THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

Dear Shareholder,

1. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1.1 Introduction

The purpose of this Appendix is to provide Shareholders with the relevant information pertaining to, and to seek Shareholders' approval at the 2023 AGM to be held on 27 April 2023 at 10.00 a.m. for, *inter alia*, the proposed renewal of the Share Buyback Mandate.

Any purchase or acquisition of Shares by the Company must be made in accordance with, and in the manner prescribed by the Companies Act, the Listing Manual, the Constitution of the Company and such other laws and regulations as may for the time being be applicable.

The Shareholders had approved the renewal of the Share Buyback Mandate to enable the Company to purchase or otherwise acquire its issued Shares at the 2022 AGM of the Company held on 25 July 2022 (the "**July 2022 Mandate**"). The July 2022 Mandate will expire by the 2023 AGM, in accordance with Rule 707(1) of the Listing Manual.

If approved, the Share Buyback Mandate will take effect from the date of the 2023 AGM and continue in force until the date of the next AGM or such date as the next AGM is required by law to be held, whichever is the earlier, unless prior thereto, Share Buybacks are carried out to the full extent mandated or the Share Buyback Mandate is revoked or varied by the Company in a general meeting.

The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Appendix.

1.2 Rationale

The Directors constantly seek to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Group. A Share Buyback at the appropriate price level is one of the ways through which the return on equity of the Group may be enhanced.

Share Buybacks provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient, effective and cost-efficient manner. It will also provide the Directors with greater flexibility over the Company's share capital structure with a view to enhancing the earnings and/or NTA value per Share.

The Directors further believe that Share Buybacks by the Company will help mitigate short-term market volatility, offset the effects of short-term speculation and bolster the confidence of Shareholders.

If and when circumstances permit, the Directors will decide whether to effect the Share Buybacks via Market Purchases or Off-Market Purchases, after taking into account the amount of surplus cash available, the prevailing market conditions and the most cost-effective and efficient approach. The Directors do not propose to carry out Share Buybacks to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity and/or the orderly trading of the Shares and/or the financial position of the Group, taking into account the working capital requirements of the Company or the gearing levels, which in the opinion of the Directors, are from time to time appropriate for the Company.

1.3 Terms of the Share Buyback Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Buyback Mandate are summarised below:

1.3.1 Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company (excluding treasury shares and subsidiary holdings) as at the date of the 2023 AGM at which the renewal of the Share Buyback Mandate is approved (the "**Approval Date**") (unless the Company has effected a reduction of its share capital in accordance with the applicable provisions of the Companies Act, at any time during the Relevant Period, in which event the total number of issued Shares of the Company shall be taken to be the total number of issued Shares of the Company as altered, excluding any treasury shares and subsidiary holdings, that may be held by the Company from time to time). Shares which are held as treasury shares or subsidiary holdings will be disregarded for the purposes of computing the 10% limit. The Company holds 16,220,800 treasury shares and does not have any subsidiary holdings as at the Latest Practicable Date.

For illustrative purposes only, based on the Company's 434,792,193 issued Shares (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date and assuming that no further Shares are issued or repurchased and held as treasury shares or cancelled on or prior to the 2023 AGM, not more than 43,479,219 Shares (representing approximately 10% of the total number of issued Shares of the

Company, as at the date of the 2023 AGM (excluding treasury shares and subsidiary holdings)) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

1.3.2 Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the Approval Date, up to the earliest of:

- (a) the date on which the next AGM of the Company is held or is required by law to be held;
- (b) the date on which the Share Buybacks are carried out to the full extent mandated; or
- (c) the date on which the authority contained in the Share Buyback Mandate is varied or revoked by the Shareholders in a general meeting.

1.3.3 Manner of purchase of Shares

Purchases of Shares may be made by way of, *inter alia*:

- (a) on-market purchases ("**Market Purchase**"), transacted on the SGX-ST through the SGX-ST's trading system or, as the case may be, any other securities exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (b) off-market purchases ("**Off-Market Purchase**") (if effected otherwise than on the SGX-ST) in accordance with an equal access scheme(s) and as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Companies Act and the Listing Manual.

Under the Companies Act, an equal access scheme must satisfy all of the following conditions:

- (a) offers for the purchase or acquisition of Shares are to be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers are the same except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (ii) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and

- (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, Rule 885 of the Listing Manual provides that, in making an Off-Market Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (i) the terms and conditions of the offer, and the period and procedures for acceptances;
- (ii) the reasons for the proposed Share Buyback;
- (iii) the consequences, if any, of Share Buybacks by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (iv) whether the Share Buyback, if made, could affect the listing of the Shares on the SGX-ST;
- (v) details of any Share Buyback made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (vi) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

1.3.4 Maximum Purchase Price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. However, the purchase price to be paid for a Share as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined hereinafter),

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase.

