THE PROPOSED RENEWAL OF THE SHAREHOLDERS’ MANDATE FOR INTERESTED PERSON TRANSACTIONS WITH SHANDONG YINGUANG SECURITY SERVICES CO., LTD (“YINGUANG SECURITY”) AND WULIAN HANYUE BLASTING SERVICES CO., LTD (“WULIAN HANYUE”)

1. INTRODUCTION

- 1.1** The Proposed Resolution No. 7 in the Notice of the Annual General Meeting (the “AGM”) to be held on 31 July 2019 relates to the renewal of the general mandate to authorise the Company and its subsidiaries (collectively, the “Group”) that are considered to be “entities at risk” within the meaning of Chapter 9 of the Listing Manual, to enter into, in the ordinary course of business, any of the Mandated Transactions with the Mandated Interested Persons (defined herein), provided that such transactions are made on normal commercial terms and in accordance with the review procedures for such transactions (the “Yinguang Chemical Group IPT Mandate”).
- 1.2** At an annual general meeting of the Company held on 31 July 2018 (the “2018 AGM”), the shareholders of the Company (“Shareholders”) had, *inter alia*, approved the Yinguang Chemical Group IPT Mandate to enable the Group to enter, in the ordinary course of business, into certain specified classes of transactions with certain specified interested persons.
- 1.3** The Yinguang Chemical Group IPT Mandate will expire on the date of the forthcoming AGM. Accordingly, it is proposed that the Yinguang Chemical Group IPT Mandate be renewed at the forthcoming AGM, to take effect until the next AGM of the Company. General information pertaining to Chapter 9 of the Listing Manual is set out in Schedule 1 to this Appendix.

2. DETAILS OF YINGUANG CHEMICAL GROUP IPT MANDATE GRANTED AT THE 2018 AGM

2.1 Details of Mandated Interested Persons

The mandated interested persons are Yinguang Security and Wulian Hanyue and will include present and future Associates (defined herein) (which may arise from time to time) of Sun Bowen and Bao Hongwei which are also involved in the Mandated Transactions (“Mandated Interested Persons”). Further information can be found in Schedule 2 to this Appendix.

2.2 Nature of Mandated Interested Persons Transactions

Wulian Hanyue is principally engaged in the business of trading commercial explosives products, including but not limited to explosive devices (boosters), industrial fuse and initiating explosive devices (detonating cords and non-electric tubes), and industrial detonators (piston non-electric detonators) (the “Initiation Systems Products”). Yinguang Security is principally engaged in the provision of specialised security services and provides such services to Shandong Yinguang Technology Co., Ltd, the wholly-owned subsidiary of the Company (“Yinguang Technology”) through the provision of its personnel for Yinguang Technology’s manufacturing facilities, office area and during the transportation of commercial explosives (the “Yinguang Security Services”).

The approval of the Yinguang Chemical Group IPT Mandate obtained at the 2018 AGM applies to the sale of Initiation Systems Products by the Group through Yinguang Technology to Wulian Hanyue (the “Wulian Hanyue Sales”) and the supply of Yinguang Security Services by Yinguang Security through Yinguang Technology to the Group.

Further details of the Mandated Transactions which were disclosed in Appendix 2 to the Notice of Annual General Meeting of the Company dated 16 July 2018 issued to Shareholders for purposes of the 2018 AGM, have been extracted and reproduced as set out in Schedule 2 to this Appendix for your ease of reference. For the avoidance of doubt, the Yinguang Chemical Group IPT Mandate is referred to as the Proposed IPT Mandate in Schedule 2 to this Appendix.

The Yinguang Chemical Group IPT Mandate will not cover any transaction by a company in the Group with the Mandated Interested Persons that is below S\$100,000 in value, as the threshold and aggregation requirements contained in Chapter 9 of the Listing Manual would not apply to such a transaction.

Transactions with the Mandated Interested Persons which do not fall within the ambit of the Yinguang Chemical Group IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

3. RATIONALE FOR AND BENEFIT OF THE YINGUANG CHEMICAL GROUP IPT MANDATE

3.1 Rationale

It is envisaged that the Group will in its ordinary course of business enter or continue to enter into the Wulian Hanyue Sales and sale of Initiation Systems Products to future Associates of Sun Bowen and Bao Hongwei (if any) (together, the “Initiation Systems Products Sales”) and the procurement of Yinguang Security Services and security services from future Associates of Sun Bowen and Bao Hongwei (if any) (“Security Services Procurement”) (together, the “Mandated Transactions”). Such transactions are recurring transactions and are part of the day-to-day operations of the Group. Therefore they are likely to occur with some degree of frequency and could arise from time to time and as such, are time-sensitive. In view thereof and the need for smooth and efficient conduct of business, and to allow the Group to undertake such transactions in a more expeditious manner, the Directors are seeking approval of Independent Shareholders for the renewal of the Yinguang Chemical Group IPT Mandate, provided that such transactions are made on normal commercial terms, are in the interests of our Company and are not prejudicial to the interests of the Company and its minority Shareholders. The renewal of the Yinguang Chemical Group IPT Mandate, if approved by Shareholders, will enhance the Group’s ability to pursue business opportunities, which may be time-sensitive and frequent in nature.

