Notice to United States Holders of Jardine Strategic Shares

The Acquisition relates to the shares of a Bermudian company and is being made by means of an amalgamation provided for under Bermudian company law. A transaction effected by means of an amalgamation is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in Bermuda to amalgamations, which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. The financial information included or incorporated by reference in this document has been prepared in accordance with International Financial Reporting Standards (as adopted by the European Union) and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Jardine Strategic is a company incorporated under the laws of Bermuda. A majority of the assets of Jardine Strategic are located outside the United States. As a result, it may not be possible for Jardine Strategic Shareholders in the United States to effect service of process within the United States upon Jardine Strategic or its respective officers or directors or to enforce against any of them judgments of the United States courts predicated upon the civil liability provisions of the federal securities laws of the United States. It may not be possible to sue Jardine Strategic or its respective officers or directors in a non-US court for violations of the US securities laws. There is also substantial doubt as to enforceability in Bermuda, in original actions or in actions for enforcement, of the judgments of US courts, based on the civil liability provisions of US federal securities laws.

RECOMMENDED CASH ACQUISITION

FOR

JARDINE STRATEGIC HOLDINGS LIMITED (“JARDINE STRATEGIC”)

BY

JARDINE MATHESON HOLDINGS LIMITED (“JARDINE MATHESON”)

(to be implemented by way of an amalgamation under the Bermuda Companies Act)

1. Introduction

The boards of Jardine Matheson and Jardine Strategic are pleased to announce that Jardine Strategic has agreed to a proposal made by Jardine Matheson on the terms of a recommended cash acquisition by Jardine Matheson of the 15 per cent. of Jardine Strategic’s issued share capital which Jardine Matheson or its wholly-owned subsidiaries do not already own (the “**Acquisition**”).

2. The Acquisition

The Acquisition will be implemented by way of an amalgamation under the Bermuda Companies Act. Under the Bermuda Companies Act, a Special General Meeting will be convened to consider and vote on the Acquisition and all Jardine Strategic Shareholders, including Jardine Matheson and its subsidiaries, are entitled to vote at that Special General Meeting. Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Circular, Jardine Strategic Shareholders shall be entitled to receive:

US\$33.00 in cash for each Jardine Strategic Share (the “Acquisition Price”)

The Acquisition Price represents a premium of approximately:

- 20.2 per cent. to the Closing Price of US\$27.45 per Jardine Strategic Share on 5 March 2021, being the last Business Day prior to this announcement;
- 29.0 per cent. to the volume-weighted average Closing Price of US\$25.58 per Jardine Strategic Share over the one-month period ended 5 March 2021, being the last Business Day prior to this announcement; and
- 40.3 per cent. to the volume-weighted average Closing Price of US\$23.53 per Jardine Strategic Share over the six-month period ended 5 March 2021, being the last Business Day prior to this announcement.

It is expected that the Acquisition price will be paid by the end of April 2021.

Under the terms of the Implementation Agreement Jardine Strategic has undertaken not to declare or pay any dividend prior to the Acquisition Effective Date.

3. Background to and reasons for the Acquisition

Jardine Matheson has today also announced its plans for the simplification of the parent company structure of the Group. This will result in a single holding company with a conventional ownership structure and a further increase in the Group's operational efficiency and financial flexibility.

In addition to the acquisition by Jardine Matheson, for cash, of the 15 per cent. of Jardine Strategic's issued share capital that Jardine Matheson or its wholly-owned subsidiaries do not already own, Jardine Matheson also announces its intention to subsequently cancel Jardine Strategic's 59 per cent. shareholding in Jardine Matheson.

Following the Acquisition, Jardine Matheson will own 100 per cent. of Jardine Strategic. Jardine Strategic currently owns 59 per cent. of Jardine Matheson.

Jardine Matheson intends to implement the cancellation of Jardine Strategic's 59 per cent. shareholding in Jardine Matheson following completion of the Acquisition (the "**Share Cancellation**"). The Share Cancellation will involve a separate legal process in relation to Jardine Matheson and the wholly-owned subsidiaries through which Jardine Strategic holds its interest in Jardine Matheson.

The origins of the current structure, in the form of cross-holdings in dual holding companies and majority interests in listed subsidiaries, lie in a series of restructurings in the 1980s. Since the formation of the cross-holding structure, Jardine Matheson has pursued a long term approach to the creation of shareholder value and further enhancing the Group's ownership positions through a series of share purchases and buybacks. This has been achieved while, at the same time, maintaining Jardine Matheson's financial strength and funding capacity.