For the above purposes “**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, in the case of a Market Purchase, preceding the date of the Market Purchase, and deemed to be adjusted for any corporate action that occurs during the relevant 5-day period and the date of the Market Purchase, or in the case of an Off-Market Purchase, preceding the date on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

1.4 Status of purchased Shares under the Share Buyback Mandate

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

1.5 Treasury shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

1.5.1 Maximum holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10% of the total number of Shares.

In the event that the number of treasury shares held by the Company exceeds 10% of the total number of Shares, the Company shall dispose of or cancel the excess shares within six (6) months of the day on which such contravention occurs, or such further period as the Registrar of Companies (the “**Registrar**”) may allow.

1.5.2 Voting and other rights

The Company cannot exercise any rights in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company’s assets may be made, to the Company in respect of treasury shares. However, the allotment of Shares as fully paid bonus shares in respect of treasury shares is allowed. Furthermore, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is allowed, if the total value of the treasury shares after the subdivision or consolidation is the same as the total value of the treasury shares before the subdivision or consolidation, as the case may be.

1.5.3 Disposal and cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for its employees, directors, or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;

- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister for Finance may by order prescribe.

Pursuant to Rule 704(28) of the Listing Manual, the Company will immediately announce any sale, transfer, cancellation and/or use of treasury shares, stating the following:

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;
- (iii) number of treasury shares sold, transferred, cancelled and/or used;
- (iv) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancelled.

1.6 Sources of funds for Share Buyback

The Companies Act permits the Company to make payment, pursuant to the purchase or acquisition of its own Shares, out of capital as well as from its distributable profits, so long as the Company is solvent. Pursuant to the Companies Act, the Company is solvent if at the date of the relevant payment, the following conditions are satisfied:

- (a) there is no ground on which the Company could be found to be unable to pay its debts;
- (b) if –
 - (i) it is intended to commence winding up of the Company within the period of 12 months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition of Shares, become less than the value of its liabilities (including contingent liabilities).

The Company intends to use internal resources, external borrowings and/or a combination of both to finance purchases or acquisitions of Shares pursuant to the Share Buyback Mandate.

1.7 Financial effects of the Share Buyback Mandate

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, how the Shares are purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held as treasury shares or cancelled. The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2022, are based on the following principal assumptions:

- (a) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 1 January 2022 for the purpose of computing the financial effects on the EPS of the Group and the Company;
- (b) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 1 January 2022 for the purpose of computing the financial effects on the Shareholders' equity, NTA per Share and gearing of the Group and the Company; and
- (c) transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Buyback Mandate are assumed to be insignificant and have been ignored for the purpose of computing the financial effects.

1.7.1 Purchase or acquisition out of capital or profits

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent.

Where the amounts paid by the Company for the purchase or acquisition of Shares are made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced but the issued share capital of the Company will be reduced by such amounts. Where the amounts paid by the Company for the purchase or acquisition of the Shares are made out of profits, such amounts will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

1.7.2 Number of Shares acquired or purchased

For illustrative purposes only, on the basis of 434,792,193 Shares (excluding treasury shares and subsidiary holdings) in issue as at the Latest Practicable Date, and assuming no change in the number of Shares on or prior to the date of the 2023 AGM, the purchase by the Company of 10% of its issued Shares (excluding treasury shares and subsidiary holdings) will result in the purchase or acquisition of 43,479,219 Shares.

1.7.3 Maximum price paid for Shares acquired or purchased

In the case of Market Purchases by the Company:

Assuming the Company purchases or acquires 43,479,219 Shares at the maximum price of S\$2.4906 for one (1) Share (being the price equivalent to 5% above the average of the closing market prices of the Shares over the five (5) Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 43,479,219 Shares (representing approximately 10% of the issued

ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, which is the maximum number of Shares the Company is allowed to purchase) under and during the duration of the Share Buyback Mandate, is approximately S\$108,289,000.

In the case of Off-Market Purchases by the Company:

Assuming the Company purchases or acquires 43,479,219 Shares at the maximum price of S\$2.8464 for one (1) Share (being the price equivalent to 20% above the average of the closing market prices of the Shares over the five (5) Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 43,479,219 Shares (representing approximately 10% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, which is the maximum number of Shares the Company is allowed to purchase) under and during the duration of the Share Buyback Mandate, is approximately S\$123,759,000.

