For the first time in Europe

Marvel's Avengers S.T.A.T.I.O.N.

A Revolutionary New Exhibition Experience

sets Paris Premier April 2016

on Esplanade de la Défense

Victory Hill Exhibitions, in association with **Marvel Entertainment**, announces the **Marvel's Avengers S.T.A.T.I.O.N.**, the highly anticipated new exhibition based on the global box office smash, *Marvel's The Avengers*.

After New York and Seoul, this S.T.E.M. (Science, Technology, Engineering, and Mathematics) based exhibition will run in Europe, at Paris (Esplanade La Défense) **from April 2016 to September 2016**.

"It is a great opportunity to welcome in France this new exhibition which will please all the public on the occasion of the release on April 27th, 2016 of the new movie *Marvel's Captain America : Civil War*." concludes Jean-François Camilleri, The Walt Disney Company France President.

The Marvel's **Avengers S.T.A.T.I.O.N.** (Scientific Training and Tactical Intelligence Operative Network) is a completely immersive experience that brings visitors into the world of *The Avengers*.

Visitors of all ages are granted access to the official Avengers S.T.A.T.I.O.N. headquarters and are taken deep into the Marvel Cinematic Universe. Here they will have open access to a vast array of intelligence files, classified studies and experiments that explore the history and scientific origins of Marvel's The Avengers. On display is an extensive range of Avengers operational equipment such as Captain America's uniform and shield, Bruce Banner's laboratory, Hawkeye and Black Widow uniforms and weapons, Vision's birth cradle, Ant-Man's helmet, a preserved Chitauri from the Battle of New York, Iron Man's MK 45 suit and the Hulkbuster suit. They will also get the chance to map out the stars to find Asgard, learn to operate Iron Man's suit, witness the neurological effects of Bruce Banner's transformation into the Hulk all as part of their training to become an Official Avengers S.T.A.T.I.O.N. Agent.

"To work so closely with the Marvel team on this incredible production, alongside some of the greatest scientific individuals and institutions in America, has been a real honor. With this exhibition, we are seamlessly integrating story and science to create a truly immersive edutainment environment, set within Marvel's Cinematic Universe" states **Nicholas Cooper**, **Victory Hill** Chief Creative Officer.

NASA, the Science & Entertainment Exchange (a program of the National Academy of Sciences), Neuroverse, and Thwacke are collaborating partners to this exhibition.