The result is that, from a starting point of largely minority shareholding positions:

- Jardine Matheson now owns 84.9 per cent. of Jardine Strategic while Jardine Strategic owns 59.3 per cent. of Jardine Matheson; and
- Jardine Strategic owns 50.4 per cent. of Hongkong Land, 77.6 per cent. of Dairy Farm, 79.5 per cent. of Mandarin Oriental and 75 per cent. of Jardine Cycle & Carriage, the majority owner of Astra.

Both Jardine Matheson and Jardine Strategic have also developed other material businesses, both directly and indirectly owned.

Against this background, and with the benefits of attractive long term growth prospects in the Group's core businesses and strong financial resources, the board of directors of Jardine Matheson believes that the simplification of the Group's structure by way of the Acquisition and subsequent Share Cancellation (the "**Simplification**") is the next appropriate step in the evolution of Jardine Matheson's structure.

The board of directors of Jardine Matheson believes that the acquisition of the minority shareholdings in Jardine Strategic is the next appropriate step in the evolution of the Group and is in the interests of Jardine Strategic Shareholders as it will enable them to realise all of their investment in Jardine Strategic at an attractive premium in cash.

The Simplification will also bring significant benefits for Jardine Matheson shareholders by:

- streamlining the Group's parent company structure to allow for a more transparent ownership model;
- delivering a material enhancement in Jardine Matheson's earnings per share and supporting Jardine Matheson's dividend-paying capacity; and
- increasing the Group's financial and operational flexibility by removing the cross-holding structure.

4. Jardine Strategic Transaction Committee

The Jardine Strategic Transaction Committee, which has been so advised by Evercore Partners International LLP ("**Evercore**") as to the financial terms of the Acquisition, considers the terms of the Acquisition to be fair and reasonable insofar as Independent Jardine Strategic Shareholders are concerned. In providing financial advice to the Jardine Strategic Transaction Committee, Evercore has taken into account the commercial assessment of the Jardine Strategic Transaction Committee. The Jardine Strategic Transaction Committee is unanimously in favour of the Acquisition.

5. Jardine Matheson's Undertaking

Under Bermuda law and Jardine Strategic's Bye-laws, the Acquisition must be approved by a majority of at least 75 per cent. of the votes cast by Jardine Strategic Shareholders. Jardine Matheson and its subsidiaries are entitled to vote on the Amalgamation Resolution and Jardine Matheson has undertaken to Jardine Strategic that it will vote, and will procure that its wholly-owned subsidiaries vote, the 940,903,135 Jardine Strategic Shares (representing 84.89 per cent. of the existing issued share capital of Jardine Strategic), held by Jardine Matheson and its wholly-owned subsidiaries in favour of the Amalgamation Resolution at the Special General Meeting. Hence the requisite Jardine Strategic Shareholders' approval is certain to be secured.

6. 2020 Preliminary Results Announcement

Jardine Matheson and Jardine Strategic will announce their 2020 Preliminary Results on 11 March 2021. Jardine Strategic's results are expected to be in line with market expectations, with Jardine Strategic's full year underlying net profit of US\$1,094 million.²

The outlook for 2021 is uncertain, given the continuing impact of the pandemic. The Group's performance in the first part of the year is expected to be affected in particular by the continuing headwinds faced by our businesses in Southeast Asia and the ongoing low levels of Chinese mainland and other visitors to Hong Kong. While the full year impact on the Group's performance is unclear, we remain confident of our long term strategy which is rooted in the growth markets of Asia.

7. Implementation Agreement

Jardine Matheson and Jardine Strategic have entered into an Implementation Agreement in relation to the implementation of the Acquisition and other related matters. The Implementation Agreement contains certain assurances and confirmations between the parties, including with

respect to the implementation of the Amalgamation and regarding the conduct of the business of the Jardine Strategic Group in the period prior to the Acquisition Effective Date. The Implementation Agreement, together with the Amalgamation Agreement to be entered into between Jardine Strategic, JMH Investments and JMH Bermuda, also sets out the terms and conditions and means of effecting the Amalgamation as required by the Bermuda Companies Act. Completion of the Amalgamation is subject to satisfaction of the Conditions to the Acquisition set out in Appendix I. Certain key provisions of the Implementation Agreement are summarised below:

Conditionality

The Acquisition will be subject to the Conditions, including the approval of the Amalgamation Agreement by Jardine Strategic Shareholders at the Special General Meeting. Jardine Matheson and Jardine Strategic have agreed that if any of the Conditions set out in paragraph 1 of Appendix I are not satisfied before the Long-Stop Effective Date the Acquisition will not proceed. There is no unilateral right for either Jardine Matheson or Jardine Strategic to terminate the Implementation Agreement.

