2. The detailed contents of the above-mentioned proposals are disclosed at *China Securities Journal*, *Securities Times*, *Shanghai Securities News*, *Hong Kong Commercial Daily*, *Securities Daily* and <http://www.cninfo.com.cn> on July 1, 2014 and August 29, 2014.

III. Meeting registration method

1. Registration procedures:

(1) The legal representative of the legal person shareholder shall hold the shareholder account card, copy of the business license affixed with the official seal of the company, legal representative certificate and identity card to handle the registration procedures. If agent is entrusted to attend, legal person power of attorney and identity care of the attender shall be held.

(2) Individual shareholder shall hold the identity care, shareholder account card and shareholding voucher to handle the registration procedures. Agent of the shareholder entrusted to attend shall also hold the identity care of the attender and power of attorney.

(3) Shareholders in other areas can conduct registration through mail or fax.
2. Registration time: 9: 00 AM—5:30 PM, September 10, 2014 to September 15, 2014 (excluding the non working hours), 9: 00 AM—12:00 AM, September 16, 2014.

3. Registration site: Secretariat of the Board of Directors, Building 3, Nanhai Yiku, No.6 Xinghua Road, Shekou, Nanshan District, Shenzhen, Guangdong.

4. Precaution: The shareholders and agents of the shareholders attending the meeting shall bring the originals of their certificates to enter the field.

IV. Specific operation processes of participating in network voting

The shareholders conducting network voting through the transaction system is

similar to buying or selling shares, conducting voting through the Internet Voting system is similar to filling the options, and see Annex 2 for the specific voting processes.

V. Voting rules

The Company shareholders shall seriously exercise the voting right. When voting, the same share can only choose one of the voting modes of on-site voting and network voting, and repeated voting is not allowed. Network voting includes two voting modes of securities transaction system and Internet system, and the same share can only choose one of the modes. If repeated voting arises, handle according to the following rules:

1. If the same share has repeated voting of on-site voting and network voting, the first effective voting result shall prevail.
2. If the same share has repeated voting through the network, the first network voting shall prevail.

VI. Contact methods of the Meeting

Tel: (0755) 26819600, fax: 26818666

Address: Building 3, Nanhai Yiku, No.6 Xinghua Road, Shekou, Nanshan District, Shenzhen, Guangdong (postal code: 518067)

Contact persons: Chen Jiang and Luo Yuan.

VII. Other matters

The Meeting lasts for half a day, and the personnel attending the Meeting share bear the dining, lodging and traffic expenses.

We hereby publish the announcement.

Annex 2

Operation Procedures of the Shareholders of China Merchants Property Development Co., Ltd. Participating in Network Voting

For this Shareholders' Meeting, the Company will provide network voting platform for the shareholders, and A share shareholders and B share shareholders of the Company registered in the book on the equity registration day can participate in the network voting through the transaction system or Internet voting system of Shenzhen Stock Exchange.

I. Voting procedures of adopting the transaction system to vote

1. The time of conducting network voting through the transaction system of this Shareholders' Meeting is 9:30~11:30, 13:00~15:00 September 16, 2014, and for the voting procedures are operated in comparison to buying shares at Shenzhen Stock Exchange.

2. During the network voting, the transaction will list a voting security, the shareholder applies a buy-in entrustment, and voting can be conducted on the proposal. The information related to the security is as follows:

Security code: 360024

Security brief name: CM Voting

3. Specific processes of shareholder voting

① Input the buy-in command.

② Input the security code 360024;

③ Fill in the proposal No. of the Shareholders' Meeting under the "entrustment price" item, and the specific condition is as follows:

Proposal No.	Proposal content	Corresponding entrustment price
1	<i>Proposal on Providing Guarantee for the Credit Loan of Shenzhen China Merchants Construction Co., Ltd.</i>	1.00
2	<i>Proposal on Revising the Company Statute</i>	2.00
3	<i>Proposal on Modifying the Rules of Procedure for the Board of Directors</i>	3.00
4	<i>Proposal on Modifying the Rules of Procedure for the Board of Supervisors</i>	4.00
5	<i>Proposal on Examining and Approving the Shareholder Return Planning</i>	5.00

9	Proposal on Authorizing the Board of Directors to Handle the Matters Related to the Stock Option Incentive Plan of the Company	9.00

④ Fill in the voting opinion under the “entrustment quantity” item, 1 share represents assent, 2 shares represent negative, and 3 shares represent abstention. The specific condition is as follows:

Variety of voting opinion	Corresponding applications share number
Assent	1 share
Negative	2 shares
Abstention	3 shares

⑤ Confirm that the voting entrustment is completed.

4. Precautions

① The voting cannot be canceled.

② The application not meeting the above-mentioned requirements will be treated as invalid application and will not be brought into the voting statistics.

③ If it is necessary to inquire about the voting result, please log in the Internet voting system of Shenzhen Stock Exchange after 18:00 of the voting day (<http://wltp.cninfo.com.cn>), click the “voting inquiry” function, and check the individual network voting result.

II. Voting procedures of adopting Internet voting

Log in the Internet Voting system of Shenzhen Stock Exchange (<http://wltp.cninfo.com.cn>), and you can conduct network voting after passing the identity authentication.

1. Handle the identity authentication procedures

The purpose of identity authentication is confirming the identity of the voter on the network, so as to protect the interest of the voter. At present, the shareholders can

adopt the mode of service password or digital certificate to conduct identity authentication.

To apply for the service password, please log in the password service special zone of the website: <http://www.szse.cn> or <http://wltp.cninfo.com.cn> to register, fill in the related information and set the service password. The service password can be used half a day after activation of the transaction system is successful.

To apply for the digital certificate, you can apply to Shenzhen Securities Information Company or the agency certificate-issuing organ entrusted by it. Business consulting tel: 0755-83991880/25918485/25918486, business consulting email address: xuningyan@p5w.net. You can also refer to the “certificate service” column of the Internet voting system of Shenzhen Stock Exchange (<http://wltp.cninfo.com.cn>).

2 . The shareholders can log in the Internet voting system of <http://wltp.cninfo.com.cn> according to the service password or digital certificate obtained to conduct voting.

3. Time of the shareholders conducting voting

The start time of voting through the Internet voting system of this Shareholders' Meeting is 15:00, September 15, 2014, and the ending time of the network voting is 15:00, September 16, 2014.
