TEE International awarded S\$26M worth of contracts in Singapore

SINGAPORE, 11 December 2014 –TEE International Limited (特毅国际有限公司) (“TEE” or together with its subsidiaries and associates, “TEE Group”), a growing regional player in the Engineering, Infrastructure and Real Estate space, today announced that its Engineering business was awarded approximately S\$26 million worth of contracts from repeat and new clients in Singapore, thereby achieving a total outstanding order book of about S\$467 million.

Amongst the repeat clients, TEE was awarded two new contracts from Changi Airport Group (Singapore) Pte Ltd (“CAG”), making its third and fourth contract from CAG this year. Under these contracts, TEE will carry out Addition & Alterations (“A&A”) works for the existing arrival hall coach stand and north bus gate at Chang Airport Terminal 1 and 2 respectively. Other new engineering contracts awarded by notable repeat clients include, CapitalLand Retail Management Pte Ltd and Marina Bay Sands.

Mr Eric Phua, Managing Director of TEE’s Engineering business said: ***“We are pleased to win new contracts from our repeat clients. This is a testament of our capabilities that has helped built strong client relationships through the years. We will continue to deliver our projects with quality and timeliness to meet clients’ expectations.”***

In addition, TEE was awarded two projects to carry out A&A works for existing institutional buildings such as the Singapore University of Technology and Design and Temasek Polytechnic. TEE has developed an established track record in carrying out works for other

institutional buildings. Past experiences include projects for National University of Singapore, Raffles Education, Singapore Institute of Technology, just to name a few.

Commenting on the new projects, Mr C K Phua, Group Chief Executive of TEE said: ***“Over the years, TEE has developed its strengths for A&A works, which is part of our rebuilding expertise in the industry. Coupled with our expertise and strong business relationships, I am confident that TEE’s Engineering business will continue to perform well as we continue to gear up for growth.”***

About TEE International Limited (Bloomberg: TEE:SP; Reuters: TEEI.SI)

TEE International Limited (“TEE” or together with its subsidiaries and associate companies, “TEE Group”) was established in the 1980s, and has grown from a general electrical contractor to an established Integrated Engineering, Real Estate and Infrastructure Group. With its operations spanning primarily in Singapore, Thailand, Malaysia, Hong Kong and New Zealand, TEE Group continues to focus on its core Engineering specialisation to grow its Infrastructure business alongside its complementary Real Estate business.

Listed on the Stock Exchange of Singapore Dealing and Automated Quotation System “SESDAQ” (now known as the SGX Catalyst) in 2001, TEE was upgraded to the SGX Mainboard in 2008. Over the years, TEE Group has established a strong track record in delivering quality and value-added services by providing integrated solutions to its customers. With a strong brand position, TEE has been able to secure prominent projects both locally and regionally.

With its people at the centre of the TEE Group’s business model, TEE branches out through its integrated platform – Engineering, Infrastructure and Real Estate by tapping on the expertise, experience and capabilities of its people. TEE has expanded its regional presence in the Asia-Pacific region either directly by TEE Group or through strategic partnerships and acquisitions.