Pursuant to the Implementation Agreement, each of Jardine Matheson and Jardine Strategic has agreed, inter alia, to take or cause to be taken all such steps as are within its power and necessary to implement the Acquisition in accordance with, and subject to the terms and conditions of, the Implementation Agreement and, so far as is reasonably practicable, in accordance with an agreed indicative timetable.

Undertaking to vote in favour of Amalgamation Resolution

Jardine Matheson has also undertaken to Jardine Strategic that it will vote, and will procure that its wholly-owned subsidiaries vote, the 940,903,135 Jardine Strategic Shares (representing 84.89 per cent. of the existing issued share capital of Jardine Strategic) held by Jardine Matheson and its wholly-owned subsidiaries in favour of the Amalgamation Resolution at the Special General Meeting.

8. Financing

Jardine Matheson intends to finance the Acquisition through an acquisition financing facility that it has put in place, as well as existing cash resources and available lines of credit.

9. Description of the Amalgamation

The Acquisition will be effected by means of an amalgamation of JMH Bermuda (being an indirectly wholly-owned subsidiary of Jardine Matheson) and Jardine Strategic under the Bermuda Companies Act.

The Amalgamation will be subject to the Conditions and further terms referred to in Appendix I of this announcement and to be set out in the Circular.

In order for the Amalgamation to be implemented, the Amalgamation Resolution must be passed at the Special General Meeting. Under Bermuda law and Jardine Strategic's Bye-laws, the Amalgamation Resolution must be approved by a majority of at least 75 per cent. of the voting rights of Jardine Strategic Shareholders who are on the register of members of Jardine Strategic at the Special General Meeting Voting Record Time and who are present and voting (in person or by proxy) at the Special General Meeting (or at any adjournment of such meeting). The quorum for the Special General Meeting is no less than three persons present

in person or by proxy and entitled to vote. Under Bermuda law and Jardine Strategic's By-laws, Jardine Matheson and its subsidiaries can be counted towards satisfying this quorum requirement and will be entitled to vote their respective shareholdings in Jardine Strategic at the Special General Meeting. Jardine Matheson has undertaken to Jardine Strategic that it will vote, and will procure that its wholly-owned subsidiaries vote, the 940,903,135 Jardine Strategic Shares (representing 84.89 per cent. of the existing issued share capital of Jardine Strategic) held by Jardine Matheson and its wholly-owned subsidiaries in favour of the Amalgamation Resolution at the Special General Meeting. The approval of JMH Investments in its capacity as the sole shareholder of JMH Bermuda, is also required.

The Amalgamation will only become effective upon submission to the Registrar of Companies of an application for registration of the Amalgamated Company and the issue by the Registrar of Companies of a certificate of amalgamation.

At the Effective Time, by virtue of the Amalgamation (and without any action on the part of JMH Investments, Jardine Strategic, JMH Bermuda or any of their respective shareholders or any other person), each Jardine Strategic Share will be cancelled and each Independent Jardine Strategic Shareholder will have the right to receive the cash consideration referred to in paragraph 2 above for each such cancelled Jardine Strategic Share.

At the time and date shown in the certificate of amalgamation issued by the Registrar of Companies in accordance with the Bermuda Companies Act, the Amalgamation of Jardine Strategic and JMH Bermuda and their continuance as the Amalgamated Company will become effective, the property, rights and assets of each of Jardine Strategic and JMH Bermuda will become the property, rights and assets of the Amalgamated Company and the Amalgamated Company will become liable for the obligations and liabilities of each of Jardine Strategic and JMH Bermuda. In addition, any existing cause of action, claim or liability to prosecution will be unaffected by the Amalgamation; a civil, criminal or administrative action or proceeding pending by or against Jardine Strategic or JMH Bermuda may be continued to be prosecuted by or against the Amalgamated Company; a conviction against, or ruling, order or judgment in favour of or against, Jardine Strategic or JMH Bermuda may be enforced by or against the Amalgamated Company; and the certificate of amalgamation will be deemed to be the certificate of incorporation of the Amalgamated Company.

The Circular containing a notice convening the Special General Meeting will be despatched to Jardine Strategic Shareholders as soon as practicable following this announcement. It is currently anticipated that the Special General Meeting will be held in early April 2021 and the Acquisition is expected to become effective within four Business Days of the Special General Meeting subject to the satisfaction of the Conditions set out in paragraph 1 of Appendix I to this announcement. Further details on the implementation of the Amalgamation will be set out in the Circular.

