### SGX Stock Exchange welcomes JustCo Holdings Limited to Mainboard

SGX Stock Exchange congratulates JustCo Holdings Limited (JustCo) on their successful Mainboard listing under the stock code “JCO”.

JustCo is a leading flexible workspace operator with an established platform across Asia Pacific. Headquartered in Singapore, JustCo operates 54 centres across 12 cities, namely Bangkok, Bengaluru, Gurugram, Ho Chi Minh City, Hsinchu, Melbourne, Osaka, Seoul, Singapore, Sydney, Taipei and Tokyo. JustCo provides professionally managed, flexible workplace solutions through its portfolio of brands – *THE COLLECTIVE* (luxury), *JustCo* (premium) and *the boring office* (essentials) – catering to businesses of all sizes from startups and Small Medium Enterprises (SMEs) to multinational corporations.

Kong Wan Sing, Executive Chairman and Chief Executive Officer, JustCo Holdings Limited, said, “The successful close to our IPO is not just a reflection of market confidence in our business, but a testament to the resilience of our team, the growth of our community, and the growing demand for flexible workspaces across Asia-Pacific. We are deeply grateful for the strong all-round support from Cornerstone, institutional and retail investors throughout this journey. As we begin this new chapter as a publicly listed company, we remain focused on growth, innovation, and delivering long-term value to our members, partners, and shareholders.”

Pol de Win, Head of Global Sales and Origination, SGX Group, said, “A decade ago, flexible workspaces were a niche offering. Today, they are a fundamental part of the modern commercial real estate landscape. JustCo’s debut marks an important milestone as the first pure-play, Singapore-grown flexible workspace operator to be listed on SGX. Built in Singapore with Asia-Pacific in mind from day one, its listing reflects why Singapore continues to be the place where regional companies choose to scale and access public markets.”

JustCo Holdings Limited opened at S\$0.835 today.
