OUR BUSINESS

Viking Offshore and Marine is listed on the Singapore Exchange and based in Singapore with a presence in the Asian region and customers all over the world. Further complementing our regional presence, we have a network of service agents spanning the globe. Through our wholly owned subsidiaries, Viking provides offshore and marine system solutions to yards, vessels owners and oil majors around the world. The strength of our products and solutions lies in our robust engineering designs, superior project delivery and many track records over the years.

Our deep engineering and systems know-how, coupled with our years of experience, allow us to adapt our system solution to be portable for onshore and non-oil and gas-centric applications. Increasingly, our system solutions are being accepted and popularised beyond our oil and gas, and offshore and marine customers.

To strengthen our business with more stable and predictable earning streams, we made a strategic move into asset management services. We are constantly on the lookout for attractively valued assets and chartering them to customers from the offshore and marine, and oil and gas industry. As our value proposition, we offer tailored and creative solutions and structures that allow our customers the use of assets for their operational needs and to

accommodate their financial capacity. Our current asset portfolio includes investment stakes in two offshore jackup drilling rigs under construction and two land drilling rigs in operational deployment.

Viking's business is now cemented along two major pillars – offshore and marine services and asset chartering services.

OFFSHORE AND MARINE SERVICES

- Heating, Ventilation, Air-Conditioning & Refrigeration
- Fire & Gas Detection
- Control & Instrumentation
- Marine Telecommunication
- Winches, Power Pack & Deck Machinery

ASSET CHARTERING SERVICES

- Chartering Services
- Asset Financing

ANCILLARY SERVICES

- Venture Capital
- Facility Services
- Strategic Equity Investment

CHAIRMAN'S MESSAGE

**IN LIGHT OF THE CONTINUED
DIFFICULT OPERATING ENVIRONMENT
OF THE OFFSHORE SECTOR,
WE DIVERSIFIED OUR CUSTOMER
BASE TOWARDS NON-OIL AND
GAS AND ONSHORE CUSTOMER
REQUIREMENTS. WHILE THESE
INITIATIVES ARE STILL IN THEIR
INFANCY, THEIR RESULTS SO FAR
HAVE BEEN ENCOURAGING.**

DIVERSIFYING ONSHORE TO STIMULATE NEW GROWTH

In light of the continued difficult operating environment of the offshore sector, we diversified our customer base towards non-oil and gas and onshore customer requirements. While these initiatives are still in their infancy, their results so far have been encouraging. Meanwhile, we are also increasing our bidding activities for onshore projects and from new customer bases. In 2015, we managed to make headways in securing a number of projects in this arena; including involvement in onshore terminals, defence-related vessels, dredging and other non-direct oil and gas activities. We look forward to growing deeper and wider into this newly found diversified portfolio.

In addition, we looked to long-term contracts in asset chartering services. While these new business areas are not adequate in compensating for the slowdown, they still represent opportunities for us to cushion the risk in our traditional business portfolio and set the stage for new customer bases and future business growth.

OPTIMISING INFRASTRUCTURE WHILE MANAGING COSTS PRUDENTLY

As new project pipelines become increasingly scarce, we are taking visible steps to manage our cost structure and support lower business activity levels. In this regard, we deferred non-mission critical planned capital expenditures, pending future outcomes. We also carefully assessed non-essential spending and resources costs, making reductions where needed to rightsize our operations. While our aim here was to reduce costs, we also recognised the need to maintain adequate and optimal infrastructure to meet the needs of our business and to cope with near-term volatility.

There will be difficult decisions that need to be made and trade-offs that we can expect. However, this is also an opportune time to demand greater efficiency and throughput from a more streamlined operational structure.

GOODWILL IMPAIRMENT IMPACTS PROFITS FROM OPERATIONS

Given our participation at the core of the oil and gas, and offshore and marine industry, Viking's businesses are by no means insulated from these challenges. The impact of project delay and deferment felt by our customers has cascaded to us. Only a fraction of our order books was fulfilled, with a large portion deferred to later years. The deferring of existing order books and lack of new orders in the market further aggravated an already tough business environment.

Amidst these headwinds, Viking continued to deliver profits, though these were lower than in 2014. That said, our performance was not balanced across all our business pillars as our HVAC and winch businesses recorded less favourable figures. This resulted in us taking a one-time impairment charge on the goodwill recorded in our balance sheet since the acquisition of our HVAC business some six years ago. While this goodwill impairment did not impact our cash flow, it meant that we recorded a loss at the Group level.

DEAR SHAREHOLDERS,

2015 has been a challenging year, fraught with geo-political tensions and uncertainties in the global economy. Market frailty was further shaken as oil prices plunged from a high of US\$115 a barrel in June 2014 to under US\$30 at the start of 2016. Rising costs and sustained depressed oil prices in the last 18 months have eroded returns for oil companies. This has caused some companies to review their operations and put planned exploration and production projects on hold. Others, particularly those in the offshore and marine industry, have shelved and deferred their future capital expenditure plans and even delayed their existing new build capital infrastructure.

06.

BRACING OURSELVES GOING FORWARD

It was a very difficult year in many ways, and industry pundits are not expecting 2016 to be significantly different. There is not a whole lot we can do about the broader industry landscape, but we can certainly improve the effectiveness of our business and diversify our risk.

Numerous project deferments have resulted in us carrying forward a higher-than-expected unconsumed order book. We can harvest this pent-up order fulfilment when the situation does improve and customers resume their project execution. As we compete for limited opportunities in our traditional space with sharpened focus, we will continue to invest and explore new ground for growth outside of the offshore oil and gas sector. We have seen encouraging opportunity pipelines and will continue to pursue new markets and customer segments.

It is also equally important for us to continue to adopt a prudent cost management stance. We need to optimise our business infrastructure and implement cost-effective engagement models for continued efficiency and savings. This is the only way for us to effectively compete and remain sustainable in the face of price pressure from competitors vying for limited opportunities.

This industry has long been volatile and cyclical in nature. While we cannot be certain how long it will take for oil prices to recover and stabilise, we believe the market will eventually move towards a new equilibrium driven by demand and supply. Hopefully, we will have done enough to weather this difficult period and therefore emerge stronger and more ready for the upturn in this cycle.

TOGETHER WE STAND

We would like to thank our fellow directors for their valuable input and guidance, as well as our many shareholders, partners and suppliers for their unwavering support. This, coupled with the hard work and dedication of our colleagues, puts us in a

position to meet challenges and seize new opportunities to sustain our businesses.

Working together is the only way to get us through this period of uncertainty so that we can look forward to a better tomorrow.

ANDY LIM

Chairman

Viking Offshore and Marine Limited

OPERATIONS REVIEW

WE BELIEVE THAT EXTENDING OUR PRODUCT AND SYSTEM CAPABILITY TO OTHER PLATFORMS WILL INVARIABLY WIDEN OUR CUSTOMER BASE, ENLARGE OUR OPPORTUNITY PIPELINE AND THEREBY REDUCE OUR RELIANCE AND SUSCEPTIBILITY TO INDUSTRY-SPECIFIC VOLATILITY.

The business climate of the offshore and marine as well as oil and gas industries remained subdued, with business activities continuing on a declining trend that began in late 2014. Caused by demand and supply factors, exacerbated geopolitical tensions and a slowdown in the global economy, the impact of declining and low oil prices has been central to this industry glut. As a result, upstream oil and gas-related activities have slowed. This phenomenon rippled through the downstream offshore and marine sector, further resulting in curtailed expenditure, delays in ongoing projects and the postponement of new ones.

Given the signs in late 2014, the gloomy industry landscape was something we had anticipated. How long this industry glut will stay, and when the industry will recover, remains to be seen. Bracing ourselves to weather this challenging period, we laid out a three-pronged strategy at the beginning of 2015 to guide our modus operandi:

- Expand geographically beyond major markets to new territories
- Diversify our portfolio beyond the oil and gas industry as well as offshore and marine platform orientation
- Grow operational assets through chartering services

ENLARGING GEOGRAPHICAL MARKETS

From a geographical market view, Singapore and China represent major markets for our offshore and marine services. Together, they account for three-quarters of our business volume in terms of order books and new orders secured.

Overseas market revenue growth declined

in light of the current global economy slowdown. The deceleration of growth in China, which remains our largest overseas market, was a concern for many of us. Many vessels owners have commissioned Chinese shipyards to build offshore rigs and vessels in view of China's lower production costs and these shipyards' aggressive pricing and payment strategies. The oil and gas industry slowdown has impacted the downstream offshore and marine sector, resulting in the cancellation or indefinite delay of many commissioned orders. This impact was even more profound for Chinese shipyards as a sizable proportion of their order books are speculative in

nature, with no immediate requirements for rigs or vessels. While the situation is less damaging for Viking, as we are seeing fewer order cancellations, we cannot avoid the upstream problem as a fair number of our secured projects have been deferred and delayed years into the future.

Singapore's offshore and marine industry is renowned for its offshore rig and high-end vessel-building capabilities. While Singapore is not insulated from the global industry slowdown, it has seen fewer deferred projects, with building plans continuing as scheduled. This is because the major yards' order books comprise

08.

orders from larger owners, tend to be less speculative and have firmer requirements. In this regard, Viking's Singapore-sourced order book was less impacted. Additionally, a number of customer orders are also non-oil and gas-related, or at least not for platforms that are central to oil exploration or drilling. These offshore and marine areas are less susceptible to the global oil and gas industry downturn.

While major markets slowed, Viking's business development efforts in lesser-served and emerging markets showed promise. We were able to secure and implement systems for large-scale customers in the South Korean, Indonesian and Malaysian markets. Outside of Singapore and China, we saw fewer successes in these markets until last year. In that year, we not only secured some sizable projects, but also developed a good pipeline of opportunities to work on. In terms of market opportunities and customer inroads, we also witnessed good early results in Middle Eastern, Thai and Philippine markets.

Likewise, we managed to increase the visibility of opportunity pipelines and secure some projects in Africa. In a first for Viking, we also worked with a renowned multinational EPC company to secure and implement fire and gas detection as well as telecommunications systems for an onshore terminal in Angola. Further up north, our chartered land drilling rig continued operations in an oilfield in Morocco. We also uncovered and explored other opportunities in Ethiopia and Cameroon.

These emerging markets take on added significance as the source of new businesses. This will go some way in compensating for the likely shortfall in major markets, where opportunities are limited.

DIVERSIFYING BEYOND OIL AND GAS, AND OFFSHORE AND MARINE MAINSTAY APPLICATIONS

Viking's systems are traditionally and historically employed in offshore and marine

applications, especially in offshore rigs and related platforms. While we are strong in these areas, our planned manoeuvre into non-oil and gas applications takes on added importance in these turbulent times.

As highlighted earlier, we have been able to adapt and employ our systems technology and know-how from offshore and marine platforms and use them in onshore land-based applications. The orders we secured for an onshore terminal in Angola were a testament to our initiative and seen as a step towards developing new markets and exploring new opportunities. In Singapore, we worked together with another multinational EPC to secure heating, ventilation, air-conditioning and refrigeration (HVACR) systems for an onshore industrial substation. Outside of offshore and marine, we also explored the chartering of the land drilling rig.

In another big step towards diversification, we designed, built and implemented our

HVACR systems in naval vessels and crafts. Aside from the major multi-year project we are implementing in Singapore, we also tendered for and secured two separate projects to design HVACR systems for the Royal Thai Navy and supply winning systems for naval vessels in the Middle East.

We believe that extending our product and system capabilities to other platforms will widen our customer base and enlarge our opportunity pipeline. This will reduce our reliance on and susceptibility to industry-specific volatility.

GROWING OUR ASSET CHARTERING PORTFOLIO

To complement our offshore and marine services business and build a more predictable and stable stream of business revenue, we began providing asset chartering services to customers. In 2014, we invested in and bought a 30 per cent

stake in a pair of soon-to-be constructed CJ46 jack-up drilling rigs. At the same time, we continue to look out for and work on prospective chartering opportunities for these drilling rigs while they are still under construction. Working together with our partners and the shipyard, we have timed our rig construction so that the rigs will be ready for delivery as and when we are able to close out a chartering or resale contract.

On the operational asset front, we acquired and chartered one land drilling rig in late 2014 for works in Morocco, North Africa. In 2015, we added one additional land drilling rig that will be deployed to Africa's onshore oilfield to our asset portfolio. As part of our move to enlarge our business beyond the oil and gas sector, we also collaborated with a vessel management player on asset chartering opportunities in the shipping and distribution application, beyond offshore oil and gas support vessels.

While there has been no shortage of opportunities for the chartering of transportation vessels, it is important for us to evaluate these opportunities before taking action. To this end, we have been mindful in ensuring we secure the right assets at the right valuation before matching them to the right charter contracts.

A CHALLENGING YEAR FOR THE OFFSHORE AND MARINE SERVICES BUSINESS

In line with the downcast industry trend, our offshore and marine services business segment was not insulated against adverse impact. Compared to 2014, there was a decline in new orders secured for 2015 across all geographical segments and business lines. There were also temporary and indefinite delays in contract execution by customers, as well as fewer new orders. In spite of a relatively strong order book carried forward into 2015, these factors contributed to a lower-than-expected revenue contribution. This trend was evident across all our business lines within the offshore and marine services business segment.

Turnover increased for Viking Airtech – our business line for HVACR systems.

While revenues increased year-on-year, our financial performance was affected by declining profit margins as we executed several challenging projects that resulted in the recognition of foreseeable loss provisions. Rising costs, caused by inflationary pressures and increased customer requirements, also further impacted our profitability. However, as these difficult projects near completion, we can expect a better margined business going forward.

Marshal Systems, which specialises in fire and gas detection, control and instrumentation, and telecommunications systems, delivered a steady result despite industry headwinds. A better business mix with a focus on services resulted in a better gross profit margin, partially making up for the decrease in turnover. Marshal Systems also achieved a noteworthy breakthrough by securing a sizable onshore terminal project in West Africa. This further substantiated our strategy of applying technical know-how and products to new markets other than the offshore and marine segment. Having secured this project in partnership with an internationally renowned EPC, we are on our way towards establishing a key foothold to seize more opportunities in the West African region.

In our winch system and deck machinery business line, Promoter Hydraulic's turnover declined year-on-year, with a delay in execution for a large part of its carried-forward order book. In spite of these less-than-expected results, there were significant takeaways for the year nonetheless. Promoter Hydraulics was able to secure and deliver several sizable winch systems to Europe and the Middle East, successfully entering relatively untapped markets and reaching out to newer customers.

While our offshore and marine services business was impacted by a number of project delays, it was fortunate that there were minimal cancellations. We are optimistic that these projects will resume when the industry recovers.

EXTRACTING YIELD FROM EXISTING REAL ESTATE ASSETS

Our new building at Kian Teck Road received its temporary occupation permit in October 2015. We have since started to occupy the building and lease its remaining floor space. This building will complement the Group's existing facilities while providing additional yield via rental income.

FINANCIAL PERFORMANCE IN 2015

The Group's revenue increased seven per cent to S\$84.5 million in 2015, compared to S\$79.0 million in 2014. This growth was due to the full-year impact of the land rig and deployment of an additional land rig in our asset chartering business. The revenue contribution of our offshore and marine business remained unchanged year-on-year.

While gross profit increased, the corresponding gross profit margin decreased due to the absence of variation orders. This was further exacerbated by price pressure from the heightened competition vying for limited orders. The higher cost and resulting loss provision from the execution of some difficult projects further impacted the margins.

The Group's net loss after tax stood at S\$9.4 million due to a one-off goodwill impairment of S\$10.3 million relating to the acquisition of the HVAC and RC business in 2010.

AS PART OF OUR STRATEGY TO COMPLEMENT OUR OFFSHORE AND MARINE SERVICES BUSINESS AND TO BUILD A MORE PREDICTABLE AND STABLE STREAM OF BUSINESS REVENUE, WE EMBARKED UPON PROVIDING ASSET CHARTERING SERVICES TO CUSTOMERS.

This was a non-cash item and had no effect on the Group's net tangible assets. Notwithstanding the goodwill impairment, the Group would be in a profitable position for the year.

Our net assets decreased to S\$90.4 million as at 31 December 2015 compared to S\$97.9 million in the previous year due to the loss incurred. On the other hand, our net tangible assets increased by \$3.5 million to \$68.1 million as the loss was due to the impairment of goodwill, which was non-cash in nature.

MOVING FORWARD

Looking forward, the Group anticipates that its business volumes for 2016 will continue to be subjected to upstream activity levels from the volatility of oil prices. We are currently intensifying our efforts to cushion this impact so that we will remain competitive and sustainable. As we navigate this difficult market environment, we will continue keeping our costs in check, commensurate with our level of operations and cost structure.

Our order book for offshore and marine services to be carried forward into 2016 totalled S\$71 million, approximately one-third lower than when we entered 2015 due to the lower sales order intake. However, the existing order book is also susceptible to delays under the current climate. Therefore, we will monitor each order conscientiously to mitigate the cash-flow risk. We will continue to explore overseas opportunities with a focus on new and underserved markets, in particular the Middle East, Africa and other emerging markets.

We will also continue to engage customers and projects that are less impacted by the slowdown in the oil and gas sector. These include onshore terminals and indirectly linked oil and gas businesses where our product solutions can be adapted for use. We will continue to build on and develop these encouraging successes in emerging markets as well as non-oil and gas mainstay applications. We will also remain vigilant by conserving resources and positioning ourselves to seize the opportunity when industry revival comes.

The asset chartering services business continues to be the focal area for our growth and adds to our existing asset portfolio. While such opportunities are few, they are also of larger deal size. We will look for attractively valued assets for acquisition and match them to good chartering contracts. Growing this asset portfolio to a critical size will allow us to better diversify our risk profile and better leverage our assets and resources to achieve an overall better yield.

NOTE OF APPRECIATION

We wish to thank our employees, business partners and all who remain steadfast during these challenging times. We look forward to your continuing support and partnership as we work together to overcome these difficult times and eventually emerge stronger.

ONG CHOO GUAN

Chief Executive Officer
Viking Offshore and Marine Limited

VIKING AIRTECH

Viking Airtech is the turnkey specialists in Heating, Ventilation, Air-Conditioning and Refrigeration systems. Many of the regions' biggest shipyards and vessel owners prefer Viking Airtech because we deliver reliable, comprehensive and specialised HVACR solutions. Our solution and system are portable and adaptable for use across onshore application. Our turnkey service capabilities include customised design, engineering, manufacturing, installation, supervision, testing and commissioning of HVACR systems for the global offshore, onshore and marine industry.

A strong global sales and service network across five continents enables us to respond to service queries promptly anywhere in the world and to provide high quality service and support. Systems and equipment are designed, engineered and built in-house in our fabrication plant. We provide a comprehensive range of solutions to meet customer requirements, including those who work under extreme ambient temperatures.

PROFICIENCIES

- Certified ISO14001 Environmental Management System and OSHAS 18001 Safety Management System.
- Manufacturing plant at Yantai China, meeting European Manufacturing Standards.
- More than 15 years Det Norske Veritas (DNV) certified quality management system.

12.

MARSHAL SYSTEMS

Marshal Systems is a leading system integrator for fire and gas detection systems, telecommunication systems, and control and instrumentation systems preferred by leading global offshore, onshore and marine companies.

Customers are assured that their assets are protected when equipped with systems integrated by Marshal's specialists. Superior systems integration capabilities combined with specialised equipment and systems by leading manufacturers is the reason why Marshal is preferred by leading offshore and marine companies globally. Bolstered by our offshore track record, our integration capabilities are increasingly sought after for onshore application.

PROFICIENCIES

- Certified ISO14001 Environmental Management System and OSHAS 18001 Safety Management System.
- Representing leading international principal brands, where their solution components are widely employed in customer solution propositions.

PROMOTER HYDRAULICS

Promoter Hydraulics supplies a large range of ready-built and custom-designed winches and deck machineries for offshore, onshore and marine clients globally.

Promoter offers flexibility and affordability with our range of services that include commissioning, turnkey projects, load testing, maintenance and procurement management. Our promise to customers globally is to provide customised deck machinery to speed up their offshore and marine projects.

We are one of the largest supplier of hydraulic winches and power packs in S.E. Asia. Together with our air and electric winches, we offer a comprehensive suite of products for this product category. Every winch manufactured incorporates technologies from various reputable European suppliers. We pride ourselves as a leading provider with the widest range of load capacity capability equipment.

PROFICIENCIES

- Certified ISO14001 Environmental Management System and OSHAS 18001 Safety Management System.
- Wide range of ready-made winch systems of various models and capacities for immediate deployment. Custom-design built winch systems for various offshore and marine uses.
- Upfront sale of winch systems or rental services, with flexible commercial arrangements that meet customers' operating needs.

VIKING ASSET MANAGEMENT

VIKING ASSET MANAGEMENT

Viking Asset Management business seeks to acquire offshore and marine, and oil and gas assets to provide chartering services that meet customers' needs for asset use without the need for ownership. Our value proposition is one that sees us offering flexibility and tailored commercial and operating arrangements to prospective customers that meet their operating needs.

We work with customers that are keen to charter, finance, or lease such assets from us. We are able to explore more complex, non-traditional or client-tailored structures as well. Working closely with industry intermediaries, asset operators, and even owners directly enable us to cast our net wider to seek out acquisition and chartering opportunities across the globe.

PROFICIENCIES

- Adopting a tailor-made approach to every opportunity and capable of structuring transaction arrangements that closely mirror customers' operating needs.

VIKING PROVIDES CHARTERING SERVICES THROUGH ATTRACTIVE AND CREATIVE PROPOSITIONS THAT ENABLE CUSTOMER THE USE OF ASSET WITHOUT THE NEED FOR OWNERSHIP

BOARD MEMBERS

ANDY LIM, 58

Chairman and Executive Director

Mr Lim was appointed Chairman and Executive Director of the Company on 15 June 2009. As the Founder and Chairman of private equity firm Tembusu Partners Pte Ltd, he is currently the Executive Director of Associated Leisure International and Chairman of MoneyWorld Group of Companies. His other board appointments include Chairman of Overseas Experts Council (Singapore branch) of Peking University's China Centre for Strategic Studies, President of Enterprise 50 Association and a member of the Home Affairs Uniformed Service Invest Board of Trustee. His past board appointments include Chairman of Alpha Singapore and Council Member of the National Council for Anti-Drug Abuse. In September 2004, Mr Lim was appointed Honorary Consul to the Republic of Lithuania. Mr Lim holds an Engineering degree (First Class Honours) from Cambridge University and a Masters in Business Administration from University of California at Los Angeles (UCLA).