The nature and scope of the Mandated Transactions, as well as details of the Mandated Interested Persons, are detailed in Sections 2.1 (*Details of Mandated Interested Persons*) and 2.2 (*Nature of Mandated Interested Persons Transactions*) above.

3.2 Benefits

The Yinguang Chemical Group IPT Mandate will eliminate the need for the Company to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant entity in the Group into such Mandated Transactions. This will substantially reduce the expenses associated with the convening of general meetings (including the engagement of external advisers and preparation of documents) on an *ad hoc* basis, improve administrative efficiency and efficacy considerably, and allow manpower resources and time to be channeled towards attaining other business objectives available to the Company.

The Group will be able to maximize its business opportunities especially in transactions that are time-sensitive in nature, and the significant amount of administrative resources, time and expenses saved could be channeled towards attaining other corporate objectives. The Wulian Hanyue Sales in particular are also an additional source of revenue stream for the Group which will help to bolster its market share within the industry, provided that such products and services are provided on normal commercial terms. Notwithstanding the above, Shareholders will be updated on the value of such Mandated Transactions through the Company's interim and full-year financial statements and in its annual report.

4. REVIEW PROCEDURES FOR MANDATED INTERESTED PERSONS TRANSACTIONS

4.1 Review Procedures for the Initiation Systems Products Sales

Having regard to the nature of the Initiation Systems Products Sales, and the criteria in establishing the review procedures which is to ensure that such transactions are conducted on normal commercial terms, are in the interests of the Company and are not prejudicial to the interests of the Company and the minority Shareholders, the following review procedures will be implemented:

The selling prices quoted to the Mandated Interested Persons or submitted by the Group to them at their bidding exercises (as the case may be) shall not be lower than the lowest selling price of similar transactions with the unrelated third parties;
- (ii) the Initiation Systems Products Sales shall be on pricing and terms which are no more favourable to the Mandated Interested Persons than the usual commercial terms and prevailing market rates extended to unrelated third parties, after taking into account the relevant factors such as, but not limited to, the nature of the product, delivery schedules, order quantity, foreign exchange rates, customer requirements and specifications, duration of contract, preferential rates, discounts or rebates for bulk purchases and costs for freight;
- (iii) where it is impossible or impractical to obtain the terms of other similar transactions with unrelated third parties or publicly quoted prices, to compare against the terms of the Initiation Systems Products Sale, the Review Team will determine the transaction pricing in accordance with our Group's usual business practices and pricing policies (including our profit margin policies) for the same or substantially similar type of products sold to unrelated third parties or in accordance with industry norms, as the case may be. In determining the transaction prices, factors such as, but not limited to, the nature of the product, delivery schedules, order quantity, foreign exchange rates, customer requirements and specifications, duration of contract, availability of preferential rates, discounts or rebates for bulk purchases and cost of freight will be taken into account; and
- (iv) the Group will not proceed with any transaction with the Mandated Interested Persons if it results in a gross loss (i.e. after deducting costs of sales) to the Group.

- (i) the head of safety department and/or general manager will submit the recommendation to renew the contract entered into between Shandong Yinguang Technology Co., Ltd. (“Yinguang Technology”) and Yinguang Security on 1 May 2014 and subsequently renewed on 1 May 2015, 1 May 2016, 1 May 2017, 1 May 2018 and 1 May 2019 (“Yinguang Security Services Contract”) for approval to the Review Team, and the head of safety department and/or general manager shall obtain at least two (2) quotations from unrelated third parties, or failing which, obtain the terms of two (2) contracts entered into by the Mandated Interested Person with unrelated third parties, contemporaneous in time, as a basis for comparison for the Review Team. The fee payable by the Group for the duration of the Yinguang Security Services Contract shall not be higher than the most favourable price or fees of the two (2) other quotations obtained from unrelated third parties or the terms of two (2) other contracts entered into by the Mandated Interested Person with unrelated third parties;
- (ii) the Security Services Procurement shall be on pricing and terms which are no more favourable to the Mandated Interested Person than the usual commercial terms and prevailing market rates extended by unrelated third parties to the Group or in event of failure to obtain such quotations, the terms of the contracts entered into by the Mandated Interested Person with unrelated third parties, after taking into account factors such as, but not limited to, track record, previous working experience, requirements and specifications of the Group, duration of contract, and availability of preferential rates, discounts or rebates for longer contractual periods; and
- (iii) where it is impossible or impractical to obtain comparable prices of contemporaneous transactions of similar services to compare against the terms of the Security Services Procurement due to the nature of the services to be obtained from the Mandated Interested Person, the Review Team will (i) take such necessary steps to determine that the terms provided by the Mandated Interested Person are fair and reasonable, including the estimated cost of employing security guards on a full-time basis for the contracted period and (ii) evaluate and weigh the benefits of and rationale for transacting with the Mandated Interested Person, taking into account factors such as but not limited to, track record, previous working experience, requirements and specifications of the Group, duration of contract, preferential rates, discounts or rebates for longer contractual periods.

