UPDATE ON THE PROPOSED LISTING (“PROPOSED LISTING”) OF AUSTASIA GROUP PTE LTD (“AAG”) ON THE STOCK EXCHANGE OF HONG KONG (“SEHK”)

On 29 March 2022, the Company announced AustAsia Investment Holding Pte Ltd’s (now AAG) application to the SEHK in connection with its Proposed Listing.

On 25 August 2022, AAG has cleared the SEHK’s listing committee hearing regulatory milestone for its listing. However, due to challenging capital market conditions, AAG intends to extend its SEHK listing application after it expires at the end of 6-months ie 28 September 2022. This extension will provide an additional 6-month period (from the date AAG re-submits for renewal) within which to list. Any listing will be subject to market conditions.

Note: Between 29 September 2022 and the date of AAG’s extension, AAG’s SEHK listing application will reflect an “inactive” status on SEHK’s website.