1.7.4 Illustrative financial effects

For illustrative purposes only, and on the basis of the assumptions set out above, the financial effects of the:

- (a) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of capital and held as treasury shares; and
- (b) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of capital and cancelled,

based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2022, are set out in the sections below.

The financial effects of the acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of profits are similar to that of purchases made out of capital. Therefore, only the financial effects of the acquisition of the Shares pursuant to the Share Buyback Mandate by way of purchases made out of capital are set out in this Appendix.

Note:

- (1) Number of Shares excludes Shares that are cancelled and assumes no change in the number of Shares on or prior to the date of the 2023 AGM.

Shareholders should note that the financial effects set out above are for illustrative purposes only. In particular, it is important to note that the above analysis is based on historical audited financial statements for the financial year ended 31 December 2022, and is not necessarily representative of future financial performance.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares (excluding treasury shares and subsidiary holdings). In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased as treasury shares.

1.8 Listing status of the Shares

Rule 723 of the Listing Manual requires a listed company to ensure that at least 10% of its total number of issued shares (excluding treasury shares) are held by public shareholders. As at the Latest Practicable Date, approximately 30.47% of the issued Shares (excluding treasury shares) are held by public Shareholders. As at the Latest Practicable Date and assuming the Company undertakes purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buyback Mandate, approximately 22.74% of the issued Shares (excluding treasury shares) will be held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

1.9 Take-over implications

Appendix 2 of the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

1.9.1 Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a general take-over offer for the Company under Rule 14 of the Take-over Code.

1.9.2 Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and persons controlling, controlled by or under the same control as the adviser, and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a *bona fide* offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to the instructions of that individual, companies controlled by any of the above, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

For this purpose, a company is an "associated company" of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company.

1.9.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50%

of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months. The Directors and their concert parties will be exempted from the requirement to make a take-over offer subject to certain conditions, including, *inter alia*, the submission by each of the Directors of an executed form prescribed by the SIC within seven (7) days of the passing of the resolution to authorise the renewal of the Share Buyback Mandate.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the renewal of the Share Buyback Mandate.

Shareholders are advised to consult their professional advisers and/or the SIC and/or the relevant authorities at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any Share purchases or acquisitions by the Company pursuant to the Share Buyback Mandate.

1.9.4 Application of the Take-over Code

1.9.4.1 *Dr. Doreen Tan, Dr. Dora Hoan and parties acting in concert with them*

At the Latest Practicable Date, Dr. Doreen Tan Nee Moi ("**Dr. Doreen Tan**"), Dr. Dora Hoan Beng Mui ("**Dr. Dora Hoan**") and D2 Investment Pte. Ltd. ("**D2**") are concert parties (the "**Concert Parties Arrangement**") pursuant to a shareholders' agreement dated 23 September 2005 ("**D2 Shareholders' Agreement**").

Pursuant to the D2 Shareholders' Agreement, both Dr. Doreen Tan and Dr. Dora Hoan, each holding 50% of the total voting rights in D2, agreed, *inter alia*, that their voting rights in the Company, consisting of:

- (2) the Shares held directly by each of Dr. Doreen Tan and Dr. Dora Hoan,

((1) and (2) collectively, the "**Collective Voting Rights**"),

will at all times be exercised unanimously. In the event Dr. Doreen Tan and Dr. Dora Hoan are not able to exercise the Collective Voting Rights unanimously, Dr. Doreen Tan and Dr. Dora Hoan will take steps to terminate the Concert Parties Arrangement, subject to any directions advised by the SIC and prior clearance with the SIC. Pursuant to the D2 Shareholders' Agreement, Dr. Doreen Tan and Dr. Dora Hoan also agreed that each of them shall at all times act in concert in respect of all their deemed and direct shareholding interests in the Company.

- (d) Dr. Doreen Tan directly holds approximately 7.2172% of the voting rights in the Company;
- (e) Dr. Dora Hoan and Dr. Doreen Tan are also deemed to be interested in the Shares held by D2 by virtue of each of their 50% shareholding interest in D2;
- (f) Ms. Li Lihui (“**Li Lihui**”), Dr. Dora Hoan’s daughter, directly holds approximately 0.0575% of the voting rights in the Company. Dr. Dora Hoan is deemed interested in approximately 100% of the voting rights in the Company directly held by Li Lihui;
- (g) Ms. Pek Jia Rong (“**Pek Jia Rong**”), Dr. Doreen Tan’s daughter, directly holds approximately 0.0575% of the voting rights in the Company. Dr. Doreen Tan is deemed interested in approximately 100% of the voting rights in the Company directly held by Pek Jia Rong; and
- (h) Li Lihui is presumed to be Dr. Dora Hoan’s concert party and Pek Jia Rong is presumed to be Dr. Doreen Tan’s concert party. Dr. Dora Hoan, Dr. Doreen Tan, Li Lihui, Pek Jia Rong and D2 (collectively referred to as the “**Parties**”) are parties acting in concert.