ONG CHOO GUAN, 64

Chief Executive Officer and Executive Director

Mr Ong was appointed Chief Executive Officer of the Company on 15 January 2010, and appointed Executive Director on 16 April 2010. With more than 30 years of management experience in the offshore and marine industry, Mr Ong has been instrumental in driving the growth of Viking Airtech Pte Ltd since its incorporation in 1994 as part of Viking Engineering Group. Since his appointment as Executive Director of Viking Airtech in 2003, he has turned the business around and brought Viking Airtech to new heights as a leading HVACR solutions provider to shipyards and vessel owners in the region. Prior to joining Viking Engineering Group in 1980 where he was General Manager, Mr Ong was with Jurong Shipyard as the Overall-in-charge Engineer for mechanical works onboard the vessels. He is a Mechanical Engineer by profession and received various training in Finance and Accounting, and Marketing Management.

LIN WEI DANIEL, 32**Executive Director**

Mr Lin is an Executive Director of the Company, and the Managing Director of Viking's wholly-owned subsidiary Viking Asset Management Pte Ltd and Promoter Hydraulics Pte Ltd. In his management role, Mr Lin is responsible for the negotiation of the Group's first land drilling rig charter contract and investment stake in two shallow water CJ46 jack-up rigs. Prior to joining the Company, Mr Lin was an Executive Director of boutique Mergers & Acquisitions advisory firm Blue Ocean Capital Partners, providing bespoke corporate finance advice to high net worth individuals. Prior to Blue Ocean, Daniel was the Special Assistant to the CEO in Singapore-listed company Advance SCT Limited where he was largely responsible for the corporate finance and fund raising activities of the company. Mr Lin also sits on the boards of Singapore-listed companies Nico Steel Holdings Ltd and Ann Aik Ltd as a Non-Executive Director. He graduated with an honours degree in law in 2007 from Bristol University, United Kingdom.

LEE SUAN HIANG, 65**Lead Independent Director**

Mr Lee was appointed Independent Director of the Company on 16 April 2010. He is the Chief Executive of the Real Estate Developers' Association of Singapore. A Colombo Plan Scholar in Industrial Design (Engineering), he had a varied career in public service as Deputy Managing Director of the Economic Development Board and Chief Executive of SPRING Singapore, National Productivity Board, Singapore Institute of Standards and Industrial Research and National Arts Council. He was also the Chairman of PSB Corporation, Deputy Chairman of the International Federation of Arts Councils and Cultural Agencies and Council Member of the International Standards Organisation. He is the current President of the EDB Society and a Fellow of the UK Chartered Management Institute, Chartered Institute of Marketing, and World Academy for Productivity Science. Mr Lee was awarded

the Public Administration (Gold) Medal in 1998, World SME Association Award in 2001, Japan External Trade Organisation Award in 2002 and Chevalier de l'Ordre des Arts et Lettres from France in 2010.

LIEN KAIT LONG, 67**Independent Director**

Mr Lien was appointed Non-Executive Director of the Company on 26 May 2008. He was redesignated Independent Director on 4 May 2009. Mr Lien has extensive experience in accounting and finance, corporate management and business investment. He has held a number of senior management positions as well as executive directorships in various public and private corporations in Singapore, Hong Kong and China. He currently serves as an Independent Director on the boards of several Singapore and Chinese companies listed on the Singapore Exchange. The listed companies that he has present and prior experience in are from diverse industries including manufacturing, telecommunications, renewable energy, oil and gas, consumer goods, textile and flexible packaging. Mr Lien holds a Bachelor of Commerce degree from Nanyang University and is a fellow member of the CPA Australia and the Institute of Singapore Chartered Accountants.

TAN WEE PENG KELVIN, 51**Independent Director**

Mr Tan was appointed Independent Director of the Company on 25 June 2009. He has more than 20 years of professional experience including senior management positions at AETOS Security Management, PSA International, and Temasek Holdings, the last being the Managing Director of its Private Equity Funds Investment Unit. He was a consultant advising companies investing in China, and also served with the Singapore Police Force. A Local Merit Scholar (Police Service), Mr Tan holds a Bachelor in Accountancy (First Class Honours) and a Master in Business Administration from the National University of Singapore. He also

attended the Programme for Management Development at Harvard Business School. Mr Tan currently holds directorship appointments and advisory positions with several other private and public-listed companies.

PHUA SIOK GEK CYNTHIA, 57**Independent Director**

Ms Phua was appointed as Independent Director of the Company on 1 June 2015. Ms Phua has over 30 years of experience in the real estate industry having held the position of Executive Vice President of Singbridge Corporate Pte Ltd, Executive Director of Retail Services in Knight Frank Pte Ltd, General Manager of the Real Estate Unit in NTUC FairPrice, Managing Director of SLF Management Services Pte Ltd and CEO of Bishan-Toa Payoh Town Council. Cynthia was involved in the overseas projects in Singbridge and in Knight Frank. At FairPrice, Cynthia headed the company's real estate investment, development, sourcing and management of the retail spaces. Under Cynthia's leadership, FairPrice and Cheers expanded their footprint in Singapore from 103 to over 254 outlets island-wide. Between 2001 and 2011 Cynthia was also an elected Member of Parliament in the Aljunied Group Representation Constituency and Chairman of Aljunied Town Council. Cynthia holds a B. Sc (Estate Management) Honors from the National University of Singapore. She also attended the Advanced Management Programme in Harvard Business School.

Frederic Serna
Ng Yeau Chong
Low Jooi Kok
Peh Chee Oon Lawrence

Bottom Left to Right:

Lin Wei Daniel
Andy Lim
Ong Choo Guan

LOW JOOI KOK, 51

Chief Operating Officer and Chief Financial Officer

Mr Low has been appointed Chief Operating Officer of the Group while continuing with his duties as Chief Financial Officer of the Group, a role he has assumed since he joined the Group in March 2010. Mr Low has more than 25 years of commercial experience spanning sales, marketing and line-of-business executive management, financial and operations management. He was the Chief Financial Officer of IBM Singapore in 1998, and then Director of Business Partner Sales for ASEAN and South Asia till 2009. Prior to joining IBM, Mr Low was with Visa International, holding various appointments overseeing financial planning and management of strategic business investments for Visa within Asia-Pacific region. Mr Low holds a Master of Business Administration from Southern Illinois University, Carbondale and a Bachelor of Accounting degree from Nanyang Technological University of Singapore, and is a CPA.

NG YEAP CHONG, 49

Managing Director, Viking Airtech Pte Ltd

Mr Ng was appointed Managing Director of Viking Airtech Pte Ltd in January 2015. Mr Ng joined the Group in August 2010 as the Chief Operating Officer. Mr Ng has more than 20 years of professional experience covering Sales & Marketing, Program Management, and Operations & Training in both public and private sectors. An Overseas Merit Scholar (SAF), Mr Ng was with the Republic of Singapore Navy for more than 10 years. Prior to joining the Group, he served as Asia Consulting Solution Director (Oracle Consulting Services, 2007-2010), Vice President (UOB, 2000-2007), and Assistant Head (Spring Singapore 1999-2000). Mr Ng holds a Master of Arts from University of Oxford and a MBA (Accountancy) from Nanyang Technological University. Mr Ng is a Certified Financial Analyst (CFA), and a Financial Risk Manager (FRM).

FREDERIC SERNA, 58

Managing Director, Marshal Systems Pte Ltd

Mr Serna joined Marshal Systems Pte Ltd in April 2014 as General Manager and was appointed Managing Director of the company in September 2014. Mr Serna spent most of his career in Asia since the mid-1980s and very comfortably assimilated into the business environment and culture in Asia. He started with an assignment as a consortium general manager for a project in South Korea and he then moved into several business management positions with Alstom. After having successfully pioneered and opened the offshore market for propulsion and control systems in South Korea, he moved to Singapore to capture a share of the then untapped offshore business in South East Asia as a regional director leading to a number of successes. Mr Serna was born in France and graduated from various technical and business schools in France, then earned a Master of Business Administration from Macquarie Graduate School of Management in Sydney in 2001.

PEH CHEE OON LAWRENCE, 53

General Manager, Viking Airtech Yantai Facility

Mr Peh was appointed General Manager (Yantai-China) of the company on 1 December 2012. Mr Peh has 14 years of international experience, having worked and lived abroad on three continents and four cities since 1998. A large part of his overseas experience sees him managing production factory in China. He has more than 22 years of management experience in the contract manufacturing industry (both mechanical and electronics). Mr Peh received his professional qualification in production management, and received various training and certification in the areas of quality, production, procurement, operations management, as well as sales and marketing management.

ANDY LIM, 58

Chairman and Executive Director

ONG CHOO GUAN, 64

Chief Executive Officer and Executive Director

LIN WEI DANIEL, 32

Executive Director

BUSINESS ADVISORS

BO JOHANSSON, 75

Advisor to Chairman

Mr Johansson was appointed Advisor to Chairman of the Company on 16 April 2010. He is currently Managing Director of Viking Engineering Pte Ltd and was Chairman of Viking Airtech Pte Ltd since its incorporation until 2009. As a Certified Turbine and Gears Engineer Stal-Laval Turbin AB (now Siemens Sweden AB) since 1969, Mr Johansson has extensive experience as a Specialist Engineer on main propulsion steam turbines, gears and control systems for various ship-owners, including Golar Management LNG, Shell, BP, British Gas, ExxonMobil, Chevron Shipping USA, Tanker Pacific, Bergesen Norway, Abu Dhabi Gas, Qatargas, MOL Japan, Sovcomflot Russia and others. He also guided Viking Engineering into the field of self-discharging ships and barges for bulk materials as agents for BMH Marine Sweden, now Cargotec Bulk.

JORGEN GISMERVIK, 52

Advisor for Europe Region

Mr Gismervik is a Norwegian citizen who has more than 20 years of experience in worldwide oil and gas, and offshore and marine industries. He was previously a substantial shareholder of Marshal Systems Pte Ltd and has since been appointed Advisor to the Group covering the European region and specialisation in marine telecommunication field. Over the years, Mr Gismervik built-up several telecommunication companies in Europe and since 1999 founded a worldwide telecommunication company in Norway where he is also the Executive Director and Chief Executive Officer. Additionally, since 2006, he is also a Director and substantial shareholder of a Spanish-registered maritime telecommunication company. Mr Gismervik holds a First Class Honours Bachelor Degree in Telecom Engineering from the University of Stavanger and also possesses several relevant and recognised certification for the electronic and telecommunication industry.

JORGE ANTAS BARROS, 57

Advisor for Brazil and Latin America Region

Mr Jorge Antas Barros was appointed Advisor to the Group in October 2012 to assist and advise on the Group's internationalisation plan into Brazil and the Latin American region. Mr Barros is a Portuguese citizen and a lawyer by profession practicing at Baba & Mata in Lisbon, Portugal. He is the Honorary Consul of the Republic of Lithuania since 2010 and Vice President of the Chamber of Commerce and Industry Portugal / Baltics since 2011. Between 1985 to 1994, Mr Barros held various key appointments including: European Parliament Officer of European Union in Brussels, Cabinet Minister of National Defence and the Secretary of State for Defense, and Member of the German Marshall Fond/ joined the Marshall Memorial Fellowship Program - United States of America. From 1994 onwards, Mr Barros went into the academic fields holding key appointments as Secretary-General of the University Technology of Viseu and subsequently Professor of European Law at the University Technology of Viseu. Mr Barros graduated with a degree in Law from the Catholic University of Lisbon, majoring in International Relations and European Law. He also has qualifications in European Law at the Free University of Brussels and the Catholic University of Leuven in Belgium.

HELMI KOH, 59

Advisor for Southeast Asia Region

Mr Helmi Koh is a Singaporean who has more than 30 years of experience in worldwide oil and gas, and offshore and marine industries. He is the Chairman of Samudra Group of Companies consisting of Samudra MPC, Samudra Asia Pacific, Tap Marine and Offshore Services and District Energy Ventures, doing marine and offshore chartering, project managements and supplies in Malaysia. Mr Koh holds a Masters of Business Administration, and has vast experience in handling projects over the past 20 years.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

INTRODUCTION

Viking Offshore and Marine Limited ("VOM" or the "Company" or the "Group") is firmly committed to observing and maintaining high standards of corporate governance in compliance with the principles and guidelines set out in the Code of Corporate Governance 2012 ("Code"). The Company believes that its corporate conduct and growth must be supported by well-defined policies, transparent and consistent processes, a system of stringent internal checks and controls, and accountability.

Guided by the Code, VOM adheres and applies them in both substance and form, and continually seek to modify, improve and keep current to its ever-changing business dynamics. The Company believes that only in doing so, Shareholders' interests are safeguarded, and the Company is better able to deliver its long-term strategic commitments of maximising Shareholder value and returns.

To attain this aim, our well-diversified and qualified Board Members work closely with our experienced Management personnel, drawing upon close adherence to the principles and guidelines prescribed in the Code, and other applicable rules and regulations.

This Report sets out our corporate governance framework and practices with specific reference to guidelines set out in the Code.

BOARD MATTERS

Principle 1: Board's Conduct of its Affairs

Every company should be headed by an effective Board to lead and control the Company. The Board is collectively responsible for the success of the Company. The Board works with Management to achieve this and the Management remains accountable to the Board.

The Board sets the benchmark and is responsible for VOM's corporate governance standards and policies. Its leadership responsibilities entail oversight on the Group's business performance and operating and financial affairs, providing entrepreneurial leadership, setting its strategic direction and performance objectives, and setting long term goals for VOM and high standards of corporate governance. Specifically, the principal functions of the Board are to:

1. Approve the corporate direction and strategy of the Company and monitor the performance of the Management;
2. Approve the nomination of Directors and appointment of key managerial personnel;
3. Approve the annual budget, major funding proposals and investment proposals, and ensuring the necessary financial and human resources are in place for the Company to meet its objectives;
4. Establish a framework of prudent and effective controls which enables risks to be properly assessed and managed, including safeguarding of Shareholders' interests and Company's assets;
5. Identify the key stakeholder groups and recognise that their perceptions affect the Company's reputation;
6. Review the financial performance and necessary reporting compliance;
7. Set Company values and standards (including ethical standards) and ensure that obligations to Shareholders and other stakeholders are understood and met;
8. Assume responsibility for corporate governance; and
9. Consider sustainability issues, e.g. environmental and social factors, as part of its strategic formulation.

Besides the formal Board meetings, the Directors also speak on specific subjects. During the year, the Directors consulted one another several times with respect to the Group's business plans.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The key roles of the Board are:

1. Mr Andy Lim, Chairman and Executive Director
2. Mr Ong Choo Guan, Chief Executive Officer and Executive Director
3. Mr Daniel Lin Wei, Executive Director
4. Mr Lee Suan Hiang, Lead Independent Director
5. Mr Lien Kait Long, Independent Director
6. Mr Kelvin Tan Wee Peng, Independent Director
7. Ms Cynthia Phua Siok Gek, Independent Director

Delegation of Authority on certain Board Matters

To assist the Board to effectively discharge its oversight duties and functions, it delegates specific areas of responsibilities, without abdicating its responsibilities, to three Board Committees namely; the Audit Committee, the Nominating Committee, and the Remuneration Committee, each of which is governed by clear terms of reference which have been approved by the Board. Minutes of all Board Committee meetings are circulated to Board members so that they are kept abreast of proceedings and matters discussed at such meetings. To address and manage possible conflicts of interest that may arise between Directors' interests and those of the Group, the Company has put in place appropriate procedures including requiring such Directors to refrain from participating in meetings or discussions (or relevant segments thereof), in addition to abstaining from voting, on any matter in which they are so interested or conflicted.

The Board has delegated the day-to-day operations to the Management while reserving key matters for Board approval. Key functions include approving the consolidated financial statements for the Group, conflict of interest checks for Directors, disposal of assets, strategic planning and material acquisitions, share issuances, dividends, and matters which require Board approval as specified under the Company's Interested Person Transaction Policy.

The Board's approval is required for transactions or matters such as major investments, corporate restructuring, mergers and acquisitions, material acquisitions or disposal of assets, the release of the Group's financial results announcements, interested person transactions of a material nature and declaration of dividends.

Management had conducted briefings and orientation programmes to familiarise newly appointed Directors and existing Directors with the various businesses, operations and processes of the Group. During the year, the Group appointed a new Director, Ms Cynthia Phua Siok Gek to the Board. This appointment further strengthened the capability and improved gender diversity of the Board.

Meetings of the Board and Board Committees

The Board convenes regularly for scheduled meetings and any ad-hoc meetings are arranged when required; to review the key activities, financial performance, business plans, corporate strategies, potential acquisitions and divestments, and significant operational and/or management matters of the Group. During Board meetings, the Directors actively participate, discuss, deliberate and appraise the matters requiring its attention and decision. If Directors are unable to attend Board meetings physically, such meetings may be conducted via telephone, video conference or any other form of electronic or instantaneous communications.

The Directors are given direct and full access to the Management team of the Group's three main subsidiaries through attendances at formal Board Meetings as well as ad-hoc meetings during the year.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The number of Board meetings and Board Committee meetings held in the current financial year and the attendance of Directors at these meetings are as follows:

Attendance of Board Members	Board	Audit Committee	Nominating Committee	Remuneration Committee
Meetings held during the financial year ended 31 December 2015	4	4	1	1
Mr Andy Lim	4	NA	NA	NA
Mr Ong Choo Guan	4	NA	NA	NA
Mr Daniel Lin Wei	4	NA	1	NA
Mr Lee Suan Hiang	4	4	1	1
Mr Lien Kait Long	4	4	NA	1
Mr Kelvin Tan Wee Peng	4	4	1	1
Ms Cynthia Phua Siok Gek	2	2	NA	NA

Upon appointment, each new Director is put through an orientation program to familiarise new Directors with the Group's business activities, strategic directions, policies, major impending projects as well as corporate governance practices of the Group. In addition, new Directors are also encouraged to attend the relevant courses and programs from the Singapore Institute of Directors ("SID") to be acquainted with the role and responsibilities of a Director in the context of a listed company.

Directors are continually and regularly updated on the Group's businesses and the regulatory and industry-specific environments in which the entities of the Group operate. Updates on relevant legal, regulatory and accounting developments may be in writing or disseminated by way of briefings or presentations. In addition, the Audit Committee Chairman will regularly keep the Board abreast of changes and development within the accounting and financial reporting areas. During the year, briefings were also conducted for the Board and some Directors also attended external briefings on the Director's disclosure obligations, recent developments in the laws on insider trading, and the proposed changes to Code by the regulators. The Company also encourages the Directors to be members of the SID, and for them to receive regular journal updates and training from SID to stay abreast and be apprised of developments in financial, legal, regulatory requirements, and the business environment.

Principle 2: Board Composition and Guidance

There should be a strong and independent element on the Board, which is able to exercise objective judgment on corporate affairs independently, in particular, from Management and 10% Shareholders. No individual or small group of individuals should be allowed to dominate the Board's decision making.

The Board comprises seven members, with Independent Directors comprising more than half of the composition of the Board. The Company conducts an annual review of the size and composition of the Board to ensure that both aspects continue to meet the needs of the Group in managing the businesses as well as maintaining a strong independent element within the composition of the Board. The Board will continuously review this with a view to enhance corporate governance practices in tandem to proposed changes to the Code.

The Nominating Committee is of the view that the current size and composition is appropriate and conducive to the scope and nature of the Group's business, and for facilitating effective exchanges and decision making. The Board proactively seeks to maintain a balanced mix of experiences, competences, and attributes among the Directors, and this is reflected in the diversity of the Board composition in terms of background and competencies. Such experiences and competencies include finance and accounting, sales and marketing, strategic planning, investment management, relevant industry knowledge, entrepreneurial and management experience, familiarity with regulatory requirements and risk management. The Management is provided with full and direct access to the Board which also actively provides guidance and a broad range of views and perspectives.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

Since the beginning of 2014, the Board had included gender diversity as a key focus for Board organizational renewal process. The Nominating Committee had been charged with the responsibility to drive gender diversity in its Board composition to seek out a suitable woman candidate with the appropriate experience, knowledge and skills to value-add to the Board no later than year 2016. The Company is pleased to have achieved this objective with the appointment of Ms Cynthia Phua Siok Gek to the Board.

There exists active participation and engagement among the Directors in often dynamic and stimulating exchanges of views and opinions at both the Committee and Board meetings. The Directors make decisions using their collective wisdom and exercise their individual opinions whilst at all times acting in the best interest of the Group. No individual or group within the Board dominates or is able to dominate the discussion process and decision making. The Non-Executive Directors also meet regularly without Management's presence to discuss matters such as the Board's effectiveness and Management's performance. As and when required, the Non-Executive Directors are also invited to participate to review and deliberate with Management on the Group's business culture, plans and long-term strategies.

On an annual basis, the Directors are each required to provide information on their current shareholding interests, areas of conflicts (if any), Directorship in other companies; and declare their independence (for Independent Directors) and time commitment towards discharging of their responsibilities. The Nominating Committee will determine the independence of each Director based on the definitions and guidelines of independence set out in the Code. In respect of the financial year ended 31 December 2015, the Nominating Committee is satisfied with the independent status of the Independent Directors and the independent element on the Board is maintained.

The duties and responsibilities of the Executive Directors are clearly set out in their service agreements. The Company has an on-going budget for all Directors to receive relevant training. Board members are encouraged to attend seminars and receive training in connection with their duties as Directors in areas such as accounting and legal knowledge, particularly on latest developments to relevant laws, regulations, accounting standards and changing commercial risks to enable them to make well-informed decisions and to ensure that the Directors are competent in carrying out their expected roles and responsibilities.

Principle 3: Chairman and Chief Executive Officer

There should be a clear division of responsibilities at the top of the Company – the working of the Board and the executive responsibility of the Company's business – which will ensure a balance of power and authority, such that no one individual represents a considerable concentration of power.

The Chairman and the Chief Executive Officer ("CEO") positions are held by separate individuals. This is so that an appropriate balance of power and authority, with clear divisions of responsibilities and accountability, can be attained. This segregation of roles also facilitates a healthy, open exchange of views and opinions between the Board and Management in their deliberation of the business, strategic plans and key activities of the Company. The Chairman is not related to the CEO.

The Chairman bears the primary responsibility for the workings of the Board, ensuring its effective function, sets its agenda and ensure that adequate time is available for discussion of all agenda items, in particular strategic issues. He promotes a culture of openness and debate at the Board. He also ensures that the Board meetings, are held whenever necessary; the Directors receive accurate, clear and timely information, encourages constructive relations between Management and the Board, as well as between Executive and Independent Directors and facilitates the effective contribution of Independent Directors; and ensures effective communication with Shareholders. The Chairman also plays an instrumental role in charting corporate directions and strategies, developing business for the Group and providing the Group with strong leadership and vision. He is responsible for promoting high standards of corporate governance.

