

Barminco Finance Pty Limited announces a second privately negotiated transaction to purchase an additional US\$42 million of its 9.00% Senior Notes due 2018

Perth, Western Australia, February 6, 2015 - Barminco Finance Pty Limited, an Australian company, announced today that it has purchased, via a second privately negotiated transaction, an aggregate principal amount of US\$42 million of its outstanding 9.00% Senior Notes due 2018 ("Notes").

The transaction settled on Friday February 6, 2015 and all repurchased Notes will be cancelled.

As previously announced Barminco separately repurchased US\$56.9 of Notes via two transactions. The first under a tender offer in December 2014 where US\$36.9 million of tendered Notes were purchased, and the second, via a privately negotiated transaction on January 16, 2015 where US\$20.0 million of Notes were purchased. Those repurchased Notes were cancelled on settlement.

In the future, Barminco may from time to time seek to purchase additional Notes in open market transactions, privately negotiated transactions or otherwise. Any such repurchases would depend on prevailing market conditions, liquidity requirements and other possible factors.

This press release is neither an offer to purchase nor a solicitation to buy any Notes.

Forward-Looking Statements

Certain statements contained within this press release constitute statements that express our opinions, expectations, beliefs, plans, objectives, assumptions or projections regarding future events or future results and therefore are, or may be deemed to be, "forward-looking statements." These forward-looking statements can generally be identified by the use of forward-looking terminology, including the terms "believes," "estimates," "anticipates," "expects," "estimates," "seeks," "projects," "intends," "plans," "may," "will" or "should" or, in each case, their negative or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts and include statements regarding our intentions, beliefs or current expectations concerning, among other things, our results of operations, financial condition, liquidity, prospects, growth, strategies and the industry in which we operate. By their nature, forward looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Although we base these forward looking statements on assumptions that we believe are reasonable when made, we caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, from those made in or suggested by forward-looking statements. In addition, even if our results of operations, financial condition and liquidity, and the development of the industry in which we operate are consistent with these forward looking statements, those results or developments may not be indicative of results or developments in subsequent periods.