Under the terms of the Implementation Agreement neither Jardine Matheson nor Jardine Strategic has the unilateral right to terminate the Acquisition.

Given Jardine Matheson's 85 per cent. shareholding in Jardine Strategic, Jardine Matheson and Jardine Strategic do not anticipate any regulatory clearances will be required to be obtained in order to effect the Acquisition.

As Jardine Strategic is incorporated and has its registered office in Bermuda, the UK Takeover Code does not apply to the Acquisition.

Part II of The Jardine Strategic Holdings Limited Consolidation and Amendment Act 1998 and The Jardine Strategic Holdings Limited Regulations 1993, which include provisions relating to takeover offers, do not apply to the Acquisition as it is being effected by means of an amalgamation under the Bermuda Companies Act.

As a company with a secondary listing on the Singapore Exchange, Jardine Strategic is not subject to the Singapore Code on Takeovers & Mergers, or the listing rules of the Singapore Exchange that apply to a company with a primary listing on the Singapore Exchange.

10. Disclosure of Interests

Jardine Matheson is interested indirectly in 940,903,135 Jardine Strategic Shares (carrying 84.89 per cent. of the voting rights attaching to Jardine Strategic's issued ordinary share capital). Jardine Strategic is interested, directly and indirectly, in 426,938,290 shares in Jardine Matheson (carrying 59.31 per cent. of the voting rights attaching to Jardine Matheson's issued ordinary share capital).

11. Delisting

Prior to the Amalgamation becoming effective, a request will be made by Jardine Strategic to: (i) the FCA to cancel the listing of the Jardine Strategic Shares on the Official List; (ii) the London Stock Exchange to cancel the admission to trading of the Jardine Strategic Shares on the London Stock Exchange's Main Market for listed securities; (iii) the Singapore Exchange to cancel the listing of the Jardine Strategic Shares on the SGX Mainboard; and (iv) the Bermuda Stock Exchange to cancel the listing of the Jardine Strategic Shares on the Bermuda Stock Exchange, so that the Jardine Strategic Shares will cease to be listed with effect from the Effective Time. In addition, with effect from the Effective Time, entitlements to Jardine Strategic Shares held within the CREST system and the CDP system will be cancelled.

12. General

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Circular. The bases and sources of certain financial information contained in this announcement are set out in Appendix II to this announcement. Certain terms used in this announcement are defined in Appendix III to this announcement.

The Circular will be despatched to Jardine Strategic Shareholders as soon as practicable after this announcement and will include the terms and conditions of the Acquisition, together with notice of the Special General Meeting and the expected timetable for the implementation of the Acquisition. In deciding whether or not to vote to approve the Acquisition, Jardine Strategic Shareholders should rely on the information contained in, and follow the procedures described in, the Circular and the forms of proxy and direction accompanying the Circular.

Notice to United States Holders of Jardine Strategic Shares

The Acquisition relates to the shares of a Bermudian company and is being made by means of an amalgamation provided for under Bermudian company law. A transaction effected by means of an amalgamation is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in Bermuda to amalgamations, which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. The financial information included or incorporated by reference in this document has been prepared in accordance with International Financial Reporting Standards (as adopted by the European Union) and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Jardine Strategic is a company incorporated under the laws of Bermuda. A majority of the assets of Jardine Strategic are located outside the United States. As a result, it may not be possible for Jardine Strategic Shareholders in the United States to effect service of process within the United States upon Jardine Strategic or its respective officers or directors or to enforce against any of them judgments of the United States courts predicated upon the civil liability provisions of the federal securities laws of the United States. It may not be possible to sue Jardine Strategic or its respective officers or directors in a non-US court for violations of the US securities laws. There is also substantial doubt as to enforceability in Bermuda, in original actions or in actions for enforcement, of the judgments of US courts, based on the civil liability provisions of US federal securities laws.

Overseas Shareholders

The release, publication or distribution of this announcement in or into certain jurisdictions other than Bermuda, Singapore or the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than Bermuda, Singapore or the United Kingdom should inform themselves about, and observe, any applicable requirements.

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. The information disclosed in this announcement has been prepared for the purposes of complying with Bermudian, Singaporean and English law and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws and regulations of jurisdictions outside of Bermuda, Singapore and England and Wales.

Copies of this announcement and any formal documentation relating to the Acquisition shall not be, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) should observe these restrictions and must not mail or otherwise forward, distribute or send them in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction.

These forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Jardine Matheson and/or Jardine Strategic shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement relate to Jardine Matheson and/or Jardine Strategic's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither Jardine Matheson or Jardine Strategic, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to Jardine Matheson or Jardine Strategic or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.