The CEO is primarily responsible for the day-to-day management of the operations and performance of the Group; and reports to the Board on the Group's operations and performance. He has overall responsibility for the organisational effectiveness and the implementation of policies and decisions of the Board. The CEO works closely with the Chairman on formulating the Group's operational strategies and matters to be tabled at the Board level.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The presence of a strong, independent and active participation of the Independent Directors ensures the proper functioning of the Board and good check and balance. All major decisions made by the Chairman and CEO are reviewed by the Audit Committee. Their performance and appointment to the Board is reviewed by the Nominating Committee and their remuneration packages are reviewed by the Remuneration Committee periodically. As such, the Board believes that there are adequate safety measures in place against an uneven concentration of power and authority, and the Chairman and CEO do not have unfettered powers of decisions.

Mr Lee Suan Hiang, as the Lead Independent Director, coordinates and leads the Independent Directors in providing a non-executive perspective and contributing to a balance of viewpoints on the Board. He is the principal liaison on Board issues between the Independent Directors and the Chairman. He is available to shareholders where they have concerns which contact through the normal channels of the Chairman and CEO or CFO has failed to resolve or is inappropriate.

The Lead Independent Director may call for meetings of Independent Directors from time to time without the presence of other Directors and provide feedback to the Chairman after such meetings.

Principle 4: Board Membership

There should be a formal and transparent process for the appointment and re-appointment of Directors to the Board.

Nominating Committee

All the members of this Committee, including the Chairman, are independent Non-Executive Directors. The Nominating Committee ("NC") comprises:

1.	Mr Lee Suan Hiang	Lead Independent Director	Chairman
2.	Mr Kelvin Tan Wee Peng	Independent Director	Member
3.	Ms Cynthia Phua Siok Gek	Independent Director	Member

The NC is guided by the Terms of Reference approved by the Board and set out the duties and responsibilities of this committee. The NC's principal functions are to:

1. Establish procedures for and make recommendations to the Board on all Board and Committees appointments;
2. Determine orientation programs for new Directors, and recommend opportunities for the continued training and professional development of the Directors;
3. Review and make recommendations to the Board for the re-nomination of Directors, taking into consideration the individual Director's competencies, commitment, contribution and performance, such as his attendance at meetings of the Board and/or Board committees, participation, candour and any special contribution. The NC is able to determine if a Director has adequately and is able to continue carrying out his/her duties as a Director of the Company. Internal guidelines have been set in place to address the competing time commitments faced when Directors serve on multiple boards;
4. Assess a Director's independence annually, bearing in mind the relevant provisions of the Code and all other salient factors;
5. Review the size and composition of the Board with the objective of achieving a balanced Board with a proper mix of experience and expertise and progressive renewal of the Board;
6. Recommend to the Board the performance criteria and processes for appraisals to be used for the evaluation of individual Directors, as well as the effectiveness of the Board as a whole; the criteria and processes are subject to the Board's approval;
7. Review the appointment of relatives of Directors and/or Substantial Shareholders to managerial positions; and
8. Review of board succession plans for Directors, in particular, the Chairman and the CEO.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

In its annual review, the NC evaluates and affirms the independent status of the Directors having considered the guidelines set out in the Code. The NC has confirmed the status of the Non-Executive Directors of the Company as follows:

1.	Mr Lee Suan Hiang	Independent
2.	Mr Kelvin Tan Wee Peng	Independent
3.	Mr Lien Kait Long	Independent
4.	Ms Cynthia Phua Siok Gek	Independent

Although some of the Directors have multiple Board memberships, the NC has considered and is satisfied that each of them is able to and has adequately carried out his duties as a Director of the Company. As time requirements of each director are subjective, the NC has decided not to fix a maximum limit on the number of Directorships a Director can hold. The NC considers that the multiple board representations held presently by its Directors do not impede their respective performance in carrying out their duties to the Company.

The Company's Constitution ("Constitution") provides that at least one-third of its Directors shall retire from office and are subject to re-election at every Annual General Meeting ("AGM"). All Directors are required to retire from office at least once every three years. The NC is satisfied that the Directors who are retiring in accordance with the Constitution at the forthcoming AGM are properly qualified for re-appointment by virtue of their skills, experience and contribution. Newly appointed Directors must also submit themselves for retirement and re-election at the next AGM immediately following their appointment. The Shareholders approve the appointment or re-appointment of Board members at the AGM.

Description of Nominating Process of New Directors

The search and nomination process for new Directors involves a review of the existing size and composition of the Board. In such reviews, the NC endeavours to ensure that the size of the Board is adequate and not unwieldy to interfere with efficiency in decision-making; and the composition of the Board is appropriately diverse with views and opinions for discussion and decision-making. The NC considers factors such as the ability of the potential candidate to contribute to discussions, deliberations and activities of the Board. In addition, the relevant experience, qualification, competence and attributes of the prospective candidates are evaluated in considering their appointment to the Board. In doing so, where necessary and appropriate, the NC may rely on its networking contacts and/or recommendations from fellow Board members to assist with identifying and short listing of candidates.

Key Information regarding Directors

Key information of the Board members is set out in the "Board of Directors" section of this Annual Report.

Principle 5: Board Performance

There should be formal assessment of the effectiveness of the Board as a whole and the contribution by each Director to the effectiveness of the Board.

The Board has established and implemented a formal process for assessing the effectiveness of the Board collectively and individually as well as its board committees. Annually, the NC will lead the Board effectiveness review through an open face-to-face meeting where each predetermined attribute and criteria is discussed and challenged rigorously to reach a consensus on the assessment. Each of the attributes will be scored and instances are cited to demonstrate and substantiate against each attribute score as evidential support. Quantitative and qualitative factors are considered in developing the attributes which include areas of evaluation with respect to Board functions, Board meetings, Board structure and communication. In addition, the Board is also measured on its effectiveness in formulating strategic plans for the Management and monitoring the progress and performance against the set objectives. The Board committees are also evaluated for their effectiveness against their respective terms of reference.

When considering the re-appointment of any Director, the NC evaluates the performance of the Director, with the aim of determining the Director's ability to continue to contribute effectively and demonstrate commitment to the role. This assessment will be done on an annual basis. The criteria adopted in the assessment include whether the Director will continue to demonstrate commitment to the role (including commitment of time for Board and Committee meetings, intensity of participation at meetings and special contributions).

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

Principle 6: Access to Information

In order to fulfil their responsibilities, Board members should be provided with complete, adequate and timely information prior to Board meetings and on an on-going basis so as to enable them to make informed decisions to discharge their duties and responsibilities.

In order for the Board to make an informed decision and to facilitate meaningful deliberated discussions during meetings of the Board and Board Committees, Management provides the Board with adequate and timely information on matters which require the Board's decision or approval, or which the Board should have knowledge of. These include reports relating to the financial and operational performance of the Company, which are circulated to the Board prior to its meetings. Information provided also include background or explanatory information relating to matters to be brought before the Board, copies of disclosure documents, budgets, forecasts and monthly internal financial statements. In respect of budgets, any material variance between the projections and actual results should also be disclosed and explained. For decisions and/or resolutions required on major business plans, the Management provides the Board with detailed Board papers, specifying relevant information and justifications for each proposal for which the Board approval is sought. Such information include relevant historical financial information coupled with future forecasts, opportunities and risk analyses, mitigation plans, and other key integral commercial issues requiring the Board to focus on.

The Board receives from Senior Management quarterly management accounts which present a balanced and understandable assessment of the Group's performance, position and prospects. Besides the provision of such information to the Board, Senior Management also conducts presentations to discuss the information and encourage active exchanges of views and sharing. Monthly meetings are held whereby the Senior Management will present and review monthly performance and associated results. Directors are given separate and independent access to the Company's key management personnel to address any enquiries. Directors are also entitled to request from Management and are provided such additional information as needed in a timely manner to make informed decisions.

Attendance of Senior Management is also required at Board meetings to discuss business units' performances and outlook, challenges, future key business initiatives, and provide additional insights into matters being discussed or respond to queries arising out of these meetings. In addition to Board meetings, the Board also has separate, independent and direct access to the Company's Executive Management team and the Company Secretary. The Audit Committee members are also provided uninterrupted access to the Company's Corporate Sponsor, External and Internal Auditors.

The Company Secretary, and/or her representatives, attends all Board meetings, ensures that Board procedures are complied with, and provides guidance on corporate governance, and on legal and statutory compliance. Under the direction of the Chairman, the Company Secretary ensures that Board procedures and applicable rules and regulations are complied with. The minutes of all Board meetings are circulated to the Board for review. The Directors have separate and independent access to the Company Secretary. The Board reviews and determines the appointment and removal of the Company Secretary. The Directors, whether collectively or individually, may, at the expense of the Company, seek and obtain independent professional advice necessary to discharge their duties effectively.

REMUNERATION MATTERS

Principle 7: Policy for Developing Remuneration Policies

There should be a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of individual Directors. No Director should be involved in deciding his/her own remuneration.

Remuneration Committee

There is a formal and transparent procedure in place for developing policy on executive remuneration and for fixing the remuneration packages of each Director. Directors are not involved in deciding their own remuneration. The Remuneration Committee ("RC") comprises entirely of Independent Directors. The RC also provides oversight on Executive Management's remuneration packages and policy framework.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The RC comprises the following members:

1.	Mr Kelvin Tan Wee Peng	Independent Director	Chairman
2.	Mr Lee Suan Hiang	Lead Independent Director	Member
3.	Mr Lien Kait Long	Independent Director	Member

The principal duties and responsibilities of the RC are to:

- a. Recommend for the entire Board's approval an appropriate framework for remuneration (including but not limited to Director's fees, salaries, allowances, bonuses, options, share-based incentives and awards, and benefits in kind), and specific remuneration packages, of the Board and Senior Management to ensure that it is competitive and sufficient to attract, retain and motivate personnel of the required quality;
- b. Determine the policy for establishing the remuneration packages for Executive Directors and the CEO (or equivalent) and review the service contracts of such employees;
- c. Review the performance of key senior managers to enable the committee to determine their annual remuneration, bonus rewards, etc;
- d. Ensure accountability and transparency in the Company's policies and procedures when determining the remuneration of the Directors and Senior Management; and
- e. Review all matters concerning the remuneration of Non-Executive Directors to ensure that the remuneration is commensurate with the contribution and responsibilities of the Directors.

The RC reviews the performance objectives (including weightage between quantitative financial performance figures as well as qualitative business development and management attributes). Directors' fees are set according to remuneration framework. All Independent Directors are paid Directors' fees, subject to approval at the AGM.

The RC may, from time to time, and where necessary or required, seek advice from external consultants in designing the remuneration framework and policies, and fixing the remuneration packages of individual Directors and Executive Management of the Company. This is to ensure that competitive compensation and progressive policies, with appropriate mix of short and long term incentives, are in place to attract, retain and motivate competent and committed Management. The most recent exercise was conducted in 2014, whereby the Company engaged the services of a remuneration external consultant, Freshwater Advisers, to conduct remuneration benchmarking exercise of the directors and senior management of the Company. The results of the benchmarking exercise were tabled, discussed, and used to review the directors and senior management remuneration packages. The remuneration consultant does not have any relationship with the Company.

Principle 8: Level and Mix of Remuneration

The level of remuneration should be aligned with the long-term interest and risk policies of the Company appropriate to attract, retain and motivate the Directors needed to run the Company successfully but companies should avoid paying more than is necessary for this purpose. A significant proportion of Executive Directors' remuneration should be structured so as to link rewards to corporate and individual performance.

In making its recommendations to the Board on the level and mix of remuneration, the Remuneration Committee seeks to be competitive in order to attract, motivate and retain high-performing executives to drive the Group's businesses whilst operating within the Group's risk parameters, so as to maximise long-term Shareholder value. In its deliberation of remuneration level and mix, the RC takes into consideration industry practices and benchmarks against relevant industry players as well as comparable positional responsibilities to ensure that its remuneration practices are competitive. The Company adopts a performance-driven and meritocratic approach to compensation, with rewards linked to individual and corporate performance to align interests of Management with those of Shareholders and promote the long-term success of the Company. Such performance-related remuneration should take into account the risk policies of the Company, be symmetric with risk outcomes and be sensitive to the time horizon of risks.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The Company's remuneration framework comprises a fixed component in the form of a basic salary, a variable component linked to the performance of the individual and the Company, and a long-term incentive. The Executive Director's and Executive Management's service contract is for a fixed period (average and mostly on a 3-year term) which is not excessively long. It also does not contain onerous removal clauses.

The Board is satisfied that there are adequate safeguards in the control and governance framework to ensure the executive directors and key management personnel uphold a high standard of integrity and conduct in the best interest of the Company. The Board also recognize the value of the use of contractual provisions to allow the Company to reclaim incentive components of remuneration from executive directors and key management personnel in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company, and will appropriately implement them in the next renewal or revision of their service contract.

Long Term Incentive Plans

The RC also administers the Company's share-based remuneration incentive plans; namely, the Viking Long Term Incentive Plan (the "VLTIP"), and the Viking Offshore and Marine Limited Share Option Scheme (the "VOM Scheme").

Through the VLTIP and VOM Scheme, the Company aims to foster a greater ownership culture within the Group by directly aligning the interests and rewards of key executives with the interest of the Shareholders, and to participate and share in the Group's growth and success.

Under the terms of the VOM Scheme and VLTIP, all employees of the Group companies are eligible to participate in the incentive scheme. The Company plans to use these incentive schemes towards the remuneration mix of Senior Management and Senior Executives. This will afford the Company greater flexibility and effectiveness in designing compensation packages in its efforts to attract, motivate and retain valued talented Senior Executives and to also reward them for the performance of the Company and that of the individual.

While the Company intends to use the VOM Scheme towards efforts to retain talented Senior Executives and Management, the VLTIP is geared towards motivating Senior Executives and Management towards achievement of target-based performance objectives. The VLTIP targets Senior Management in key positions who shoulder the responsibility of the Company's performance as well as influence the growth and performance of the Company through high performance. It also serves as motivation to key Senior Management in delivering high performance and aligning to enhancing longer-term Shareholder value.

Under the VLTIP, most of the grant of share award will be conditional upon the achievement of pre-determined and agreed performance targets for the year for the individuals or collective group of individuals. These share awards represent individual's right to receive fully-paid shares of the Company when and if their predetermined conditions have been met. The number of shares to be released will vary with the achievement level of the individual employee.

In using the VOM Scheme towards the retention of talented employees, the grant of options is made based on the retention value assessed on the individual on whom the options were granted. There are no predetermined performance targets on which the grant is conditional upon, these options are expected to vest after twelve (12) months and exercisable within sixty (60) months from date of grant.

The RC is of the opinion that the current share scheme, including the vesting period and exercise conditions is in line with the remuneration and incentive framework for the directors and key management personnel. The RC will evaluate the use of vesting schedules, whereby only a portion of the benefits can be exercised each year, as and when appropriate.

The directors and key management personnel are encouraged to keep their shares beyond the vesting period, subject to the need to finance any costs of acquisition and associated tax liability.

The maximum number of Company's shares which can be released under the combined limits of both the VLTIP and VOM Scheme will not exceed ten percent (10%) of the issued share capital of the Company.

Details of employee share schemes which include, size of grants, methodology of valuing stock options, exercise price of options that were granted as well as outstanding, whether the exercise price was at the market or otherwise on the date of grant and vesting schedule are disclosed in the Directors' Statement and the notes to financial statements in this Annual Report.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

Principle 9: Disclosure on Remuneration

Each Company should provide clear disclosure of its remuneration policy, level and mix of remuneration, and the procedure for setting remuneration in the Company's annual report. It should provide disclosure in relation to its remuneration policies to enable investors to understand the link between remuneration paid to Directors and key executives, and performance.

Remuneration of Directors and Key Management Personnel

Although the Code recommends full disclosure in aggregate to the nearest thousand dollars of the total remuneration paid to each individual Director and the CEO on a named basis, the Board is of the opinion that it is not in the best interest of the Company to disclose the exact details of their remuneration due to the competitiveness of the industry for key talent.

The remuneration of Directors and Key Management Personnel (who are not also Directors) of the Group, is set out below:

Directors' Remuneration

Directors	Fee	Salary	Bonus	Allowance	Shares	Total
Between \$500,001 and \$750,000						
Mr Andy Lim	0%	80%	0%	12%	8%	100%
Between \$250,001 and \$500,000						
Mr Ong Choo Guan	0%	83%	0%	7%	10%	100%
Mr Daniel Lin Wei ⁽¹⁾	0%	83%	0%	10%	7%	100%
Less than \$250,000						
Mr Lee Suan Hiang	91%	0%	0%	0%	9%	100%
Mr Lien Kait Long	92%	0%	0%	0%	8%	100%
Mr Kelvin Tan Wee Peng	92%	0%	0%	0%	8%	100%
Ms Cynthia Phua Siok Gek	100%	0%	0%	0%	0%	100%

Note:

- ⁽¹⁾ Mr Daniel Lin Wei is the son of Mr Andy Lim, a Substantial Shareholder and Executive Director of the Company. His remuneration is within the band of \$250,001 and \$500,000.

Top 5 Key Management Personnel's Remuneration

Key Management Personnel	Fee	Salary	Bonus	Allowance	Shares	Total
Between \$250,001 and \$500,000						
Mr Low Jooi Kok	0%	83%	0%	8%	9%	100%
Mr Ng Yeau Chong	0%	83%	0%	9%	8%	100%
Mr Frederic Louis Serna	0%	80%	9%	8%	3%	100%
Less than \$250,000						
Mr Jeffrey Tay Mong Seng	81%	0%	0%	0%	19%	100%
Mr Lawrence Peh Chee Oon	0%	88%	7%	0%	5%	100%

The aggregate total remuneration for the top 5 key management personnel (who are not Directors or CEO) approximate \$1.39 million (FY2014 - \$1.51 million) for the year ended 31 December 2015.

Save as disclosed above, there are no employees who are immediate family members of a Director or the CEO, and whose remuneration exceeds \$50,000 during the year.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The Company did not grant any termination, retirement and post-employment benefits to the directors, the CEO and the rest of the key management personnel.

Directors' Fees

The remuneration of Independent Directors takes into account their level and quality of contribution and their respective responsibilities, including committees' appointment holder, attendance and time spent at Board and/or Committee meetings. Directors are paid basic and attendance fees for attending Board meetings. Independent Directors who serve on the respective Board Committees are paid additional basic and attendance fees for such services. The Directors' fees are pro-rated according to their appointment and retirement date for the year, where applicable. No Director decides his/her own fees.

To ensure competitiveness, the Company conducts periodic reviews of Directors' remuneration to benchmark its Directors' fees against the amounts paid by other comparable listed companies. There is no change to the current fee structure as set out below:

		Fee (\$)
Board of Directors (Basic fee)		25,000
Audit Committee	Chairman	20,000
	Member	10,000
Remuneration Committee	Chairman	12,000
	Member	6,000
Nominating Committee	Chairman	12,000
	Member	6,000

It remains the practice of the Company to pay Directors' fees throughout the year during their respective tenure of service. In this regard, the Company will be seeking Shareholders' approval at the AGM of the Company, for the payment of Directors' fees proposed for the financial year ending 31 December 2016 amounting to \$180,000 (2015: \$200,000).

For better alignment with Shareholders' interest, Directors and key executives of the Company are encouraged to purchase the Company's shares from the open market and to hold such shares on a long term basis, subject to their compliance with applicable laws and regulations. Independent Directors may purchase and hold Company's shares provided their independence remain uncompromised during the period and at any point in time. All shareholdings of the Company's shares by Directors and key executives will be declared in a timely manner and fully disclosed in compliance with regulations and reporting requirements.

ACCOUNTABILITY AND AUDIT

Principle 10: Accountability

The Board should present a balanced and understandable assessment of the Company's performance, position and prospects.

The Company prepares its financial statements in accordance with the Singapore Financial Reporting Standards ("FRS") prescribed by the Accounting Standards Council. Effective 1 January 2011, the Company disseminates quarterly, half-year and full-year financial results and other related material information of the Group to Shareholders via announcements to the SGX-ST and, where appropriate, press releases, and media and analyst briefings. In communicating and disseminating its results, the Company aims to present a balanced and clear assessment of the Group's performance, position and prospects. In addition, where appropriate and necessary, details on the Group's diverse business operations are also discussed to provide Shareholders and public with clarity and better understanding of its business portfolio.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The Board has taken adequate steps to ensure compliance with legislative and regulatory requirements, including requirements under the listing rules of SGX. Senior Management also provides all members of the Board with management accounts on a quarterly basis and such explanation and information as the Board may require from time to time to enable the Board to make a balanced and informed assessment of the Company's performance, position and prospects.

Principle 11: Risk Management and Internal Controls

The Board is responsible for the governance of risk. The Board should ensure that Management maintains a sound system of risk management and internal controls to safeguard Shareholders' interests and the Company's assets, and should determine the nature and extent of the significant risks which the Board is willing to take in achieving its strategic objectives.

RISK MANAGEMENT

Management regularly reviews the Group's business and operational activities to identify areas of significant business risks as well as appropriate measures to control and mitigate these risks within the Group's policies and strategies. The Company has an Enterprise Risk Management Framework in place for the Group. The said Framework has been reviewed by the Audit Committee ("AC") and approved by the Board of Directors. The AC and the Management will continually assess the adequacy and effectiveness of the risk management framework and processes.

INTERNAL CONTROLS

The Board is responsible for the overall internal control framework and is fully aware of the need to put in place a system of internal controls within the Group to safeguard Shareholders' interests and the Group's assets, and to manage risks. The Board recognises that no cost effective internal control system will preclude all errors and irregularities, as a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss. The Company's internal auditor conducts an annual review of the effectiveness of the Company's material internal control systems including financial, operational, compliance and information technology controls and risk assessment to ensure the adequacy thereof. In addition, an annual review is also conducted to ensure that safeguards, checks and balances are put in place to prevent any conflict of interest or any weakening of internal controls. Any material non-compliance or failures in internal controls and recommendations for improvements are reported to the AC. The AC also reviews the effectiveness of the actions taken by the Management on the recommendations made by the internal auditor in this respect.

The Board has also received assurance from the Chief Executive Officer and the Chief Financial Officer that (i) the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances and (ii) the Company's risk management and internal control systems in place are effective.

Based on the internal controls established and maintained by the Group, works performed by external and internal auditors and actions taken by the management on the on-going review and continuing efforts at enhancing controls and processes, the Board with the concurrence of the AC, is of the view that the system of internal control (including financial, operational, compliance and information technology controls, and risk management systems) maintained by the Company's Management is adequate and effective against material financial misstatements or loss, and includes the safeguarding of Shareholders' investments and the Company's assets, the maintenance of proper accounting records, the reliability of financial information, compliance with appropriate legislation, regulation and best practice, and the identification and management of business risks.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

Principle 12: Audit Committee

The Board should establish an Audit Committee with written terms of reference which clearly set out its authority and duties.