4.3 Approval Threshold Limits

In addition to the review procedures, before entering into the Mandated Transactions, each of the Mandated Transactions will be subject to review and pre-approval by the relevant authorities according to the value of the Mandated Transaction as set out in the approval matrix below:

Approval Threshold Limits		
	Value of each Mandated Transaction	Approving Authorities <i>(each having no interest, direct or indirect, in the Mandated Transaction)</i>
1	At least S\$100,000 ⁽¹⁾ and above but less than RMB1.0 million (“ Threshold Limit ”)	A Director and the head of finance (PRC operations)
2	Equal to or exceeding the Threshold Limit	Majority of the Audit Committee of the Company (“ Audit Committee ”)

Note:

- (1) Which is equivalent to RMB495,110 based on the foreign exchange rate of S\$1:RMB4.9511 on 31 March 2019

The Threshold Limit of RMB1.0 million (approximately S\$201,975.32 based on the foreign exchange rate of S\$1:RMB4.9511 on 31 March 2019) for each Mandated Transaction which requires the approval of the Audit Committee is regarded as reasonable by the Independent Directors based on, *amongst others*, the anticipated value, volume, size and frequency of the Mandated Transactions that the Group may enter into with the Mandated Interested Persons. The Threshold Limit is arrived at with the view to strike a balance between maximizing the operational efficiency of the day-to-day operations of the Group, and maintaining adequate internal controls and governance in relation to the Mandated Transactions.

In addition, the above review includes the examination of the Mandated Transactions and its supporting documents or such data deemed necessary by the Director or the Audit Committee, as referred to in the above approval matrix. The finance manager will prepare the relevant information to assist the Director or the Audit Committee in its review. The Director or the Audit Committee may, if it deems fit, have the right to require the appointment of independent advisers and/or valuers from external or professional sources to provide additional information or review of controls and its implementation pertaining to the Mandated Transactions under review.

In the event that a Director or member of the Audit Committee (where applicable) is interested (directly or indirectly) in any Mandated Transaction, he will abstain from reviewing that particular transaction to ensure that the Mandated Transaction will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. Approval of that transaction will accordingly be undertaken by the remaining Directors or members of the Audit Committee.

Pursuant to Chapter 9 of the Listing Manual, Mandated Transactions that are below S\$100,000 each will not be subject to the review procedures set out in this Section 4 (*Review Procedures for Mandated Interested Persons Transactions*).

If, during these reviews, the Audit Committee is of the view that the guidelines and review procedures have become inappropriate and/or insufficient to meet such objectives, the Company will seek a fresh mandate from Shareholders based on new guidelines and review procedures for transactions with the Mandated Interested Persons. During the period prior to obtaining a fresh mandate from Shareholders, all Mandated Transactions will be subject to prior review and approval by the Audit Committee.

(iii) Review by Internal Auditors

The Group shall incorporate into its internal audit plan a review by the internal auditors on a quarterly basis for all Mandated Transactions entered into by the Group pursuant to the Yinguang Chemical Group IPT Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions have been adhered to. The review report by the internal auditors on the Mandated Transactions will be forwarded to the Audit Committee.

(iv) Review by External Auditors

SCHEDULE 2 to the Appendix

DETAILS OF THE MANDATED INTERESTED PERSON TRANSACTIONS

(All defined terms used herein shall have the meaning ascribed to them in the Circular of the Company dated 14 July 2017 issued to Shareholders for purposes of the EGM held on 2017 EGM)

Background Introduction

At an extraordinary general meeting of the Company held on 25 July 2014, the Shareholders had granted an interested person transaction mandate (the “Minbao Group IPT Mandate”) to enable the Group to enter into transactions, in the ordinary course of business, with the Minbao Group, namely Yinguang Minbao and Yinguang Commercial Explosives for the sales of AN Products and Initiation Systems Products respectively. The Minbao Group IPT Mandate was subsequently renewed at the AGM of the Company for FY2015 and FY2016.

Following the disposal of the 30.0% stake of Yinguang Chemical Group in Yinguang Minbao to Guizhou Jiulian Industrial Explosive Materials Development Co., Ltd (“Guizhou Jiulian”) a listed company in the PRC in return for approximately 4.7% stake in Guizhou Jiulian, Yinguang Chemical Group also disposed its 10.3% stake in Mengyin Yinguang to unrelated third party individuals (Mengyin Yinguang holds a 2.4% stake in Yinguang Commercial Explosives). Yinguang Commercial Explosives is therefore no longer considered an indirect associate of Sun Bowen and Bao Hongwei and is therefore not deemed to be an interested person. Accordingly, transactions entered into between the Group and Yinguang Commercial Explosives are no longer deemed interested person transactions.

The Group continues to sell and supply Initiation Systems Products to Wulian Hanyue and obtains security services from Yinguang Security, in the ordinary course of business of the Group.
