

CHANGE OF FINANCIAL YEAR END FROM 31 DECEMBER TO 31 MAY

The Board of Directors (the “**Board**”) of Natural Cool Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce the change of the Company’s financial year end from 31 December to 31 May.

Following the aforesaid change, the current financial year of the Company will end on 31 May 2027 (“**FY2027**”) and that the next set of audited financial statements of the Company will cover a period of 17 months, from 1 January 2026 to 31 May 2027. Thereafter, the subsequent financial year of the Company will commence on 1 June each year and end on 31 May of the following year.

Rationale for the Change of Financial Year End

The Board of Directors resolved to change the financial year end from 31 December to 31 May after taking into consideration, amongst others, the Group’s reporting requirements and the need to facilitate more effective management of resources. The change would allow the Company to better align the Group’s financial cycles of its key suppliers, enhance audit efficiency through improved auditor resource availability, and reduce operational pressures associated with conducting year end reporting activities during the festive period.