On behalf of the Board, AC undertakes the monitoring and review of the system of internal controls. Amongst others, the primary responsibilities are to assist the Board in providing oversight over the Company's performance in areas of internal controls, financial and accounting practices, operational and compliance controls, and corporate and financial risk management. Significant findings are reported to the Board and recommended remedial plans are implemented towards improving overall controls and risk management posture of the Company.

The AC is guided by the established Terms of Reference endorsed by the Board which sets out its duties and responsibilities. It is fully empowered to investigate any matter within the Terms of Reference, and has full access to and the cooperation of the Management, as well as the full discretion to invite any Director or executive officers of the Management to attend its meetings, or provide such information/documents as it may require, and assist in its investigation. The AC is kept abreast by the external auditors of changes to accounting standards, Listing Rules of the SGX-ST and other regulations which could have an impact on the Group's business and financial statements.

The AC comprises the following Independent Directors:

1.	Mr Lien Kait Long	Independent Director	Chairman
2.	Mr Lee Suan Hiang	Lead Independent Director	Member
3.	Mr Kelvin Tan Wee Peng	Independent Director	Member
4.	Ms Cynthia Phua Siok Gek	Independent Director	Member

All the members of the AC, including the Chairman, are Independent Directors. The members of the AC possess the necessary and appropriate attributes and qualifications. Their individual and collective wealth of experience and expertise on accounting and financial management enables them to effectively carry out their duties and discharge their responsibilities competently. The Board is satisfied that the AC has reasonable resources and competencies to perform its functions and to provide effective oversight over the Group's internal controls and risk management.

The principal duties, responsibilities and activities of the AC are to:

1. Review the audit plans of the internal and external auditors of the Company and ensure the adequacy of the Group's system of accounting controls and the co-operation given by the Company's Management to the external and internal auditors;
2. Review the quarterly, half-yearly and annual financial statements and the auditors' report of the Group and the Company before submitting to the Board of Directors; such reviews will also include the review of the significant financial reporting issues and judgments so as to ensure the integrity of the financial statements of the Company and any formal announcements relating to the Group's financial performance;
3. Review and report to the Board at least annually, with the management and the internal auditor the adequacy and effectiveness of the Group's internal controls, including financial, operational, compliance and information technology controls, and risk management policies and systems established by the Management;
4. Review the adequacy and effectiveness of the Group's internal audit function; including the audit plans for the year;
5. Review legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programs and any reports received from regulators;
6. Review the cost effectiveness and the independence and objectivity of the external auditors;
7. Review the nature and extent of non-audit services provided by the external auditors;

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

8. Review the currency of the whistle-blowing policies and the reported incidents, including the appropriate investigations and ensuring appropriate follow-up actions, where necessary;
9. Make recommendations to the Board on the proposals to the Shareholders on the appointment, reappointment and removal of the external auditor, and approve the remuneration and terms of engagement of the external auditor; and
10. Review interested person transactions in accordance with the requirements of the listing rules of the Singapore Exchange.

The AC also meets with internal and external auditors without the presence of the Management at every half-yearly intervals to obtain feedback on the competency and adequacy of the finance function and to ascertain if there is any material weakness in control effectiveness in the Group's financial reporting and operational systems. Besides scheduled meetings, the external auditors and the AC Chairman have direct and open access channels of communication.

The AC confirms that the Company and the Group complies with Catalist Listing Rule 712, 715 and 716.

The AC reviews and makes recommendations to the Board for approval by Shareholders, the appointment, re-appointment and removal of the Company's external auditors. It also reviews and approves the remuneration and terms of engagement of the external auditors. The AC also reviews the independence and objectivity of the external auditor annually. Having reviewed all non-audit services provided by the external auditors to the Group, the AC is satisfied that the nature and extent of such services would not affect the independence of the external auditors. The amount paid and payable to external auditors for audit and non-audit services fees were \$222,721 and \$46,650 respectively, for the financial period under review.

The AC also conducts a review of Interested Person Transactions ("IPT") to ensure that there are no improper activities of the Company. The Company does not have any IPT that are entered into pursuant to Shareholders' mandate approved at the AGM. All other IPTs which are not subjected to any Shareholders' mandate are also reviewed by the AC and ensured the proper disclosures made. Accordingly, the AC is satisfied that all material IPTs which warrant disclosure or further discussion have been properly reviewed and announced, where applicable; and there are no improprieties in this area.

Code of Conduct

The Directors, officers and employees of the Company are required to observe, uphold and maintain high standards of integrity and propriety in carrying out their roles and responsibilities, and to comply with applicable laws and regulations as well as the Group's human resource and finance processes. Similarly, such behaviour and conduct is expected of our employees in their dealings with fellow employees, customers, suppliers and business associates.

The Company has in place a whistle-blowing framework where employees of the Company may raise concerns about possible corporate improprieties in matters of financial reporting or other matters in confidence. To ensure an independent investigation of such matters and appropriate follow-up action is taken, all Whistle-blowing reports are sent to the AC Chairman and/or members who are also Independent Directors. Details of Whistle-blowing policy and arrangements have been made available to all employees.

Principle 13: Internal Audit

The Company should establish an effective internal audit function that adequately sources and independent of the activities it audits.

The Board recognises that it is its responsibility to maintain a system of internal control processes to safeguard Shareholders' investments and the Group's business and assets. Periodic review and testing of the system of internal controls is an important exercise to ensure that the control mechanism in place is working in the intended manner for which it is designed for. While the importance of working internal controls cannot be discounted, the Board also recognised that the size of the Group may not warrant and it will not be a cost-effective or efficient solution to have an internal audit function and team within the organisational setup.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

Accordingly, the Group will achieve the objective of an internal audit function through engaging an outside reputable professional accounting firm, PricewaterhouseCoopers LLP to perform an internal audit on the business operations. The internal auditor meets or exceeds the standards set by nationally or internationally recognised professional bodies including the Standards for the Professional Practice of Internal Auditing set by The Institute of Internal Auditors. The scope of the internal audit as well as the terms of engagement is determined by the AC. The Internal Auditor has unrestricted access to all the Company's documents, records, properties and personnel, including access to the AC. All such internal audit reports, including findings and recommendations, are communicated to the AC for review and concurrence, with the Management provided with similar report for implementation and follow-up actions. Key audit findings and recommendations are tabled for discussion at the AC meetings, and the timeliness and progress of implementing the corrective or improvement actions are measured and reported.

The AC approves the hiring, removal, evaluation and compensation of the internal auditor. The AC reviews at least annually the internal audit report and approves the annual internal audit plans to ensure the adequacy and effectiveness of this alternate internal audit function. The AC will implement the changes when the Group's operations and size grows to a point whereby a staffed internal audit team will be required. Considering the above condition and solution, the AC and the Board is reasonably assured that the objective of an internal audit function can and is achieved through a balanced and measured manner. The AC has reviewed the internal audit plan and the reported audit findings for FY2015; and is satisfied that the internal audit functions have been adequately carried out.

SHAREHOLDER RIGHTS

Principle 14: Shareholder Rights

Companies should treat all Shareholders fairly and equitably, and should recognise, protect and facilitate the exercise of Shareholders' rights, and continually review and update such governance arrangements.

To facilitate Shareholders' ownership rights, the Company ensures that all material information is disclosed on a comprehensive, accurate and timely basis. The Company recognises that the release of timely and relevant information is central to good corporate governance and enables Shareholders to make informed decisions in respect of their investments in the Company. All Shareholders are entitled to attend the AGM and are accorded the opportunity to participate effectively in the AGM. The Constitution allows a Shareholder to appoint up to two proxies to attend and vote in the Shareholders' place at the AGM.

COMMUNICATION WITH SHAREHOLDERS

Principle 15: Communication with Shareholders

Companies should actively engage their Shareholders and put in places an investor relations policy to promote regular, effective and fair communication with Shareholders.

The Company aims to provide fair, relevant, comprehensive and timely information regarding the Group's performance and progress, and other pertinent information to Shareholders and investment community to enable them to make informed investment decisions. The Board is mindful of its obligation to provide timely and fair disclosure of any material information in accordance with the Corporate Disclosure Policy of the Singapore Exchange.

The Company works with an outside professional investor relations firm to plan, coordinate and implement its investor relations initiatives focusing on communications between the Company's Management and its Shareholders, as well as the investment community. In addition, the Company's Management is also active in regular dialogues with investors, analysts, fund managers and the media/press community. Material price sensitive and other pertinent information of interest to these communities and the general public are communicated and/or made publicly available on a timely basis. Material information is simultaneously disseminated to the SGX-ST, and where relevant, the press and posted on the Company's website at www.vikingom.com. Results and Annual Report are announced or issued within the mandatory period and are available on the Company's website.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

In addition to regulatory required information disclosures, the Company also makes available briefing materials to the analysts and media, and other materials prepared for selected group briefings and road shows are also provided to the public to ensure equal information access and general availability. Contact details and channels of communications with Shareholders and public remain open and relevant information is duly updated and conveyed via the Company's websites and email channels.

The Group does not have a fixed dividend policy. The form, frequency and amount of dividends declared each year will take into consideration the Group's profit growth, cash position, positive cash flow generated from operations, projected capital requirements for business growth and other factors as the Board may deem appropriate.

Principle 16: Conduct of Shareholder Meetings

Companies should engage greater Shareholder participation at general meetings of Shareholders, and allow Shareholders the opportunity to communicate their views on various matters affecting the Company.

The Board welcomes the view of Shareholders on matters affecting the Company, whether at Shareholders' meetings or on an ad hoc basis. The Board encourages active Shareholder participation in general Shareholders meetings, including AGMs and EGMs. It believes that general meetings are an opportune forum and suitable platform for Shareholders and the Board and Management of the Company to engage in active exchange of ideas. In addition, the Company holds such Shareholders' meetings onsite at its premises in order to provide Shareholders with greater opportunity to understand and appreciate the Company's business operations.

The Company sends its Annual Report and Notice of AGM to all Shareholders. The Notice will also be published in either The Straits Times or The Business Times newspapers and will be made available on SGXNET and the Company website.

The Company provides for separate resolutions at general meetings on each distinct issue. All the resolutions at the general meetings are single item resolutions. Detailed information on each item in the AGM agenda is in the explanatory notes to the AGM Notice in the Annual Report.

At its AGM, Shareholders have the opportunity to raise questions to the Board and Senior Management, and clarify with them any issues they may have relating to the resolutions to be passed. Board members and Senior Management are required to attend Shareholders' meetings and are on hand to address any questions raised. The Company's external auditors are also present to address Shareholders' queries on the conduct of audit and the preparation and content of the auditors' report, where necessary and appropriate.

The Company Secretary or her representative prepares minutes of Shareholders' meetings which captures the essence of the comments and queries from Shareholders and responses to them from the Board and management.

The Company will be conducting the voting for all the resolutions by poll at all the forthcoming AGM and EGMs for greater transparency in the voting process.

DEALINGS IN SECURITIES

Listing Rule 1207 sub-Rule (19)

In line with Listing Rule 1207(19) of the SGX-ST Listing Manual regarding the Dealings in Securities, the Company issues a quarterly circular to its Directors, officers and employees reminding them of the restrictions on dealings in listed securities of the Group during the period commencing (i) two weeks before the announcement of quarterly results and (ii) one month before announcement of full-year results, and ending on the date of such announcements. Directors, officers and employees are also directed to refrain from dealing in listed securities of the Group at any time they are in possession of unpublished price sensitive information, or on short-term considerations.

CORPORATE GOVERNANCE REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

MATERIAL CONTRACTS

Save for those disclosed under the section "Interested Person Transactions", there were no material contracts entered into by the Company and its subsidiaries involving the interests of its CEO, Directors or Controlling Shareholders.

INTERESTED PERSON TRANSACTIONS

The Company has adopted an internal policy in respect of transactions with interested persons and has set out the procedures for review and approval of the Company's interested person transactions.

The AC and the Board reviews all transactions conducted with interested person to satisfy themselves that transactions are carried out at arm's length and under normal commercial terms, and the terms of the transactions are not prejudicial to the interests of the Company or its minority Shareholders.

The Company does not have any prior Shareholders' mandate pursuant to Rule 920. There were IPTs conducted during the financial year with the details of these IPTs set out as follows:

Name of Interested Person	Aggregate value of all interested person transactions during the financial year (excluding transactions less than \$100,000 and transactions conducted under Shareholders' mandate pursuant to Rule 920)	Aggregate value of all interested person transactions conducted under Shareholders' mandate pursuant to Rule 920 (excluding transactions less than \$100,000)
Mr Andy Lim (Chairman and Executive Director, and Controlling Shareholder)	1,442,577	There are no Shareholders' mandate pursuant to Rule 920

Notes:

- The above IPT relates mainly to financial assistance provided by companies which are controlled by Mr Andy Lim to the Company's subsidiaries in support of funding requirements for specific transactions and purposes.
- Viking LR2 Pte Ltd ("LR2"), a wholly-owned subsidiary of Viking Asset Management Pte Ltd which in turn is wholly-owned by Viking Offshore and Marine Limited, entered into a loan agreement with Tembusu Growth Fund II Ltd ("Tembusu") whereby Tembusu granted a 2-year term loan to LR2 of S\$6 million. Mr Andy Lim is the Chairman and Executive Director of the Company, and the Controlling Shareholder of the Company. He is also a director and shareholder of Tembusu Partners Pte Ltd (being the investment vehicle and fund manager of Tembusu). Accordingly, the Company is of the view that Tembusu should be deemed an associate of Mr Andy Lim and thus an "interested person" for the purposes of Chapter 9 of the Listing Manual. The interest on the loan is at the rate of 5% per annum and payable every 6-monthly period. LR2 shall repay the loan in full after 24 months from the First Drawdown Date (the "Maturity Date") by way of paying to Tembusu such amount representing an internal rate of return of 15% per annum on the loan (less all interest which have been paid prior to the Maturity Date). The loan is secured via a corporate guarantee provided by Viking Offshore and Marine Limited.

SPONSOR

No fees relating to non-sponsorship activities or services were paid to the Company's sponsor for the financial year ended 31 December 2015.

DIRECTORS' STATEMENT

The directors hereby present their statement to the members together with the audited consolidated financial statements of Viking Offshore and Marine Limited (the "Company") and its subsidiaries (collectively, the "Group") and the balance sheet and statement of changes in equity of the Company for the financial year ended 31 December 2015.

1. OPINION OF THE DIRECTORS

In the opinion of the directors,

- (a) the consolidated financial statements of the Group and the balance sheets and statement of changes in equity of the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2015 and the financial performance, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date; and
- (b) at the date of this statement there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

2. DIRECTORS

The directors of the Company in office at the date of this statement are:

Lim Andy
Ong Choo Guan
Lin Wei Daniel
Lee Suan Hiang
Lien Kait Long
Tan Wee Peng Kelvin
Phua Siok Gek, Cynthia (appointed on 1 June 2015)

3. ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES, DEBENTURES AND WARRANTS

Except as disclosed below, neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares, debentures or warrants of the Company or any other body corporate.

DIRECTORS' STATEMENT

4. DIRECTORS' INTERESTS IN SHARES, DEBENTURES AND WARRANTS

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under Section 164 of the Singapore Companies Act, Chapter 50, an interest in shares and share options of the Company and related corporations (other than wholly-owned subsidiaries) as stated below:

Name of director	Direct Interest			Deemed Interest

DIRECTORS' STATEMENT

4. DIRECTORS' INTERESTS IN SHARES, DEBENTURES AND WARRANTS (CONT'D)

Except as disclosed in this report, no director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or date of appointment if later, or at the end of the financial year.

5. OPTIONS

At an extraordinary general meeting held on 3 November 2010, shareholders approved the Viking Offshore and Marine Limited Share Option Scheme (the "VOM Scheme") for the granting of non-transferable options that are settled by physical delivery of the ordinary shares of the Company, to eligible group employees and directors.

The Remuneration Committee (the "Committee") administering the VOM Scheme comprises three directors, Tan Wee Peng Kelvin, Lee Suan Hiang and Lien Kait Long.

During the financial year, no new share options were granted under the VOM Scheme.

Details of the options to subscribe for ordinary shares of the Company pursuant to the VOM Scheme as at 31 December 2015 are as follows:

Grant date	Expiry date	Exercise price	Balance as at beginning of the financial year	Expired	Number of options
20.12.2010	19.12.2015	0.1897	2,108,714	(2,108,714)	–
8.6.2012	7.6.2017	0.1043	13,179,464	–	13,179,464
			15,288,178	(2,108,714)	13,179,464

Details of the options to subscribe for ordinary shares of the Company granted to directors of the Company pursuant to the VOM Scheme are as follows:

Name of participant	Aggregate options granted since commencement of Scheme to end of financial year	Options granted during the financial year	Aggregate options exercised since commencement of Scheme to end of financial year	Aggregate options outstanding as at end of financial year
Lim Andy	3,690,250	–	–	3,690,250
Ong Choo Guan	2,635,892	–	–	2,635,892
Lin Wei Daniel	316,307	–	–	316,307
Lee Suan Hiang	316,307	–	–	316,307
Lien Kait Long	316,307	–	–	316,307
Tan Wee Peng Kelvin	316,307	–	–	316,307
Total	7,591,370	–	–	7,591,370

DIRECTORS' STATEMENT

5. OPTIONS (CONT'D)

Details of the options granted to directors and employees of the Company and its subsidiaries pursuant to the VOM Scheme are as follows:

Aggregate options granted since commencement of Scheme to end of financial year	Options granted during the financial year	Aggregate options exercised since commencement of Scheme to end of financial year	Aggregate options expired since commencement of scheme to end of financial year	Aggregate options outstanding as at end of financial year
15,288,178	–	–	(2,108,714)	13,179,464

Since the commencement of the VOM Scheme till the end of the financial year:

- No options have been granted to the controlling shareholders of the Company and their associates other than a director, Lim Andy.
- No participant other than two directors, Lim Andy and Ong Choo Guan mentioned above have received 5% or more of the total options available under the Schemes.
- No options that entitle the holder to participate, by virtue of the options, in any share issue of any other corporation have been granted.
- No options have been granted at a discount.

6. VIKING LONG TERM INCENTIVE PLAN

The Viking Long Term Incentive Plan (the "VLTIP") was approved by the shareholders at an extraordinary general meeting held on 15 December 2011 and is administered by the Committee. Persons eligible to participate in the VLTIP are selected by Group Employees (including Group Executive Directors) and Group Non-Executive Directors at the absolute discretion of the Committee.

The awards under the VLTIP (the "Awards") give the right to a participant to receive fully-paid ordinary shares free of charge, upon the participant achieving the prescribed performance targets and upon expiry of the prescribed vesting period.

The performance targets to be set shall take into account both the medium-term to long-term corporate objectives of the Group and the individual performance of the participant and will be aimed at sustaining long-term growth. The corporate objectives shall cover market competitiveness, business growth and productivity growth. In addition, the participant's length of service with the Group, achievement of past performance targets, value-add to the Group's performance and development and overall enhancement to shareholder value, amongst others, will be taken into account.

Details of the Awards of the Company pursuant to the VLTIP are as follows:

Grant date	Balance as at 1.1.2015	Grants during the financial year	Vested during the financial year	Forfeited during the financial year	Balance as at 31.12.2015
29.04.2014	3,300,000	–	(3,300,000)	–	–
29.04.2015	–	2,300,000	–	–	2,300,000

During the financial year, 1,150,000 awards were granted under the VLTIP to directors of the Company.

DIRECTORS' STATEMENT

7. WARRANTS

At the end of the financial year, details of the outstanding warrants are as follows:

Date of issue	Warrants outstanding at 1.1.2015	Warrants issued	Warrants exercised	Warrants expired	Warrants outstanding at 31.12.2015	Date of expiration
26.04.2013	119,113,066	–	–	–	119,113,066	25.04.2018

On 26 April 2013, the Company allotted and issued 119,114,466 new ordinary shares ("Rights Shares") at an issue price of \$0.08 for each Rights Share and 119,114,466 free detachable warrants ("Warrants") pursuant to a renounceable and partially underwritten rights issue. Each Warrant carries the right to subscribe for one new ordinary share in the capital of the Company at an exercise price of \$0.138 for each new ordinary share and is exercisable during a five year period from the date of issue.

8. AUDIT COMMITTEE

The Audit Committee ("AC") carried out its functions in accordance with Section 201B(5) of the Singapore Companies Act, Chapter 50, including the following:

- Review the audit plans of the internal and external auditors of the Group and the Company and ensure the adequacy of the Group's system of accounting controls and the Group and the co-operation given by the Company's management to the external and internal auditors;
- Review the quarterly, half-yearly and annual financial statements and the auditors' report on the annual financial statements of the Group and the Company before submitting to the Board of Directors; such reviews will also include the review of the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any formal announcements relating to the Group's financial performance;
- Review and report to the Board at least annually, with the management and the internal auditor on the adequacy and effectiveness of the Group's internal controls including financial, operational, compliance and information technology controls, and risk management policies and systems established by the management;
- Review the adequacy and effectiveness of the Group's internal audit function; including the audit plans for the year;
- Review legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- Review the cost effectiveness and the independence and objectivity of the external auditors;
- Review the nature and extent of non-audit services provided by the external auditors;
- Review the currency of the whistle-blowing policies and the reported incidents, including the appropriate investigations and ensuring appropriate follow-up actions, where necessary;
- Make recommendations to the Board on the proposals to the shareholders on the appointment, reappointment and removal of the external auditor, and approve the remuneration and terms of engagement of the external auditor; and
- Review interested person transactions in accordance with the requirements of the listing rules of the Singapore Exchange.

DIRECTORS' STATEMENT

8. AUDIT COMMITTEE (CONT'D)

The AC, having reviewed all non-audit services provided by the external auditor to the Group, is satisfied that the nature and extent of such services would not affect the independence of the external auditor. The AC has also conducted a review of interested person transactions.

The AC convened four meetings during the year with full attendance from all members. The AC has also met with internal and external auditors, without the presence of the Company's management, at least once a year.

Further details regarding the AC are disclosed in the Report on Corporate Governance.

9. AUDITOR

Ernst & Young LLP have expressed their willingness to accept reappointment as auditor.

On behalf of the board of directors:

Lim Andy
Director

Ong Choo Guan
Director

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VIKING OFFSHORE AND MARINE LIMITED

FOR THE YEAR ENDED 31 DECEMBER 2015

Report on the financial statements

We have audited the accompanying consolidated financial statements of Viking Offshore and Marine Limited (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2015, the consolidated statement of comprehensive income and consolidated cash flow statement of the Group and the statements of changes in equity of the Group and the Company for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2015 and of the financial performance, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date.

Report on other legal and regulatory requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

1. CORPORATE INFORMATION

Viking Offshore and Marine Limited (the "Company") is a limited liability company incorporated and domiciled in Singapore and is listed on the Singapore Exchange Securities Trading Limited (SGX-ST).

