CLARIFICATION ON RESPONSE TO QUERIES FROM SIAS

Capitalised terms in this announcement shall have the same meanings as ascribed to them in the Previous Announcement (as defined below) unless otherwise defined.

The Board of Directors (the "**Board**") of Camsing Healthcare Limited (the "**Company**") and together with its subsidiaries, the "**Group**") refers to the announcement of its responses to the queries raised by SIAS, which was released by the Company via SGXNet on 24 June 2024 (the "**Previous Announcement**").

The Company wishes to make a clarification to its response to Query 3(ii), regarding the underlying reasons for the material variances between its UFS FY2024 and AFS FY2024 in relation to the over-impairment of subsidiary, which is to be replaced in its entirety with the following explanation:

"(4) *Over-impairment of subsidiary*

- *The impairment of investment in a subsidiary primarily concerns the valuation of the Group's principal subsidiary, Nature's Farm Pte Ltd.*
- *The management had appointed an independent valuer to determine the recoverable amount of the investment in Nature's Farm Pte Ltd as at 31 January 2024.*
- *The valuation was still in progress as at the date of announcement of the UFS FY2024.*
- *The valuation was subsequently completed, and the consequential adjustment was taken up during the audit for FY2024."*

Save as clarified above, all other information in the Previous Announcement remains unchanged.
