RESPONSE TO QUERY REGARDING TRADING ACTIVITY

The Board of Directors (the “**Board**”) of Infinio Group Limited (the “**Company**”) refers to the query regarding trading activity from the Singapore Exchange Regulation Pte. Ltd. (“SGX”) on 11 December 2017 regarding unusual volume movements in the Company’s shares and wishes to respond to the queries as follows:

Question 1: Are you (the issuer) aware of any information not previously announced concerning you, your subsidiaries or associated companies which, if known, might explain the trading? Such information may include events that are potentially material and price-sensitive, such as discussions and negotiations that may lead to joint ventures, mergers, acquisitions or purchase or sale of a significant asset. You may refer to paragraph 9 in Appendix 7A of the Catalist Rules for further examples.

- If yes, the information shall be announced immediately.

Company’s response

The company has continually been exploring various avenues for fund-raising from existing shareholders and third-parties. However, no definitive agreement has been reached with any party and there is no certainty that any agreement will be reached. The Company is unable to conclusively attribute the information disclosed above to its trading activity.

Save for the foregoing, the Company is not aware of any information not previously announced concerning the Company, its subsidiaries or associated companies which, if known, may explain the trading.

Question 2: Are you aware of any other possible explanation for the trading? Such information may include public circulation of information by rumours or reports.

Company’s response

Save for the Company’s response to Question 1 set out above, the Company is not aware of any other possible explanations for the Company’s trading activity.

Question 3: Can you confirm your compliance with the listing rules and, in particular, Catalist Rule 703?

Company’s response

The Company confirms that it is in compliance with the listing rules, in particular, Catalist Rule 703.