The registered office and principal place of business of the Company is located at 21 Kian Teck Road, Singapore 628773.

The principal activities of the Company are the provision of management and other services to related companies and investment holding. The principal activities of the subsidiaries are disclosed in Note 13 to the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 *Basis of preparation*

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (FRS).

The financial statements have been prepared on a historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (SGD or \$).

2.2 *Changes in accounting policies*

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Group has adopted all the new and revised standards which are effective for annual financial periods beginning on or after 1 January 2015. The adoption of these standards did not have any effect on the financial performance or position of the Group and the Company.

2.3 *Standards issued but not yet effective*

The Group has not adopted the following standards that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to FRS 27 <i>Equity Method in Separate Financial Statements</i>	1 January 2016
Amendments to FRS 16 and FRS 38 <i>Clarification of Acceptable Methods of Depreciation and Amortisation</i>	1 January 2016
Amendments to FRS 111 <i>Accounting for Acquisitions of Interest in Joint Operations</i>	1 January 2016
Improvements to FRSs (November 2014)	
- Amendments to FRS 105 <i>Non-current Assets Held for Sale and Discontinued Operations</i>	1 January 2016
- Amendments to FRS 107 <i>Financial Instruments: Disclosures</i>	1 January 2016
- Amendments to FRS 19 <i>Employee Benefits</i>	1 January 2016
Amendments to FRS 1 <i>Disclosure Initiative</i>	1 January 2016
Amendments to FRS 110, FRS 112 and FRS 28 <i>Investment Entities: Applying the Consolidation Exception</i>	1 January 2016
Amendments to FRS 7 <i>Disclosure Initiative</i>	1 January 2017
Amendments to FRS 12 <i>Recognition of Deferred Tax Assets for Unrealised Losses</i>	1 January 2017
FRS 115 <i>Revenue from Contracts with Customers</i>	1 January 2018
FRS 109 <i>Financial Instruments</i>	1 January 2018
Amendments to FRS 110 and FRS 28 <i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	To be determined

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.3 *Standards issued but not yet effective (cont'd)*

Except for FRS 115 *Revenue from Contracts with Customers* and FRS 109 *Financial Instruments*, the directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of FRS 115 and FRS 109 are described below.

FRS 115 *Revenue from Contracts with Customers*

FRS 115 establishes a five-step model that will apply to revenue arising from contracts with customers. Under FRS 115, revenue is recognised at an amount that reflects the consideration which an entity expects to be entitled in exchange for transferring goods or services to a customer. The principles in FRS 115 provide a more structured approach to measuring and recognising revenue when the promised goods and services are transferred to the customer i.e. when performance obligations are satisfied.

Key issues for the Group include identifying performance obligations, accounting for contract modifications, applying the constraint to variable consideration, evaluating significant financing components, measuring progress toward satisfaction of a performance obligation, recognising contract cost assets and addressing disclosure requirements.

Either a full or modified retrospective application is required for annual periods beginning on or after 1 January 2018 with early adoption permitted. The Group is currently assessing the impact of FRS 115 and plans to adopt the new standard on the required effective date.

FRS 109 *Financial Instruments*

FRS 109 introduces new requirements for classification and measurement of financial assets, impairment of financial assets and hedge accounting. Financial assets are classified according to their contractual cash flow characteristics and the business model under which they are held. The impairment requirements in FRS 109 are based on an expected credit loss model and replace the FRS 39 incurred loss model. Adopting the expected credit losses requirements will require the Group to make changes to its current systems and processes.

The Group currently measures its investments in unquoted equity securities at cost. Under FRS 109, the Group will be required to measure the investment at fair value. Any difference between the previous carrying amount and the fair value would be recognised in the opening retained earnings when the Group apply FRS 109.

FRS 109 is effective for annual periods beginning on or after 1 January 2018 with early application permitted. Retrospective application is required, but comparative information is not compulsory. The Group is currently assessing the impact of FRS 109 and plans to adopt the standard on the required effective date.

2.4 *Basis of consolidation and business combinations*

(a) *Basis of consolidation*

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.4 *Basis of consolidation and business combinations (cont'd)*

(a) *Basis of consolidation (cont'd)*

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- de-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost;
- de-recognises the carrying amount of any non-controlling interest;
- de-recognises the cumulative translation differences recorded in equity;
- recognises the fair value of the consideration received;
- recognises the fair value of any investment retained;
- recognises any surplus or deficit in profit or loss;
- re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

(b) *Business combinations and goodwill*

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any), that are present ownership interests and entitle their holders to a proportionate share of net assets in the event of liquidation, is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets. Other components of non-controlling interests are measured at their acquisition date fair value, unless another measurement basis is required by another FRS.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

Goodwill is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to the Group's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.4 *Basis of consolidation and business combinations (cont'd)*

(b) *Business combinations and goodwill (cont'd)*

The cash-generating units to which goodwill have been allocated is tested for impairment annually and whenever there is an indication that the cash-generating unit may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each cash-generating unit (or group of cash-generating units) to which the goodwill relates.

2.5 *Foreign currency*

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

(a) *Transactions and balances*

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

(b) *Consolidated financial statements*

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

2.6 *Property, plant and equipment*

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is computed on a straight-line basis over the estimated useful life of the assets as follows:

Leasehold buildings	–	24 years
Computers and office equipment	–	1 to 8 years
Renovation, furniture and fixtures	–	3 to 10 years
Motor vehicles	–	5 to 10 years
Machinery	–	5 to 10 years

Asset under construction are not depreciated as these assets are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.6 *Property, plant and equipment (cont'd)*

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in profit or loss in the year the asset is de-recognised.

2.7 *Intangible assets*

Intangible assets acquired separately are measured initially at cost. Following initial acquisition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in profit or loss in the year in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at least at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives or not yet available for use are tested for impairment annually, or more frequently if the events and circumstances indicate that the carrying value may be impaired either individually or at the cash-generating unit level. Such intangible assets are not amortised. The useful life of an intangible asset with an indefinite useful life is reviewed annually to determine whether the useful life assessment continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is de-recognised.

(i) *Customer relationships*

Customer relationships were acquired in business combination and relate to relationships with both local and overseas shipyards and are amortised over their useful lives ranging 5 to 10 years.

(ii) *Software*

An acquired software is initially capitalised at cost which includes the purchase price (net of any discounts and rebates) and other directly attributed cost of preparing the asset for its intended use. These costs are amortised to the profit or loss using the straight-line method over their estimated useful lives of 10 years. The remaining amortisation period of software is 5 years (2014: 6 years).

(iii) *Club membership*

Club membership was acquired separately and is amortised on a straight line basis over its finite useful life of 28 years. The remaining amortisation period of club membership is 19 years (2014: 20 years).

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.8 *Impairment of non-financial assets*

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

2.9 *Subsidiaries*

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

2.10 *Associates*

An associate is an entity over which the Group has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control of those policies.

The Group accounts for its investments in associates using the equity method from the date on which it becomes an associate.

On acquisition of the investment, any excess of the cost of the investment over the Group's share of the net fair value of the investee's identifiable assets and liabilities is accounted as goodwill and is included in the carrying amount of the investment. Any excess of the Group's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the entity's share of the associate's profit or loss in the period in which the investment is acquired.

Under the equity method, the investment in associates are carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associates. The profit or loss reflects the share of results of the operations of the associates. Distributions received from associates reduce the carrying amount of the investment. Where there has been a change recognised in other comprehensive income by the associates, the Group recognises its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and associate are eliminated to the extent of the interest in the associates.

When the Group's share of losses in an associate equals or exceeds its interest in the associate, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.10 *Associates (cont'd)*

After application of the equity method, the Group determines whether it is necessary to recognise an additional impairment loss on the Group's investment in associate. The Group determines at the end of each reporting period whether there is any objective evidence that the investment in the associate is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value and recognises the amount in profit or loss.

The financial statements of the associates are prepared as the same reporting date as the Group. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

2.11 *Financial instruments*

(a) *Financial assets*

Initial recognition and measurement

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

(i) *Loans and receivables*

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are de-recognised or impaired, and through the amortisation process.

(ii) *Available-for-sale financial assets*

Available-for-sale financial assets include equity and debt securities. Equity investments classified as available-for-sale are those, which are neither classified as held for trading nor designated at fair value through profit or loss. Debt securities in this category are those which are intended to be held for an indefinite period of time and which may be sold in response to needs for liquidity or in response to changes in the market conditions.

After initial recognition, available-for-sale financial assets are subsequently measured at fair value. Any gains or losses from changes in fair value of the financial assets are recognised in other comprehensive income, except that impairment losses, foreign exchange gains and losses on monetary instruments and interest calculated using the effective interest method are recognised in profit or loss. The cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment when the financial asset is de-recognised.

Investments in equity instruments whose fair value cannot be reliably measured are measured at cost less impairment loss.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.11 *Financial instruments (cont'd)*

(a) *Financial assets (cont'd)*

De-recognition

A financial asset is de-recognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

(b) *Financial liabilities*

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

(i) *Financial liabilities at fair value through profit or loss*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. Financial liabilities are classified as held for trading if they are acquired for the purpose of selling in the near term. This category includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Subsequent to initial recognition, financial liabilities at fair value through profit or loss are measured at fair value. Any gains or losses arising from changes in fair value of the financial liabilities are recognised in profit or loss.

(ii) *Financial liabilities at amortised cost*

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are de-recognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.12 *Impairment of financial assets*

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

(a) *Financial assets carried at amortised cost*

For financial assets carried at amortised cost, the Group first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial asset is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

(b) *Financial assets carried at cost*

If there is objective evidence (such as significant adverse changes in the business environment where the issuer operates, probability of insolvency or significant financial difficulties of the issuer) that an impairment loss on financial assets carried at cost had been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment losses are not reversed in subsequent periods.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.12 *Impairment of financial assets (cont'd)*

(c) *Available-for-sale financial assets*

In the case of equity investments classified as available-for-sale, objective evidence of impairment include (i) significant financial difficulty of the issuer or obligor, (ii) information about significant changes with an adverse effect that have taken place in the technological, market, economic or legal environment in which the issuer operates, and indicates that the cost of the investment in equity instrument may not be recovered; and (iii) a significant or prolonged decline in the fair value of the investment below its costs.

If an available-for-sale financial asset is impaired, an amount comprising the difference between its acquisition cost (net of any principal repayment and amortisation) and its current fair value, less any impairment loss previously recognised in profit or loss, is transferred from other comprehensive income and recognised in profit or loss. Reversals of impairment losses in respect of equity instruments are not recognised in profit or loss; increase in their fair value after impairment are recognised directly in other comprehensive income.

In the case of debt instruments classified as available-for-sale, impairment is assessed based on the same criteria as financial assets carried at amortised cost. However, the amount recorded for impairment is the cumulative loss measured as the difference between the amortised cost and the current fair value, less any impairment loss on that investment previously recognised in profit or loss. Future interest income continues to be accrued based on the reduced carrying amount of the asset, using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. The interest income is recorded as part of finance income. If, in a subsequent year, the fair value of a debt instrument increases and the increases can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss is reversed in profit or loss.

2.13 *Cash and cash equivalents*

Cash and cash equivalents comprise cash at banks and on hand which are subject to an insignificant risk of changes in value.

2.14 *Inventories*

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and condition are accounted for as follows:

- Finished goods: costs of direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. These costs are assigned on a first-in first-out basis.

Where necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.15 *Construction contracts*

The Group principally operates fixed price contracts. Contract revenue and contract costs are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity at the end of the reporting period (the percentage of completion method), when the outcome of a construction contract can be estimated reliably.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.15 *Construction contracts (cont'd)*

When the outcome of a contract cannot be estimated reliably (principally during early stages of a contract), contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable and contract costs are recognised as expense in the period in which they are incurred.

An expected loss on the construction contract is recognised as an expense immediately when it is probable that total contract costs will exceed total contract revenue.

In applying the percentage of completion method, revenue recognised corresponds to the total contract revenue (as defined below) multiplied by the actual completion rate based on the proportion of total contract costs (as defined below) incurred to date and the estimated costs to complete.

Contract revenue – Contract revenue corresponds to the initial amount of revenue agreed in the contract and any variations in contract work, claims and incentive payments to the extent that it is probable that they will result in revenue; and they can be reliably measured.

Contract costs – Contract costs include costs that relate directly to the specific contract and costs that are attributable to contract activity in general and can be allocated to the contract.

2.16 *Provisions*

General

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognised when the product is sold or service provided. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

2.17 *Borrowing costs*

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.18 *Redeemable exchangeable bonds*

Redeemable exchangeable bonds with conversion option are accounted for as financial liability with an embedded equity conversion derivative based on the terms of the contract.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.18 *Redeemable exchangeable bonds (cont'd)*

On issuance of redeemable exchangeable bonds, the embedded option is recognised at its fair value as derivative liability with subsequent changes in fair value recognised in profit or loss.

The remainder of the proceeds is allocated to the liability component that is carried at amortised cost until the liability is extinguished on conversion or redemption.

When an equity conversion option is exercised, the carrying amounts of the liability component and the equity conversion option are de-recognised with a corresponding recognition of share capital.

2.19 *Employee benefits*

(a) *Defined contribution plans*

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Singapore and China companies in the Group make contributions to the defined contribution pension schemes in the respective countries. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

(b) *Employee leave entitlement*

Employee entitlements to annual leave are recognised as a liability when they are accrued to the employees. The undiscounted liability for leave expected to be settled wholly before twelve months after the end of the reporting period is recognised for services rendered by employees up to the end of the reporting period. The liability for leave expected to be settled beyond twelve months from the end of the reporting period is determined using the projected unit credit method. The net total of service costs, net interest on the liability and remeasurement of the liability are recognised in profit or loss.

(c) *Employee equity compensation plans*

Employees of the Group receive remuneration in the form of share options and share awards as consideration for services rendered. The cost of these equity-settled share-based payment transactions with employees is measured by reference to the fair value of the options and awards at the date on which the options and awards are granted which takes into account market conditions and non-vesting conditions. This cost is recognised in profit or loss, with a corresponding increase in the employee share-based payment reserve, over the vesting period. The cumulative expense recognised at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of options and awards that will ultimately vest. The charge or credit to profit or loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

The employee share-based payment reserve is transferred to retained earnings upon expiry of the share option or share award.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.20 *Leases*

(a) *As lessee*

Finance leases which transfer to the Group substantially all the risks and rewards incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Any initial direct costs are also added to the amount capitalised. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit or loss. Contingent rents, if any, are charged as expenses in the periods in which they are incurred.

Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term.

Operating lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

(b) *As lessor*

Leases where the Group has transferred substantially all risks and rewards incidental to ownership of the leased assets to the lessees, are classified as finance leases. The leased asset is derecognised and the present value of the lease receivable (net of initial direct costs for negotiating and arranging the lease) is recognised on the balance sheets. The difference between the gross receivable and the present value of the lease payments receivable is recognised as unearned finance income. Each lease payment received is applied against the gross receivable in the finance lease receivable to reduce both the principal and the unearned finance income. The finance income is recognised in profit or loss on a basis that reflects a constant periodic rate of return on the net receivable in the finance lease receivable. Initial direct costs incurred by the Group in negotiating and arranging finance leases are added to finance lease receivables and recognised as an expense in profit or loss over the lease term on the same basis as the lease income.

Leases where the Group does not transfer substantially all the risks and rewards of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same bases as rental income. The accounting policy for rental income is set out in Note 2.21(d). Contingent rents are recognised as revenue in the period in which they are earned.

2.21 *Revenue*

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty.

(a) *Sale of goods*

Revenue from sale of goods is recognised upon the transfer of significant risk and rewards of ownership of the goods to the customer, usually on delivery of goods. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

(b) *Construction contract revenue*

Revenue from construction contracts is recognised by reference to the stage of completion of the contract activity at the end of the reporting period, when the outcome can be estimated reliably. Stage of completion is determined by reference to contract costs incurred for work performed to date as a percentage of estimated total contract costs.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.21 *Revenue (cont'd)*

(c) *Rendering of services*

Revenue from rendering of services is recognised as and when the services are rendered.

(d) *Rental income from equipment and industrial space*

Rental income from equipment and industrial space is accounted for on a straight-line basis over the lease terms. The aggregate costs of incentives provided to leases are recognised as a reduction of rental income over the lease term on a straight-line basis.

(e) *Chartering services income*

Chartering services income is recognised on a basis that reflects a constant periodic rate of return on the net investment in the finance lease receivable.

(f) *Management fee*

Management fee income is recognised as and when the management services are rendered.

(g) *Dividend income*

Dividend income is recognised when the Group's right to receive payment is established.

(h) *Interest income*

Interest income is recognised using the effective interest method.

2.22 *Taxation*

(a) *Current income tax*

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(b) *Deferred tax*

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.22 *Taxation (cont'd)*

(b) *Deferred tax (cont'd)*

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

(c) *Sales tax*

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.23 *Segment reporting*

For management purposes, the Group is organised into operating segments based on their products and services which are independently managed by the respective segment managers responsible for the performance of the respective segments under their charge. The segment managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 39, including the factors used to identify the reportable segments and the measurement basis of segment information.

2.24 *Share capital and share issuance expenses*

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

2.25 *Treasury shares*

The Group's own equity instruments, which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Group's own equity instruments. Any difference between the carrying amount of treasury shares and the consideration received, if reissued, is recognised directly in equity. Voting rights related to treasury shares are nullified for the Group and no dividends are allocated to them respectively.

2.26 *Government grants*

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to an expense item, it is recognised in profit or loss over the periods necessary to match them on a systematic basis, to the costs, which it is intended to compensate. Where the grant relates to an asset, the fair value is recognised as deferred capital grant on the balance sheet and is amortised to profit or loss over the expected useful life of the relevant asset by equal annual instalments.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

(a) *Judgements made in applying accounting policies*

In the process of applying the Group's accounting policies, management has made the following judgement, which has the most significant effect on the amounts recognised in the consolidated financial statements:

(i) Impairment of available-for-sale equity investments

The Group records impairment charges on available-for-sale equity investments when there has been a significant or prolonged decline in the fair value below their cost. The determination of what is "significant" or "prolonged" requires judgement. In making this judgement, the Group evaluates, among other factors, historical share price movements and the duration and extent to which the fair value of an investment is less than its cost.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (CONT'D)

(a) *Judgements made in applying accounting policies (cont'd)*

(ii) Determination of lease classification

The Group has entered into lease arrangements on two land rigs. Details of the lease arrangements are disclosed in Note 17. The Group evaluated the terms and conditions of the arrangements and assessed that the Group has the economic compulsion to exercise the put option and the ownership will most probably transfer to the lessee and the minimum lease payments receivable is substantially all of the fair value of the leased assets. The Group determined that it has transferred substantially all the significant risks and rewards of ownership of the rigs and so accounts for the arrangements as finance leases.

(b) *Key sources of estimation uncertainty*

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(i) Impairment of intangible assets

As disclosed in Note 12 to the financial statements, the recoverable amounts of the cash generating units which goodwill and customer relationships have been allocated to are determined based on value in use calculations. The value in use calculations are based on a discounted cash flow models. The recoverable amount is most sensitive to the budgeted gross margins, the discount rate used for the discounted cash flow model as well as the expected future cash inflows and the growth rate used for extrapolation purposes. The key assumptions applied in the determination of the value in use including a sensitivity analysis, are disclosed and further explained in Note 12 to the financial statements.

The carrying amount of the intangible assets as at 31 December 2015 is \$22,239,655 (2014: \$33,256,412).

(ii) Impairment of loans and receivables

The Group assesses at the end of each reporting period whether there is any objective evidence that a financial asset is impaired. Factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments are objective evidence of impairment. In determining whether there is objective evidence of impairment, the Group considers whether there is observable data indicating that there have been significant changes in the debtor's payment ability or whether there have been significant changes with adverse effect in the technological, market, economic or legal environment in which the debtor operates in.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amount of the Group's loans and receivables at the end of the reporting period is disclosed in Note 36 to the financial statements.

(iii) Impairment of investment in associates

The Group assesses at the end of each reporting period whether there is any objective evidence that its investment in associates is impaired. The recoverable amounts of the carrying values of its investment in associates are determined based on value in use calculations. The value in use calculations are based on a discounted cash flow model. The recoverable amount is most sensitive to the charter and utilisation rates applied as well as the discount rate used for the discounted cash flow model, which also represents the key assumptions used for the determination of value in use. The carrying amount of the Group's investment in associates at the end of the reporting period is disclosed in Note 14 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (CONT'D)

(b) *Key sources of estimation uncertainty (cont'd)*

(iv) Construction contract revenue

The Group recognises contract revenue by reference to the stage of completion of the contract activity at the end of each reporting period, when the outcome of a construction contract can be estimated reliably. The stage of completion is measured by reference to the proportion that contract costs incurred for work performed to date to the estimated total contract costs. Significant assumptions are required to estimate the total contract costs and the recoverable variation works that affect the stage of completion. In making these estimates, management has relied on past experience and knowledge of the project engineers. The carrying amounts of assets and liabilities arising from construction contracts at the end of each reporting period are disclosed in Note 21 to the financial statements. If the estimated total contract cost had been 5% higher than management estimate, the carrying amount of the assets and liabilities arising from construction contracts would have been \$2,321,459 (2014: \$1,593,793) lower and \$687,799 (2014: \$715,866) higher respectively.

(v) Income taxes

Uncertainties exist with respect to the interpretation of complex tax regulations and the amount and timing of future taxable income. Given the wide range of international business relationships and the long-term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax provisions already recorded.

The Group establishes provisions, based on reasonable estimates, for possible consequences of audits by the tax authorities of the respective countries in which it operates. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the relevant tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective countries of the Group's domicile.

Other short-term benefits	982,284	1,288,028
	<u>17,600,689</u>	<u>18,447,007</u>

These include the amount shown as key management personnel compensation in Note 33(b).

(a) *Employee share option plans*

Selected employees, as determined by the committee administering the Viking Offshore and Marine Limited Share Option Scheme (the "VOM Scheme"), are entitled to a grant of options. The options will vest if the employee remains in service for a period of one year from the date of grant. The exercise price of the options ranged from \$0.1043 - \$0.1897 for both years 2014 and 2015. No options were exercised in year 2015. The contractual life of the options is 5 years. There are no cash settlement alternatives.

The VOM Scheme has a 10-year life from 4 December 2010 to 3 December 2020.

The expense recognised in profit or loss for employee services received under the VOM scheme during the financial year ended 31 December 2015 is \$Nil (2014: \$78,519).

Movement of share options during the financial year

The following are the number and weighted average exercise prices ("WAEP") of, and movements in share options during the year.

