trust (“**CICT**”, and the manager of CICT, the “**Manager**”) wishes to announce the entry into the following interested person transactions.

- (a) a lease agreement between HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of CICT) and Planet Managed Services Pte. Ltd. (“**PSPL**”) for units #03-14/15, at Westgate, for a period of one (1) year, commencing on 10 June 2026 and expiring on 9 June 2027 (the “**Starhub Lease**” and for the lease term, the “**Starhub Lease Period**”); and
- (b) a lease agreement between HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of CICT) and Wine Trade Asia Pte. Ltd. (“**Wine Connection**”), a subsidiary of Temasek Holdings (Private) Limited (“**Temasek**”) (the “**Wine Connection Lease**”), in respect of the premises at unit #B1-43F in Raffles City Singapore (“**Wine Connection Premises**”) for a period of three (3) years commencing 23 May 2026 (“**Wine Connection Lease Period**”),

(collectively, the “**Interested Person Transactions**”).

2. DISCLOSURE REQUIREMENTS

Under Chapter 9 of the Singapore Exchange Securities Trading Limited Listing Manual (“**Listing Manual**”), where an entity at risk (as defined in the Listing Manual) proposes to enter into a transaction with an interested person (as defined in the Listing Manual) and the value of the transaction (either in itself or when aggregated with the value of other transactions, each of a value equal to or greater than S\$100,000, with the same interested person during the same financial year) is equal to or exceeds three per cent (3%), but is less than five per cent (5%), of the latest audited consolidated net tangible assets (“**NTA**”) of the issuer and its subsidiaries (the “**Issuer Group**”), an immediate announcement of the transaction must be made and if the value is equal to or exceeds five per cent (5%) of the Issuer Group's latest audited consolidated NTA, approval of the unitholders of the issuer must be obtained.

Based on the information available to the Manager as at the date of this announcement, Temasek, through its subsidiaries and associated companies, has an aggregate deemed interest in 1,647,883,188 units in CICT (“**Units**”), representing approximately 20.72% of the total number of Units in issue, and is therefore regarded as a “controlling unitholder” of CICT under both the Listing Manual and Appendix 6 of the Code on Collective Investment Schemes issued by the

Monetary Authority of Singapore (the “**Property Funds Appendix**”). In addition, as the Manager is a wholly owned subsidiary of CapitaLand Investment Limited (“**CLI**”) and CLI is a subsidiary of Temasek, Temasek is therefore regarded as a “controlling shareholder” of the Manager under both the Listing Manual and the Property Funds Appendix.

For the purposes of Chapter 9 of the Listing Manual and Paragraph 5 of Appendix 6 of the Property Funds Appendix,

- (a) PSPL, being a subsidiary of Temasek; and
- (b) Wine Connection, being a subsidiary of Temasek,

are each considered an “associate” of (i) a “controlling unitholder” of CICT and (ii) a “controlling shareholder” of the Manager, and therefore an “interested person” (for the purposes of the Listing Manual) and “interested party” (for the purposes of the Property Funds Appendix) of CICT, which is regarded as an “entity at risk” for these purposes.

Therefore, the Starhub Lease and Wine Connection Lease each constitutes an “interested person transaction” under Chapter 9 of the Listing Manual as well as an “interested party transaction” under the Property Funds Appendix. The Interested Person Transactions, when aggregated with the existing interested person transactions with Temasek and its subsidiaries and associates (excluding CLI and its subsidiaries and associates) (the “**Temasek Group**”) would exceed 3.0% of the latest audited NTA of CICT, and accordingly under Rule 905 of the Listing Manual, the Manager must make an announcement of such interested person transaction.

3. CERTAIN PRINCIPAL TERMS OF THE INTERESTED PERSON TRANSACTIONS

3.1 Key Terms of the Starhub Lease

Pursuant to the Starhub Lease, PSPL shall pay CICT a total rent of S\$126,946.08 for the Starhub Lease Period (the “**rent**”). There is no option to renew for a further term.

The rent is calculated based on the monthly gross rent payable by PSPL during the Starhub Lease Period. The rent is benchmarked against comparable leases and arrived at after taking into consideration *inter alia*, the condition and location of the leased premises. An independent valuer, CBRE Pte. Ltd., has reviewed the Starhub Lease and is of the opinion that the rent as at the date of commencement of the Starhub Lease is within market benchmarks and the other key commercial terms of the Starhub Lease are reasonable and on normal commercial terms.

Accordingly, the Manager is of the view that the Starhub Lease is on normal commercial terms and not prejudicial to the interests of CICT and its minority shareholders.

The value of the Starhub Lease will be aggregated pursuant to Rule 905 of the Listing Manual. As the Starhub Lease falls within the exception under Rule 916(1) of the Listing Manual, the value of the Starhub Lease is thus not the subject of aggregation pursuant to Rule 906 of the Listing Manual.

3.2 Key Terms of the Wine Connection Lease

Pursuant to the Wine Connection Lease, Wine Connection shall pay CICT a total rent of S\$502,125.24 for the Wine Connection Lease Period (the “**rent**”). There is no option to renew for a further term.

The rent is calculated based on the monthly gross rent payable by Wine Connection during the Wine Connection Lease Period. The rent is benchmarked against comparable leases and arrived at after taking into consideration *inter alia*, the condition and location of the leased premises. An independent valuer, CBRE Pte. Ltd., has reviewed the Wine Connection Lease and is of the opinion that the rent as at the date of commencement of the Wine Connection Lease is within market benchmarks and the other key commercial terms of the Wine Connection Lease are reasonable and on normal commercial terms.

Accordingly, the Manager is of the view that the Wine Connection Lease is on normal commercial

terms and not prejudicial to the interests of CICT and its minority shareholders.

The value of the Wine Connection Lease will be aggregated pursuant to Rule 905 of the Listing Manual. As the Wine Connection Lease falls within the exception under Rule 916(1) of the Listing Manual, the value of the Wine Connection Lease is thus not the subject of aggregation pursuant to Rule 906 of the Listing Manual.
