Civmec wins Employer of the Year Award and Company of the Year Award

SINGAPORE – 4 October 2016 – Australia-based **Civmec Limited** (“**Civmec**” or the “**Group**”) today announced that it has recently been awarded two prestigious industry awards.

- **‘West Australian Employer of the Year’** award at the West Australian (WA) Training Awards; and
- **‘Company of the Year’** award at Local Regional Business Awards.

On the 23rd of September, Civmec became the recipient of the 2016 **‘WA Employer of the Year’** award at the WA Training Awards ceremony dinner. WA Training Awards are highly sought after as they recognise and reward companies who put outstanding efforts into the training and advancement of their employees. The award was presented by Hon. Liza Harvey MLA, Deputy Premier; Minister for Police; Road Safety; Training & Workforce Development and Woman’s Interests.

This award was made possible because of the efforts of our Registered Training Organisation (RTO) team, which is based at our west coast facility in Henderson and offers the opportunity for our people to be involved in learning and development programmes. The RTO has also recently achieved national accreditation which will allow us to internally train people at our east coast facility and other national regions in the future.

Mr. Patrick Tallon, CEO of Civmec, said "We are honored to be the recipient of both these prestigious awards and to be recognised for our constant efforts to make a difference to the community and to ensure we have on-going success by continually training our people to be leaders of the future. This allows us to continue to be innovative and deliver best outcomes for our stakeholders, now and long into the future"
