SGX Stock Exchange welcomes Metrocon Holdings Limited to Catalist

SGX Stock Exchange congratulates Metrocon Holdings Limited (Metrocon) on its listing on Catalist under stock code “WYO”.

Metrocon is a Singapore-based geotechnical foundation engineering specialist. The company specialises in subsurface construction work that establishes stable foundations for buildings and infrastructure. Its core business includes installing deep structural piles, constructing underground retaining walls to stabilise surrounding soil during excavations, and ground improvement works to ensure stability. Metrocon serves both government agencies and private developers across residential and infrastructure projects and has a track record of delivering technically demanding works.

Tan Kean Seng, Executive Director and Chief Executive Officer, Metrocon Holdings Limited, said, “This listing is a defining milestone for Metrocon and a testament to the dedication of our entire team. From our earliest projects to the complex, technically demanding work we undertake today, we have stayed focused on engineering excellence and reliability. Becoming a listed company gives us a stronger platform to grow responsibly, invest in our capabilities and continue to execute our growth plans to deliver long-term value for our shareholders, customers and partners.”

Koh Jin Hoe, Head of Capital Markets, Global Sales and Origination, SGX Group, said, “As a specialised foundation engineering firm, Metrocon is well-positioned to support Singapore’s ongoing infrastructure and building developments. Transitioning to a public company on SGX aligns with its long-term growth objectives, providing the capital access and corporate visibility required to scale its business and compete for larger-scale contracts.”

Metrocon Holdings Limited joins more than 200 enterprises that are listed on SGX Catalist. Metrocon Holdings Limited opened at S\$0.23 today.

About Metrocon Holdings Limited

Metrocon Holdings Limited (“Metrocon”, or the “Company”, and together with its subsidiary, the “Group”) is a Singapore-based specialist in geotechnical foundation engineering. The Group’s core capabilities include foundation works, earth retaining structure works and ground improvement works, supporting public housing and infrastructure projects across Singapore.

Since its establishment in 2016, Metrocon has built a strong track record in delivering technically demanding projects, including works within railway reserve zones, along live canals and at sites in close proximity to existing structures. Underpinned by an unwavering focus on quality, safety and timely delivery, the Group has completed more than 40 projects and has forged longstanding relationships with government agencies, main contractors and private developers across the residential and infrastructure sectors.

About SGX Group (Singapore Exchange)

SGX Group is one of the world’s most trusted international marketplaces, known for its stability and openness.