	Number 2015	WAEP 2015 \$	Number 2014	WAEP 2014 \$
Outstanding at 1 January	15,288,178	0.116	15,600,000	0.122
- Exercised	–	–	(800,000)	0.122
- Forfeited	–	–	(300,000)	0.122
- Adjustment	–	–	788,178	0.116
- Expired	(2,108,714)	0.116	–	–
Outstanding at 31 December	<u>13,179,464</u>	<u>0.116</u>	<u>15,288,178</u>	<u>0.116</u>
Exercisable at 31 December	<u>13,179,464</u>	<u>0.116</u>	<u>15,288,178</u>	<u>0.116</u>

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

7. EMPLOYEE BENEFITS (CONT'D)

(a) *Employee share option plans (cont'd)*

The weighted average exercise price for options outstanding at the end of the year was \$0.116 (2014: \$0.116). The weighted average remaining contractual life for these options is 1.44 years (2014: 2.24 years).

Fair value of share options granted

The fair value of share options as at the date of grant is estimated by the Group using the Black-Scholes model, taking into account the terms and conditions upon which the options were granted. No new share options were granted in 2015 and 2014. The inputs to the model for all grants not expired for the years ended 31 December 2015 and 31 December 2014 are shown below:

	Date of grant	
	08.06.2012	20.12.2010
	\$	\$
Dividend yield (%)	0.00	0.00
Expected volatility (%)	48.00	65.00
Risk-free interest rate (% p.a.)	2.25	2.25
Expected life of option (years)	1.50	1.50
Weighted average share price (\$)	0.12	0.198

The expected life of the options is based on historical data and is not necessarily indicative of exercise patterns that may occur. The expected volatility reflects the assumption that the historical volatility is indicative of future trends, which may also not necessarily be the actual outcome. No other features of the option grant were incorporated into the measurement of fair value.

(b) *Viking Long Term Incentive Plan*

The Viking Long Term Incentive Plan (the "VLTIP") is a share-based long-term incentive plan for employees, which was approved by shareholders at an extraordinary general meeting held on 15 December 2011.

The details of the plan are described below:

Plan description – Award of fully-paid ordinary shares of the Company, conditional upon the satisfaction of specific performance target or time-based service conditions or a combination of both.

Performance conditions – Sales growth, growth in earnings and return on investment.

Vesting conditions – Vesting based on achievement of stated performance conditions over one year performance period.

Performance conditions – 0%-100% depending on the achievement of pre-set performance targets over the performance period.

The expense recognised in profit or loss for employee services received under the VLTIP during the financial year ended 31 December 2015 is \$262,167 (2014: \$376,032).

Tax benefits	(161,365)	(73,537)
Others	(29,061)	(22,747)
Income tax (credit)/expense recognised in profit or loss	(478,117)	502,174

Unrecognised tax losses

At the end of the reporting period, the Group has tax losses of approximately \$3,635,000 (2014: \$251,000) available for offset against future taxable profits of certain subsidiaries in which the losses arose, for which no deferred tax is recognised due to uncertainty of its recoverability. The use of these tax losses is subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation of the respective countries in which certain subsidiaries operate.

Unrecognised temporary differences relating to investments in subsidiaries

At the end of the reporting period, no deferred tax liability (2014: \$Nil) has been recognised for taxes that would be payable on the undistributed earnings of certain of the Group's subsidiaries as the Group has determined that undistributed earnings of its subsidiaries will not be distributed in the foreseeable future.

Such temporary differences for which no deferred tax liability has been recognised aggregate to \$2,109,000 (2014: \$3,749,000). The deferred tax liability is estimated to be \$211,000 (2014: \$375,000).

Tax consequences of proposed dividends

There are no income tax consequences (2014: \$Nil) attached to the dividends to the shareholders proposed by the Company but not recognised as a liability in the financial statements (Note 32).

NOTES TO THE FINANCIAL STATEMENTS

Company

Deferred taxation at 31 December relates to the following:

	Balance sheet	
	2015	2014
	\$	\$
Deferred tax liability		
Differences in depreciation	–	(24,918)

10. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing (loss)/profit, net of tax, attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year.

Diluted earnings per share are calculated by dividing (loss)/profit, net of tax, attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year plus the weighted average number of ordinary shares that would be issued on the conversion of all the existing warrants, share options, share awards and redeemable exchangeable bonds of the Company into ordinary shares.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

10. EARNINGS PER SHARE (CONT'D)

The following tables reflect the profit or loss and share data used in the computation of basic and diluted earnings per share for the years ended 31 December:

	Group	
	2015	2014
	\$	\$
Net (loss)/profit attributable to owners of the Company	(9,424,614)	1,002,656
	Number of shares	
	2015	2014
Weighted average number of ordinary shares for basic earnings per share computation*	806,588,051	789,138,624
Weighted average number of ordinary shares diluted earnings per share computation*	808,888,051	797,562,555

* The weighted average number of shares takes into account the weighted average effect of changes in treasury shares transactions during the year.

As at year end, 13,179,464 (2014: 2,108,714) share options granted to employees under the existing employee share option plans and warrants of 119,113,066 (2014: 119,113,066), have not been included in the calculation of diluted earnings per share because they are anti-dilutive.

As at year end, the potential conversion of redeemable exchangeable bonds to a maximum of 54,285,714 (2014: 71,428,571) ordinary shares has not been included in the calculation of diluted earnings per share because it is anti-dilutive.

During the financial year, senior executives have exercised the options to acquire Nil (2014: 800,000) ordinary shares. There have been no other transactions involving ordinary shares or potential ordinary shares since the reporting date and before the completion of these financial statements.

Assets held under finance leases and other payables

During the financial year, the Group acquired property, plant and equipment amounting to \$4,255,932 (2014: \$9,622,314) of which \$116,500 (2014: \$Nil) and \$Nil (2014: \$2,320,958) were acquired by means of finance leases and other payables respectively. Cash payments of \$4,139,432 (2014: \$7,301,356) were made to purchase property, plant and equipment.

The carrying amounts of office equipment and motor vehicles held by the Group under finance leases as at 31 December 2015 were \$106,933 (2014: \$Nil) and \$7,274 (2014: \$20,474) respectively.

Leased motor vehicles are pledged as security for the related finance lease obligations.

Assets pledged as security

In addition to assets held under finance leases, the Group's leasehold property and assets under construction with carrying amounts of \$25,352,279 (2014: \$12,109,785) and \$Nil (2014: \$10,617,126), respectively are mortgaged to secure the Group's term loans (Note 27).

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

11. PROPERTY, PLANT AND EQUIPMENT (CONT'D)

Capitalisation of borrowing costs

The Group's leasehold buildings include borrowing costs arising from bank loans borrowed specifically for the purpose of the construction of leasehold buildings. During the financial year, the borrowing costs capitalised as cost of leasehold buildings amounted to \$164,702 (2014: \$Nil). The rate used to determine the amount of borrowing costs eligible for capitalisation was 2.3% (2014: Nil) per annum, which is the effective interest rate of the specific borrowing.

Goodwill	10,568,918	8,844,378	19,413,296
Customer relationships	2,696,400	–	2,696,400
	<u>13,265,318</u>	<u>8,844,378</u>	<u>22,109,696</u>
2014			
Goodwill	20,876,918	8,844,378	29,721,296
Customer relationships	3,370,500	36,000	3,406,500
	<u>24,247,418</u>	<u>8,880,378</u>	<u>33,127,796</u>

The recoverable amounts of the CGUs have been determined based on value in use which is based on cash flow projections from financial budgets approved by management covering a 5-year period. The pre-tax discount rate applied to the 5-year cash flow projections and the forecasted growth rates used to extrapolate cash flow projections beyond the 5-year period are as follows:

	2015		2014	
	O&M HVAC	O&M Tele	O&M HVAC	O&M Tele
Growth rates	1.0%	1.0%	1.0%	1.0%
Pre-tax discount rates	9.5%	9.5%	9.5%	9.5%

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

12. INTANGIBLE ASSETS (CONT'D)

Impairment testing of goodwill and customer relationships (cont'd)

The calculations of value in use for the CGUs are most sensitive to the following assumptions:

Budgeted gross margins – Gross margins are based on budgeted margins expected to be achieved in the next 5 years.

Growth rates – The forecasted growth rates are based on published industry research and do not exceed the long-term average growth rate for the industries relevant to the CGUs.

Pre-tax discount rates – Discount rates represent the current market assessment of the risks specific to each CGU, regarding the time value of money and individual risks of the underlying assets which have not been incorporated in the cash flow estimates. The discount rate calculation is based on the specific circumstances of the Group and its operating segments and derived from its weighted average cost of capital ("WACC") based on the capital asset pricing model.

Sensitivity to changes in assumptions

With regards to the assessment of value in use for the O&M Tele CGU, management believes that no reasonably possible changes in any of the above key assumptions would cause the carrying value of the unit to materially exceed its recoverable amount.

For the O&M HVAC CGU, the estimated recoverable amount exceeds its carrying amount by approximately \$10,308,000 (2014: \$Nil) and, consequently, any adverse change in a key assumption would result in a further impairment loss. The implication of the key assumption for the recoverable amount is discussed below:

Budgeted gross margins – A reduction of 1.0% (2014: Nil) in the budgeted gross margins would result in a further impairment of approximately \$3,691,000 (2014: \$Nil).

Growth rates – A reduction of 0.5% (2014: Nil) in the long-term growth rate would result in a further impairment of approximately \$1,558,000 (2014: \$Nil).

Pre-tax discount rates – An increase of 1.0% (2014: Nil) in the pre-tax discount rate would result in a further impairment of approximately \$3,676,000 (2014: \$Nil).

Amortisation expense

The amortisation of customer relationships is included in the "Other operating expenses" line item in the consolidated statement of comprehensive income (Note 6(a)).

Impairment loss recognised

During the financial year, the Group recognised an impairment loss of \$10,308,000 (2014: \$Nil) on goodwill allocated to the O&M HVAC CGU as a result of the weaker order book forecasted under the current tepid market which continues to be subjected to upstream activity levels during the downturn in the offshore and marine and oil and gas industries. The impairment loss has been recognised in the consolidated statement of comprehensive income under the line item "Other operating expenses" (Note 6(a)).

15. QUOTED EQUITY INVESTMENTS

	Group		Company	
	2015	2014	2015	2014
	\$	\$	\$	\$
Quoted equity investments, at fair value	1,120,890	1,557,011	1,090,395	1,551,982
Less: Impairment loss	(315,855)	–	(315,855)	–
	805,035	1,557,011	774,540	1,551,982

During the financial year, the Group recognised an impairment loss of \$315,855 (2014: \$Nil) on quoted equity investments as there were “significant” or “prolonged” decline in the fair value of these investments below their costs. The Group treats “significant” generally as 30% and “prolonged” as greater than 12 months.

16. UNQUOTED EQUITY INVESTMENTS

	Group and Company	
	2015	2014
	\$	\$
Unquoted equity investments, at cost	–	2,707,792
Less: Impairment loss	–	(2,707,792)
	–	–

Unquoted equity investments represent equity interest of 19.86% in Marine Accommodated Pte Ltd (“MAPL”).

The Group regards these investments as available-for-sale financial asset as it does not have significant influence over MAPL. During the financial year, the Group wrote off its investment in MAPL.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

17. FINANCE LEASE RECEIVABLES

	Gross receivable \$	Unearned finance income \$	Present value of minimum lease payments receivable \$
2015			
Within a year	17,553,956	(12,144,710)	5,409,246
More than a year but not later than five years	56,394,259	(19,943,849)	36,450,410
	<u>73,948,215</u>	<u>(32,088,559)</u>	<u>41,859,656</u>
2014			
Within a year	8,212,938	(5,873,501)	2,339,437
More than a year but not later than five years	31,140,337	(11,695,675)	19,444,662
	<u>39,353,275</u>	<u>(17,569,176)</u>	<u>21,784,099</u>

The Group has entered into 2 (2014: 1) Bareboat Charter agreements for its land rigs. These agreements are for lease terms of between 48 and 50 months. These agreements irrevocably grant the Group a put option to require the lessees to purchase the land rigs from the Group at any time during the period of 90 days prior to the end of the agreements, for a cash consideration equivalent to i) the value of the land rig as determined by independent valuers or ii) the amount of US\$6,000,000, whichever is higher.

The Group has determined that it has transferred substantially all risks and rewards incidental to ownership of the land rigs to both lessees at the inception of the leases and the arrangements are therefore classified as finance lease receivables.

Interest is earned at effective rates of 2.35% to 2.76% (2014: 2.35%) per annum.

- (ii) Loan B carried interest at 2.88% per annum and was secured by a corporate guarantee from the Company. The loan was fully repaid during the year.
- (iii) Loan C carries interest at 2.85% (2014: 2.85%) per annum and is repayable over 36 months up to 2017. The loan is secured by a corporate guarantee from the Company.
- (iv) Loan D carries interest at rates ranging from 2.28% to 2.75% (2014: 2.03% to 2.28%) per annum and is repayable over 120 months up to 2021. The loan is secured by a first legal mortgage on a subsidiary's leasehold properties (Note 11) and by a corporate guarantee from the Company.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

27. TERM LOANS (CONT'D)

- (v) Loan E carries interest at rates ranging from 2.05% to 2.85% (2014: 2.01% to 2.28%) per annum and is repayable over 84 months up to 2022. The loan is secured by a first legal mortgage on a subsidiary's leasehold properties (Note 11) and by a corporate guarantee from the Company.
- (vi) Loan F carries interest at 5% (2014: 5%) per annum and is payable in full upon maturity of the loan in 2016. The loan is secured by a corporate guarantee from the Company.
- (vii) Loan G carries interest at rates ranging from 2.75% to 3.48% (2014: Nil) per annum and is repayable within the next twelve months. The loan is secured by a corporate guarantee from the Company.
- (viii) Loan H carries interest at rates ranging from 2.63% to 3.40% (2014: Nil) per annum and is repayable within the next twelve months. The loan is secured by a corporate guarantee from the Company.

28. DERIVATIVES

	Contract/ Notional Amount	2015 \$		Group		2014 \$	
		Assets	Liabilities	Contract/ Notional Amount	Assets	Liabilities	
Forward currency contracts	4,317,600	32,547	23,987	–	–	–	
Conversion option arising from redeemable exchangeable bonds (Note 29)		–	1,064,878		–	1,574,579	
		32,547	1,088,865		–	1,574,579	

Forward currency contracts are used to hedge foreign currency risk arising from the Group's sales and purchases denominated in USD and EUR for which firm commitments existed at the end of the reporting period, extending to March 2016.

29. REDEEMABLE EXCHANGEABLE BONDS

In 2014, the Group, together with its wholly owned subsidiary issued redeemable exchangeable bonds in the principal amount of \$12,450,000 (the "Bonds") to an investor.

The Bonds carry a simple interest of 5% per annum payable semi-annually and an internal rate of return of 15% per annum on the principal amount, together with any accrued and unpaid interest, repayable at maturity date, which is two years from date of issue.

The investor may at its absolute discretion request in writing for the Group to redeem all the Bonds then outstanding at the redemption price if, prior to the maturity date, (i) an event of default occurs (unless waived by the investor) or (ii) where the Group fails to obtain certain approvals within the prescribed periods.

Upon the occurrence of an event of default or the failure to obtain certain approvals within the prescribed periods, the Group shall pay an amount giving the investor an internal rate of return of 15% per annum on the principal amount, together with any accrued and unpaid interest.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

29. REDEEMABLE EXCHANGEABLE BONDS (CONT'D)

The investor also has the option to exchange any part of the Bonds (including any accrued and unpaid interest) for shares of the Company at any time during the period after one year from date of issue and before maturity date, at the lower of \$0.175 or a 10% discount to the 30-trading day average volume weighted average price of the shares of the Company for each share (Note 28).

During the financial year, the investor has exercised its right to exchange \$3,000,000 (2014: \$Nil) of the Bonds for 61,398,354 shares of the Company at the exchange price of \$0.0489 per share. The exchange price represents a discount of 10% to the volume weighted average price for trades done on the shares on the date of the exercise notice. As a result, the Group has recognised a gain on conversion of redeemable exchangeable bonds of \$40,122 (2014: \$Nil).

The carrying amount of the liability component of the Bonds at the end of the reporting period is arrived at as follows:

	Group	
	2015	2014
	\$	\$
Total face value of the Bonds	12,450,000	12,450,000
Derivative liability component	(1,712,331)	(1,712,331)
Liability component of the Bonds at initial recognition	10,737,669	10,737,669
Add: Accumulated amortisation of discount		
- Opening balance at 1 January	289,833	–
- Amortisation of discount during the financial year	1,910,064	289,833
- Closing balance at 31 December	2,199,897	289,833
Less: Issuance of shares pursuant to conversion of the Bonds	(3,040,122)	–
Liability component of the Bonds at the end of the reporting period		
- Current	9,897,444	–
- Non-current	–	11,027,502

- Other key management personnel	1,388,555	1,512,888
	2,969,430	3,271,636

The remuneration of key management personnel is determined by the remuneration committee having regard to the performance of individuals and market trends.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

33. RELATED PARTY TRANSACTIONS (CONT'D)

(b) Compensation of key management personnel (cont'd)

Key management personnell's interests in employee share option plan and Viking Long Term Incentive Plan

During the financial year:

- Nil (2014: Nil) share options were granted to the Company's key management personnel under the VOM share option scheme (Note 7).
- 2,108,714 (2014: Nil) VOM share options were expired.
- Nil (2014: 800,000) VOM share options were exercised.
- 1,150,000 (2014: 1,650,000) share awards were granted to the Company's key management personnel under the Viking Long Term Incentive Plan (Note 7).
- 1,650,000 (2014: 1,500,000) share awards were vested.

At the end of the reporting period, the total number of outstanding share options and share awards granted by the Company to key management personnel under the Scheme amounted to 7,591,370 and 1,150,000 (2014: 7,591,370 and 1,650,000) respectively.

34. COMMITMENTS AND CONTINGENCIES

(a) Capital commitments

Capital expenditure contracted for as at the end of the reporting period but not recognised in the financial statements are as follows:

	Group	
	2015	2014
	\$	\$
Capital commitments in respect of property, plant and equipment	–	2,035,078

(b) Operating lease commitments – as lessee

The Group has entered into commercial leases on certain office and industrial properties. These leases have remaining average tenures of between 1 to 16 years (2014: 1 to 17 years) with options for renewal. The Group is not restricted from subleasing the property to third parties.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

34. COMMITMENTS AND CONTINGENCIES (CONT'D)

(b) *Operating lease commitments – as lessee (cont'd)*

Future minimum lease payments payable under non-cancellable operating leases as at 31 December are as follows:

	Group	
	2015	2014
	\$	\$
- Not later than 1 year	293,598	295,581
- 1 year through 5 years	1,276,920	1,211,254
- Later than 5 years	5,361,348	5,706,261
	<u>6,931,866</u>	<u>7,213,096</u>

(c) *Operating lease commitments – as lessor*

The Group has entered into commercial leases on certain industrial property. These non-cancellable leases have remaining lease terms of between 1 to 2 years (2014: Nil).

Future minimum rental receivables under non-cancellable operating leases as at 31 December are as follows:

	Group	
	2015	2014
	\$	\$
- Not later than 1 year	702,860	–
- 1 year through 5 years	<u>139,003</u>	<u>–</u>

(d) *Guarantees*

As at 31 December 2015, the Company has provided corporate guarantees totalling \$28,321,650 (2014: \$15,900,819) to financial institutions in respect of credit facilities utilised by the subsidiaries.

35. FAIR VALUE OF ASSETS AND LIABILITIES

(a) *Fair value hierarchy*

The Group categorises fair value measurement using a fair value hierarchy that is dependent on the valuation inputs as follows:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date,
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3 – Unobservable inputs for the asset or liability.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

35. FAIR VALUE OF ASSETS AND LIABILITIES (CONT'D)

(a) Fair value hierarchy (cont'd)

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(b) Assets and liabilities measured at fair value

The following table shows an analysis of financial instruments measured at fair value at the end of the reporting period:

	Quoted prices in active markets for identical instruments (Level 1) \$	Significant observable inputs other than quoted prices (Level 2) \$	Significant unobservable inputs (Level 3) \$	Total \$
Group				
2015

- Conversion option (Note 28)	–	1,064,878	–	1,064,878
- Forward currency contract (Note 28)	–	23,987	–	23,987
Financial liabilities as at 31 December 2015	–	1,088,865	–	1,088,865

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

35. FAIR VALUE OF ASSETS AND LIABILITIES (CONT'D)

(b) *Assets and liabilities measured at fair value (cont'd)*

	Quoted prices in active markets for identical instruments (Level 1) \$	Significant observable inputs other than quoted prices (Level 2) \$	Significant unobservable inputs (Level 3) \$	Total \$
Group				
2014				
Assets measured at fair value				
Financial assets:				
Available-for-sale financial assets				
- Quoted equity instruments (Note 15)	1,557,011	–	–	1,557,011
Liability measured at fair value				
Financial liability:				
Derivatives				
- Conversion option (Note 28)	–	1,574,579	–	1,574,579

(c) *Level 2 fair value measurement*

The following is a description of the valuation techniques and inputs used in the fair value measurement for financial instruments that are categorised within Level 2 of the fair value hierarchy:

Derivatives (Note 28)

Forward currency contracts are valued using a valuation technique (forward pricing model) with market observable inputs. This model uses present value calculations, and incorporates various inputs including foreign exchange spot and forward rates.

The valuation of conversion option is based on binomial option valuation model to estimate the fair value of the conversion option. This model incorporated various inputs including current share price, time to expiry, risk free rate, volatility, dividend yield and exchange price.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

35. FAIR VALUE OF ASSETS AND LIABILITIES (CONT'D)

- (d) *Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value*

The fair value of financial assets and liabilities by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value are as follows:

	Group			
	2015		2014	
	Carrying amount \$	Fair value (Level 3) \$	Carrying amount \$	Fair value (Level 3) \$
Financial asset				
Finance lease receivables (non-current)	36,450,410	36,147,230	19,444,662	19,265,339
Financial liability				
Finance lease obligations (non-current)	(101,270)	(112,813)	(21,408)	(24,487)

Fair value of finance lease obligations (non-current) and finance lease receivables (non-current)

The fair values as disclosed in the table above are estimated by discounting expected future cash flows at market incremental lending rates for similar types of lending, borrowing or leasing arrangements at the end of the reporting period.

37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, interest rate risk, liquidity risk, foreign currency risk and market price risk. The Board of Directors reviews and agrees policies and procedures for the management of these risks, which are executed by the Board of Directors. The Audit Committee provides independent oversight to the effectiveness of the risk management process. It is, and has been throughout the current and previous financial year, the Group's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Group's and Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

(a) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables and finance lease receivables. For other financial assets (including quoted equity investments and cash and cash equivalents), the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant. For transactions that do not occur in the country of the relevant operating unit, the Group does not offer credit terms without the approval of the Management.

