

IENOVA ANNOUNCES FINANCING AGREEMENT FOR ECA LNG EXPORT PROJECT

Mexico City, December 09 2020 – Infraestructura Energética Nova, S.A.B. de C.V. (“**IEnova**”), informs that today, ECA Liquefaction (“**ECA LNG**”), a wholly-owned subsidiary of the joint venture formed by IEnova, Sempra LNG (“**Sempra LNG**”), and an affiliate of Total SE (“**Total**”), has entered into a 5-year loan agreement for an aggregate amount of up to US\$1,580,500,000 (one thousand five hundred eighty million five hundred thousand US dollars) (the “**Financing**”), in relation to the ECA LNG export project.

The Financing, which will not consolidate in IEnova’s balance sheet, has three tranches associated with the commitments of each joint venture partner. The financial institutions related to IEnova’s tranche are: The Bank of Nova Scotia, Sumitomo Mitsui Banking Corporation, BBVA Securities Inc., and Banco Nacional de México, S.A., Integrante del Grupo Financiero Banamex.
