MANDATORY CONDITIONAL CASH OFFER BY DELOITTE & TOUCHE CORPORATE FINANCE PTE LTD FOR AND ON BEHALF OF GRAPENE LIMITED FOR INDIABULLS PROPERTIES INVESTMENT TRUST

LOSS OF PUBLIC FLOAT

1. Introduction

The Board of Directors of Indiabulls Property Management Trustee Pte. Ltd. (the **“Trustee-Manager”**), as trustee-manager of Indiabulls Properties Investment Trust (**“IPIT”**), refers to the announcement made on 27 April 2016 by Deloitte & Touche Corporate Finance Pte Ltd (the **“DTCF”**), for and on behalf of Grapene Limited (the **“Offeror”**), an indirect wholly-owned subsidiary of Indiabulls Real Estate Limited (**“IBREL”**), in connection with the mandatory conditional cash offer (the **“Offer”**) by DTCF, for and on behalf of the Offeror, to acquire all the units in IPIT in issue (**“Units”**), other than those Units already owned, controlled or agreed to be acquired by the Offeror, its related corporations and their respective nominees (the **“Offer Announcement”**).

All capitalised terms used herein and not otherwise defined shall have the same meanings as ascribed to them in the Offer Announcement.

2. Loss of Public Float and Suspension in Trading

As stated in the Offer Announcement, the Offeror had on 27 April 2016 acquired 7,540,300 units in IPIT, representing approximately one per cent. of the Units, at S\$0.20 in cash per Unit (the **“Acquisition”**). As a result of the Acquisition, the total number of Units owned, controlled or agreed to be acquired by the Offeror and the other Relevant Persons is 365,766,623 Units, representing approximately 48.51 per cent. of the total number of Units.

As a result of the increase in the Offeror’s unitholding interest in IPIT, the percentage unitholding of IPIT in the hands of public unitholders (after excluding (i) the direct or indirect unitholding interest of 48.51 per cent. held by the Offeror and (ii) the direct or indirect unitholding interests of approximately 42.05 per cent. held by the other substantial unitholders of IPIT in aggregate) has fallen to below 10 per cent.

The Trustee-Manager wishes to highlight that as the percentage unitholding of IPIT in the hands of public unitholders has fallen to below 10 per cent., the Singapore Exchange Securities Trading Limited (**“SGX-ST”**) may suspend trading of the Shares pursuant to Rules 724, 1105 and 1303(1) of the listing manual of the SGX-ST (the **“Listing Manual”**).

In particular, Rule 1303(1) of the Listing Manual states that in a take-over situation where the offeror succeeds in garnering acceptance exceeding 90 per cent. of the issuer's total number of issued units, causing the percentage of the issuer's total number of issued units held in public hands to fall below 10 per cent. (the "**Unitholding Threshold**"), the SGX-ST will suspend trading in the Units only at the close of the Offer. Accordingly, if the Offeror succeeds in garnering acceptance exceeding the Unitholding Threshold, the SGX-ST will suspend trading in the Units only at the close of the Offer.

3. Listing Status and Compulsory Acquisition

The Offer Announcement states that pursuant to Section 40A(1) of the BTA, if the Offeror receives valid acceptances pursuant to the Offer or acquires Offer Units during the offer period otherwise than through valid acceptances of the Offer, in respect of not less than 90 per cent. of the Offer Units, the Offeror will be entitled to exercise the right to compulsorily acquire all the Units of the Unitholders who have not accepted the Offer on the same terms as those offered under the Offer. In such event, the Offeror intends to exercise its right to compulsorily acquire all the Offer Units not acquired under the Offer. The Offeror will then proceed to delist IPIT from the SGX-ST.

The Offer Announcement further states that in the event the Offeror is unable to exercise the right to compulsorily acquire all the Offer Units not acquired under the Offer and IPIT does not meet the Unitholding Threshold under Rule 723 of the Listing Manual, the Offeror and parties acting in concert with the Offeror do not intend to maintain or support any action taken or to be taken to meet the Unitholding Threshold or maintain the present listing status of IPIT.

Accordingly, the Offeror and parties acting in concert with the Offeror do not intend to place out any Units held by the Offeror and parties acting in concert with the Offeror to members of the public to meet the Unitholding Requirement, and if IPIT does not meet the requirements under Rule 723 of the Listing Manual, the SGX-ST may suspend trading of the Units on the SGX-ST following the close of the Offer.

Shareholders should refer to the Offer Announcement for more information.

4. Directors' Responsibility Statement

The directors of the Trustee-Manager (including any who may have delegated detailed supervision of this Announcement) have taken all reasonable care to ensure that the facts stated and all opinions expressed in this Announcement are fair and accurate and that no material facts have been omitted from this Announcement, and the directors of the Trustee-Manager jointly and severally accept full responsibility accordingly.