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(a) Credit risk (cont'd)

Excessive risk concentration (cont'd)

In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly. Selective hedging is used within the Group to manage risk concentrations at both the relationship and industry levels. The Group does not apply hedge accounting.

Exposure to credit risk

At the end of the reporting period, the Group's and the Company's maximum exposure to credit risk are represented by the carrying amount of each class of financial assets recognised in the balance sheets.

Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are with creditworthy debtors with good payment record with the Group. Cash and cash equivalents and derivatives are placed with or entered into with reputable financial institutions.

Financial assets that are either past due or impaired

Information regarding financial assets that are either past due or impaired is disclosed in Note 19.

Credit risk concentration profile

The Group determines concentrations of credit risk by monitoring the country and industry sector profile of its trade receivables and finance lease receivables on an on-going basis. The credit risk concentration profile of the Group's trade receivables and finance lease receivables at the end of the reporting period is as follows:

	2015		2014	
	\$	% of total	\$	% of total
Group				
Trade receivables				
By country:

Group				
By industry sectors:				
Offshore and marine	14,905,924	77%	18,175,367	45%
Chartering services	48,596,835	23%	21,784,099	55%
	63,502,759	100%	39,959,466	100%

The Group has a significant concentration of credit risk arising from finance lease receivables which represents 100% of the Group's total finance lease receivables.

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates. The Group's and the Company's exposure to interest rate risk arises primarily from their term loans.

Sensitivity analysis for interest rate risk

At the end of the reporting period, if SGD interest rates had been 50 (2014: 50) basis points lower/higher with all other variables held constant, the Group's (loss)/profit before tax would have been \$8,203 (2014: \$28,955) higher/lower, arising mainly as a result of lower/higher interest expense on floating rate term loans. The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment, showing a lower volatility as in prior years.

(c) Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arise primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The Group's and the Company's liquidity risk management policy is to maintain sufficient liquid financial assets and stand-by credit facilities with their different bankers. At the end of the reporting period, approximately 53% (2014: 28%) of the Group's term loans (Note 27) will mature in less than one year based on the carrying amount reflected in the financial statements.

Analysis of financial instruments by remaining contractual maturities

The table below summarises the maturity profile of the Group's and the Company's financial assets and liabilities at the end of the reporting period based on contractual undiscounted repayment obligations.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(d) Foreign currency risk

The Group has transactional currency exposures arising from sales or purchases that are denominated in a currency other than the respective functional currencies of the Group entities, primarily SGD, Chinese Renminbi (RMB) and Malaysian Ringgit (MYR). The foreign currencies in which these transactions are denominated are mainly United States Dollar (USD). Approximately 53% (2014: 28%) of the Group's sales are denominated in foreign currencies whilst almost 62% (2014: 38%) of costs are denominated in the respective functional currencies of the Group entities. The Group's trade receivable and trade payable balances at the end of the reporting period have similar exposures.

The Group is also exposed to currency translation risk arising from its net investments in foreign operations, including Malaysia, the People's Republic of China (PRC), Indonesia, Republic of Seychelles and British Virgin Islands. The Group's net investments in Malaysia, the PRC, Indonesia are not hedged as currency positions in Malaysian Ringgit, RMB, Indonesian Rupiah and USD are considered to be long-term in nature.

Sensitivity analysis for foreign currency risk

The following table demonstrates the sensitivity of the Group's (loss)/profit before tax to a reasonably possible change in the USD, RMB, Euro and MYR exchange rates (against SGD), with all other variables held constant.

	Group	
	2015	2014
	Loss before tax	Profit before tax
	\$	\$
USD - strengthened 5% (2014: 5%)	(2,215,111)	1,741,263
- weakened 5% (2014: 5%)	2,215,111	(1,741,263)
RMB - strengthened 5% (2014: 5%)	126,405	(187,886)
- weakened 5% (2014: 5%)	(126,405)	187,886
Euro - strengthened 5% (2014: 5%)	47,474	(24,028)
- weakened 5% (2014: 5%)	(47,474)	24,028
MYR - strengthened 5% (2014: 5%)	(9,781)	12,996
- weakened 5% (2014: 5%)	9,781	(12,996)

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(e) *Market price risk*

Market price risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market prices (other than interest or exchange rates). The Group is exposed to equity price risk arising from its quoted equity investments. These investments are quoted on the SGX-ST in Singapore and are classified as available-for-sale financial assets.

The Group's objective is to manage investment returns and equity price risk using a mix of investment grade shares with steady dividend yield and non-investment grade shares with higher volatility as determined by the Board of Directors. All investments are approved by the Board of Directors.

Sensitivity analysis for equity price risk

At the end of the reporting period, if the Straits Times Index (STI) had been 5% (2014: 5%) higher/lower with all other variables held constant, the Group's other comprehensive income would have been \$40,252 (2014: \$77,851) higher/lower, arising as a result of an increase/decrease in the fair value of equity instruments classified as available-for-sale.

38. CAPITAL MANAGEMENT

Capital includes debt and equity items as disclosed in the table below.

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2015 and 31 December 2014. The Group is not subject to any externally imposed capital requirements.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group's policy is to keep the gearing ratio less than 60%. The Group includes within net debt, term loans, trade and other payables and other liabilities based on contractual undiscounted repayment obligation less cash and cash equivalents. Capital includes equity attributable to the owners of the Company less the fair value adjustment reserve.

	Group	
	2015	2014
	\$	\$
Total debt (Note 37(c))	79,518,968	55,617,824
Less: - Cash and cash equivalents (Note 22)	(7,509,880)	(8,726,454)
Net debt	72,009,088	46,891,370
Equity attributable to the owners of the Company	90,364,274	97,875,930
Add/(Less): - Fair value adjustment reserve (Note 31(b))	406,494	(29,627)
Total capital	90,770,768	97,846,303
Capital and net debt	162,779,856	144,737,673
Gearing ratio	44%	32%

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

39. SEGMENTAL INFORMATION

For management purposes, the Group is organised into business units based on their products and services, and has three operating segments, namely, the Offshore and Marine segment, Chartering Services segment and the Corporate segment.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements. Group financing (including finance costs) and income taxes are managed on a group basis and are not allocated to operating segments.

39. SEGMENTAL INFORMATION (CONT'D)

Notes: Nature of adjustments and eliminations to arrive at amounts reported in the consolidated financial statements

- A Inter-segment revenues are eliminated on consolidation.
- B Other non-cash expenses consist share-based payments, inventories written-down, provisions, and impairment of financial assets as presented in the respective notes to the financial statements.
- C Additions to non-current assets consist of additions to property, plant and equipment, intangible assets, investment in subsidiaries and investment in quoted and unquoted equities.
- D The following items are deducted from segment profit/(loss) to arrive at "(loss)/profit before tax" presented in the consolidated statement of comprehensive income:

	2015	2014
	\$	\$
Share of results of associates	(295)	(3,730)
Finance costs	(3,524,714)	(752,774)

- E The following items are added to/(deducted from) segment assets to arrive at total assets reported in the consolidated balance sheets:

	2015	2014
	\$	\$
Investment in associates	15,404,616	13,736,482
Deferred tax assets	42,025	33,616
Inter-segment assets	(88,270,518)	(82,763,408)

- F The following items are added to/(deducted from) segment liabilities to arrive at total liabilities reported in the consolidated balance sheets:

	2015	2014
	\$	\$
Deferred tax liabilities	2,682,734	2,985,847
Income tax payable	22,949	950,026
Loans and borrowings	30,321,650	16,547,602
Inter-segment liabilities	(35,461,322)	(34,930,524)

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2015

39. SEGMENTAL INFORMATION (CONT'D)

Geographical information

Revenue and non-current assets information based on the geographical location of customers and assets respectively are as follows:

	Revenues		Non-current assets	
	2015	2014	2015	2014

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the Annual General Meeting of the Company will be held at 21 Kian Teck Road, Singapore 628773 on Tuesday, 26 April 2016 at 9.00 a.m. to transact the following businesses:

AS ORDINARY BUSINESS

1. To receive and adopt the Audited Financial Statements of the Company for the year ended 31 December 2015 and the Directors' Statements and the Auditor's Report thereon. (Resolution 1)
2. (i) To re-elect the following Directors who are retiring in accordance with the provisions of the Company's Constitution:-
 - (a) Mr Lee Suan Hiang (retiring pursuant to Article 93) (Resolution 2)
(Please see Explanatory Note 1)
 - (b) Ms Phua Siok Gek, Cynthia (retiring pursuant to Article 99) (Resolution 3)
(Please see Explanatory Note 2)
- (ii) To note the retirements of the following Directors:-
 - (a) Mr Ong Choo Guan (retiring pursuant to Article 93 and not seeking re-election) (Please see Explanatory Note 3)
 - (b) Mr Lien Kait Long (voluntary retirement) (Please see Explanatory Note 4)
4. To approve payment of Directors' fees of \$180,000 for the financial year ending 31 December 2016. (2015: \$200,000) (Resolution 4)
5. To re-appoint Messrs Ernst & Young LLP as auditors of the Company and to authorise the Directors to fix their remuneration. (Resolution 5)

AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following ordinary resolutions with or without modifications:-

6. Authority to allot and issue shares
 - (a) "That, pursuant to Section 161 of the Companies Act (Cap. 50), and the listing rules of the Singapore Exchange Securities Trading Limited, approval be and is hereby given to the Directors of the Company at any time to such persons and upon such terms and for such purposes as the Directors may in their absolute discretion deem fit, to:
 - (i) issue shares in the capital of the Company whether by way of rights, bonus or otherwise;
 - (ii) make or grant offers, agreements or options that might or would require shares to be issued or other transferable rights to subscribe for or purchase shares (collectively, "Instruments") including but not limited to the creation and issue of warrants, debentures or other instruments convertible into shares;
 - (iii) issue additional Instruments arising from adjustments made to the number of Instruments previously issued in the event of rights, bonus or capitalisation issues; and

NOTICE OF ANNUAL GENERAL MEETING

- (b) (Notwithstanding the authority conferred by the Shareholders may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while the authority was in force, provided always that:
- (i) the aggregate number of shares to be issued pursuant to this resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this resolution) does not exceed one hundred per cent (100%) of the total number of issued shares excluding treasury shares of the Company, of which the aggregate number of shares (including shares to be issued in pursuance of Instruments made or granted pursuant to this resolution) to be issued other than on a pro rata basis to Shareholders of the Company does not exceed fifty percent (50%) of the total number of issued shares excluding treasury shares of the Company, and for the purpose of this resolution, the issued share capital shall be the Company's total number of issued shares excluding treasury shares at the time this resolution is passed, after adjusting for:
 - (a) new shares arising from the conversion or exercise of convertible securities, or
 - (b) new shares arising from exercising share options or vesting of share awards outstanding or subsisting at the time this resolution is passed provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the Singapore Exchange Securities Trading Limited, and
 - (c) any subsequent bonus issue, consolidation or subdivision of the Company's shares, and
 - (ii) such authority shall, unless revoked or varied by the Company at a general meeting, continue in force until the conclusion of the next Annual General Meeting or the date by which the next Annual General Meeting of the Company is required by law to be held,

whichever is the earlier."

(Resolution 6)

(Please see Explanatory Note 5)

7. Authority to offer and grant options and share awards and to allot and issue shares pursuant to the Viking Offshore and Marine Limited Share Option Scheme (the "**VOM Scheme**") and the Viking Long Term Incentive Plan (the "**VLTI**P").

"That:

- (a) authority be and is hereby given to the Directors of the Company to offer and grant options in accordance with the provisions of the VOM Scheme and/or to grant share awards in accordance with the VLTI; and
- (b) approval be and is hereby given to the Directors to exercise full powers of the Company to allot and issue from time to time such number of shares in the Company as may be required to be issued pursuant to the exercise of the options under the VOM Scheme, and/or such number of shares as may be required to be allotted and issued pursuant to the award of shares under the VLTI:

provided that the aggregate number of shares to be issued pursuant to the VOM Scheme and the VLTI shall not exceed fifteen per cent (15%) of the total number of issued shares excluding treasury shares in the capital of the Company from time to time."

(Resolution 7)

(Please see Explanatory Note 6)

NOTICE OF ANNUAL GENERAL MEETING

8. The Proposed Renewal of the Share Buyback Mandate

"That:

- (a) for the purposes of the Rules of Catalist and the Companies Act, the Directors be and are hereby authorised to exercise all the powers of the Company to purchase or acquire its issued and fully paid-up Shares representing not more than ten per cent (10%) of the total number of issued Shares of the Company at such price(s) as may be determined by the Directors or a committee of Directors that may be constituted for the purposes of effecting purchases or acquisitions of Shares by the Company from time to time up to the Maximum Price (as defined below), whether by way of:

- (i) an on-market purchase ("**Market Purchase**"), transacted on the SGX-ST through the ready market, and which may be transacted through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (ii) an off-market purchase ("**Off-Market Purchase**"), effected otherwise than on the SGX-ST pursuant to an equal access scheme in accordance with Section 76C of the Companies Act, and otherwise in accordance with all other laws and regulations, including but not limited to, the provisions of the Companies Act and the Rules of Catalist as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the "**Share Buyback Mandate**");

- (b) unless varied or revoked by the Shareholders in a general meeting, purchases or acquisitions of Shares pursuant to the proposed Share Buyback Mandate may be made, at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earlier of:

- (i) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (ii) the date on which the purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (iii) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

- (c) in this Resolution:

"**Maximum Price**", in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) which shall not exceed:

- (i) in the case of a Market Purchase, 105 per cent (105%) of the Average Closing Price (as defined below); and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120 per cent (120%) of the Average Closing Price,

where:

"**Average Closing Price**" means the average of the closing market prices of the Shares over the last five (5) Market Days, on which transactions in the Shares were recorded, before the day on which the purchase or acquisition of Shares was made, or as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five (5) Market Days period;

NOTICE OF ANNUAL GENERAL MEETING

“day of the making of the offer” means the day on which the Company announces its intention to make an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

- (d) the Directors and/or any of them be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they and/or he may consider necessary, expedient, incidental or in the interests of the Company to give effect to the transactions contemplated and/or authorised by this Resolution.”

(Resolution 8)

9. To transact any other business which may be properly transacted at an Annual General Meeting.

BY ORDER OF THE BOARD

Lin Moi Heyang
Company Secretary

Singapore, 11 April 2016

Explanatory Notes:-

1. The key information of Mr Lee Suan Hiang can be found on page 16 of the Editorial Section in the Annual Report. Mr Lee, will, upon re-election as a Director of the Company, remain a member of the Audit Committee and will be considered independent for the purposes of Rule 704(7) of Section B of the Singapore Exchange Securities Trading Limited (“SGX-ST”) Listing Manual (the “Catalist Rules”).
2. The key information of Ms Phua Siok Gek, Cynthia can be found on page 16 of the Editorial Section in the Annual Report. Ms Phua, will, upon re-election as a Director of the Company, remain a member of the Audit Committee and will be considered independent for the purposes of Rule 704(7) of the Catalist Rules.
3. Mr Ong Choo Guan is retiring pursuant to Article 93 of the Company’s Constitution and is not seeking re-election at the Annual General Meeting.
4. Mr Lien Kait Long is not due for retirement pursuant to the Company’s Constitution but would be retiring voluntarily.
5. The ordinary resolution 6 in item no. 6 above is to authorise the Directors of the Company from the date of the above Meeting until the next Annual General Meeting to issue shares and convertible securities in the Company up to an amount not exceeding in aggregate 100 percent of the issued share capital of the Company of which the total number of shares and convertible securities issued other than on a pro-rata basis to existing Shareholders shall not exceed 50 percent of the issued share capital of the Company at the time the resolution is passed, for such purposes as they consider would be in the interests of the Company. This authority will, unless revoked or varied at a general meeting, expire at the next Annual General Meeting of the Company.
6. The ordinary resolution 7 in item no. 7 above is to authorise the Directors of the Company to offer and grant options under the VOM Scheme, as well as to award shares pursuant to the VLTIP, provided that the aggregate number of shares to be issued shall not exceed 15 percent of the Company’s issued shares, excluding treasury shares in the capital of the Company from time to time.

NOTICE OF ANNUAL GENERAL MEETING

NOTE:

Except for a member who is a Relevant Intermediary as defined under Section 181(6) of the Companies Act, a member is entitled to appoint not more than two proxies to attend, speak and vote at the meeting. Where a member appoints more than one proxy, the proportion of his concerned shareholding to be represented by each proxy shall be specified in the proxy form. A proxy need not be a member of the Company.

The instrument appointing a proxy or proxies must be under the hand of the appointor or his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed under its common seal or under the hand of its attorney or duly authorised officer.

The instrument appointing proxy or proxies, together with the power of attorney or other authority (if any) under which it is signed, or notarially certified copy thereof, must be deposited at the office of the Share Registrar, M&C Services Private Limited, 112 Robinson Road, #05-01, Singapore 068902, not later than 48 hours before the time set for the Annual General Meeting.

A member should insert the total number of shares held. If the member has shares entered against his name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act (Chapter 289) Singapore), he should insert that number of shares. If the member has shares registered in his name in the Register of Members of the Company, he should insert the number of shares. If the member has shares entered against his name in the Depository Register and shares registered in his name in the Register of Members of the Company, he should insert the aggregate number of shares. If no number is inserted, this form of proxy will be deemed to relate to all the shares held by the member of the Company.

This document has been prepared by the Company and its contents have been reviewed by the Company's Sponsor, CIMB Bank Berhad, Singapore branch ("Sponsor"), for compliance with the relevant rules of the Singapore Exchange Securities Trading Limited (the "SGX-ST"), this being the SGX-ST Listing Manual Section B: Rules of Catalist. DEFINITIONS

In this Appendix, the following definitions apply throughout unless otherwise stated:

“ACRA”	:	Accounting and Corporate Regulatory Authority of Singapore
“AGM”	:	Annual general meeting of the Company. Unless the context otherwise requires, “AGM” shall refer to the annual general meeting to be held on 26 April 2016
“Annual Report 2015”	:	The Company's annual report for the financial year ended 31 December 2015
“Appendix”	:	This appendix to the Annual Report 2015
“associate”	:	(a) in relation to any Director, Chief Executive Officer, Substantial Shareholder or Controlling Shareholder (being an individual) means: (i) his immediate family; (ii) the trustees of any trust of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and (iii) any company in which he and his immediate family together (directly or indirectly) have an interest of thirty per cent (30%) or more; (b) in relation to a Substantial Shareholder or a Controlling Shareholder (being a company) means any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of thirty per cent (30%) or more
“associated company”	:	A company in which at least twenty per cent (20%) but not more than fifty per cent (50%) of its shares are held by the Company or the Group
“Average Closing Price”	:	Has the meaning ascribed to it in Section 2.2(d) of this Appendix
“Board”	:	The board of Directors of the Company for the time being
“Catalist”	:	The sponsor-supervised listing platform of the SGX-ST
“Catalist Rules”	:	The Listing Manual, Section B: Rules of Catalist of the SGX-ST, as amended or modified from time to time
“CDP”	:	The Central Depository (Pte) Limited
“Companies Act”	:	The Companies Act, Chapter 50 of Singapore, as amended, modified or supplemented from time to time
“Company”	:	Viking Offshore and Marine Limited
“Constitution”	:	The constitution of the Company, as amended or modified from time to time
“Controlling Shareholder”	:	A person who holds directly or indirectly fifteen per cent (15%) or more of the issued Shares (excluding treasury shares) (subject to the SGX-ST determining that such a person is not a Controlling Shareholder) or a person who in fact exercises control over the Company

DEFINITIONS

“Director(s)”	:	The director(s) of the Company
“EGM”	:	Extraordinary general meeting of the Company
“EPS”	:	Earnings per Share
“FY”	:	Financial year ended or ending 31 December
“Group”	:	The Company, its subsidiaries and associated companies
“Independent Director”	:	An independent director of the Company
“Latest Practicable Date”	:	24 March 2016, being the latest practicable date prior to the printing of this Appendix
“Market Day”	:	A day on which the SGX-ST is open for trading in securities
“Market Purchase”	:	Has the meaning ascribed to it in Section 2.2(c) of this Appendix
“Maximum Price”	:	Has the meaning ascribed to it in Section 2.2(d) of this Appendix
“NTA”	:	Net tangible assets
“Off-Market Purchase”	:	Has the meaning ascribed to it in Section 2.2(c) of this Appendix
“Securities Account”	:	A securities account maintained by a Depositor with CDP but does not include a securities sub-account maintained with a Depository Agent
“SGX-ST”	:	Singapore Exchange Securities Trading Limited
“Share Buyback Mandate”	:	A general mandate given by Shareholders to authorise the Directors to purchase, on behalf of the Company, Shares in accordance with the terms set out in this Appendix as well as the rules and regulations set out in the Companies Act and the Catalist Rules
“Shareholders”	:	Registered holders of Shares, except that where the registered holder is CDP, the term “Shareholders” shall, where the context admits, mean the Depositors whose Securities Accounts maintained are credited with Shares
“Shares”	:	Ordinary shares in the capital of the Company
“Sponsor”	:	CIMB Bank Berhad, Singapore Branch
“Substantial Shareholder”	:	A Shareholder who has an interest in not less than five per cent (5%) of the issued Shares
“Take-over Code”	:	The Singapore Code on Take-overs and Mergers, as amended, modified or supplemented from time to time
“VLTIP”	:	Has the meaning ascribed to it in Section 2.1(b) of this Appendix
“VOM Scheme”	:	Has the meaning ascribed to it in Section 2.1(b) of this Appendix

DEFINITIONS

“\$” and “cents” : Dollars and cents respectively of the currency of Singapore

“%” or “per cent” : Per centum or percentage

The terms “Depositors”, “Depository Agent” and “Depository Register” shall have the meanings ascribed to them, respectively, in Section 81SF of the Securities and Futures Act, Chapter 289 of Singapore. The term “subsidiary” shall have the meaning ascribed to it in Section 5 of the Companies Act.

Words importing the singular shall, where applicable, include the plural and vice versa and words importing the masculine shall, where applicable, include the feminine and neuter gender and vice versa. References to persons shall, where applicable, include corporations.

Any reference in this Appendix to any enactment is a reference to that enactment as for the time being amended or re-enacted.

Any reference to a time of day in this Appendix shall be a reference to Singapore time unless otherwise stated.

Any discrepancies in the tables included herein between the listed amounts and totals thereof are due to rounding. Accordingly, figures shown as totals in this Appendix may not be an arithmetic aggregation of the figures that precede them.

