PROFIT GUIDANCE FOR SIX MONTHS ENDED 30 JUNE 2022

The Board of Directors (the “Board”) of Acesian Partners Limited (the “Company” and together with its subsidiaries, collectively, the “Group”) wishes to inform shareholders of the Company that the Group is expected to report a significant improvement in profit before tax (“PBT”) for the six months (“1H2022”) ended 30 June 2022, as compared to the six months ended 30 June 2021.

Based on the preliminary review of its Group’s unaudited consolidated financial results for 1H2022, the expected improvement in PBT is mainly attributable to, *inter-alia*, increase in revenue from our manufacturing segment, which was primarily due to progressive order delivery from several significant new sales orders as announced on 27 April 2022.

The Group is still in the process of finalising its unaudited consolidated financial results for 1H2022 and will provide further details of the Group’s performance when it releases the financial results on or before 14 August 2022.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers.
