**PROFIT GUIDANCE FOR THE TWELVE MONTHS ENDED 31 DECEMBER 2025 UNAUDITED  
FINANCIAL RESULTS ("FY2025")**

---

The Board of Directors (the "**Board**") of Acesian Partners Limited (the "**Company**", and together with its subsidiaries, collectively the "**Group**") wishes to inform shareholders that the Group is expected to report a significant decline in revenue and a loss before tax for FY2025, compared to a profit for FY2024.

Based on a preliminary review of the Group's unaudited consolidated financial results for FY2025, the expected decline in revenue is mainly attributable, among other factors, to a lack of project-based orders. The expected loss before tax for FY2025 is mainly due to the decline in revenue, a reduced gross profit margin, lower finance income, and higher administrative and other operating expenses.

The second half of FY2025 is expected to deliver significantly higher revenue and lower losses compared with the first half. The lower loss in the second half of FY2025 was mainly due to improved gross margin and lower other operating expenses.

The Group is still in the process of finalising its unaudited consolidated financial results for FY2025 and will provide further details on the Group's performance when the financial results are released on or before 1 March 2026.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers.