Mr Kelvin Tan Wee Peng (Independent Director)
Ms Cynthia Phua Siok Gek (Independent Director)

Registered Office:

21 Kian Teck Road
Singapore 628773

11 April 2016

To: The Shareholders of Viking Offshore and Marine Limited

Dear Sir / Madam,

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

The purpose of this Appendix is to provide the Shareholders with information relating to, and to seek Shareholders' approval for the proposed renewal of the Share Buyback Mandate as further described in Section 2 of this Appendix.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Rationale

At the EGM held on 15 December 2011, the Company obtained the approval of the Shareholders for the Share Buyback Mandate. The Share Buyback Mandate was renewed at the AGMs held on 30 April 2012, 26 April 2013, 23 April 2014 and 28 April 2015. The rationale for, the authority and the limitations on and the financial effects of, the Share Buyback Mandate were set out in the circular to Shareholders dated 23 November 2011.

As the Share Buyback Mandate renewed at the last AGM held on 28 April 2015 will be expiring on 26 April 2016, being the date of the forthcoming AGM, the Company intends to seek the approval of the Shareholders for the renewal of the Share Buyback Mandate at such AGM.

The renewal of the Share Buyback Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake Share purchases or acquisitions up to ten per cent (10%) limit described in Section 2.2(a) of this Appendix at any time during the period when the Share Buyback Mandate is in force.

The rationale for the Company to undertake the purchase or acquisition of its issued Shares is as follows:

- (a) in managing the business of the Group, the management team strives to increase Shareholders' value by improving, inter alia, the return on equity of the Group. In addition to growth and expansion of the business, share buybacks may be considered as one of the ways through which the return on equity of the Group may be enhanced;
- (b) the Company has at present two (2) share-based incentive schemes for its employees, namely, the Viking Offshore and Marine Limited Share Option Scheme (the "VOM Scheme") and the Viking Offshore and Marine Limited Long Term Incentive Plan (the "VLTIP"). Share buybacks by the Company will enable the Directors to utilise the Shares which are purchased or acquired and held as treasury shares to satisfy the Company's obligation to furnish Shares to participants under the VOM Scheme and the VLTIP, thus giving the Company greater flexibility to select the method of providing Shares to its employees which would be most beneficial to the Company and its Shareholders;

LETTER TO SHAREHOLDERS

- (c) share buybacks by the Company will also enable the Directors to utilise the Shares which are purchased or acquired and held as treasury shares to be sold for cash or transferred as consideration for the acquisition of shares in or assets of another company or assets of a person, which may be less dilutive than if new Shares were issued for this purpose; and
- (d) the Share Buyback Mandate would provide the Company with the flexibility to purchase or acquire the Shares if and when circumstances permit, during the period when the proposed Share Buyback Mandate is in force. It is an expedient, effective and cost-efficient way for the Company to return surplus cash and/or funds over and above its ordinary capital requirements, if any, which are in excess of its financial requirements, taking into account its growth and expansion plans, to its Shareholders. In addition, the Share Buyback Mandate will allow the Company to have greater flexibility over, inter alia, the Company's share capital structure and its dividend policy.

While the Share Buyback Mandate would authorise a purchase or acquisition of Shares up to the said ten per cent (10%) limit during the period referred to in Section 2.2(a) of this Appendix, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full ten per cent (10%) limit as authorised and the purchases or acquisitions of Shares pursuant to the Share Buyback Mandate will be made only as and when the Directors consider it to be in the best interests of the Company and/or Shareholders and in circumstances which they believe will not result in any material adverse effect on the financial position of the Group, or result in the Company being delisted from Catalist. The Directors will use their best efforts to ensure that after a purchase or acquisition of Shares pursuant to the Share Buyback Mandate, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on Catalist.

2.2 AUTHORITY AND LIMITS

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Buyback Mandate are summarised below:

(a) Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than ten per cent (10%) of the total number of issued Shares of the Company as at the date of the forthcoming AGM at which the Share Buyback Mandate is renewed. Any Shares which are held as treasury shares will be disregarded for purposes of computing the ten per cent (10%) limit.

For illustrative purposes only, on the basis of 853,860,553 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the AGM, and that the Company does not reduce its share capital, not more than 85,386,055 Shares (representing ten per cent (10%) of the issued ordinary share capital of the Company as at that date) may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate during the duration referred to in Section 2.2(b) of this Appendix.

(b) Duration of authority

Purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may be made, at any time and from time to time, on and from the date of the forthcoming AGM, at which the Share Buyback Mandate is renewed, up to:

- (i) the date on which the next AGM of the Company is held or required by law to be held;
- (ii) the date on which the purchases or acquisitions of shares of the Company pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (iii) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

LETTER TO SHAREHOLDERS

The authority conferred on the Directors by the Share Buyback Mandate to purchase Shares may be renewed at the next AGM or any other general meeting of the Company. When seeking the approval of the Shareholders for the renewal of the Share Buyback Mandate, the Company is required to disclose certain information, including details pertaining to purchases or acquisitions of Shares pursuant to the proposed Share Buyback Mandate made during the previous 12 months, including the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions of Shares, where relevant, the total consideration paid for the purchases or acquisitions.

(c) Manner of purchases or acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (i) an on-market purchase ("**Market Purchase**"), transacted on the SGX-ST through the ready market, and which may be transacted through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (ii) an off-market purchase ("**Off-Market Purchase**"), effected otherwise than on the SGX-ST pursuant to an equal access scheme in accordance with Section 76C of the Companies Act.

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Companies Act and the Catalist Rules, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the above-mentioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of the offers are the same, except that there shall be disregarded:
 - (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (2) (if applicable) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Pursuant to the Catalist Rules, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document to all Shareholders containing at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed purchase or acquisition of Shares;
- (iv) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the purchases or acquisitions of shares, if made, would have any effect on the listing of the Shares on Catalist;
- (vi) details of any purchases or acquisitions of shares made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions of Shares, where relevant, and the total consideration paid for the purchases or acquisitions; and

LETTER TO SHAREHOLDERS

(vii) whether the Shares purchased by the issuer will be cancelled or kept as treasury shares.

(d) Purchase Price

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors or a committee of Directors that may be constituted for the purposes of effecting purchases or acquisitions of Shares by the Company under the Share Buyback Mandate. However, the purchase price to be paid for the Shares pursuant to the purchases or acquisitions of the Shares must not exceed:

- (i) in the case of a Market Purchase, 105 per cent (105%) of the Average Closing Price (as defined herein); and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120 per cent (120%) of the Average Closing Price,

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase or acquisition, where:

“**Average Closing Price**” means the average of the closing market prices of the Shares over the last five (5) Market Days, on which transactions in the Shares were recorded, before the day on which the purchase or acquisition of Shares was made, or as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five (5) Market Days period;

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.3 Status of purchased or acquired Shares

All Shares purchased or acquired by the Company (other than Shares held in treasury by the Company to the extent permitted under the Companies Act and the Constitution) will be automatically delisted from Catalist, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase or acquisition. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

The Company intends to hold all Shares purchased or acquired pursuant to the Share Buyback Mandate as treasury shares.

2.4 Treasury Shares

Under the Companies Act, where ordinary shares of the Company are purchased or acquired by the Company in accordance with Sections 76B to 76G of the Companies Act, the Company may hold or deal with such shares as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

(a) Maximum holdings

The number of shares held as treasury shares cannot at any time exceed ten per cent (10%) of the total number of issued Shares of the Company.

(b) Voting and other rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

LETTER TO SHAREHOLDERS

In addition, no dividend may be paid and no other distribution of the Company's assets may be made to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) Disposal and cancellation

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

2.5 Reporting requirements

Pursuant to Rule 871 of the Catalist Rules, a listed company shall announce all purchases or acquisitions of its Shares not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day on which the Market Purchase was made; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer for the Off-Market Purchase.

The announcement of such purchases or acquisitions of Shares shall be in such form and shall include such details as may be prescribed under the Rules of Catalist. The Company shall make arrangements with its stockbrokers to ensure that they provide to the Company, in a timely fashion, the necessary information which will enable the Company to make the relevant announcement.

The Company, upon undertaking any sale, transfer, cancellation and/or use of treasury shares, will comply with Rule 704(31) of the Catalist Rules, which provides that an issuer must make an immediate announcement thereof, stating the following:

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;
- (iii) number of treasury shares sold, transferred, cancelled and/or used;
- (iv) number of Shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of Shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancelled.

LETTER TO SHAREHOLDERS

2.6 Sources of funds

The Company may only apply funds legally available for the purchase or acquisition of its Shares as provided in the Constitution and in accordance with the applicable laws in Singapore. The Company may not purchase or acquire its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Under the Companies Act, the Company is permitted to purchase or acquire its Shares out of capital, as well as from its distributable profits, so long as the Company is solvent (as defined in Section 76F(4) of the Companies Act).

The Company intends to use internal sources of funds or external borrowings or a combination of both to finance the Company's purchase or acquisition of the Shares pursuant to the Share Buyback Mandate. In purchasing or acquiring Shares pursuant to the Share Buyback Mandate, the Directors will principally consider the availability of internal resources. In addition, the Directors will also consider the availability of external financing. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions pursuant to the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

2.7 Financial effects

It is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions of Shares that may be made pursuant to the Share Buyback Mandate on the NTA and EPS of the Group and the Company as the resultant effect would depend on, inter alia, the aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, the purchase prices paid for such Shares, the amount (if any) borrowed by the Company to fund the purchases or acquisitions and whether the Shares purchased or acquired are cancelled or held as treasury shares.

The Company's total issued share capital will be diminished by the total number of the Shares purchased by the Company and which are cancelled. The NTA of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount of profits available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The Directors do not propose to exercise the Share Buyback Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Group. The purchase or acquisition of Shares will only be effected after considering relevant factors such as the working capital requirements, the availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions.

For illustrative purposes only, the financial effects of the Share Buyback Mandate on the Group and the Company, based on the audited financial accounts of the Group and the Company for the financial year ended 31 December 2015 are based on the assumptions set out below:

- (a) based on 853,860,553 Shares in issue as at the Latest Practicable Date, and assuming no further Shares are issued on or prior to the AGM and no Shares are held by the Company as treasury shares on or prior to the AGM, not more than 85,386,055 Shares (representing ten per cent (10%) of the issued ordinary share capital of the Company (excluding treasury shares) as at that date) may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate;

LETTER TO SHAREHOLDERS

- (b) in the case of Market Purchases by the Company and assuming that the Company purchases or acquires the 85,386,055 Shares at the Maximum Price of \$0.045 for one (1) Share (being the price equivalent to five per cent (5%) above the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on Catalist immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 85,386,055 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately \$3,842,372; and
- (c) in the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires the 85,386,055 Shares at the Maximum Price of \$0.051 for one (1) Share (being the price equivalent to 20 per cent (20%) above the Average Closing Price of the Shares on the five (5) consecutive Market Days on which the Shares were traded on Catalist immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 85,386,055 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately \$4,354,689.

For illustrative purposes only and based on the assumptions set out in sub-paragraphs (a), (b) and (c) above and assuming that (i) the purchase or acquisition of Shares is financed by internal sources of funds and/or external borrowings, (ii) the Share Buyback Mandate had been effective on 1 January 2015 and (iii) the Company had purchased or acquired the 85,386,055 Shares (representing ten per cent (10%) of its issued ordinary share capital at the Latest Practicable Date), the financial effects of the purchase or acquisition of the 85,386,055 Shares by the Company pursuant to the Share Buyback Mandate:

- (1) by way of purchases made entirely out of profits and held as treasury shares;
- (2) by way of purchases made entirely out of capital and held as treasury shares;
- (3) by way of purchases made entirely out of profits and cancelled; and
- (4) by way of purchases made entirely out of capital and cancelled,

LETTER TO SHAREHOLDERS

on the audited financial statements of the Group and the Company for the financial year ended 31 December 2015 pursuant to the Share Buyback Mandate are as follows:

LETTER TO SHAREHOLDERS

Shareholders should note that the financial effects set out above are purely for illustrative purposes and based only on the abovementioned assumptions. In particular, it is important to note that the above financial analysis is based on the Group's and the Company's historical numbers for the financial year ended 31 December 2015, and is not necessarily representative of the future financial performance of the Group and the Company. The Company will take into account both financial and non-financial factors (for example, equity market conditions and the performance of the Shares) in assessing the relative impact of a share purchase or acquisition before execution. Although the proposed Share Buyback Mandate would authorise the Company to purchase or acquire up to ten per cent (10%) of the total number of its issued Shares (excluding treasury shares), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire ten per cent (10%) of the total number of its issued Shares (excluding treasury shares). In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

2.8 Catalyst Rules

While the Catalyst Rules do not expressly prohibit purchases of shares by a Catalyst company during any particular time or times, a Catalyst company would be considered an "insider" in relation to any proposed purchase or acquisition of its issued shares. In this regard, the Company will not purchase any Shares pursuant to the Share Buyback Mandate after a price-sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as such price-sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealing issued by the SGX-ST, the Company will not purchase or acquire any Shares through Market Purchases during the period of:

- (a) one (1) month immediately preceding the announcement of the Company's full-year results; and
- (b) two (2) weeks immediately preceding the announcement of the Company's first three (3) quarterly results.

The Company is required under Rule 723 of the Catalyst Rules to ensure that at least ten per cent (10%) of its Shares (excluding preference shares, convertible equity securities and treasury shares) are in the hands of the public. The "public", as defined under the Catalyst Rules, are persons other than the Directors, Chief Executive Officer, Substantial Shareholders or Controlling Shareholders of the Group, as well as the associates of such persons.

Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, approximately 400,813,199 Shares, representing approximately forty seven per cent (47%) of the issued Shares (excluding treasury shares), are in the hands of the public. Assuming that the Company purchases its Shares through Market Purchases up to the full ten per cent (10%) limit pursuant to the Share Buyback Mandate, and there is no other change to the capital structure of the Company and no change to the Shares held by the Directors and the Substantial Shareholders, the number of Shares in the hands of the public would be reduced to approximately 315,427,144 Shares, representing approximately forty one per cent (41%) of the reduced issued share capital of the Company. If the Shares in the hands of the public falls below ten per cent (10%) of the reduced issued share capital of the Company, the SGX-ST may suspend trading of the Shares.

Accordingly, the Company is of the view that there is a sufficient number of issued Shares held in the hands of the public which would permit the Company to undertake purchases or acquisitions of its issued Shares up to the full ten per cent (10%) pursuant to the proposed Share Buyback Mandate without affecting the listing status of the Shares on Catalyst, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity. In undertaking any purchases or acquisitions of Shares through Market Purchases, the Directors will use their best efforts to ensure that, notwithstanding such purchases, a sufficient float in the hands of the public will be maintained so that the purchases or acquisitions of Shares will not adversely affect the listing status of the Shares on Catalyst, cause market illiquidity or adversely affect the orderly trading of the Shares.

LETTER TO SHAREHOLDERS

2.9 Take-over Code implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

(a) Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

(b) Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company.

Unless the contrary is established, the Take-over Code presumes, inter alia, the following individuals and companies to be persons acting in concert:

- (i) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (ii) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (iii) a company with any of its pension funds and employee share schemes;
- (iv) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (v) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total ten per cent (10%) or more of the client's equity share capital;
- (vi) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (vii) partners; and
- (viii) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons and/or entities for the purchase of voting rights.

For this purpose, ownership or control of at least twenty per cent (20%) but not more than fifty per cent (50%) of the voting rights of a company will be regarded as the test of associated company status.

LETTER TO SHAREHOLDERS

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 to the Take-over Code.

(c) Effect of Rule 14 and Appendix 2 to the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 to the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring Shares:

- (i) the voting rights of such Directors and persons acting in concert with them would increase to thirty per cent (30%) or more; or
- (ii) in the event that such Directors and persons acting in concert with them hold between thirty per cent (30%) and fifty per cent (50%) of the Company's voting rights, if the voting rights of such Directors and persons acting in concert with them would increase by more than one per cent (1%) in any period of six (6) months (commonly referred to as the "one per cent (1%) creeper rule").

In calculating the percentages of voting rights of such Directors and persons acting in concert with them, treasury shares shall be excluded.

Under Appendix 2 to the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares:

- (i) the voting rights of such Shareholder would increase to thirty per cent (30%) or more; or
- (ii) if such Shareholder holds between thirty per cent (30%) and fifty per cent (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent (1%) in any period of six (6) months.

Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

Based on the information in the Company's register of members as at the Latest Practicable Date, none of the Directors or Substantial Shareholders are obliged to make a general offer to other Shareholders under Rule 14 and Appendix 2 to the Take-over Code as a result of a purchase or acquisition of Shares by the Company pursuant to the proposed Share Buyback Mandate.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.

2.10 Taxation

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the Share Buyback Mandate or who may be subject to tax in a jurisdiction other than Singapore should consult their own professional advisers.

LETTER TO SHAREHOLDERS

2.11 Previous Share buybacks

For the period of 12 months immediately preceding the Latest Practicable Date, the Company had purchased or acquired a total of 3,615,000 Shares by way of Market Purchases pursuant to the Share Buyback Mandate, and the 3,615,000 Shares were kept as treasury shares. The particulars of such share purchases and acquisitions are as follows:

Number of Shares purchased	Highest price paid	Lowest price paid	Total consideration paid (excluding transaction costs)
3,615,000	\$0.06	\$0.035	\$175,801

3. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

As at the Latest Practicable Date, the interests of the Directors and Substantial Shareholders in the Shares, based on the registers of Directors' interests in Shares and Substantial Shareholders' interests in Shares, respectively, are as follows:

Directors	Direct Interest	Number of Shares		
		% ⁽¹⁾	Deemed Interest	% ⁽¹⁾
Andy Lim ⁽²⁾	173,580,800	20.33	21,000,000	2.46
Ong Choo Guan	26,130,000	3.06	60,000	0.01
Lin Wei Daniel	400,000	0.05	-	-
Lee Suan Hiang	2,500,000	0.29	-	-
Lien Kait Long	700,000	0.08	-	-
Kelvin Tan Wee Peng	1,300,000	0.15	-	-

Substantial Shareholders (other than Directors)

Viking Engineering Pte Ltd	85,989,200	10.07	-	-
Johansson Bo Robert ⁽³⁾	-	-	85,989,200	10.07
Sune Gustaf Sigvard Andersson ⁽³⁾	-	-	85,989,200	10.07
Tan Boy Tee ⁽⁴⁾	80,000,000	9.37	-	-
Luminor Pacific Fund 1 Ltd	61,387,354	7.19	-	-

Notes:

(1) The percentage shareholding interest is based on the existing issued and paid-up share capital of 853,860,553 Shares (excluding treasury shares) as at the Latest Practicable Date.

(2) Mr Andy Lim has a direct interest in 173,580,800 Shares which are registered and held through the following nominees:

Nominees	Shares
Raffles Nominees (Pte) Ltd	141,769,200
Citibank Nominees Singapore Pte Ltd	18,611,600
Hong Leong Finance Nominees Pte Ltd	13,200,000

He is also deemed interested in 21,000,000 Shares held by associated Leisure International Pte Ltd in which he holds a 99% shareholding interest.

LETTER TO SHAREHOLDERS

(3) Mr Johansson Bo Robert and Mr Sune Gustaf Sigvard Andersson are the Substantial Shareholders (50% each) of Viking Engineering Pte Ltd and are deemed interested in the 85,989,200 Shares held by Viking Engineering Pte Ltd.

(4) Mr Tan Boy Tee has a direct interest in 80,000,000 shares which are registered and held through DBS Nominees Pte Ltd.

4. DIRECTORS' RECOMMENDATIONS

The Directors are of the opinion that the proposed Share Buyback Mandate is in the best interests of the Company, and accordingly recommend that Shareholders vote in favour of the ordinary resolution relating to the proposed Share Buyback Mandate, at the forthcoming AGM.

5. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Appendix and confirm after making all reasonable enquiries, that to the best of their knowledge and belief, this Appendix constitutes full and true disclosure of all material facts about the proposed renewal of the Share Buyback Mandate, the Company and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this Appendix misleading.

Where information in this Appendix has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from those sources and/or reproduced in this Appendix in its proper form and context.

6. DOCUMENTS AVAILABLE FOR INSPECTION

Copies of the Constitution may be inspected by Shareholders at the registered office of the Company at 21 Kian Teck Road, Singapore 628773 during normal business hours from the date of this Appendix up to and including the date of the AGM.

Yours faithfully,

For and on behalf of the Board of Directors
Viking Offshore and Marine Limited

Mr Ong Choo Guan
Chief Executive Officer and Executive Director

VIKING OFFSHORE AND MARINE LIMITED

(Incorporated in the Republic of Singapore)

PROXY FORM

IMPORTANT

1. Pursuant to Section 181(1C) of the Companies Act, Chapter 50 (the "Act"), Relevant Intermediaries may appoint more than two proxies to attend, speak and vote at the Annual General Meeting.

IMPORTANT. Please read notes overleaf

Notes:-

1. Except for a member who is a Relevant Intermediary as defined under Section 181(6) of the Companies Act, a member is entitled to appoint not more than two proxies to attend, speak and vote at the meeting. Where a member appoints more than one proxy, the proportion of his concerned shareholding to be represented by each proxy shall be specified in the proxy form. A proxy need not be a member of the Company,
2. Pursuant to Section 181(1C) of the Companies Act, Chapter 50 (the "Act"), a member who is a Relevant Intermediary is entitled to appoint more than two proxies to attend, speak and vote at the meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the proxy form.
3. The instrument appointing a proxy or proxies must be under the hand of the appointor or his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed under its common seal or under the hand of its attorney or duly authorised officer.
4. A corporation which is a member of the Company may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at the Annual General Meeting, in accordance with its constitution and Section 179 of the Companies Act, Chapter 50 of Singapore.
5. The instrument appointing proxy or proxies, together with the power of attorney or other authority (if any) under which it is signed, or notorially certified copy thereof, must be deposited at the office of the Share Registrar, M&C Services Private Limited, 112 Robinson Road, #05-01, Singapore 068902, not later than 48 hours before the time set for the Annual General Meeting.
6. A member should insert the total number of shares held. If the member has shares entered against his name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act (Chapter 289) Singapore), he should insert that number of shares. If the member has shares registered in his name in the Register of Members of the Company, he should insert the number of shares. If the member has shares entered against his name in the Depository Register and shares registered in his name in the Register of Members of the Company, he should insert the aggregate number of shares. If no number is inserted, this form of proxy will be deemed to relate to all the shares held by the member of the Company.
7. The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of members of the Company whose shares are entered against their names in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if such members are not shown to have shares entered against their names in the Depository Register 72 hours before the time appointed for holding the Annual General Meeting as certified by The Central Depository (Pte) Limited to the Company.
8. A Depositor shall not be regarded as a member of the Company entitled to attend the Annual General Meeting and to speak and vote thereat unless his name appears on the Depository Register 72 hours before the time set for the Annual General Meeting.
