News Release

ST Engineering Expects to Report Positive Net Profit for Second Half 2025

Singapore, 30 December 2025 - Further to Singapore Technologies Engineering Ltd (ST Engineering)'s third quarter 2025 Market Update announcements on 12 November, which stated that the Group's base operating performance has been strong and expects to report a positive net profit for full year 2025 and that second half 2025 (2H2025) net profit was being assessed, ST Engineering announced today that it now expects to report a positive 2H2025 net profit after taking in all the one-off effects in 2H2025.

*****

ST Engineering is a global technology, defence and engineering group with a diverse portfolio of businesses across the aerospace, smart city, defence and public security segments. The Group harnesses technology and innovation to solve real-world problems, enabling a more secure and sustainable world. Headquartered in Singapore, it has operations spanning Asia, Europe, the Middle East and the U.S., serving customers in more than 100 countries. ST Engineering reported revenue of over $11b in FY2024 and ranks among the largest companies listed on the Singapore Exchange. It is a component stock of MSCI Singapore, FTSE Straits Times Index and Dow Jones Best-in-Class Asia Pacific Index.
