

MATERIAL FACT

RIO DE JANEIRO, FEBRUARY 28TH, 2025 – Vast Infraestrutura S.A. (“Vast” or “Company”), on behalf of AÇU PETRÓLEO LUXEMBOURG S.À R.L. (“APLux”), reports that on this date the Company was informed by Prumo Logística S.A., (“Prumo”), as the indirect controlling shareholder of APLux and direct controlling shareholder of Vast, that Prumo and China Merchants Port (“CMP”) have executed a sale purchase agreement for a potential sale of an equity stake in Vast, representing 70% of the total capital stock of the Company (the “Transaction”).

The conclusion of the Transaction will be subject to conditions precedent, including third-party consents. The Transaction is in line with Prumo's strategy of establishing partnerships with global players to jointly develop business in the Port of Açu.

A subsidiary of China Merchants Group, China Merchants Port is a world-leading port developer, investor and operator, which includes main hubs along the coast of China.

The Company will keep the market duly informed about developments related to the subject matter of this material fact.

Forward-Looking Statements

This material fact may contain forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the U.S. Securities Exchange Act of 1934 that are not based on historical facts and are not assurances of future results and events. These forward-looking statements are based on management's current expectations and estimates about future events, including the consummation of the Transaction, which affect or may affect the Company's businesses and results of operations. The words “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect” and similar words are intended to identify estimates and forward-looking statements. These statements include but are not limited to forward-looking statements about the intended Transaction. Although the Company believes that these forward-looking statements are based upon reasonable assumptions, these statements are subject to several risks and uncertainties and are made in light of information currently available to the Company. Estimates and forward-looking statements involve risks and uncertainties and are not guarantees of future performance nor consummation of the Transaction. Any changes in such assumptions or factors could cause the expected results from the Transaction, if consummated, to differ materially from current expectations, and the Company's expected future results from the Transaction, if consummated, may differ materially from those expressed in these estimates and forward-looking statements.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained

in this material fact. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