The following table sets out the interests of the Parties in the Shares as at the Latest Practicable Date:

Shareholder	Direct Interest		Deemed Interest	
	Number of Shares	%	Number of Shares	%
D2	192,787,500	44.3401	-	-
Dr. Dora Hoan	32,330,000	7.4357	193,037,500 ⁽¹⁾	44.3976
Dr. Doreen Tan	31,380,000	7.2172	193,037,500 ⁽²⁾	44.3976
Li Lihui	250,000	0.0575	-	-
Pek Jia Rong	250,000	0.0575	-	-

Notes:

- (1) Dr. Dora Hoan is deemed interested in the 192,787,500 Shares held by D2 and 250,000 Shares held by her daughter, Li Lihui.

- (2) Dr. Doreen Tan is deemed interested in the 192,787,500 Shares held by D2 and 250,000 Shares held by her daughter, Pek Jia Rong.

As at the Latest Practicable Date, the Parties hold an aggregate of 256,997,500 Shares, constituting an aggregate of approximately 59.1081% of the voting rights in the Company.

1.9.4.2 *Consequences of share buybacks*

Based on 434,792,193 issued Shares of the Company (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, the exercise in full of the Share Buyback Mandate by the Company would result in the purchase or acquisition of 43,479,219 Shares. Based on the direct holding of Shares of the Parties as at the Latest Practicable Date and assuming that:

- (a) the Company undertakes Share Buybacks under the Share Buyback Mandate up to the maximum of 10% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as permitted by the Share Buyback Mandate;
- (b) there is no change in the Parties' direct holding of Shares between the Latest Practicable Date and the date of the 2023 AGM; and
- (c) there is no change in the Parties' direct holding of Shares from the date of the 2023 AGM until the Company's exercise in full of the Share Buyback Mandate,

the Parties' aggregate voting rights in the Company will increase from approximately 59.1081% to approximately 65.6757%. As the Parties hold more than 50% of the voting rights in the Company, notwithstanding any increase in the Parties' interest in the Company, there is no requirement for the Parties to make a general offer under Rule 14 of the Take-over Code. Notwithstanding the aforesaid, the SIC may, subject to the considerations set out in Note 5 to Rule 14.1 of the Take-over Code, regard as giving rise to an obligation to make an offer, any acquisition by a single member or sub-group of the group acting in concert, of voting rights sufficient to increase his/her/its holding to 30% or more, or if he/she/it already holds between 30% and 50%, by more than 1% in any period of six (6) months.

Save as disclosed above, the Directors are not aware of any fact(s) or factor(s) which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting Shares should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase of Shares by the Company pursuant to the Share Buyback Mandate.

Shareholders who are in any doubt as to whether they would incur any obligations to make a take-over offer as a result of any Share Buyback pursuant to the Share Buyback Mandate are advised to consult their professional advisers and/or the SIC and/or the relevant authorities at the earliest opportunity before they acquire any Shares during the period when the Share Buyback Mandate is in force.

1.10 Reporting requirements

Within 30 days of the passing of a Shareholders' resolution to approve the proposed Share Buyback Mandate, the Directors shall lodge a copy of the relevant Shareholders' resolution with the Registrar.

The Directors shall lodge with the Registrar a notice of share purchase or acquisition within 30 days of a share purchase or acquisition. Such notification shall include the date of the purchase or acquisition, the number of Shares purchased or acquired by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued ordinary share capital before and after the purchase or acquisition, the amount of consideration paid by the Company for the purchase or acquisition, whether the Shares were purchased or acquired out of the profits or the capital of the Company, and such other particulars as may be required in the prescribed form.

Within 30 days of the cancellation or disposal of treasury shares in accordance with the provisions of the Companies Act, the Directors shall lodge with the Registrar the notice of cancellation or disposal of treasury shares in the prescribed form.

Such announcement currently requires the inclusion of details of, *inter alia*, the total number of shares purchased or acquired, the purchase price per share or the highest and lowest prices paid for such shares, as applicable. Such announcement will be made in the form prescribed by the Listing Manual.

1.11 No purchases during price-sensitive developments

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices on dealings in securities under Rule 1207(19) of the Listing Manual, the Company will not purchase or acquire any Shares through Market Purchases during the period commencing: (i) two (2) weeks before the announcement of the Company's financial statements for each of the first three (3) quarters of its financial year; and (ii) one (1) month before the announcement of the Company's full year financial statements.
