

EMPERADOR INC.

## **Emperador's Revenues Up 10% to P47 billion from January to September 2023**

*MANILA, Philippines, November 13, 2023* – Emperador Inc. – a leading global whisky and brandy conglomerate headquartered in the Philippines – saw its revenues increase by 10% year-on-year to P47.1 billion in the first nine months of 2023. Net income attributable to parent company for the first nine months of 2023 reached P6.8 billion. Noteworthy is the third quarter net income attributable to parent company which rose 5% year-on-year.

Emperador's international business continued to experience double-digit growth owing to its sustained sales of single malt whiskies across different markets across the globe, particularly in Asia and North America.

Emperador Inc. president Winston Co said, "The company continues to surge ahead in light of the challenging complexities in the world. We have a compelling whisky portfolio driving the international business and a brandy segment driven by innovation and premiumization. Overall, for 2023, our company hopes to end the year with a strong performance."

Emperador Inc. is a global spirits conglomerate that owns an iconic brandy portfolio led by Spanish brandy Fundador and Emperador Brandy, the world's largest-selling brandy by volume. Emperador Inc. also owns Whyte and Mackay, the world's fifth largest Scotch whisky producer that owns a sublime and impressive single malt portfolio. The company's Tamnavulin Speyside Highland Single Malt is the world's fastest growing single malt in the last five years. Tamnavulin Single Malt is now available in Asia – in China, Hong Kong, Japan, Korea, Singapore, and the Philippines. Emperador products are available in over 100 countries across six continents.

Emperador Inc. is a publicly-listed company at both the Philippine Stock Exchange and the Singapore Exchange. ###
