Inside Information Announcement

References are made to the announcements of Boom Up Investments Limited (the “**Company**”) dated 30 August 2019, 28 October 2019 and 1 April 2020 in relation to certain inside information of the Notes (the “**Announcements**”). Unless defined otherwise, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

As of the date of this announcement, US\$420,000,000 in aggregate principal amount of the Notes is outstanding. The Notes will mature on 2 August 2020 (the “**Maturity Date**”), on which date the Company will be required to pay to the holders of the Notes (the “**Noteholders**”) the outstanding principal and accrued interest from 2 February 2020 at an annual rate of 3.8%, calculated in accordance with the terms of the Notes. The aggregate amount due and payable to the Noteholders on the Maturity Date will be approximately US\$427.98 million.

The Keepwell Provider (together with its subsidiaries, the “**Group**”) has been working diligently to satisfy certain closing conditions under certain asset disposal agreements, and to collect proceeds from certain asset dispositions in order to repay outstanding debts of the Group, including the Notes. However, due to the outbreak of COVID-19 and containment measures imposed by governments across the world as a result, and the associated impact on economic activities and other direct and indirect impacts of COVID-19, such asset disposition processes and proceeds collection have been delayed. The Company expects that the ongoing pandemic will continue to adversely affect the progress of the asset dispositions in the near future.

After giving careful consideration to the existing and expected future liquidity and performance of the Group and its available sources of financing, the Company currently anticipates that the Company will not be in a position to pay the principal amount of, or the accrued but unpaid interest on, the Notes on the Maturity Date.

The Company expects to conduct a consent solicitation as soon as practicable for the Noteholders to consider and, if thought fit, approve certain resolutions for the purposes of modifying certain terms and conditions of the Notes. The Company is committed to full and open communication with the Noteholders and will seek to explore a consensual resolution. The Company would like to express its gratitude to Noteholders who have been supportive of the Company, and looks forward to their continued support in the consent solicitation.

The Company will keep the Noteholders and other stakeholders updated by way of further announcement(s) as and when appropriate.
