

Trendlines Updates on Israel Situation

Misgav, Israel, 16 June 2025 – The Trendlines Group Ltd. (the “**Company**” and together with its subsidiaries, “**Trendlines**” or the “**Group**”), the Israel- and Singapore based investment company updates on the situation in Israel and its impact on our operations.

As many of you are aware, Israel is currently facing a state of war with Iran. In accordance with Home Front Command guidelines, our team has once again smoothly transitioned to remote work — something we’ve done effectively and without disruption several times over the past 20 months. Our experience in adapting to challenging situations continues to serve us well.

At this time, we are thankful to report that none of our team members or those of our portfolio companies have been harmed, and there has been no damage to any of our facilities.

Even under these difficult conditions, Trendlines remains fully operational and dedicated to supporting our portfolio companies wherever and however we can. Resilience is part of who we are.

We are deeply appreciative of the messages of support and encouragement we’ve received, and we remain hopeful for a swift return to calm and stability.

We will continue to keep you informed as the situation evolves.

Haim Brosh,
Executive Director and Chief Executive Officer
On behalf of The Trendlines Group
