Operadora de Servicios Mega, S.A. de C.V., SOFOM, E.R. Announces Updates on 8.250% Senior Notes due 2025
(the “Notes”)

Announcement

JALISCO, Mexico, September 11, 2024. Operadora de Servicios Mega, S.A. de C.V., SOFOM, E.R, a regulated multiple purpose financial company (“**Mega**” or the “**Company**”), announces an update regarding its ongoing recapitalization process.

On August 12, 2024, the Company made a strategic decision to defer interest payments on certain outstanding debt obligations, including the coupon payment due on that date for the Notes, in the interest of all of its stakeholders. Although the 30-day grace period has now expired, the Company remains confident in its ability to achieve a comprehensive consensual solution in collaboration with its creditors.

The Company is currently fully engaged with all of its creditors, including certain holders of the Notes, and is making meaningful progress towards agreeing the terms of a holistic consensual recapitalization transaction that will strengthen Mega’s balance sheet and enable it to continue investing in and supporting Mexico’s SME sector. Mega expects to provide further details on its recapitalization plans in the near future and remains committed to managing its obligations responsibly while maintaining transparency with creditors, employees, and other stakeholders.

The Company appreciates the continued support and patience of all its stakeholders as it works towards a successful outcome.

ABOUT THE COMPANY

The Company is a Mexican leasing company based in Guadalajara, Jalisco, with more than 19 years of operating experience specializing in three main business lines: leasing, lending and auto loans. In addition to the Company’s headquarters located in Guadalajara, it has five branches throughout Mexico, located in Mexico City, Puebla, Cancun, Queretaro and Leon, and one additional office located in San Diego, California. Through the Company’s leasing business line, it offers leases for a variety of machinery and equipment (including computer numerical control (CNC) machines and bending machines), transportation vehicles (including cargo and passenger vehicles) and other capital assets used in a variety of industries in Mexico. Through its lending business line, the Company provides financing to small and medium businesses for the acquisition of durable goods and equipment (such as greenhouses and macro-tunnels), as well as liquidity and financing solutions for their working capital needs. The Company’s auto loans business line, based in San Diego, California, specializes in loans for the purchase of pre-owned personal vehicles.
