Restatement

The 31-08-2020 comparative figures have been restated to show the discontinued operations of the following 2 subsidiaries.

¹As announced on 30/06/2020, the expected completion date of the disposal of Arrow Waste Management Pte. Ltd. ("AWM") was on 29/05/2020. However, subsequent to that, the Company and its subsidiary, TEE Infrastructure Pte Ltd ("TEE Infra") has received notices of termination of the proposed disposal from the Purchaser. Since then, the Company, TEE Infra and the Purchaser have commenced Without Prejudice negotiations. As the Company and its subsidiaries intend to cease operations of AWM should the disposal did not materialise, the Group has accounted the disposal group as discontinued operations.

² Discontinued operations relate to the disposal of the entire stake of 63.28% shares in TEE Land Limited ("TEE Land"). As announced on 13/01/2020, the sale of TEE Land shares was completed on 03/02/2020.

There were no sale, transfer, disposal, cancellation and/or use of treasury shares during the period ended 31/08/2020.

1(d)(v) A statement showing all sales, transfers, cancellation and/or use of subsidiary holdings as at the end of the current financial period reported on

Not applicable.

2. Whether the figures have been audited or reviewed and in accordance with which auditing standard or practice

The figures presented have not been audited or reviewed.

3. Where the figures have been audited or reviewed, the auditors' report (including any qualifications or emphasis of a matter)

Not applicable.

3A. Where the latest financial statements are subject to an adverse opinion, qualified opinion or disclaimer of opinion:

(a) Updated on the efforts taken to resolve each outstanding audit issue.

Please refer to the Company's Annual Report released on 12 October 2020 and announcement made on 13 October 2020 for the follow-up actions taken by the Company.

(i) On-going CAD investigations on Unauthorised Remittances - no further development.

(ii) Opening balances of TEE Land Limited and components of losses from TEE Land Limited - no effect for the current period as the losses from TEE Land Limited's disposal had been fully recognised in the previous financial year ended 31 May 2020.

(iii) Contingent liabilities - please refer to the Company's announcement released on 13 October 2020. No further developmen

(b) Confirmation from the Board that the impact of all outstanding audit issues on the financial statements have been adequately disclosed.

To its best knowledge, the Board of Directors confirms that the impact of all outstanding audit issues on the financial statements have been adequately disclosed.

4. Whether the same accounting policies and methods of computation as in the issuer's most recently audited annual financial statements have been applied

The Group has adopted the same accounting policies and methods of computation for the current financial period as those adopted in the audited annual financial statements for the financial year ended 31/05/2020, as well as applicable new and revised Singapore Financial Reporting Standards (International) ("SFRS(I)") which became effective for financial years beginning on or after 01/06/2020.

The adoption of these new and revised SFRS(I) and Intrepretation of SFRS(I) relevant to the Group's operations which are effective for annual periods beginning on or after 01/06/2020 does not have a material impact on the financial statements.

5. If there are any changes in the accounting policies and methods of computation, including any required by an accounting standard, what has changed, as well as the reasons for, and the effect of, the change

Please refer to item 4 above.

Income Statement

First Quarter Ended 31/08/2020 ("1QFY2021") against First Quarter Ended 31/08/2019 ("1QFY2020")

Revenue decreased by S\$54.4 million due mainly to disruptions on on-going engineering business in view of the government regulations and measures that have been implemented to slow the spread of the COVID-19 virus and the substantial completion of a major project in the previous financial year. Group's construction activities have been severely slowed down. Cost of sales correspondingly decreased by S\$52.0 million.

Other operating income increased by S\$2.5 million due mainly to government grant received.

Other operating expenses increased by S\$0.5 million due mainly to change in fair value of investment properties arising from adoption of SFRS(I) 16 Leases.

Finance costs decreased by S\$0.8 million due to repayment of borrowings and notes payable in prior year.

8. (Continued)

Net Current Liabilities

As at 31 August 2020, the Group's and the Company's current liabilities exceeded its current assets by S\$3.8 million and \$40.6 million respectively.

The Group has obtained confirmations from all of its shareholders of a subsidiary on 5 October 2020, not to demand for repayment of their respective proportionate shareholders' loans for a period of 13 months. The proportionate of non-controlling shareholders' loans amounted to S\$8.2 million.

For the Company's net current liabilities position is due mainly to inter-company payables to certain subsidiaries. Excluding the inter-company payables to subsidiaries, the Company's net current assets position would have been S\$0.9 million instead.

9. Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results

There was no forecast or any prospect statement previously disclosed to shareholders.

10. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months

Engineering and Construction Business

While most of the construction works for the Group's ongoing projects have gradually resumed construction activities, manpower deployment remains challenging in view of the additional/stringent safety and health requirements. The Group expects that construction progress and cost for engineering and construction projects would be affected in near terms. The Group will take all necessary steps to monitor and contain the project cost for ongoing projects.

As at 31 August 2020, the Group's engineering and construction order book stood at S\$265.0 million.

The Group has just been awarded a new contract for Asset Enhancement Initiatives works worth approximately \$\$55.0 million. This brings the Group's outstanding engineering and construction order book to approximately \$\$320.0 million todate.

The Group announced the ongoing arbitration proceedings in respect of disputes arising out of and/or in connection with a construction contract in Malaysia. The Group continues to work closely with its legal counsels on the arbitration proceedings and intends to vigorously pursue its defense and counterclaim against the claimant.

Infrastructure Business

As an essential services provider, the environmental business continues to provide waste management services and has expanded its cleaning solutions to include disinfection services for commercial premises. The Group will continue its efforts to selectively divest its investment in overseas infrastructure assets.
